

Chapter 1311: Engagement

Old Man Gong was not so obstinate a person to deliberately behave contrarily – especially since Gong Yi had expressed himself so firmly. He sighed and decided on a compromise.

However, his thoughts on the matter were interrupted by a knock on the door.

Gong Yi quickly got up to open the door. Standing outside were Sun Xiaoxiao and Bai Beibei. They had arrived at last.

“Auntie, Beibei, you’re here. Allow me to make the introductions. This is my father, and this is my mother.” Gong Yi led them into the room, briefly calling attention to his parents.

Old Man Gong stared at Sun Xiaoxiao as she entered. There was something about her that seemed remarkably familiar. Sun Xiaoxiao possessed a ravishing beauty. Having given birth to Beibei at the age of 18, she still looked relatively young. At the age of 36, she retained much of her youthful looks. There was no doubt that a part of Bai Beibei’s charming beauty was inherited from her.

Both mother and daughter were beautiful, albeit in different ways. It only took a moment for Old Man Gong to recognize her.

He knew who she was.

He finally knew why he did not like Bai Beibei. It was because he saw a shadow of Sun Xiaoxiao in Bai Beibei.

“Father? Father!” Gong Yi called out twice, pulling Old Man Gong from his memories.

“Father, what are you thinking about? Auntie is greeting you,” Gong Yi reminded.

Old Man Gong stared at Sun Xiaoxiao. She, in turn, regarded Gong Yi’s father with an expression of calm elegance. “It’s nice to meet you.”

Old Man Gong frowned. His face sank faster than the Titanic, replacing it was a mask of stony indifference.

The atmosphere grew heavy and the silence seemed to stretch.

Madam Gong secretly tugged at her husband’s sleeve and tried to smooth things over. “Let’s not talk while standing. Come, let’s eat while we chat.”

Thus, the five of them sat down at the table, each with their own thoughts.

The waiter returned, not long after, and served the dishes.

Sun Xiaoxiao twirled her hair as she eyed Gong Yi's father. With her eyes burning fervently, she said, "Master Gong, Madam Gong, perhaps we ought to discuss the future of the younger generation. Beibei and Gong Yi have been dating for some time now. What do you think of their getting engaged?"

Bai Beibei noticed the souring expression on Old Man Gong's face, covering her face in her hands. How could she be so straightforward? Immediately, she tugged on her mother's sleeve hoping she would take the hint.

"Let's talk about this in a few years time. Beibei is still young, after all." Old Man Gong replied robotically.

As soon as the words left his mouth, the atmosphere dropped to subzero temperatures. The change was so sudden that everyone in the room felt it.

"My father was joking. Please, don't take him seriously." As he said this, Gong Yi kicked his father under the table. "I've already decided that Beibei and I will be engaged."

Gong Yi's father did not react violently. He merely glanced at his son with narrowed eyes and snorted.

Gong Yi was baffled by his father's behaviour. He felt that his father was behaving rather strangely and it evoked an indescribable feeling in his chest.

"Hehe, yes, yes. We should listen to the wishes of the younger generation. Since my son wishes to be engaged to your daughter, then as parents, we should give them our blessings." Gong Yi's mother stood firmly by her son's side.

Bai Beibei looked at Gong Yi's mother shyly. Madam Gong was smiling at her affectionately.

Overwhelmed by the favour she was receiving, Bai Beibei returned Madam Gong's smile with a sweet one of her own.

"Since that's the case, then this matter has been decided." Sun Xiaoxiao was pleased to note the distinct absence of any objection in Madam Gong's countenance.

"Mom..." Bai Beibei cautioned softly.

It was quite inappropriate for her mother to make such a decision herself without consulting Madam Gong on her opinion. It was as if she was purposefully being obnoxious. Was she trying to instigate conflict between their two families?

Sun Xiaoxiao ignored her daughter's pleading words, sipping casually at her tea.

Bai Beibei looked at Gong Yi's father who was opposite her. Old Man Gong did not rise to Sun Xiaoxiao's baits. Instead, he maintained the dignity and self-restraint of an elder. The words left unspoken were: 'it's up to you all. Either way, I won't agree to anything.'

Bai Beibei sent Gong Yi a helpless look.

Sensing Beibei's gaze, Gong Yi's lip twitched and curved into a boyish grin. He silently conveyed his support for her: 'It's okay. I'm here. Don't be afraid.'

...

Halfway through the meal, Sun Xiaoxiao excused herself and went to the washroom.

In the corridor, Old Man Gong stopped her. "Please wait."

Sun Xiaoxiao turned around and asked Gong Yi's father. "Is there something you need me for?"

Old Man Gong looked at her indifferently. "You knew I would seek you out."

"Oh?"

"Sun Xiaoxiao, there are no outsiders here. There's no need to put on an act."

"What do you mean? I don't understand."

"You don't understand?" Old Man Gong sneered. "You may have forgotten about me but don't think for a second that I've forgotten about you. I honestly didn't expect you to be Bai Beibei's mother. At least, now I know that the maid who climbed into Bai Shida's bed was you."

Sun Xiaoxiao's face froze into a glacial mask. She glared at Old Man Gong darkly with clenched fists hanging by her side.

A transformation seemed to take hold of her then. No longer was she the elegant woman of dignified grace she portrayed herself to be. Instead, what stood in her place was a woman twisted by jealousy.

"How could I have forgotten you? My life was ruined by you. Bai Shida deserves to die, and you more so. You are the perpetrator of all hardship in my life!"

"Heh! Sun Xiaoxiao, you haven't changed at all. Indeed, the fault is mine. I shouldn't have shown you mercy, eighteen years ago. I should have exterminated you completely."

"Sadly, you've missed that opportunity. Gong Ping, you're nothing more than a hypocrite!" Sun Xiaoxiao clenched her teeth and said.

Old Man Gong did not refute her words because he did not think there was any need to. He had nothing to say to this woman.

"Take your daughter and get out of my sight. The Gong family will never accept your child as our daughter-in-law. She can forget about stepping through our doors!"

Sun Xiaoxiao straightened her back and offered her acquaintance a smug smile. "Shouldn't you be saying these words to your son? Get it straight. It's not my daughter who is trying to ingratiate herself. Your son is the one who is clinging to my daughter and refusing to let go."

Old Man Gong frowned. "Did you orchestrate these turn of events?"

"Hmph," Sun Xiaoxiao snorted coldly. "Gong Ping, haven't you heard of the saying, 'the river flows east for thirty years, and the river flows west for thirty years.' I bet you never thought a day like this would come. Oh, the irony! Your son is in love with my daughter. It seems that I'm the ultimate victor."

...

In the private room, Gong Yi's mother went out to answer the phone. Only Gong Yi and Bai Beibei were left.

Bai Beibei looked at Gong Yi. "Your father really doesn't like me..."

Gong Yi held her soft little hand, "You're getting engaged to me, not my father, so don't take his attitude to heart. When you're older, we'll get married and move out. We won't live with my parents. We'll have our own home. I know my father. He's an upstanding man whose actions are always open and aboveboard. He won't do anything to break us up."

Bai Beibei was not worried about what Gong Yi's father would do. It saddened her, really. Why was it so hard to gain Old Man Gong's approval?

"Your father's dislike for me is only temporary. I'll definitely work hard to make him see me in a better light," Bai Beibei brightened up.

Gong Yi smirked. Pressing his strong, sculpted body against hers, he whispered, "There's a shortcut to gaining my father's approval..."

"What shortcut?"

"My father really wants to have grandchildren."

Chapter 1312: An Old Acquaintance of 18 Years Past

Stunned, Bai Beibei's face glowed a rosy red. She clenched her small hands into fists and hammered him, trying her best to hide her embarrassment. "What are you talking about?"

Gong Yi clasped her small hands, pressing them against his chest. The steady beat of his heart thrummed beneath her hands. "I've told you this before. Whether you want to take this route is up to you."

Bai Beibei did not know how to feel. Her emotions were a mess of tangled knots that confounded truth and falsehood. Was this what it meant to be in love?

Her watery eyes flickered uncertainly. Within those limpid pools, dwelled an innocence and purity only matched by a young fawn. Gong Yi felt his heart race. Bending down, he kissed her soft, tender lips.

Bai Beibei ducked, avoiding him as best she could. "Stop... This isn't right. My mother and your parents will be back soon..."

Gong Yi's lips brushed past her pink cheeks and the kiss he had saved was planted in the crook of her neck instead. He frowned unhappily. In a deep throaty voice, he teased, "When was the last time I touched you?"

This question of his made her feel like her whole body was burning up. It had been a long time, indeed...

