

# I' m Sorry My Love Novel Chapter 1348 - 1349

## Chapter 1348

Pan Haoyang was surprised.

Then he looked at Suzi affectionately: "Their mother and daughter are designing you! Why are you so stupid to come here?"

Suzi's eye circles suddenly became red: "Go! Go!"

Pan Haoyang: "..."

"Go!" Suzi roared.

She watched the two security guards at the gate holding the lock and was about to lock the gate. Suzi actually ran to the two security guards at a speed of 100 meters, pushing them one by one with one hand.

Then he yelled at Pan Haoyang: "You get the surname Pan right away! Get out!"

Pan Haoyang is not stupid.

He was not in love, but turned and ran. Pan Haoyang suddenly turned his head when he ran to the door, clasped Suzi in his arms, k!ssed her hair, and ran out the door.

Suzi: "....."

Not a minute after Pan Haoyang ran out, the police car from here roared over.

The crowd who had just hid stood up one after another.

Gu Xiaoqing also stood up in shock, lying next to her was the licking dog who was beaten by Pan Haoyang and had half his life left.

However, at this time Pan Haoyang ran away, and Gu Xiaoqing was not afraid of anything.

She pointed to Suzi: "You are a accomplice!"

Fu Zhengxiong also asked Suzi angrily: "This...what's going on? It's not enough for you to have one good friend, but two more?"

"Dad." At this time, Suzi was already very calm.

She looked at Gu Xiaoqing and the half-dead man on the ground: "Did you see it just now? Gu Xiaoqing found this man."

"No!" Gu Xiaoqing immediately retorted: "If this man is really what I found, he won't come to protect me at a critical moment. He bit me back, Suzi, your ability to control a man is really good. Really. I underestimate you."

Suzi: "How to say?"

"Two men! Two men appear at the same time, don't watch them beat you to death, but they are all devoted to you. You are so capable."

Hearing Gu Xiaoqing's words like this, Fu Zhengxiong trembled with anger.

At this time, the police had already rushed in.

"What's the matter? Someone called the police saying that someone was committing a murder here?" the policeman asked when he came in.

"She! She is an accomplice of that murderer!" Gu Jianing immediately pointed to Suzi.

The police looked at Suzi in his eyes.

"I see who dares to take my daughter away! Whoever steps on me first!" Seeing her daughter's embarrassing situation, Alyce immediately stood in front of her.

The police immediately asked Suzi: "What the hell is going on, are you a criminal?"

Suzi: “No!”

“Huh!” Gu Xiaoqing smiled calmly: “Yes or no, it’s not obvious from the monitoring. For such a big hotel, monitoring should be available, right?”

At this time, the lobby manager immediately said: “Monitoring, some and some.”

The lobby manager just wants this matter to end soon, otherwise it will greatly affect the business and customers here.

Especially the lobby manager saw Suzi not pleasing to the eye.

This woman looked for a high-end box as soon as she came in.

And I also looked for the box where I was dining. Isn’t it obvious that I’m here to look for something!

Sure enough, she did so many things as soon as she came.

The lobby experience said while leading the police to the security room, and after opening the surveillance video, they discovered that since the man in black came in and left, the video was bad during this period.

That is, there is no shot of a man in black hitting someone in the surveillance.

Although there was no surveillance, there was a man lying down on the ground, which showed that the man in black had indeed come and hit someone.

## Chapter 1349

The police firmly believe in this.

However, there is no evidence that Suzi and the man in black are complicit.

I asked everyone in the lobby, but no one could answer.

A few little girls hesitated for a while, then shook their heads again.

In fact, there is a little girl who wants to tell the truth. She feels that Suzi is wronged, and she has no courage to end the evil, because the current situation is uncertain, maybe your clarification will become the target of public criticism.

It's better to shut up.

However, the police had no evidence, so they could only send the dressed-up person to the hospital first, and then pursue the man in black.

As for Suzi, naturally she didn't take her again.

Alyce saw her daughter standing intact, and immediately cried with joy: "Xiangxiang, my mother was worried to death just now."

Suzi shook his head: "It's okay mom."

"It's okay?" Gu Jianing looked at Suzi fiercely: "The police have no evidence to arrest you, but we have seen all of your actions with our own eyes. Brother Zhengxiong is also present. Brother Zhengxiong is your father-in-law. You still think about how to explain to your father-in-law!"

Say yes, Gu Jianing looked at Alyce triumphantly.

When Alyce came here today, she called Alyce on one of her calls.

Gu Jianing wanted to let Alyce see his daughter's fate with his own eyes.

Humph!

Fight with her Gu Jianing! Alyce will always be the defeat.

She will let the mother and daughter Alyce and Suzi know what ruin is!

"Brother Zhengxiong, let's go, I think my sister-in-law was also frightened." Gu Jianing looked at Fu Zhengxiong after he had come across Alyce.

Fu Zhengxiong put his arm around Qin Wenyu, who was paralyzed, and pointed at Suzi and said, "You...I know that if you don't tell me, that person's surname is Pan, the son of the Pan family in Gasing Island! Wait! Now, I will let Arron come and clean up you!"

Say yes, Fu Zhengxiong hugged Qin Wenyu and left.

Gu Jianing's face behind him was a bit savory.

But at this time she couldn't show it either. She only gave Alyce angrily and left with Gu Xiaoqing.

Alyce looked at her daughter worriedly: "Xiangxiang..."

Suzi raised his eyebrows and looked at Alyce: "Mom, I'm fine."

Alyce's eyes were red: "Daughter, mom knows that you have been calculated by others, so how can mom not worry about you?"

Suzi hugged his mother as he walked out, and said: "Mom, listen to me, when I was the most miserable and poorest, I had a big belly and no money. I don't know if my mother is dead or alive, and like I was chased and beaten by Nancheng people like a rat crossing the street, but even then, I was alive."

Alyce: "..."

"It's different now. Now I have a mother, and my mother has a small courtyard. My daughter is six years old. I also have a stable job. Mom, what are you afraid of?" Suzi's tone was extremely firm.

Alyce immediately nodded firmly: "Well, what's the matter, mom will carry it with you, it will definitely be better than before."

Suzi nodded: "Mom, I will send you home first, you will be at home obediently, and then..."

"Then where are you going?" Mom still asked worriedly.

Suzi's face is still extremely firm: "Look for Arron."

Yes, find Arron.

Arron is the person she trusts most, her husband, and now she falls into Gu Xiaoqing's full set, Gu Xiaoqing and her parents-in-law framed her together, and she saw that the man in black was indeed Pan Haoyang.

This matter must be told to Arron immediately.

Sending her mother to her home to settle down well, Suzi hurriedly sorted out the whole thing at Waibala. She asked her peace of mind and drove to the Fu Group.

When the car was parked and got off, Suzi was about to go upstairs when she saw two figures.

Not far from her, Arron was walking in front of her, followed by Gu Xiaoqing, and the two of them walked towards Arron's car almost side by side.

Suzi: "....."
