

Catch Me If You Love Me Chapter 135

Words punish the heart.

Mr. Fu seemed to speak casually, but in fact his words were as sharp as a knife. Every knife was poked in the most secret place in Liam Lu's heart.

Liam Lu didn't speak for a long time.

After a long while, he looked up at Mr. Xian Fu and spoke very slowly.

"Zoey Gu and I can't make that step."

Zoey Gu lived in Fu's house.

After separating from Liam Lu that night, she followed Mr. Fu's men back to the villa, drank a bowl of medicine given by Mr. Fu himself, and fell asleep in a daze.

I slept for a long time.

In the drowsiness, I always vaguely felt a figure dangling in front of my eyes, sandwiching a vague voice.

Waking up again, it was already three days later.

In order to reduce her pain, Mr. Fu gave her pre-treatment while she was sleeping.

At this time, some special gauze was wrapped around her hand, and the pain in her arm gradually disappeared.

Just thinking about it, the bedroom door not far away opened and a woman in a white coat walked in.

"Miss Gu, are you awake? Did you feel better?"

Zoey Gu nodded, recognizing that the other party was Mr. Fu's stop, and said gratefully.

"Much better, thank you."

"you are welcome."

The other party took Zoey Gu's body temperature and performed a basic physical examination for her, while looking down at her.

"Oh, by the way, there is a Miss Yun waiting for you in Huafang, saying that your friend came to see you. But you are weak and just woke up. If you are not seen, I can go down and ask her to go."

Miss Yun?

Anna Yun?

Hearing this, Zoey Gu's face instantly changed, and her hand under the quilt tightened quickly.

Liam Lu was sent here by an accident with her front foot, and she caught up to the door with her back foot.

Anna Yun has never died of her heart...

Zoey Gu's face was cold.

For a moment, she raised his head and said softly to stop.

"You don't need to ask her out, I'll go down and see her right away."

After a few minutes, the assistant left, Zoey Gu put on a thin coat and walked out of the living room slowly.

Behind the villa is the flower room.

When Zoey Gu arrived, Anna Yun was standing in the middle of the glass flower room with her back turned to Zoey Gu. Her figure was exquisite, dignified and elegant, and she still looked like a beautiful girl.

Hearing the voice and seeing Zoey Gu, the expression on her face instantly cooled, gritted her teeth and said.

"Zoey Gu, Liam Lu will save you, and Mr. Fu will take care of you. What exactly did you use against them?!"

When the words fell, Anna Yun walked over a few steps, raised her hand involuntarily, and hit Zoey Gu.

"Why don't you die yet—"

With hands up and hands down, Zoey Gu drew sideways, and Anna Yun's slap instantly fell.

Immediately afterwards, with a "pop", Anna Yun's face suddenly turned to one side, and a hot five-fingerprint appeared on her face for an instant.

Anna Yun covered her face inconceivably, her blood-red eyes stared at Zoey Gu, and she screamed anxiously.

"Zoey Gu, this is the site of the Qingcheng Yun Family, how dare you hit me?!"

Zoey Gu stood upright, staring at her coldly, only to find it ridiculous.

“It doesn’t matter where you owe it.”

As she said, looking at Anna Yun who was nearly collapsed, she laughed abruptly.

“I used to think that Liam Lu liked you and took your position from Mrs. Lu, and felt little guilt for him. Only now I found out that it was unnecessary. A woman like you is not worthy of him.”

“you!”

“You came here just to see how I was hurt and whether I died? Sorry, I let you down.”

After Zoey Gu finished speaking, without looking at her, she turned and walked to the living room without looking back.

Anna Yun covered her face and watched her go away, but the raging anger in his eyes instantly disappeared.

She curled up her lips with a weird smile, looked sideways in the direction of the flowers beside her, and asked in a low voice.

“Ok?”