It had been almost a month since her grandmother passed away, and both of them were so absorbed in their grief that they hardly had any time to make love. They had never considered the possibility of Granny's life expiring so soon. Yet, now that was being so forward with his advances, Bai Beibei wanting nothing more but to cover her ears and pretend she could not hear him.

Truly, there was no greater suffering for Gong Yi. His body tensed up, and he felt a hot rush coursing through his veins.

He wanted to push her down without caring for the consequences of his actions. In the end, reason won out. Now was not the right time.

“Why don’t you come over to my place tonight, hmm?” He wrapped his muscular arms around her slender waist, pulling her into his embrace.

“No...” Bai Beibei shook her head.

“Why?”

Bai Beibei was not sure how to answer his question.

Gong Yi playfully pinched her. “Come on, say something!”

He exerted some force, causing Bai Beibei to yelp. “Ah!” She cried out.

“Shh! Don’t scream! If you scream again, I’ll take you on the spot!” He threatened mischievously.

Bai Beibei buried her head in his chest, her face colouring like an apple. She could not bear the thought of looking up at him.

Gong Yi hugged her, chuckling as he did so.

The two young lovebirds were interrupted by a scream from outside. “Ah!”

Gong Yi released his sweet love, wondering out loud, “What’s going on outside? That sound...”

“It’s my mother.” Bai Beibei was up on her feet in an instant. “What’s wrong?”

“I don’t know. We should take a look.” Gong Yi held Bai Beibei’s little hand and led her out of the room in search of the source of that shrill scream.

...

Gong Yi and Bai Beibei rushed into the corridor, startling a flustered figure draped in misshapen articles of clothing. “Mother!”

Bai Beibei quickly supported Sun Xiaoxiao. “Mother, what’s wrong?”

Sun Xiaoxiao’s face was pale. She tidied up her clothes as best she could, saying in embarrassment, “Beibei, let’s go home!”

“Mother, what happened? Are you hurt?”

From the unkempt state of her clothes, Sun Xiaoxiao looked as if she had been sexually assaulted.

Gong Yi eyed his father questioningly. His father sported a dark expression, blacker than the blackest pits he had ever seen. This very expression was being aimed at Sun Xiaoxiao.

Gong Yi's expression changed. He could sense that there was something odd about the situation but he could not place where it stemmed from. He was clear, however, that the situation was about to take a turn for the worse.

As he expected, things soon spiralled from there. Sun Xiaoxiao grabbed Bai Beibei's small hand while glaring at his father, "We bumped into each other on the way back. I greeted him with all due respect. Never would I have imagined how he would return my sincerity by laying his slimy hands on me!"

Bai Beibei sucked in a breath of cold air and stared at Gong Yi's father in disbelief.

"There must be some kind of mistake! Are you sure it was Gong Yi's father who laid his hands on you?"

"Beibei, don't you trust your own mother?"

Bai Beibei...

Madam Gong stumbled on the scene upon her return from answering a call. "What happened? Is everything alright...?"

Sun Xiaoxiao pulled Bai Beibei away. As she walked past Madam Gong, she said, "I hope you take good care of your husband. I'm sorry but I can't agree to this marriage!"

"Mother!"

Bai Beibei was dragged away by her mother. Helpless, she sent Gong Yi an imploring look.

Gong Yi watched as Beibei was hauled away, confused by the turn of events. He could neither pursue her nor leave his parents hanging. In the end, he shot Bai Beibei what he thought was a comforting look, hoping it conveyed the following message: 'I'll look for you once I have a better grasp of the situation.'

...

[]

In the Gong family's residence...

The family of three sat on the sofa in the living room. The atmosphere weighed gloomily around them.

"Father, what happened between you and Beibei's mother?" Gong Yi was the first to speak.

Old Man Gong snorted coldly. "You should ask Sun Xiaoxiao what happened. Do you really think that I, your father, would stoop so low as to lay my hands on her?"

Being the good son that he was, Gong Yi immediately affirmed his father's character. "Nonsense. Something like that could never have happened! I have absolute faith in your character, father. You would never do something so despicable."

Old Man Gong's expression softened.

"Father, I doubt Beibei's mother will explain what happened. Was there some sort of misunderstanding between the two of you? Perhaps going over the events that transpired might help. If we both analyze what was said and done, we'll have a better chance of uncovering the root of this misunderstanding."

“What’s there to analyze? Sun Xiaoxiao messed up her own clothes with the intention to frame me.”

“Why would she do such a thing?” Gong Yi asked with a voice laced in suspicion.

“Why wouldn’t she? Hah! You don’t know a thing about Sun Xiaoxiao!”

“You know Beibei’s mother.”

Recalling scenes that took place 18 years past, Old Man Gong murmured, “We do know each other. We’ve known each other for eighteen years.”

Gong Yi did not expect his father to be an old acquaintance of Beibei’s mother.

“Father, if you both know each other, shouldn’t it be easier for the two of you to communicate with each other?”

“Humph! Just because we’re acquainted, doesn’t mean that we’re friends.” Gong Yi’s father angrily rebuked his son.

Madam Gong took the opportunity to interject at this juncture, “Now, now. As father and son, you ought to speak nicely to each other. Husband, why don’t you start from the very beginning? How else will your son know the whole story?”

Old Man Gong looked his wife straight in the eye and asked, “Do you trust me?”

Madam Gong held her husband’s hand, offering him a gentle smile of support, “Husband dearest, we’ve been married for more than 20 years. I know what kind of person you are. Many women flocked to you in your younger days but you spared none of them a second glance. The greatest happiness, in this life mine, is being fortunate enough to marry you. I believe in you – more than anything else in this world.”

Old Man Gong’s smile lit up like the sun. He held Madam Gong’s hand, recounting the past.

—

“18 years ago, the Gong Corporation recruited a batch of clerks. Most of them were girls around the age of 20. Among them, the youngest and most beautiful was Sun Xiaoxiao.

“At first, I didn’t pay much attention to her. It was only sometime later when I noticed how many hours of overtime she was working, that I pegged her as a hardworking employee. It was with this impression that I decided to make her my personal secretary.”

“You see, my secretary, at that time, had resigned. As I needed an assistant, I made an exception and made her my personal secretary.”

“She flourished in the position I gave her. She was pretty and sweet. Everyone in the company adored her. She would file my paperwork and send me the most important documents requiring my signature. She even made my coffee!” Old Man Gong paused, contemplating his choice of words.

“Honestly, I didn’t think much of her actions then. I never thought she harboured any designs against me. One night, I brought her with me to a social event. It was careless of me. I had a little too much to drink and by the time the event drew to a close, I was dead drunk. She helped me back to the hotel. Once we were safely secured behind closed doors, she stripped and laid beside me, hoping to seduce

me. She expressed how much she admired me and hoped we would join together in marriage. She even had the cheek to say she would never destroy our family!”

Chapter 1313: Breaking Up with Gong Yi

“At that time, I flew into a rage and chased her away. I never expected her to be such a shameless and morally corrupt woman. I demoted her the very next day. Yet, being the wanton woman that she was, she did not let up.”

“One night, while I was working overtime, she had the audacity to spike my coffee, embracing me as she did so. It was unbearable. I fired her there and then! I even made it so that she wouldn’t find work in any other company again. In hindsight, my actions were probably what forced her into becoming a servant to the Bai family – she had no other choice if she wanted to survive.”

Old Man Gong was a cultured man who had received the very best education could offer. His life was one spent in blissful happiness surrounded by love and the wonders of family. He hated those wild bees and butterflies who behaved superficially – Sun Xiaoxiao being one such person. Therefore, when Sun Xiaoxiao refused to desist from her lascivious advances, he taught her a lesson she would never forget.

Listening to his father’s account of the events that had transpired 18 years ago, Gong Yi was partially convinced. He trusted his father from the bottom of his heart. They had been father and son for more than 20 years. He saw no reason for his father to provide a false accounting of his past with Sun Xiaoxiao.

But Beibei was not her mother. They were two distinct individuals, two separate existences.

He could not imagine Beibei behaving in the same way as her mother. In some small way, he recognized how much Beibei’s mother had suffered. After all, she had been raped by Bai Shida and driven to the brink of sanity.

The truth is not something so easy to accept.

“Father, then what happened between the two of you earlier?”

“Haven’t I already told you what happened? I sought her out, exposing her true colours, and when she could not accept my words any longer, she flew into a rage. She stripped herself and framed me for an assault against her person. You saw how she fled from me! The despicable woman that she is!” Old Man Gong was truly fed up with Sun Xiaoxiao.

