

# Catch Me If You Love Me Chapter 120

She yelled, struggling instinctively to reach out to him, and finally had to retract back like an electric shock because of the pain all over her body.

The masseter muscles on both sides of Liam Lu were tight, and the blue veins on his forehead violently jumped. Seeing Zoey Gu rolling all over the floor in pain and pain, his heart instantly crumpled into a ball.

He suddenly turned around with red eyes, raised his hand and stuck Yun Zhihan's neck tightly, pressing him tightly against the wall at every step, and gritted his teeth and asked.

“What did you do to her?!”

Yun Zhihan opened his mouth wide in pain, his chest undulating sharply, but he curled his lips and smiled at him.

“Ahem! You know, our Yun family is a well-known medical family. It is not difficult to develop any medicine at random.”

Yun Zhihan was pinched and his face flushed, but his face was full of complacency.

“Don't worry, what I give her to eat will not kill her. At most every few hours, I will make her whole body pain unbearable, like a thousand arrows piercing my heart...”

Before he finished speaking, Yun Zhihan was violently thrown out by a huge force.

With a “bang”, his body slammed heavily on the wall of the dark room, then fell to the ground fiercely, and a mouthful of blood came out.

The blue veins on Liam Lu's forehead violently jumped, and the bloodthirsty coldness exploded in his eyes inch by inch. A few steps forward, he lifted his foot and ran Yun Zhihan's head and bent down and grabbed his collar.

Anna Yun's face was covered with blood, but her lips were still curled, watching Liam Lu's fist about to fall on his face.

“Beat me, she will only have this pain for a lifetime.”

Liam Lu's wind-like fist suddenly stopped just above the bridge of Yun Zhihan's nose.

He stared at the weird sneer face, the bloodthirsty and hostility all over his body seemed to be frozen, and the scarlet eyes also cooled down a little bit.

For a moment, Liam Lu glanced at Zoey Gu who was lying on the ground rolling in pain, and closed his eyes severely.

When he loosened his hand, he kicked Yun Zhihan to the wall behind him.

“Go ahead, what do you want?”

The Yun family always pays for him. Since they have worked hard to attract him to Qingcheng with Zoey Gu, Liam Lu never thought they would give up.

He just didn't expect that all these pains were endured by the innocent Zoey Gu.

“Ahem!”

Yun Zhihan got up from the ground embarrassedly, still looking invulnerable.

“If you are so conscious earlier, your woman will be less painful.”

As he was talking, his eyes were fixed on Liam Lu, his face gradually closed, and his eyes gradually became cold.

“My Yun family and Lu family have always had a good relationship. Although they are not as powerful as your Lu family, they are also a man of prestige in Qingcheng. My sister Anna Yun has been with you for five years, and donated blood to you lifelessly year after year. It's fine if you don't give her a correct name, you actually find another woman to humiliate her.”

“Liam Lu, do you treat my Yun family as weak and deceive?”

As Yun Zhihan said, his eyes burst out with cold light, his teeth grinded fiercely.

“I want me to let this woman get free and continue to be your Mrs. Lu, yes! Today you give me an explanation, as long as I am satisfied and break down the medicine, I will give it to you immediately!”

After finishing speaking, Yun Zhihan raised his hand and slammed into the air with “pop, pop” twice before raising his voice to say.

“Bring things in!”
