

Chapter 1267

After all, Gu Jianing was his father's cousin. Her father had been in a good relationship with her since she was a child. Now it was her daughter who called. No matter how angry Darius was, he would not let it out.

After a pause, Darius asked: "You and Aunt Jianing, have you called the old house?"

At that end, the woman named Xiaoqing immediately laughed lively: "After the phone call, Grandpa Shu didn't answer the phone at first, but later it was Uncle Biao who answered the phone. You know Brother Darius, Uncle Biao is very It hurts my mother, right."

Darius: "..."

"Uncle Cousin immediately invited us to visit your house as soon as it was my mother's call. We will be at your house in about ten minutes."

Darius: "Sally...you, don't..."

At that end, the woman named Xiaoqing has hung up the phone.

Darius: "..."

Originally, he wanted to stay with her little aunt for a day, eat her meal and accompany her.

This is what he meant by Darius himself.

That's what Grandpa meant.

It's even Dad's meaning.

Dad told Darius: "A Zhen, although your grandfather is sorry for your little aunt, I also have a time when you are sorry for your little aunt. When your little aunt was young, I still saw her several times, but every time I hated her to my bones."

"Until my dad really grew up and was frustrated, I found out that my sister-in-law is my dad's direct sister."

"A Zhen, you must always go with your little aunt, you know?"

Darius could only nod solemnly.

He bears the hope of his father and the hope of his grandfather on his back.

Only the little aunt really accepts him, and then slowly influences, hoping that one day the little aunt can go home and accept his grandfather.

If my sister-in-law accepts grandpa, grandpa will be able to look down even if he is dead.

Darius thought so, and it was his grandfather and father who ordered it.

But as for himself, he also knows that the little aunt is already very happy now. As long as she does not associate with the Shu family, the little aunt is the happiest and most fulfilling one. Every time he sees the little aunt, Darius is in a dilemma.

Later, he decided that as long as he could make the little aunt happy, whether she would be filial to her grandpa in the future?

Although grandfather gave life to his aunt, he never raised his aunt for a day.

So, Darius decided that he didn't plan anything first, just to make the little aunt happy.

However, even such a plan was interrupted today.

There is an extremely strong anger in Darius's heart, but he is not good at having auntie here.

After closing the thread, he restrained his anger like Alyce said: "Aunt, I can't eat here today."

My aunt's face suddenly changed: "What's wrong, A Zhen?"

"It's okay, auntie, I have to go back if something happens temporarily."

Darius didn't give any explanation, he left without looking back.

I went out and drove the car home.

Before entering his house, Darius saw his cousin's daughter. What was far-fetched was that his cousin was holding a little girl in her hand, who was standing outside the house and waving at him.

"Cousin, cousin!" The elegant and playful woman in a white dress raised her hand and greeted Darius.

"Cousin, you are finally back, great!"

Darius said nothing, he just got out of the car, set the car well, and came to the woman calmly.

"Cousin..."

Darius asked in a sharp tone: "Gu Xiaoqing, are you pretending to be crazy and stupid?"

Chapter 1268

Gu Xiaoqing was taken aback first.

Then the circles of the eyes turned red: "Cousin, what do you mean! If you don't welcome me to your house, my daughter and I, my mother, we will go home immediately!"

After a pause, she said again: "Furthermore, this home is not yours alone, right? We came to see grandpa and my uncle and aunt, not to see you! My daughter and I stood at the door to greet you. I'm giving you a face!"

Darius: "..."

After a pause, he said in a low voice: "I'm sorry, I'm a little gaffe, but I'm in a bad mood."

Gu Xiaoqing's tears fell: "My daughter always asks me whether her cousin is handsome or not, whether her classmate's father is handsome? My daughter must stand at the door to greet my uncle who I've never seen before. ..."

Only then did Darius see the little girl at his feet.

The little girl looked up at Darius: "Uncle..."

Darius's heart melted immediately.

He knelt down to pick up the child: "Tell Uncle, how old are you?"

Little girl: "Uncle, I am six years old this year. My name is Gu Xiangyi. Uncle, I came here once last week, but I didn't see uncle or grandpa, but I prepared a gift for grandpa."

Darius felt especially guilty in his heart: "Is that right, baby, are there any gifts?"

Gu Xiangyi: "Yes."

"Where can I show it to Uncle?"

"Okay." The little girl said briskly. As she said, she struggled to get out of Darius's arms, then took the small bunny ear backpack from her back and unzipped it.

The little girl took her hand in, but did not take it out.

"What's wrong, baby?" Darius asked.

"Look, uncle, Tangtang has become ugly." Gu Xiangyi showed Darius the soft lollipop.

The class Bangbang that has been left for a week has long been deformed and can't be seen.

However, Darius still saw the words 'Grandpa Shu is happy' from above.

There was an unspeakable touch in his heart, and then he said to Gu Xiaoqing: "Yes...I'm sorry just now, it was me...something outside was not handled properly, so I was a little bit Got a gaffe."

"It's okay, cousin, we are family members, so you can send it to me if you are angry! It's better than posting it to outsiders." Gu Xiaoqing was very reasonable.

Darius smiled gently, and then walked in with Gu Xiangyi in his arms.

Gu Xiaoqing naturally followed behind.

Passing through the corridor of Shu's Taste Evil, to outside the hall where his parents were, Darius could hear the laughter in the hall.

"Cousin, look, I bought this specially for you abroad. This pipe is very good." A female voice reached Darius's ears.

"Jianing, it makes you bother, don't buy this kind of precious things in the future, your cousin and I don't lack anything, your mother and daughter's life is not easy." This is the father's voice.

At this time, Darius also entered the hall with Gu Xiangyi in his arms.

The laughter in the hall stopped abruptly.

A middle-aged beautiful woman looked at Darius: "Yes...A Zhen, right?"

Darius looked at the beautiful woman in front of him, and did not speak for a long time.

To tell the truth, beautiful women are really beautiful.