Gong Yi pursed his lips, his features creasing into a frown. He was in a bad mood. It seemed his premonition had come true. Matters of his father’s generation had, indeed, spilt over into his own and now it was affecting his relationship with Bai Beibei.

“Gong Yi, I’ll say this, and I’ll only say this once. You and Bai Beibei are done. No good can come out of a child whose mother is as wicked as Sun Xiaoxiao!”

“What nonsense are you spouting, father?” Gong Yi furrowed his sword-like brows. “Sun Xiaoxiao is one woman, and Beibei is another. They are two different people. You can’t just lump one in with the other! You can’t project your bias of the mother onto the daughter. It isn’t right!”

“Gong Yi.” Old Man Gong slammed the table and stood up. “Can’t you see? Sun Xiaoxiao destroyed the Bai family, and now she’s coming after me for revenge. She’s using her daughter to get back at me, and you’re walking straight into her trap!”

“Father, I’m not a fool. Only someone with some modicum of skill is going to one-up me. I would appreciate it if you had more faith in me and my feelings than this.”

“No! Absolutely not! I won’t have it. Gong Yi, if you marry Bai Beibei, I’ll disown you. I won’t have her soiling the floor of our Gong family.”

Old Man Gong flicked his sleeves and left in a flurry of robes.

“Father...” Gong Yi stared helplessly at his father’s retreating figure. He knew that this time, his father was being serious.

“Mother...” Gong Yi turned to his mother for support.

Madam Gong sighed. In a serious tone, she said, “Gong Yi, I believe your father. I’m sorry, but I must rescind my approval of Bai Beibei – at least, for the moment. I shall reserve judgement for another time. I, too, hope you will think this through carefully. Do not let Sun Xiaoxiao bring disharmony to our family. She is not as simple as she seems.”

Elsewhere, in a certain villa...

Bai Beibei poured a cup of hot tea for her mother. “Mother, you should drink some tea to calm yourself down.”

Sun Xiaoxiao accepted the teacup and took a sip. “No one in this world treats me as well as you do, Beibei. You still treat your dear old mother best.”

“Mother,” Bai Beibei sat beside her. “What happened? You and Gong Yi’s father...”

“Gong Ping is a hypocrite!” Sun Xiaoxiao cursed hatefully.

“Mother, I’ve interacted with Gong Yi’s father a few times. I don’t believe he is that kind of person. Besides, with my current relationship with Young Master Gong, Gong Yi’s father wouldn’t touch you. There must be some sort of misunderstanding. We...”

“Pa!” Sun Xiaoxiao slammed her teacup onto the coffee table. “Beibei, are you insinuating that I’ve lied?”

It had been a long time since Bai Beibei had seen Sun Xiaoxiao so angry. The way she stared at her was cold and terrifying. She shuddered in fear.

It reminded her of the way her mother had looked at her when she was young, lashing out at her with a rattan cane. She would never forget that look.

“Mother...”

Sun Xiaoxiao quickly realized how she had lost her composure. Immediately, her expression did a 180, turning sweet and loving. Holding Bai Beibei's hand, she apologized softly, "Beibei, did mother scare you? I'm sorry... I was just so angry."

"No, no. I'm fine." Bai Beibei shook her head.

"Beibei, you were deceived. I've known Gong Ping for over 18 years, and I know all his tricks. He is a cunning fox. You must be wary of him."

"What?" Bai Beibei responded in shock.

"18 years ago, I left home and came here. I managed to get a job as a clerk for the Gong Corporation. I worked hard – as hard as I could to make up for my lacking education. Eventually, Gong Ping took notice of me. Thinking I was pretty, he promoted me to the position of his personal assistant. Naturally, our interactions increased and he started taking certain liberties with me. There was even once whereby he tried to rape me when drunk on too much alcohol."

Bai Beibei's pupils constricted.

"I swore that I would never allow him to succeed. The very next day, he demoted me for insubordination. However, that did not curtail his advances at all. He drugged me and tried to have his way. I slapped him in self-defence. So humiliated was he that he fired me and slandered my good name. No company dared hire me, thereafter. He backed me into a corner, giving me no recourse whatsoever. That was how I was forced to become a servant to the Bai family."

Sun Xiaoxiao clutched Bai Beibei's small hands as she spoke. "Bai Shida may be a hateful man, but the one ultimately responsible for ruining my life altogether will never change. Gong Ping, that vile man, he is the one who destroyed my life!"

Bai Beibei listened in rapturous silence. It sounded so utterly preposterous to her own ears that she had trouble accepting her mother's words. Although Old Man Gong did not like her, she did not think he was one to stoop so low as to bully a woman.

However, this was her mother. She believed her mother wouldn't lie to her.

"Mother, don't worry. I'll speak to Young Master Gong tomorrow. I believe that there must be some misunderstanding. You..."

"What kind of misunderstanding could there have been? Despite all that I have said you still don't believe me, do you?"

"Mother, that's not what I meant. I believe you..."

"If you really do believe me, as you say, promise me that you'll break up with Gong Yi tomorrow and never interact with him again!"

Bai Beibei's breathing quickened. "Mother, what are you talking about? Why should I break up with him?"

"He's Gong Ping's son! Is there a need for any other reason?"

“No... Don’t be ridiculous, mother! Gong Yi isn’t that sort of person. You can’t compare him with his father like that. You don’t know how good he’s been to me, mother. When grandmother was taken ill and left bedridden in hospital, were it not for him, neither grandmother nor I would be here today. You can’t demand this of me!”

“Hmph!” Sun Xiaoxiao suddenly stood up, glaring at her daughter coldly. “I see how it is! Fine. Go to your precious Gong Yi and leave your own mother to rot. You’re no different from them all – all those vultures and hyenas. My life has always been one of bitter hardship, anyway. What’s one more to that mix? Hah! Even my own daughter would rather throw me to the wolves than stand by me...”

Chapter 1314: We Will Always Be Together

“Mom!”

“Don’t call me. You can only choose one between me and Gong Yi!” After saying that, Sun Xiaoxiao went upstairs.

...

Bai Beibei dragged her tired footsteps into the room and sat by the bed in a daze.

Everything was fine yesterday. But now, the situation had taken a shocking turn. The truth fell upon her one after another and she felt dizzy. She didn’t know what to do.

At this moment, her phone rang. It was a call from him.

It was from Gong Yi.

“Hello...” Bai Beibei quickly picked up.

“Hello, Beibei.” Gong Yi’s deep and alluring voice came from the other end.

Bai Beibei felt relieved when she heard his voice. She asked, “How are things on your side?”

“My dad said that he met your mom 18 years ago.”

“Yeah, my mom said the same thing.”

“Then what else did your mom say?” Gong Yi asked tentatively.

Bai Beibei was stunned. “My mom also said... said...”

“Let me guess. Your mom also said that she applied to our gong corporation 18 years ago, and then my dad had some bad intentions toward her. He even made a few moves against her, but my dad didn’t succeed. In the end, he chased your mom out and even banned her, so your mom had no choice but to enter the Bai Family?”

“How did you know?” Bai Beibei turned pale with fright.

Gong Yi paused for a moment, then he smiled and said, "I guessed correctly?"

Bai Beibei nodded slowly. "Yes! However, I don't think uncle is that kind of person. There must be some misunderstanding between uncle and my mom."

"There's no misunderstanding, Beibei. Between your mom and my father, someone's lying." Gong Yi said calmly.

Bai Beibei immediately became nervous. "Who's lying?"

"I don't know, but I can tell you what my father said. My father said that 18 years ago, your mom applied for a job at the gong corporation and used her position to seduce my father time and time again. In a fit of anger, my father banned your mom..."

"Impossible!" Bai Beibei quickly interrupted Gong Yi. "My mom isn't that kind of person!"

Gong Yi furrowed his sharp brows and fell silent.

He had long guessed that she would have such an intense reaction. If it were anyone else, they would be as agitated as her if other people talked about their mom like that.

However, he also believed in his father. He was already certain that Sun Xiaoxiao was lying.

How should he tell her and make her accept it?

The atmosphere between the two of them quickly turned gloomy. Bai Beibei realised that she might have gone overboard. She lowered her long eyelashes and spoke timidly, "I'm sorry. Don't be angry. I don't have any intentions. I just don't believe that my mom's such a person. She suffered a lot in the past. If she really was greedy, then she wouldn't have been raped by Bai Shida back then..."

Gong Yi felt that she was still too naive and simple.

Back then, Sun Xiaoxiao had worked quite hard in the gong family. That meant that she was a woman who pursued and had good taste. Bai Shida and his father were not on the same level at all. To put it bluntly, Bai Shida was just a man who lived off his wife while his father was a true upper-class aristocrat. He did not lack in power and character.

