

# Catch Me If You Love Me Chapter 132

He seemed to have suddenly changed into someone. He changed his cold and alienated appearance before, wishing to expel all intruders out of the country, waved at them, and walked out of the living room first.

“follow me.”

Zoey Gu followed behind him. Just about to leave, Liam Lu by his side grabbed her shoulders and naturally propped up her injured arm with the other hand.

Zoey Gu’s face suddenly became a little cold, and she constantly twisted her body to try to free him.

“Liam Lu, let go! I said, I am not your wife, and I will not marry you.”

From the moment the wedding was completely humiliated and decided to escape the marriage, she made up her mind.

Liam Lu calmly increased his hands, put his head to her ear, and said in a low voice.

“Do you want that old guy to think we are lying to him, and then completely give up treating you?”

“you...”

Liam Lu’s eyes suddenly softened a bit when she was daring to be angry but not daring to speak.

How long has he not seen such a vivid and energetic Zoey Gu?

“Let’s go, you will really miss it later.”

The two people followed Mr. Fu, all the way out of the living room, towards the backyard.

On one side of the backyard is a huge garden with a beautiful flower house.

Next to it is a huge pond filled with water lilies.

Further inside, there is a large open space. At the end of the open space, a small room was built with red bricks.

In the room, there are all kinds of old-fashioned kitchen utensils, stoves, and a bed of stones, which looks very nostalgic.

Such a strange combination, no matter how you look at it, makes people feel that Mr. Fu’s hobby style is very...chic.

Zoey Gu was astonished, and Mr. Fu in front of him suddenly stopped, pointed at Liam Lu beside her, and said nonchalantly.

“You, go and clean the hut.”

Zoey Gu was taken aback, and before Liam Lu could react, he changed his face first.

“Mr. Fu, let me come. Me, my husband...”

He is the son of the first family of H country. Even in those years with his mother Lu in Berven City, when did he do this?

“It’s okay, I can.”

One hand stood in front of Zoey Gu.

Liam Lu glanced at Mr. Fu without changing his face, and walked into the cabin.

The hut was covered with a thick floor, perhaps it was not cleaned for some days, and it was covered with thick dust.

Liam Lu just kicked in, and the dust suddenly rose.

The smoke and dust all over the room.

Zoey Gu pursed her lips, and there was an uncontrollable slightly sour feeling in her heart, and she couldn’t bear to look at it.

Liam Lu looked calm, rolled up his cuffs as if he didn’t care, bends down, bowed his head, and carefully packed up.

sweep the floor.

mop.

wipe.

He wiped the dusty edges of the old-fashioned stove meticulously.

The lights at night were not bright, and it fell on his handsome face, giving him an unreal feeling.

I don’t know how long it took, Zoey Gu couldn’t stand it anymore, and took the initiative to help him, but was slammed by Liam Lu.

“Just stand there, don’t move.”

He cleaned the last piece of rag and looked up at Mr. Fu calmly.

“It’s packed, Mr. Fu will check it?”

Zoey Gu stood beside him, looked at his dusty face, and just wanted to speak, but when Mr. Fu raised his finger to the vegetable field not far away, he said blankly.

“Go give my organic vegetables and pour-manure.”
