

Chapter 121

Elsa clutched her legs and saw blood leaking from her fingers, she knew Charlie hadn't lied to her.

However, asking her to take off her pants in front of a strange man, she struggled incomparably.

In the face of life and death, Elsa hesitated for a while and finally compromised.

She didn't want to die, let alone become disabled.

Elsa's face was flushed, she raised her head and glanced at Charlie, her heart thumped and her whole body was strange.

Finally, she said softly: "I see, thank you."

Charlie nodded, knelt down, and grabbed her trousers with both hands and tore it forcefully.

Elsa suffocated her breath, her pretty face was so hot, her heart beat faster, she didn't dare to look at Charlie when she lowered her head.

Charlie's eyes were calm, he saw the knife wound on her left leg, put his two fingers together, and pointed at the acupuncture points.

A hint of spiritual energy dipped into the injury from his finger.

Charlie's eyes were always staring at the wound, and he didn't even glance at any other place.

He gestured like flying, and after a few fingers went down, the blood in the wound gradually stopped.

According to the medical techniques on the Nine Profound Heaven Scriptures, he was able to completely heal Elsa's injuries, regenerate her tendons, and even recover the wounds on the spot, but Charlie didn't want to shock her.

He just used fingers as acupuncture to help Elsa stop the bleeding, her muscles and veins healed, and then she stopped. She only needs to bandage the remaining skin wounds in the hospital and she can be discharged from the hospital and heal herself.

Elsa's heart slammed into confusion, feeling that after Charlie tapped a few fingers, the pain was relieved and the blood stopped, she was shocked.

Unexpectedly, the traditional medicine that her family considers useless is more useful than western medicine!

"Okay." Charlie said lightly, stood up without squinting, "You stand up and try."

Elsa tried to stand up, her leg had stopped bleeding, she was surprised and happy.

She blushed and raised her head, and said shyly: "Since you don't want to be named, give me a chance to thank you?"

"No," Charlie said coldly, he didn't want to expose his identity.

"You saved me. If I can't even thank you, I will be ashamed all my life."

Elsa said stubbornly, and then took off a necklace from her neck: "This is my coming-of-age ceremony. Grandpa gave me a gift. You save my life and I want to give it to you."

What she held in her hand was a platinum chain with a crystal clear pink diamond inlaid on the pendant.

Charlie wanted to refuse, but he felt a faint aura on the pink diamond. He took it over with a turn of his mind.

He nodded, took off his jacket, tied it around her waist, and said, "Excuse me, I tore your pants. You can wrap my clothes around. I just used your phone to call I got the emergency number of the nearby hospital. The ambulance will arrive in about a few minutes. You are safe. I have something to do, will leave now."

After speaking, Charlie turned around without looking back and disappeared into the dense sorghum field as soon as his figure shook.

"Hey, wait," Elsa yelled, and Charlie had already been lost in front of her eyes.

Outside the park at this time, the sound of the ambulance was heard.

She looked down at the jacket surrounding her body, and then at the direction in which Charlie disappeared, feeling lost.

In the next second, she suddenly felt that the back when the other party left was so familiar.

Elsa recalled for a while, and suddenly remembered that this back figure is exactly the same as the chairman!

"Is it the chairman of the Emgrand Group?" Elsa was moved.

But she didn't ask the other party's name, nor did she see the other party's appearance, and she doesn't know if the guess is true?

At this moment, Elsa suddenly discovered that a gray pebble had fallen from the place where Charlie had just squatted. The words "peace and wealth" were still written on the stone.

Chapter 122

This stone, accidentally fell out, right?

Elsa immediately grasped it like a treasure.

If she never sees him again, then this stone is the only token he left to her.

After Elsa was taken to the hospital by ambulance, her injuries were not serious after diagnosis.

The doctor who treated didn't know that she had undergone Charlie's initial treatment, and was extremely surprised at her injury.

Judging from the stab wound on her leg, it can be seen that the tendon is ruptured, and damaged.

But for Elsa's skin and flesh injuries, the tendons and veins inside were intact, as if they had been reconnected, the veins and tendons were stronger.

The doctor told her: "You can recover from your injury after a few days of rest. To be honest, this is really incredible. Did you do any special treatment for the wound?"

Elsa thought about the mysterious person, but she said: "I didn't do anything special."

The doctor sighed, "That's amazing!"

Having said that, the doctor said again: "By the way, I have notified the police and they will come soon. You can tell them about the attack."

Elsa nodded gently.

The police came quickly.

It was the senior executives of the Emgrand Group who took a serious injury.

Among the police officers who came, someone knew the Willson family and knew she was a guest of the Willson family, so they notified the family as well.

At the Willson family villa at this time, a large family is discussing what should be done.

Harold told them that something went wrong with Elsa, but did not say that it was because of him. The Old Mrs. Willson still felt that this was a good opportunity for the Willson family to perform. She must find a way to find Elsa, rescue her, and give Harold an extra Add drama to help him capture Elsa's heart.

When she heard that she was in the hospital, Lady Willson was immediately disappointed and exclaimed: "If Harold could seize this hero's chance to save her, it would have been great!"

After speaking, she immediately said to everyone: "Come, let's go to the hospital and see!"

Harold had no bottom in his heart, but he could only bite the bullet and go to the hospital with his family.

On the way, Harold had already thought about excuses, but he didn't know if Elsa would buy it.

Upon arriving at the hospital and seeing Elsa, Harold immediately showed a strong surprise on his face, and hurriedly stepped forward: "Elsa, are you okay? I was about to call my dad and take someone to save you."

"Help me?" A hint of irony flashed across Elsa's cold face, and said lightly: "I was almost killed by you!"

Harold hurriedly explained: "Elsa, don't get me wrong. I was trying to attract their attention. After all, the person they were looking for was me, not you. I thought they wouldn't do anything to you."

Elsa snorted coldly and was too lazy to speak with Harold, because she had already seen the face of this person thoroughly, only thinking about how to go far away from him in the future.

Seeing that Elsa didn't blame him anymore, thinking she believed his statement, Harold looked up and down Elsa and saw that she was surrounded by a men's jacket. He frowned, "Elsa, where are your pants?"

Elsa was full of disgust, didn't want to talk to him at all, and said coldly: "It has nothing to do with you!"

Old Mrs. Willson's shrewd eyes swept over Elsa's body, staring at the men's jacket on her, and stepped forward and asked: "Elsa, if you have anything, you can tell grandma, that group of people didn't do anything to you, right?"

Elsa said blankly: "They stabbed me. Fortunately, a young man who passed by saved me. Because I had a leg injury, he helped me treat it. The pants were torn and he took off his jacket. Give it to me, why, there is a problem?"

"Young man?" Old Mrs. Willson was shocked.

A young man rescued Elsa, which is not so good! In case Elsa feels good about the young man, wouldn't her precious grandson Harold has no chance?

Harold also said jealously at this time: "Elsa, how did the other party treat you? Did he take off your pants and treat you?"

Elsa sneered and said sarcastically, "What does it have to do with you?"