Perhaps Sun Xiaoxiao had truly adored his father before. She developed some improper thoughts and wanted to use her young and beautiful looks to seduce his father. Then, she would gradually become a mistress and become the wife of the main palace. Sun Xiaoxiao did not even look at Bai Shida. She was also a proud and arrogant person.

However, Gong Yi could not say these words to Bai Beibei. He was afraid that it would escalate the conflict between the two of them, and he was also afraid that she would be sad.

"Alright, let's not talk about it anymore. Let's talk about the details tomorrow. Tomorrow is your weekend, right?"

"Okay, I'll see you tomorrow."

They said "Goodbye", but both of them did not hang up the phone —

“You...”

“You...”

Gong Yi raised his sharp eyebrows, and his handsome features were quickly covered with a layer of gentle light. “You go first.”

Bai Beibei used her fair little hands to hold onto her dress. She was very nervous and worried. “Has uncle become even more disapproving of our relationship?”

“What about your mom?”

“My mom is my mom, and I am me. She can’t break us up...” Bai Beibei’s face turned red as she spoke. Wasn’t she taking too much initiative?

Gong Yi was satisfied. He said softly, “I have the same thoughts as you. I like you. No one can break us up. We will always be together.”

Bai Beibei immediately smiled. “Yes!”

“Sleep early. Goodnight.”

“Goodnight.”

..

The next morning, Bai Beibei came out of her room. She went down the stairs and wanted to go straight to Gong Yi.

“Beibei, where are you going? Come and have breakfast first,” Sun Xiaoxiao called out in the dining room.

Bai Beibei stopped in her tracks. “Mom, I’m not eating. A friend asked me out. I need to go out.”

Bai Beibei felt a little guilty when she mentioned this.

Sun Xiaoxiao glanced at her. She didn’t need to guess to know that this friend was Gong Yi, but she didn’t say anything. She only smiled lovingly and said, “There’s no rush to go out for a date. Let’s have breakfast together. Mom will be going out soon too. I’ll send you out.”

“Mom, I don’t want to eat.”

“What’s wrong, Beibei? You don’t even have time to accompany mom for breakfast now?”

Bai Beibei, ...

Hence, both mom and daughter ate breakfast together before they got into the car. The driver then started driving.

“Mom, I want to go to Mount Li,” Bai Beibei said.

The driver looked at Sun Xiaoxiao through the rearview mirror and asked for her opinion. Sun Xiaoxiao nodded at Bai Beibei, then gave the driver a look.

The driver understood.

Half an hour later, the private car stopped at the coffee shop.

It had been a long time since Bai Beibei had come to this coffee shop. She had been very happy here for a period of time, but she could not be happy now.

“Mom, I said I was going to Mount Li, not here.”

Sun Xiaoxiao’s expression did not change. “Mom has an appointment with a friend. Let’s go and meet him.”

“What friend?”

“You’ll know once you go.”

“Mom, I’m not going. I have an appointment...”

Sun Xiaoxiao did not say anything. She directly held onto Bai Beibei’s little hand and pulled her into the coffee shop.

Bai Beibei was speechless.

..

In the coffee shop.

Bai Beibei saw a familiar figure. It was Li Xiyang.

Li Xiyang was sitting by the window. When he saw them coming, he stood up like a gentleman and greeted Sun Xiaoxiao. “Hello, auntie.”

As he spoke, Li Xiyang looked at Bai Beibei. “Beibei, long time no see.”

“Xiyang, have a seat.” Sun Xiaoxiao said warmly.

“Mom, is this the friend you were mentioning?” Bai Beibei stared at Sun Xiaoxiao with wide eyes. “Mom, what do you mean?”

The smile on Sun Xiaoxiao’s face disappeared. She looked directly at Bai Beibei and said with a firm attitude, “Beibei, did you want to go on a date with Gong Yi?” Last night, mom already made it very clear that you and Gong Yi had already broken up. You’re not allowed to contact him again in the future! Mom likes Xiyang very much. From now on, you and Xiyang should try dating.”

“Mom, what are you talking about? I’m remember telling you very clearly that I don’t like this Li Xiyang. Gong Yi and I will not break up, ever!”

Chapter 1315: Do You often Climb Balconies?

Sun Xiaoxiao’s expression turned ugly. “Beibei, do you really want to lose your mom? You would actually choose a man over your own mom?”

Bai Beibei furrowed her brows and said sadly, “Mom, do you want me to give up my happiness for the things that happened in the past? I like Gong Yi. Other than him, I won’t like anyone else.”

“There’s no such thing not being able to leave anyone. Just give up on the idea of being together with Gong Yi. As long as I’m around, I won’t agree to it!”

Bai Beibei looked at her mother in front of her. This was the first time she felt that her mother was so unfamiliar.

While growing up, she had never once enjoyed a taste of motherly love. However, she understood that her mother had suffered a lot and had gone crazy. She believed that her mother loved her very much from the bottom of her heart.

However, she felt disappointed now. Her mother’s attitude was so strong that she completely ignored her feelings. How could a mother not compromise for the happiness of their own children?

“Mom, I don’t want to argue with you here. I’ll be leaving first.”

Bai Beibei turned around and left.

Sun Xiaoxiao had never expected that her daughter, who appeared to be so meek, to be so insistent. She had already said so much, yet she still went ahead to look for Gong Yi.

Sun Xiaoxiao’s eyes were burning with fire. “Stop!”

She reached out and grabbed Bai Beibei’s slender wrist. With a “smack” sound, she gave Bai Beibei a slap.

Bai Beibei was caught off guard and staggered a few steps back. Just as she was about to fall, a muscular arm grabbed her slender waist to protect her. Li Xiyang’s deep and displeased voice sounded above her head, “Aunty, please speak properly. She’s your daughter. How could you hit her?”

Sun Xiaoxiao was stunned. She looked at her right hand, and then at Bai Beibei. “Beibei, I’m... I’m sorry. Mom didn’t... Do it on purpose...”

The slap from her mother caused Bai Beibei to see stars in her sight and her right cheek was burning with pain. Since her mother’s fingernails were long, it left two bloody marks on her cheek.

This was enough to show how much strength her mother had used.

Bai Beibei used her hand to cover her right cheek and her eyes were a little moist. She was very sad and aggrieved that her mother had beat her again.

She used all her strength to break free from Li Xiyang and stood alone.

“Beibei, are you blaming me? I’m really sorry. I’m just... Afraid of losing you. Come, sit here. Let mommy look at your face.”

Sun Xiaoxiao sat Bai Beibei down on the sofa. Seeing that her cheek had been cut, Sun Xiaoxiao immediately asked the waiter to bring over a small medical kit. She then helped to treat her wound.

“Beibei, do you think that mommy can’t let go of the past? It’s not like that. Mommy is doing this for your own good. Mommy’s afraid that you’ll suffer if you’re with Gong Yi. Gong Ping isn’t a good person. He doesn’t like you. Can’t you see that? Why are you still sticking onto him?”

As Sun Xiaoxiao was nagging along, Bai Beibei did not refute her, because she knew that it was useless to refute.

She remembered that Gong Yi was still waiting for her in Mount Li, and yet she was in a terrible argument with her mother. Her face was also disfigured, so she could not make it in time.

She could only miss the appointment.

..

Mount Li.

Gong Yi waited from morning till noon, but Bai Beibei did not come.

He made a lot of calls, but no one picked up.

Because the two of them were lovers, he could see her location. The location showed that the phone had always been in the villa.

Gong Yi did not think that she had stayed in the villa and not go out. It was probably because she had left her phone at home.

He had already guessed this outcome vaguely. With Sun Xiaoxiao’s extreme personality, she probably would not let him meet Bai Beibei easily.

Gong Yi could only express his helplessness.

At noon, Sun Xiaoxiao brought Bai Beibei home. No one had gotten anything good out from the date in the coffee shop. Not even Li Xiyang or Sun Xiaoxiao.

“Beibei, I’ll get the cook to prepare a few dishes that you like. Take it as an apology from me to you...”

“No need. I have no appetite. I don’t want to eat anything. Mom, I’ll head back to my room to rest first.”

“Beibei...”

Bai Beibei went into her room and closed the door.

The first thing she did was to look for her phone. She was in a rush this morning, so she had actually forgotten to bring her phone.

Her phone was left on the beside table, and as she opened it, she saw that there were dozens of missed calls. They were all from Gong Yi.

She covered her phone with her small hands and pressed it against her chest. Bai Beibei smiled sweetly. It was great to be cared for by him like this.

