

# I' m Sorry My Love Novel Chapter 1342 - 1343

## Chapter 1342

At this moment, Suzi was almost confused. She naturally didn't know that at this moment, there was still a person standing outside the hotel, who was about to rush to rescue her.

She only tried to stay calm: "Dad! You have no right to let two security guards look at me!"

"I'm not your dad! You are divorcing my son, I don't know you! How could I know a shameless woman like you! You are not only shameless, you also bite me with a rake, I first prove it today My innocence! Then I will send you to my son and let him deal with you!"

Suzi: "....."

"Security! Watch her for me!" Fu Zhengxiong gave another order to the security.

Security guard: "This... old president, you..."

"I'll let you see it! I will bear any responsibility!" Fu Zhengxiong roared! The two security guards were frightened and immediately stopped Suzi.

Suzi: "....."

Here Fu Zhengxiong took out his mobile phone and dialed a number.

Suzi thought she was calling Arron, but soon the call was connected. Fu Zhengxiong immediately said, "Wen Yu, have you bought your stuff? Come here, and I caught Suzi. Current!"

Suzi: "....."

She was stunned.

Obviously the father-in-law is here with Gu Jianing private meeting.

Just now, Gu Jianing's nauseating voice, Suzi heard clearly, but now Fu Zhengxiong actually called Qin Wenyu and asked Qin Wenyu to come over and catch her Suzi's traitor?

It seems that Qin Wenyu is still nearby?

What's the situation?

Suzi felt that Gu Jianing's mother and daughter were really not easy.

The trap they set is really deep enough!

Suzi subconsciously looked at Gu Jianing's mother and daughter.

Gu Jianing was giving Suzi a provocative smile.

Gu Xiaoqing didn't even look at Suzi, but rather casually played with her mobile phone.

In fact, Gu Xiaoqing is not playing mobile phones.

She is calling someone.

This call is a secret code for two people.

After the phone rang three times, Gu Xiaoqing quietly hung up the phone.

The number she dialed was not someone else, but the man who called Suzi in the hotel just now.

The man is a man Gu Xiaoqing knew when she first got off the plane and came to Xu Zetong's company to apply for a job.

The man's name is Gu Shijie.

Because of the same surname as Gu Xiaoqing, the man tried his best to get in touch with Gu Xiaoqing the first time he saw her.

Gu Shijie's hometown is a small county three thousand kilometers away.

Because the relationship in the county is relatively hard, so I received this business from the Xu Group in the metropolis.

This single business alone can make a man earn almost 20 million.

The man almost walked sideways in the small local county.

He has harmed a lot of the beauties in the small local county, but Gu Shijie has never seen such a good temperament, solitary, highly educated, highly educated, and capable beauty like Gu Xiaoqing.

The first time Gu Shijie saw Gu Xiaoqing was in Xu Zetong's office.

At that time, Gu Shijie knelt to Gu Xiaoqing.

He actually gave all his real estate and all his savings to Gu Xiaoqing, as long as Gu Xiaoqing was willing to marry him.

At that time, Gu Xiaoqing's reaction was that she raised her leg and kicked Gu Shijie.

However, Gu Shijie hugged Gu Xiaoqing's leg, fascinated: "Wow, this leg is fragrant, this leg is really a human leg, this leg knows that there is in the sky, how many times can the world hold?"

## **Chapter 1343**

Gu Xiaoqing was almost pissed off by this strange product, and her lungs were blown up.

However, Qihuahu raised his hands and handed his 20 million deposit to Gu Xiaoqing: "Xiaoqing, guess how much my 20 million deposit will give you? Guess?"

Gu Xiaoqing sneered: "You thought you gave me all..."

"Yes, Xiaoqing, I just give you all!"

"I don't give anything to myself, do you know why? Because I gave you 20 million, I can still make more money. When I make money, I will give it back to you. Our family still has a few acres of Susukino Well, I can be self-sufficient, so I don't need money."

Gu Xiaoqing: “.....”

She didn't expect that the original plan to return to China was to become the most respected wife in Nancheng, but when the job she had just returned to Nancheng had not yet been implemented, she encountered a licking dog.

Dog licking seems very popular recently?

However, when Gu Xiaoqing saw this licking dog with her own eyes, she was deeply disgusted.

Twenty million people lick a dog is really too few.

It's not enough to stuff your teeth.

Such a licking dog is here, and she feels sick when licking her.

I was about to viciously kick or kick this stalker licking dog to death, but was stopped by Xu Zetong.

“Miss Gu! The family's surname is Gu Jie's family, so why bother? Besides, when you first came here to hire people, you refused to be thousands of miles away. If you use it that day...”

“Yes, yes, Xiaoqing, if you used me that day, guess what would I do to you? I will give you my bank account and password before giving my life to you, and then I'll work for you again.”

So pious, Gu Xiaoqing looked at this licking dog but she felt nauseous.

Especially his begging smile.

It really made Gu Xiaoqing sick to death.

And his greasy voice, and the fat belly, which looked like a piece of fat.

However, Gu Xiaoqing did not refuse Gu Shijie again.

Instead, he looked at Gu Shijie with a condescending attitude: “I just came to Nancheng, and there are so many things to do. I don't have

time to meet you. Please take care of me and stay away. When I need you, I will naturally call you.”

These words were originally made by Gu Xiaoqing to make Gu Shijie angry, but she never thought that Gu Shijie would actually kneel at her feet and kiss his feet.

Gu Xiaoqing only thinks this person is sick.

The disease is not mild!

But after another thought, as long as this licking dog is willing to do things for her, and is willing to spend money for her, why should she leave it alone?

During the first few days in Nancheng, all the designer shoes, designer bags and designer fashion worn by Gu Xiaoqing were all bought by Gu Shijie for her.

While spending Gu Shijie’s money, she wondered how she could marry Arron in the upper rank.

Of course, she couldn’t tell Gu Shijie, the rich man, this idea.

Even if she licked the dog, she was willing to associate with him.

If Gu Shijie knew that her ultimate goal was Arron, how could she still be willing to be her dog licking?

Not telling Gu Shijie who the man she really wants to marry is, but Gu Xiaoqing can use Gu Shijie to deal with Suzi.

“This woman used to go to jail, and now she marries Nancheng Living Hades, she is so arrogant that she and his mother beat my mother publicly, and then she wants to drive me away from my aunt’s grandfather’s house, even my mother wants to fight him. Father-in-law’s dating, she must stop it, Shijie, can you help me teach this woman a lesson?”

Gu Xiaoqing deliberately flew to that remote small county, and stayed there for a day without daring to do anything else.

Just sleep with Gu Shijie.

Gu Shijie agreed without hesitation. The two came to Nancheng together. The call on Suzi's cell phone last night was made by Gu Shijie.

Today, she Gu Xiaoqing arranged very delicately for this scene.

She did not believe that Suzi could escape from the palm of her Gu Xiaoqing's hand today.

When Suzi looked at Gu Xiaoqing, Gu Xiaoqing spoke to Suzi, "You! Die! It's done!"
