

# Catch Me If You Love Me Chapter 119

Zoey Gu didn't know when, he pulled his hand, opened his mouth and bit down hard!

Liam Lu raised his brows quickly, clasped her with one hand, and let her bite so still, her teeth were almost torn apart, deep into the texture, slowly bleeding.

The more he couldn't stand it, the more he hurriedly took a step forward.

"Liam..."

Liam Lu didn't even lift his head. He looked at Zoey Gu quietly with red eyes, still calling her name in a low voice.

"Zoey, it's me. Open your eyes and see, it's not dark here."

As he said, Liam Lu's voice suddenly went dumb for some unknown reason.

He could not even imagine.

In those five years, how did she suffer day after day, year after year?

Until she tasted the bloody smell in his mouth, Zoey Gu in his arms finally calmed down slowly.

Hearing the familiar voice, she raised her head tremblingly, and slowly saw the face that was close at hand in a dazzling light.

"Liam Lu?" In those eyes that slowly became clearer, there was incredible disbelief.

Zoey Gu subconsciously raised his hand and touched Liam Lu's face tremblingly. After feeling the real touch in his palm, tears flowed out of her eyes.

It's really him, here he is!

But doesn't he hate her, doesn't he hate her?

Zoey Gu looked at the man in front of him with teary eyes, opened her mouth to ask, wanted to talk, but couldn't make a sound in her dry voice.

Liam Lu's eyes were filled with distress, and he squeezed the back of her head and pressed against him, and he held his forehead against her, and said in a dumb voice.

"Follow me first. If you want to ask, I will tell you the truth. Huh?"

In the next second, he took her into his arms and reached out to hug her.

Yun Zhihan's weird laughter suddenly sounded behind him.

"Liam Lu, you wouldn't think that you finally came to Qingcheng, so I just let you go?"

Liam Lu's eyes were cold, and he looked at Yun Zhihan coldly, his voice like ice.

"If I really want to leave, do you think you can keep me?"

Yun Zhihan lifted his lips and sneered, and lightly pointed his finger at Zoey Gu in his arms.

"I really can't keep you. But she can keep the woman in your arms. Do you believe it?"

As soon as the voice fell, Zoey Gu, who had been close to Liam Lu's arms, suddenly screamed, pushed Liam Lu away, and rolled to the ground holding himself.

"what!"

Liam Lu's pupils shrank, and his face instantly changed.

"Zoey?!"

He squatted down violently and reached out to hug her.

As a result, as soon as her hand touched Zoey Gu's body, she let out a short cry again, and her whole body instantly rolled to the wall, and instantly opened a long distance from Liam Lu.

Her face was pale, and her body was shaking like a leaf in the wind, panting unwillingly.

"It hurts! Don't touch me, it hurts..."

It's not just skin.

Her whole body, bone marrow texture, at this moment, as if being cut apart by a knife, adding salt water, the pain caused her heart and lungs to be pierced, and her soul was almost out of the body.

The pain was so painful that Zoey Gu's tears fell down.

She opened her eyes in pain and shouted in a low voice.

"Liam Lu..."