Bai Beibei dialled his number.

The melodious ringtone rang once, and the call was quickly picked up. “Hello, Beibei...”

The man's unique magnetic voice sounded out.

"Hello, Gong Yi. I'm sorry I couldn't make it to the appointment today."

"What have you been busy with?" The man asked.

How was she supposed to answer this question? Bai Beibei thought for a moment, then she decided to answer honestly, "This morning, my mom tricked me into going to a coffee shop to see Li Xiyang..."

Li Xiyang?

This name made Gong Yi's gaze sink. Since when did Sun Xiaoxiao stand on the same side as Li Xiyang?

"Don't misunderstand. I didn't pay any attention to that Li Xiyang. It was all my mom's wishful thinking. I won't be fooled again in the future."

"Okay." Gong Yi grunted. "Where are you now?"

"I just got home and I'm in my room. Where are you?"

It can be that he's still waiting at Mount Li, right?

"I'm... go to the balcony and take a look..."

What did he mean?

Bai Beibei quickly walked over and pulled open the glass door of the balcony. At this moment, Gong Yi's tall and handsome figure appeared in front of her. He had one hand in his pocket while he held onto his phone with the other hand. He smiled warmly at her.

Bai Beibei thought her eyes were playing tricks on her. She asked in shock, "How... How did you get here?"

"I climbed up."

Bai Beibei immediately looked down from the balcony. "Are you crazy? It's so high up here. What if you fall down?"

"Are you looking down on me? Climbing up a ten meter high balcony isn't a problem for me."

Bai Beibei blinked her big bright eyes and looked at him angrily. "Do you often climb up girls' balconies?"

"You're the first, I swear." Gong Yi smiled affectionately.

Bai Beibei snorted.

"Don't move!" At this moment, the man's large, warm, pale palm touched her right cheek. "What happened to your face? Did someone hit you?"

"No." Bai Beibei denied it immediately.

"Your mom hit you." At this point of time, Gong Yi wasn't questioning, but confirming.

"No, I accidentally fell... Ah!"

In a sudden, she was picked up horizontally by the man.

Gong Yi placed her on the soft bed, his fingers rolling on her cheeks. Her skin was so delicate, so the finger prints and the bloody cuts were extremely clear. He felt his heart ache.

“Does it hurt?”

Bai Beibei looked at his handsome features. The two of them were so close, and as she inhaled, she was filled with his clean and pleasant masculine scent. She nodded, “It hurts.”

Ever since she was young, she had been abused many times. But even so, she had never cried out in pain, not even to her grandmother.

But at this moment, she cried out in pain in front of this man.

Chapter 1316: I Don't Want Anyone Else But You

Hearing her cry out in pain, Gong Yi frowned. “Then let me help you blow it.”

He bent down and blew on her injured cheek. “Does it hurt?”

Bai Beibei enjoyed it very much. She felt really good now as he held onto her and coaxed her. “Yes, it still hurts.” She stretched out her slender white fingers and pulled on the corner of his shirt.

The girl's almond-shaped eyes were watery and there was a hint of lust in them. In a glance, Gong Yi could tell that she was lying to him. He opened his mouth and caught her little mouth that was inches away from him.

“Oh!” Bai Beibei jumped in fright.

Gong Yi sucked hard at her little mouth that was as smooth as jelly, and said hoarsely, “I thought you wanted me to kiss you.”

They had already kissed before, yet he still pretended to be innocent. Bai Beibei's little face turned red and she gave him a good smack. “You're really bad.”

“There's worse.” Gong Yi pushed her down onto the bed.

Bai Beibei smiled as she dodged, the two of them causing a ruckus.

Hearing her crisp laughter, Gong Yi's eyes darkened. He used three fingers to press down on her and his right palm reached into her clothes from the corner of her shirt.

Bai Beibei's toes immediately straightened, not knowing if she should refuse or comply.

Gong Yi caressed her smooth jade-like skin and pecked on her pink lips lightly. He whispered, “It's gotten plumper.”

Bai Beibei's ears were burning. She looked at him like a frightened deer; pure and shy. "Do you like it?"

As soon as she said this, Bai Beibei wanted to bite off her own tongue. What was she saying?

Shameless.

Gong Yi's eyes lit up. This was the first time she had said this to him. He felt that his heart was going to burst out with joy and hugged her tightly. "I like it!"

Bai Beibei buried her face in his chest and did not dare to raise her head.

Although Gong Yi didn't bear to use any force, he still wanted to use it on Bai Beibei. This feeling tormented his body, so found her small mouth and covered it with his.

Bai Beibei lifted her small jaw and kissed him. She opened her mouth and greeted him shyly. She imitated his style and her small hands found their way onto his broad back.

She wanted to grow up quickly. Not only did she want to grow taller, but she also wanted to be a woman who could keep up with him in this aspect and make him happy.

The little girl beneath was like a succubus, hooking him onto her. Even the slightest bit of initiative was unbearable for Gong Yi. His large palm came out from her clothes and touched her leg.

Bai Beibei, who was in a state of confusion, moaned.

At this moment, a "knock, knock" came from the door, breaking the romantic atmosphere in the room.

Bai Beibei quickly got up and pushed away the man on top of her.

Gong Yi didn't move. He pressed down on her and placed his finger to his lips to make a "Shh" gesture. Bai Beibei calmed down.

As long as he was here, she wasn't afraid of anything.

"Who is it?" Bai Beibei asked.

"Beibei, it's mommy. Open the door, mommy brought you some food." Sun Xiaoxiao's voice rang out.

"No need, I'm not hungry. I'm tired and I want to sleep."

"Beibei, are you still angry with mommy?"

"No..."

"Beibei, Li Xiyang is a good choice. He's young and handsome, charismatic, has a good career and has a noble background. And on top of that, he's deeply in love with you. Li Xiyang's father, elder Li, also likes you. Li Sisi's also your good friend. If you marry into the Li family, you'll definitely be the young madam."

Bai Beibei quickly looked at the man on top of her, as she's afraid that he would be unhappy. Gong Yi also looked at her, as if waiting for her answer.

"Mom, don't mention Li Xiyang anymore. I'll say the same thing again. Other than... Gong Yi, I don't like anyone. I don't want anyone."

“You!” Sun Xiaoxiao was fumed with anger, so she left.

It was quiet outside the door again. Bai Beibei heaved a sigh of relief. She was really afraid that her mother would barge in and see them together on the bed like this.

“You don’t like anyone other than me. You don’t want anyone?” At this moment, her waist was pinched a few times by a large palm.

Bai Beibei looked up and her eyes locked onto Gong Yi’s bright black eyes.

“I...” Bai Beibei bit her lower lip shyly with her teeth.

Gong Yi pecked her delicate little face and said happily, “So obedient.”

Bai Beibei’s entire body seemed to be on fire.

“Me too. Apart from you, I don’t want anyone else. I don’t like anyone else.” Gong Yi slipped his hands into her soft little ones and interlocked their fingers together.

The sweetness in Bai Beibei’s heart instantly spread to her mouth. “Then let’s make a deal. You’re not allowed to abandon me in the future.”

She acted coquettishly.

“Alright, I’ll pinky swear with you.” Gong Yi tugged on her pinky. “In the future, you’re not allowed to abandon me either. The person who let go first will be called a dog.”

“Okay.” Bai Beibei nodded vigorously.

Gong Yi leaned over and kissed her seductive lips again. “Let’s go out and play.”

“How are we going to go out?”

“We’ll go out the same way I came. Don’t worry, I’m here. I won’t let you fall.”

“I’m not afraid of falling, but more afraid of my mom. If my mom finds out that I’m not in the room and that I went out with you again, she’ll definitely be very angry...”

“Beibei, your mom is currently focused on pushing you to Li Xiyang. If you want to continue holding her hand, then you can only be with Li Xiyang...”

“Impossible!”

“That’s why you have to show a firm attitude. If your mom finds out that you can’t leave me and secretly ran away with me, perhaps she’ll compromise.” Gong Yi coaxed.

Bai Beibei considered it for a moment. “Alright.”

The corners of Gong Yi’s lips quickly curved up. The battle between the Gong family and Sun Xiaoxiao had already begun. He needed this girl to stand by his side.

..

Bai Beibei felt that Gong Yi could be very scheming at times. She didn't know who he called as an extra ladder had appeared next to her balcony.

She climbed down the ladder, but no one noticed.

"Let's go." Her little hand was wrapped in his palm, and he ran with her.

Breathing in the fresh air outside, Bai Beibei came to life. The autumn wind blew her skirt and she beamed with joy, throwing all her worries to the back of her mind.

