

Chapter 119

Elsa suffered severe pain in her leg, desperate in her heart, and tears kept streaming out.

Seeing her beautiful face with rain in pear blossoms, the young man became wicked, swallowed hard, and blurted out: "Get her in the car!"

Someone booed next to him: "Master, when will we come with this beauty again?"

The young man said coldly: "When I'm done, let you come!"

After speaking, he reached out to grab her and get to the car.

At this moment, he suddenly heard several miserable screams from the periphery!

"what!"

Suddenly, several screams violently sounded.

The young man raised his head angrily and shouted sharply: "What's the matter?"

But as soon as he looked up, he suddenly felt a strong wind hit the door!

Before he could dodge, he felt a sharp pain in his face, a hammer splashed all over his eyes, the bridge of his nose snapped off, and nosebleeds burst out suddenly.

Like a sledgehammer hitting his head, the young man screamed in pain, his body swayed and fell backward.

Just when he fell, he saw several accomplices behind him, lying on the ground like a dead dog, all motionless.

Elsa raised her head in horror, her beautiful eyes suddenly enlarged.

She saw a person wearing a black mask standing in front of her, his eyes as cold as a knife.

Elsa was surprised and happy, and exclaimed in her heart, who is he? Is he here to save her? Yes, he must be here to save her!

The youth's face was bloody, and he fell to the ground and couldn't get up.

This person shot too fast, and in a blink of an eye, the four people were released. The remaining masked people reacted for several seconds, rushing to him while roaring, and calling their comrades.

"You, who are you." Elsa sat on the ground, looking up at the person in front of her.

This person didn't answer, but quickly picked her up and ran deep into the alley.

Elsa panted, her heart pounding, she was still in shock.

Behind him came the stern shouts of the brawny men and the roar of motorcycles, clearly pursuing them with all their strength.

The whistling wind blew past her face, Elsa had lost too much blood on her legs, and, coupled with the panic, she could only hug this person weakly.

For some reason, she vaguely felt that the breath of this person seemed a bit familiar.

But she didn't know that this mysterious man hugging her was the husband of her good girlfriend, Charlie.

Charlie drove past here, but he happened to see Elsa being surrounded.

He was afraid that Elsa would have something serious, so he wore a mask and came to rescue her.

After being transformed by that ray of spiritual energy from the white stone, Charlie's skills have become extremely good, and the speed was much faster than before.

In addition, there were so many alleys here, Charlie quickly threw away the chasing soldiers.

He hugged Elsa and ran a long distance before coming to the depths of a park before stopping.

It's getting late and the plants are dense in the depths of the park. Even if the opponent catches up, they can hide their traces.

He put Elsa on the ground and frowned when he saw that her pants had been stained red with blood.

Although Elsa lost too much blood, she managed to stay awake, pale and grateful: "Thank you for saving me. Who are you?"

Chapter 120

Charlie glanced at her but didn't say a word.

He has never looked down upon her, even if he reveals his true colors, what is the point? It's just annoying.

Therefore, it is better to hide to the end.

Moreover, he didn't take special care of Elsa, he only took care of his wife Claire's face before he tried to save her.

Seeing that Charlie didn't say a word, Elsa also understood what the other party meant, and knew that the other party must not want to reveal the identity, so she was embarrassed to ask further.

But she has a strong personality, not the kind of woman who clings to men. Since the other party saved her, but she is not grateful for it, she always feels that she owes something in her heart.

Just as Elsa wanted to ask, she heard a hoarse and cold voice in her ears.

"Take off your pants."

Elsa raised her head in astonishment and saw the masked man's eyes look on her body, and she was suddenly angry.

Thought to escape the tiger's mouth, but fell into the wolf den again.

This is a wilderness, and the opponent is so skilled, even if she shouts to the sky, she can't escape the clutches.

In despair, Elsa gritted her teeth and said sternly: "Don't touch me, I will never be humiliated! If you dare to do anything to me, I would rather die!"

Charlie was taken aback, deliberately suppressing the voice, pointing to her leg, and said: "Your hamstring has been injured, and the wound is close to the aorta. If it is not treated in time, it may become disabled. Now if the bleeding does not stop, it will send you to a coma. If you say the hospital, it's definitely too late to get to the hospital, what do you say?"

Elsa looked at him in amazement, her cheeks suddenly hot.

She thought that the other party wanted to be unruly to her, but she didn't expect

Seeing Elsa staring at him dumbfounded, Charlie sighed in his heart.

Elsa asked him timidly: "Can you help me stop the bleeding?"

Charlie nodded and said, "I have studied traditional medicine and can use acupuncture techniques to stop bleeding and slow down the injury. Then you will have time to go to the hospital for follow-up treatment."

"Thank you." Elsa's face flushed, her voice was as inaudible as a mosquito.

She couldn't help but glance at her wound, her heart was extremely contradictory.

This injury is impartial, just on the upper thigh, and she has to take off your pants.

But if she took it off, wouldn't she be seen by the other side?

The Dong family's upbringing is very strict, and Elsa never interacts with other men, let alone let men touch her body.

Moreover, the Dong family has a family doctor who is a well-known western doctor abroad. She does not believe that only acupuncture can stop bleeding and cure injuries.

Elsa thought for a while, and declined: "Thank you for your kindness, but please send me to the hospital first, I think I can hold it."

Charlie frowned, how could he not know what the other party was thinking.

Elsa must feel that she is not injured to death now, so she wants to go to the hospital first.

But she knew that the reason she didn't feel that serious right now was because he secretly injected a trace of spiritual power into her body when he was holding her.

Otherwise, how could she have survived until now, having lost too much blood and died?

Seeing that Charlie didn't speak, Elsa believed that the injury should not be so serious, so she wanted to stand up.

But as soon as she moved, the wound burst open, and a burst of blood spurted out.

Elsa's body became soft, she sat on the ground dizzy, her face extremely pale.

Charlie frowned and said, "I just said that if you move around, this leg will definitely be broken. Even if you go to the hospital, there is no way to cure it. Not to mention that you have lost too much blood. It is possible to die in shock without waiting for the ambulance to come. You can choose whether to cure it now or die!"
