

Catch Me If You Love Me Chapter 134

“Mr. Fu!”

Hearing that he was so unconcealed, he cursed Liam Lu blatantly, and Zoey paled suddenly, trembling with anger.

“Please pay attention to your wording! We are here to seek medical treatment, not to make you unscrupulously personally attacked. If it is no secret, we...”

She was not only angry, but also upset.

Since Mr. Fu decided to keep her, and always said something unclear to Liam Lu, there was a strong anxiety in her heart inexplicably.

What is it, she can't even tell herself.

Seeing her change face, Mr. Fu frowned at her forehead, and suddenly showed a headache and disgust.

With a wave of his hand, he turned his head and said to the men beside him.

“Take her back first and arrange a room for her.”

“Oh by the way, you can help her make the sour noodle soup just now. I want to serve it as a supper.”

After speaking, Mr. Fu turned his head to look at Liam Lu, his eyes were quite familiar.

“I have a chat with her husband, and after a while, I will personally send him out.”

The matter is a foregone conclusion.

Zoey Gu stood there hesitantly, turned his head and looked in Liam Lu's direction subconsciously. The uneasy feeling in her heart made her a little unable to move.

“Zoey.”

Liam Lu walked up to her in a few steps, and in front of everyone, he attached himself to the corner of her mouth and kissed her.

When he got up, he raised his hand to hold her face and leaned over.

“Cooperate with him for treatment. When the time comes, I will come to pick you up in person.”

He suddenly pressed against her face, his eyes deepened when he saw her.

“I owe you a solemn apology and a proof for everything in the past. When I come back...”

A word stabbed Zoey Gu’s nerves inexplicably, making her eyes red.

She interrupted him without thinking, looked at him firmly, and said viciously.

“Then wait for you to finish your own business, talk about it when you come back, and do it again. Liam Lu, you’d better speak up this time. Otherwise, I will never forgive you!”

Liam Lu glanced at her deeply, his lips twitched.

“it is good.”

Mr. Fu looked impatiently and waved to the next person to take Zoey Gu away.

After a while, he got up from the bed in the cabin, walked to Liam Lu’s, and said in a cold voice.

“You are not suitable.” Mr. Fu said.

“The Lu family has a complicated background and the water is too deep. If this girl enters the Lu family with you, the future will be very difficult. Also, why don’t you tell her that your Lu family men are short-lived?”

Liam Lu squinted his eyebrows and squinted at Mr. Fu, his eyes full of inquiry.

The so-called Mr. Fu in front of him is not simple. Not only knew him, but also knew everything about him and the Lu family.

He had decided to treat Zoey Gu from the very beginning, and tried to make things difficult for him again and again, but only on the surface.

For him, obviously the first time they met, they showed obvious hostility and resistance.

Liam Lu asked aloud without changing his face.

“Who is Mr. Fu anyway?”

Mr. Fu smiled instead of answering.

“It doesn’t matter who I am. The important thing is that the source of the disease in the blood of the Lu family man is not completely found. The more you get sick, the more likely it is that you will die at any time.”

“Your Mrs. Lu may become a widow at any time.”