Half an hour later, the Lamborghini stopped at Mount Li.

The two of them began to climb the mountain.

It was their first time climbing the mountain. Gong Yi was fast, but she did not lag behind. She was determined to not hold him back. At four o'clock in the afternoon, the two of them reached the top of the mountain.

"Wow, Gong Yi, look, the sunset."

At this moment, the sun was setting in the west. The brilliant sunset illuminated the Earth with its golden rays. The entire mountain was covered with a layer of golden muslin that was like the wings of cicadas. It was like a FairyLand on Earth.

Bai Beibei ran over and bathed in the golden light. She spun around happily.

"Be careful of falling." Gong Yi hugged her from behind and the two of them sat on the grass.

As the setting sun slowly went down behind the mountain, Bai Beibei felt at ease and took a deep breath. She felt that her day was rather hectic.

At this moment, a muscular arm latched onto her slender waist, and she was hugged onto a man's strong thigh.

Chapter 1317: Beibei Is Pregnant

"What's wrong?" Sitting on his lap, Bai Beibei asked in confusion.

Gong Yi's eyes were burning with passion. He used his large palm to lift her buttocks a little and she felt his eagerness. "Beibei, I want you, can I?"

"What?" Bai Beibei could not believe what she has heard, they were in a mountain!

She only learned that this thing could be done anywhere since she had been with him.

"Beibei." Gong Yi stared at her with his eyes filled with anticipation.

Bai Beibei's long eyelashes fluttered. Without answering, she slowly stretched out her hands to wrap them around his neck.

Gong Yi was delighted. He kissed her.

Gong Yi noticed Beibei was wearing a dress, which covered his trousers. He could not help but wanted to lift her dress to take a look.

Well, men being men.

“Don’t!” Bai Beibei quickly held him down.

Gong Yi knew that she was shy. As he had gotten the upper hand, he did not force her. Panting, he held her waist with both hands. “If you don’t want me to see, then I don’t see. Now, let’s do it.”

...

That night, Bai Beibei did not go home. Gong Yi brought her back to the apartment.

She did want to go home. She worried that her mother would have some concerns about her staying overnight outside. However, these worries were eventually forgotten due to her exhaustion. She fell asleep after showering in his embrace.

For the whole night, she couldn’t break free from his arms. He kissed her so passionately that she couldn’t avoid it.

“Baby, Let’s work harder and have a baby.”

A baby?

Bai Beibei opened her eyes. The dazzling crystal chandelier shone on the man’s head. He was so handsome that she couldn’t take her eyes off him. “Why... are you suddenly talking about having a baby?”

“With a child, we can be together...”

Was that so?

His parents had always wanted to have a grandson. If she gave birth to a child for him, his parents would accept her, and her mother would probably not object anymore. Then, they could be together.

A picture appeared in Bai Beibei’s mind. A pretty little boy or girl would chase after her and call her “Mother”. How happy would that be?

He kissed her on the cheek. “Once we have a child, we’ll get married. In my heart, you’re already my wife on that night when we were in front of your grandmother.

He spoke gently and interlocked his fingers with hers.

Bai Beibei closed her eyes. Tears rolled down from her eyes. She knew that these were tears of happiness.

She felt so happy to have him in her life.

“Would you like to have a son or a daughter?” She asked softly.

“It doesn’t matter. But a girl would be better. She would be as beautiful as you. I will treasure both of you with all my heart.”

He was good at saying sweet words. Bai Beibei put her arms around him and kissed his thin lips passionately.

...

The next morning.

Gong Yi slowly opened his sleepy eyes. His girl was sleeping soundly in his arms.

He stared at her lovingly. Her black hair was like a waterfall winding around her fair and delicate face. Her dark circles were so obvious and he felt a little embarrassed knowing she was “tortured” by him for the whole night and she could not get enough sleep.

Gong Yi did not want to wake her up, so he gently planted a kiss on her forehead and then got up.

It was almost eight o’clock now, and it was rare for him to wake up so late.

He had been too indulgent last night.

The clothes were all over on the carpet. He bent down to pick them up and threw them into the bamboo basket. Then, he walked out in his navy-blue silk nightgown.

Just as he opened the door, he saw his parents in the living room.

It seemed like they had just arrived. “Gong Yi, why did you wake up so late?” They heard him and asked.

Gong Yi’s mother was surprised. “Son, you did wake up late today. It’s almost eight o’clock.”

“Dad, mom, can you give me a call before coming over the next time? You’re trespassing and disturbing my private life.” Gong Yi frowned.

“How can you speak like that? You sounded like we had broken the law for visiting our own son.” Gong Yi’s mother smiled gently.

Gong Yi’s father looked at Gong Yi suspiciously and then glanced at the tightly shut door. “Hmmm, is there... someone in your room?”

Gong Yi’s mother was stunned.

Gong Yi raised his straight eyebrows and kept quiet.

“Who’s in there?” Gong Yi’s father seemed displeased.

“Dad, you know the answer,” Gong Yi answered as if it was a matter of course.

“You brat, you still with her? Didn’t I make it very clear that you should break up with her? Why do you have to make me so angry? Aiya, my heart...It hurts, it hurts so much...” Gong Yi’s father beat his chest and stomped his feet.

“Dear, are you alright? Gong Yi’s mother was flustered.

Gong Yi was speechless. His father would always make such a scene. "Oh dad, you're going to have a grandchild."

"What?" Gong Yi's father stopped complaining instantly, "Say that again."

"Dad, I said you're going to have a grandchild soon. Beibei is pregnant."

Gong Yi's father's expression immediately changed. He didn't know whether to laugh or to cry.

At this moment, the door opened and a petite figure walked out. The girl rubbed her drowsy eyes with her little fists and said in a sweet voice, "Gong Yi, you're up?"

Gong Yi turned around and saw Bai Beibei coming out. She was in his loose men's shirt and her two snow-white feet were stepping on the carpet.

"Why are you coming out barefoot? Aren't you cold?" Gong Yi was displeased and stepped forward to block the girl.

She looked like a seductive little fairy. He didn't want to let outsiders see such a beautiful girl, including his parents.

Chapter 1318: Will You Marry Me?

As Gong Yi was standing in front of her, she didn't notice that there was someone downstairs. She revealed a sweet smile. "It's not cold. When I opened my eyes just now, I couldn't see you..."

"Silly, there is no way I could disappear. I'll stay with you a bit longer next time, okay?" Gong Yi said as he carried her and sent her to the room.

Bai Beibei wrapped her arms around his neck and nodded vigorously. "Mhm."

Gong Yi's parents downstairs watched as their son doted on a girl. They were speechless.

They would be more than happy if this girl wasn't Bai Beibei. But why?

...

In the room.

Gong Yi placed Bai Beibei on the bed. He bent down and scooped her snow-white feet into his palm. "Remember to wear shoes next time, or you'll catch a cold."

"Okay."

"Sleep for a while longer. My parents are downstairs. I'll be right back."

His parents?

Bai Beibei was in shock. "What? Your parents are downstairs? Why didn't I see them? Why didn't you tell me?"

"I knew you'd be agitated, that's why I didn't tell you..."

"No, I have to go down and greet them. If not, it is too rude!" Bai Beibei stood up as she spoke.

"Beibei." Gong Yi held her soft little hands. "Are you going out in this?"

Bai Beibei looked at her clothes, she was in his shirt. When she woke up earlier, she could not find her clothes, so she casually took one of his shirts...

Her body was covered in kiss marks. Others would know what was going on at a glance.

She felt embarrassed. His parents knew that she stayed overnight with him. This way, his parents would think that she wasn't a good girl, right?

"It's all your fault. Your parents won't like me anymore."

Gong Yi noticed that her eyes were tearing as if she was about to cry. Only when he was with her did he feel that women were made of water. They were so delicate and fragile.

He quickly pulled her into his arms and coaxed her. He patted her back using his big and warm palms.

"My parents will definitely like you very much because I told them that you're pregnant..."

"What? You..." Bai Beibei was dumbstruck. "I'm not pregnant, you're lying!"

"This is a white lie. In any case, we'll have a child shortly."

"This is something that could not be hidden, it would be so obvious just looking from the appearance!" Bai Beibei was very afraid, she was afraid that this lie would backfire.

His parents wanted to have grandchildren so badly, and now they had lied to the two elders. She could not imagine what would happen if they found out that this was a lie.

Gong Yi caressed her willow-like waist. "Hmm, Beibei, I think your belly is a little bigger."

She was stunned. "What?"

"Could it be that you are already pregnant actually?" Gong Yi raised an eyebrow.

Bai Beibei quickly pushed his hands away. "Is this good timing for a joke?"

"Alright, alright. I won't joke around with you anymore. Getting pregnant is very simple. You can stay with me at night. I'll work harder so that you can get pregnant very quickly."

Bai Beibei pouted her pink lips. Perhaps this was the only way.

"Get changed. We'll go out together later."

...

Bai Beibei changed and Gong Yi held her little hand as they went downstairs.

In the living room, Gong Yi's parents were sitting on a sofa at the side, while Gong Yi and Bai Beibei were sitting opposite each other.

Gong Yi's father's expression was very bad, and his face was full of worry. This had gone completely out of his expectations.

He wanted to take out a cigarette to smoke, but Gong Yi's mother quickly stopped him. "Don't smoke here. It's bad for your grandson."

Grandson...

He secretly glanced at Bai Beibei's stomach. He snorted.

Bai Beibei felt that Gong Yi's father was very cute sometimes, just like a kid. She once didn't believe it when she heard how her mother described Gong Yi's father. However, she did believe that her mother wouldn't lie to her.

She was in a dilemma, so she decided not to think about it anymore.

Let bygones be bygones. It would be fine as long as it didn't affect her and Gong Yi.

"Dad, mom, I'm here to officially inform you that Beibei is pregnant. Yesterday, we went to the hospital for an examination and it was confirmed. The baby is only been three weeks. The doctor said that the baby is unstable during the first three months and the mother could not be provoked. So, please do me a favor to watch your attitude out." Gong Yi held Bai Beibei's small hand tightly.

"This..." Gong Yi's mother was also caught off guard.

"Hmph." Gong Yi's father stood up immediately and glared fiercely at Gong Yi. "I think the ones who need to watch out for are you two. What did you two do last night?"

Bai Beibei couldn't hide the matter on her face. When she recalled how the two of them had been spending the night last night, she went blushed.

"Dad, are you sure you want to know what did we do last night?" Gong Yi's was expressionless.

How Gong Yi's father wished he could kick this stinky brat in the face.

"You're an adult. I don't want to care about your matters anymore. Since she is pregnant, then show me when the baby is here. Also, let me remind you, Sun Xiaoxiao isn't someone you could easily mess with. Watch out if she would play any dirty tricks. That's all. I'm leaving!"

He then flicked his sleeves and left.

"Dear, wait for me!" Gong Yi's mother chased after him.

The living room immediately fell silent.

Gong Yi grabbed Bai Beibei's shoulder and kissed her face. "My dad is temporarily compromising. When we have a baby, everything will be resolved."

"En." Bai Beibei nodded. His parents' attitude had already softened. She was really happy to see that.

“However, if you’re pregnant, I’m afraid that without my dad’s approval, I won’t be able to promise you a perfect wedding ceremony. Beibei, please bear with me.”

Bai Beibei’s eyes were bright and sparkling. She shook her head. “The only thing I would care for is whether I could be with you.”

Gong Yi ruffled her hair and whispered into her ear, “I won’t let you down. We can secretly complete the marriage registration first.”

Bai Beibei’s heart skipped a beat as she looked at him with her watery eyes.

“What... Registration?”

Gong Yi raised his eyebrows and smiled. “Stop pretending! You know what registration that I am talking about.”

Bai Beibei’s heart started to race. Of course, she knew. She could not believe that he was going to marry her.

“I don’t want to talk to you anymore...” She got up and tried to run away.

“Beibei!” Gong Yi pulled her onto his lap. The girl was even more beautiful when she was blushed due to shyness.

“Are you shy? We’ve been together for quite some time, why are you still so shy?”

“Stop making fun of me!” Bai Beibei covered his mouth.

Gong Yi looked at her passionately, kissing her soft palm. “So, will you marry me?”

Bai Beibei didn’t know what other girls would say or do at times like this, but she nodded without any hesitation. She was afraid that if she agreed too late, he would take back his words.

“Yes, I will. I do, I do, I DO! I would say a million times of I do.”

This was from the bottom of her heart.

The only thing that she cared about was to be with him, forever.

Chapter 1319: Give Me a Kiss

Gong Yi burst into laughter. He forcefully pulled her into his embrace. “Then it’s settled. Once you get your identity card and household register, we’ll do the registration.”

“Mmm, it’s a deal!”

She had her identity card with her, but the household register was with her mother which might cost a bit of effort to get it. But she would get it, nothing could stop her.

“Let’s have breakfast. I’ll send you home later. Beibei, how will your mother react if we tell your mother that you’re pregnant?”

“Of course she will be happy. My child is her grandchild. No matter how much hatred there was in the previous generation, I believe that with her love for me, she will definitely try to forget the past and accept you,” Bai Beibei said confidently.

Gong Yi’s eyes flashed. “I hope so. Let’s have breakfast.”

...

The Lamborghini parked outside the villa, and Bai Beibei rang the doorbell.

“Oh Miss Beibei, you’re here!” The maid who came to open the door pulled her into the house straight when she saw her. “Miss Beibei, you’re finally back. Madam is worried to death! Madam! Miss Beibei is back!”

“Beibei, is that you?” Sun Xiaoxiao ran over. She grabbed Beibei’s little hand and sized her up. “Beibei, where did you go last night? I was so worried about you, I thought you’d gone missing.”

Bai Beibei felt a warmth in her heart. Her mother’s concern for her was enough to prove her love for her.

At the same time, she felt a little guilty. “Mommy, I’m fine. You don’t have to worry.”

“It’s good that you’re back. It’s good that you’re back. Beibei, what did you do last night?” Sun Xiaoxiao’s expression was serious.

Bai Beibei wanted to answer, but a deep voice interrupted her. “Beibei was with me last night.”

Gong Yi walked in.

Sun Xiaoxiao looked at Gong Yi and her expression turned cold. “It’s you?”

Gong Yi stood beside Bai Beibei and smiled politely. “It’s me, auntie. Hello.”

“Hmph!” Sun Xiaoxiao snorted, “Young Master Gong, what are you doing here? We don’t welcome you!”

“Also, Beibei has already broken up with you. What you had done last night was really despicable. My daughter has just turned 18. It was a kidnap! Aren’t you afraid that I’ll call the police? I don’t want this to happen again!”

“Mom, why did you say such harsh words? We didn’t break up. Furthermore, I stayed with him willingly last night. We were very happy together.”

“Beibei, I see that you’ve already been charmed by him to the point where you don’t know shame.”

Bai Beibei’s face turned pale.

“Auntie, please don’t scold her like that. You’ll scare her.” Gong Yi frowned, displeased.

“She is my daughter, I know how to discipline her. Young Master Gong, please leave.” Sun Xiaoxiao gave the order.

“Mom!” Bai Beibei stood quickly before Gong Yi. “You can’t chase him away!”

“Why?”

“Because I’m already pregnant with his child!”

Sun Xiaoxiao’s expression changed. “What???”

She raised her hand, wanting to slap Bai Beibei.

However, this slap did not land because Gong Yi caught it. “Auntie, Beibei is your daughter. You’ve already slapped her once. And you are doing it again?”

Sun Xiaoxiao was stunned. She looked at Bai Beibei and saw that Bai Beibei was looking at her, she seemed frightened and hurt.

“Beibei, Mommy didn’t want to hit you. Mommy just... It broke my heart. Have you forgotten what I told you? How could you get pregnant before marriage? Do you want to follow in my footsteps?”

“Beibei won’t follow your old path because I’m not Bai Shida,” Gong Yi said.

Sun Xiaoxiao frowned and didn’t speak.

“Mom, it’s my fault. Don’t be angry. But the fact is I’m already pregnant. The child in my stomach is also your grandchild. You love me and of course the child, right?”

“For the baby, can you try to let go of the past? You don’t want my child to be born without a father, right? If you continue to be stubborn, you’re forcing me to follow your old path.”

Sun Xiaoxiao was burning in anger, but she could not refute a single word. This was the first time she realized that her daughter was also sharp-tongued.

She glanced at Bai Beibei’s stomach, and an evil idea came up to her mind but she did not show it out.

“Alright, since things have come to this, I can only temporarily accept it.”

“That’s great, Mom! Thank you!”

“It might be still too early to be happy. I would still observe Young Master Gong’s performance.” Sun Xiaoxiao turned her glance at Gong Yi.

Gong Yi was quite surprised. He hadn’t expected Sun Xiaoxiao to agree easily like this, but he didn’t show it. Instead, he smiled warmly. “Auntie, I’ll definitely perform well until you’re satisfied.”

“Mmm.” Sun Xiaoxiao nodded. “Since that’s the case, then stay and have dinner together. Beibei is pregnant now. You have to accompany her more.”

“Sure.”

...

Gong Yi had been staying in the villa to accompany Bai Beibei. Sun Xiaoxiao received a call in the afternoon and went out. She said that she had something to do tonight and wouldn't be coming back.

Thus, Gong Yi stayed the night.

The maid prepared a guest room. Gong Yi took a shower and then walked out wearing a bathrobe. At this time, there was a knock on the door.

"Come in."

The door opened, and it was Bai Beibei.

She had just showered and was in a white nightgown. Her jet-black hair was disheveled and she looked so lovely and pure like a begonia flower.

"Why are you here? I was just about to see you."

Bai Beibei smiled sweetly. "I was afraid that you wouldn't be used to sleeping here, so I came to see you."

Gong Yi stood tall and straight. He raised his hand to beckon her. "Come here."

"Hmm?" Bai Beibei walked over.

Gong Yi suddenly carried her in his arms. "I will get used to it if you are sleeping with me!"

Bai Beibei was thrown onto the soft bed. He then pressed her down. She screamed a little and giggled as she tried to avoid him.

Gong Yi easily restrained her and kissed her. "Give me a kiss."

"No..."

"Why not? We have to work harder so that you can get pregnant faster."

What he said was right, but doing such a thing would dirty the bedsheets. She was afraid that the servants would see it the next day.

But Gong Yi did not give her the chance to refuse. He pulled the blanket over both of them...

...

The next morning, Gong Yi slowly opened his eyes.

The brilliant sunlight shone through the layers of curtains. He took a look at his watch. It was already eight o'clock.

He got up late again.

At this time, a soft and fragrant figure leaned over. "You're awake..."

Gong Yi looked at the girl in his arms. He gently touched the girl's little face using his finger. "Little lazy worm, wake up. You have to go to school today, right?"

“Ah!” Bai Beibei screamed and all her sleepiness was gone. She quickly broke away from his embrace and jumped off the bed. “Oh no, I’m going to be late. Oh My God, why did I oversleep?”

Chapter 1320: A Morning Sickness?

Bai Beibei quickly ran to the bathroom to wash up.

Gong Yi was amused by her. He got up and walked to the bathroom door. While leaning against the door, he lazily crossed his arms. “It’s okay to be a little late. There’s no need to rush.”

“No way.” Bai Beibei held a small toothbrush in her hand and spat out a small bubble. She stared at him with her watery eyes and said, “How can a student be late? This will leave a bad impression.”

Gong Yi gave her a back hug. “Let it be. In the future, we don’t have to go to school or to work. You just have to take care of me and serve me. Your living is on me, okay?”

Bai Beibei hesitated for a moment and protested, “No way.”

She wanted to be an independent woman that he admired, like...Ye Xiaotao.

“Alright then, it’s up to you. Just do whatever that makes you happy.” Gong Yi said dotingly.

...

Sun Xiaoxiao didn’t come back for the night. Gong Yi drove Bai Beibei to the school.

“Bye, I go first.” Bai Beibei opened the passenger door.

“Did you forget something?” Gong Yi pointed at his cheek.

Bai Beibei blushed and quickly kissed him.

She sensed a pair of loving eyes staring at her when she walked into the school. She felt even sweeter in her heart.

At this moment, Li Sisi ran over. “Beibei, long time no see. What have you been busy with recently? Why didn’t you come and hang out with me?”

“Sisi, a lot of things have happened to me recently. They are beyond a few sentences.”

“What has happened? Beibei, tell me!” Li Sisi quickly grabbed Bai Beibei’s arm. She was the most gossipy person.

Bai Beibei told her everything that had happened. Li Sisi widened her eyes and said in disbelief, “Oh my god, Beibei, you have a mother now. You must be so happy.”

“Yes, I am.” They chatted and laughed as they entered the classroom.

...

In the afternoon, after class, Bai Beibei returned to the school dormitory.

Sun Xiaoxiao's call came very quickly. "Beibei, have you finished school? I'll get the driver to pick you up."

"Mom, It's ok. I'm staying in the dormitory at school."

"Why do you want to stay at school? I'll get the driver to pick you up."

"Mom, I'm going to America to participate in the mental arithmetic competition in about ten days. I need to study hard during this period of time so that it's more convenient to just stay at school."

"Alright then." Sun Xiaoxiao didn't insist and hung up the phone.

Li Sisi was also in the dormitory. "Beibei, was that your mother?"

"Yes, it was."

"It seems like your mother cares about you a lot."

"Yes, there's just one thing. My mother and Young Master Gong's father have some issues, so she is now against me dating Young Master Gong."

"Ah, then what should we do?"

Bai Beibei moved closer to Li Sisi's ear and whispered, "I lied to her that I am pregnant..."

"What???" Li Sisi was in shock. "Beibei, I did not know that you've become so naughty now."

Bai Beibei felt embarrassed.

"So Beibei, did you have sex with Young Master Gong?"

"Ah?" Bai Beibei's little face was as red as an apple.

"Beibei, how did it feel? Tell me about it."

Bai Beibei couldn't bring herself to say it. "No..."

"Aiyo, Beibei, I'm very curious. Tell me about it!" Li Sisi pestered her.

"Mmm, it was a little painful at first, but then... it became comfortable..." Bai Beibei said, stuttering.

Li Sisi could not picture it. She held onto Bai Beibei and refused to let go. "No, Beibei, be more specific, tell me more about it! How did it happen?"

Tell her more about it?

Bai Beibei begged for mercy. She really couldn't do it.

At this moment, there was a knock on the door. Someone had arrived.

Bai Beibei felt as if she had been saved. "I'll go get the door."

Outside stood Sun Xiaoxiao.

“Mom, why are you here?”

...

Sun Xiaoxiao was holding a thermos cup in her hand. “Beibei, this is the soup I asked the maid to make for you. You need to replenish your body right now, so hurry up and drink it while it’s hot.”

Bai Beibei felt very warm. She reached out and took the thermos cup. “Thank you, Mom. Let’s come in.”

Sun Xiaoxiao walked in.

“Hello, auntie. My name is Li Sisi. I’m Beibei’s good friend,” Li Sisi introduced herself in a lively and cute manner.

Sun Xiaoxiao smiled. “You must be Xiyang’s little sister. Hello.”

Bai Beibei felt uncomfortable listening to that. Her mother still liked Li Xiyang.

“Beibei, hurry up and drink the soup.”

“Okay.”

Bai Beibei took out a small bowl and poured the soup out. She took a sip and said, “Mom, it’s so hot. I’ll drink it later.”

“Beibei, the soup will be cold later. Drink it now. Mom will watch.”

“But the soup is so hot...”

“It’s not hot. Mom will feed you.”

Sun Xiaoxiao picked up the small bowl and was about to pour it into Bai Beibei’s mouth without any explanation.

Bai Beibei felt nauseous once she smelled the oily smell of the soup. “Urgh!” She ran into the bathroom to vomit.

She felt so uncomfortable.

“Beibei, are you alright? I’ll pat you down. Drink some water first.” Li Sisi ran over with concern.

Sun Xiaoxiao’s face turned cold when she saw that she was having a morning sickness. The evil idea came out again.

“Mom, leave the soup there for now. I’ll drink it when it gets cold.”

Sun Xiaoxiao wanted to say something, but the bedroom door was pushed open and a few girls ran in.

“Beibei, Sisi, let’s hang out.”

The bedroom suddenly became crowded. It wasn’t convenient for Sun Xiaoxiao to stay here. She glanced at the soup and then reminded her worriedly, “Beibei, don’t forget to drink the soup. I’ll leave first.”

“Got it, Mom.”

Sun Xiaoxiao left.

Li Sisi looked at Sun Xiaoxiao's back and muttered, "Beibei, your mom is so good to you. She came all the way here to pass you the soup. I think she wants to watch you drinking this bowl of soup."

Bai Beibei picked up the small bowl and took a whiff of the soup. For some reason, she felt that there was a strange smell in the soup, and she wanted to throw up just by smelling it.

Anyway, she wasn't pregnant, so she poured the soup in the bowl into the bonsai by the window.

"Beibei, it was such a waste!"

"Shh, Sisi, don't let my mom know. There's one more thing I want to ask you for help."

"Go ahead."

"My household register is with my mom. In a few days, I'll tell my mom that the school needs it. You have to cooperate with me and let me get it smoothly."

"No problem, leave it to me." Li Sisi patted her chest confidently.

...

Two days later.

Because of Li Sisi's help, Bai Beibei really got her household register.

She immediately took out her phone and dialed Gong Yi's number.
