

# I' m Sorry My Love Novel Chapter 1350 - 1351

## Chapter 1350

When Suzi saw that Gu Xiaoqing and Arron were talking and laughing towards Arron's car, Suzi's heart seemed to be smashed by something blunt.

Smashed a heart splattered.

For a moment, she didn't even feel the pain.

She only stared blankly at the two people who got into the car.

Know that the car is driving out.

Suzi knew that the driver driving in front must be Christopher.

This reminded her of the phone call Christopher called her two days ago.

Suzi has never understood why Christopher called her so abruptly. Although Christopher looked at him laughing and joking, he was definitely not a rash person.

Suzi now understands.

Christopher was taking a risk to remind her that Arron had changed his mind.

Standing next to his car, Suzi only felt top-heavy, as if he had drunk two catties of liquor.

She didn't know how she got in the car, how she started the engine, or even how the car got out, she didn't know.

When only driving on the road, Suzi can still take care of it, and it must not happen.

Suzi, you have to drive well, you can't get into a car accident.

You have a mother waiting for you to support her.

You have a six-year-old daughter waiting for you to raise her up.

Suzi, you are stable!

You calm down!

Calm! !

Suzi drove all the way to her mother's place. In fact, she had just sent her mother to the house. It took just over an hour and came again.

Originally, she was very worried about Suzi's mother when she saw Suzi coming.

When she saw Suzi's face pale and there was no blood on her lips, Alyce was immediately shocked.

She looked at Suzi distressedly: "What's wrong with Xiangxiang, what happened? Tell mom, mom will help you carry it together. Our mother and daughter are always stronger than you alone, Xiangxiang!"

Alyce can also think of it, even if she has such a residence in Nancheng now, a small courtyard with flowers, birds, fish and insects, and the indoor furniture is worth 18 million.

However, when the real thing comes, no one can count on it.

The only thing they can rely on is their mother and daughter.

At this moment, Alyce was calm.

She slowly helped her stumbling daughter into the house, and said to Suzi: "My dear daughter, if you have something on your mind, you don't want to tell your mother. Mom will not ask, but you have to assure your mother that you are going to be good. , You come in to rest, okay?"

Suzi said to his mother in a breath like Yousi: "Mom, I just want to sleep, you let me sleep for a while, you look at me, when it's time to pick the only one, you call me and I get up to pick the one."

“Okay, good dear daughter, you must be tired after so many things happened today. You should go to bed first.” Alyce helped her daughter into the living room, and when she was about to support her on the inner bed, Suzi slumped. On the sofa.

Fortunately, the sofa is big enough.

And Suzi’s is very thin.

Nestled in the sofa, she curled up inside, which was more than enough.

Suzi just turned his back to his mother without saying a word.

Mother did not dare to call her.

She has also been silent.

However, his mother could clearly see that Suzi was convulsing.

The daughter is crying.

In my impression, my daughter has never been a crying person. Since she was a child, no matter how difficult things are, she rarely cries.

But now, the daughter actually shrank to her mother alone, crying so helplessly and weakly.

Alyce walked out of the living room gently, and then she took out her mobile phone and dialed a set of numbers.

On the phone end, Arron was signing a contract with Gu Xiaoqing in a box.

The man has always been expressionless, his stubborn face is like a knife, but not like a woman who is like a little fresh meat nowadays. The man’s face is cold, his calm look, Gu Xiaoqing couldn’t guess it all the time.

But this is what makes Gu Xiaoqing feel that men are more attractive.

## **Chapter 1351**

No loss is the king who conquered the entire southern city.

It deserves to be born from a fleeing concubine, and overturned all the men overnight.

Such a man is 10,000 times stronger than that greasy and old-fashioned licking dog.

No!

One hundred thousand times!

That kind of dog licking, even if you give her ten twenty million to Gu Xiaoqing, she is not uncommon.

She Gu Xiaoqing wants to marry, of course she has to marry a man of this kind!

Now, this man is sitting in a private room with himself.

At such close distance between the two, Gu Xiaoqing could even hear her own heartbeat.

This man finally sat at a dining table with herself less than a month after she returned to China.

That's great!

Ha!

Maybe, today I can climb on Arron's bed.

"Four Master..." Seeing Arron looking at the contract without saying a word, Gu Xiaoqing said sideways: "I didn't expect my mother to know Fourth Master and your father. I still want to call Uncle Fu."

"Yeah." Arron didn't look at Gu Xiaoqing, only the contract.

"Um, Fourth Master... you turn around and persuade Uncle Fu, he should not be sad when he is old, maybe, it was just a misunderstanding, I think Miss Shen...no, ma'am She would definitely not be like Uncle Fu said..." Gu Xiaoqing wanted to lead the topic to Suzi.

Arron finally raised his head, he looked at Gu Xiaoqing.

Gu Xiaoqing was excited: "Four Lord, you...Don't be angry, Madam Fu, if she knows what's wrong, she can correct it..."

"Did you bring the company's official seal?" Arron asked.

Gu Xiaoqing: "What did you say?"

"Official seal! The contract must be stamped! Also, Xu Zetong's autograph signed!" Arron asked.

"Oh oh oh, if you sign, Mr. Xu has already signed, every one has been signed, and he has also signed the sewing ones, you...look at it." Gu Xiaoqing said quickly.

Arron took a look, and then said: "Official seal!"

"I got the official seal." Gu Xiaoqing immediately took out the official seal from the bag and handed it to Arron.

Originally this official seal Xu Zetong would not let anything out.

However, Xu Zetong wanted to cooperate with Arron too much.

This time the opportunity was really rare, so he gave the official seal to Gu Xiaoqing.

Seeing Gu Xiaoqing handing over the official seal respectfully, Arron caught it without saying anything.

At this moment, his mobile phone rang and he picked it up and glanced at it. It was his mother-in-law calling.

Arron went out immediately and connected: "Mom?"

"Arron, what did you say to Xiangxiang?" Alyce asked.

Arron: "Mom what did you say?"

Alyce: "Xiangxiang didn't go to your company to find you today? Just over an hour ago?"

Arron: "..."

He glanced into the box subconsciously.

More than an hour ago, wasn't it when he and Gu Xiaoqing came out of the company?

Arron's heart sighed.

When I was about to ask my mother-in-law about other things, Alyce over there said again: "Arron, no matter what happens between you and Xiangxiang, you can discuss it well, if... Mom said if, if you... .... You have any new ideas, tell mom."

Arron: "Mom, what are you talking about?"

Alyce smiled sadly: "Tell Mom, Mom is also mentally prepared to comfort Xiangxiang..."

Arron: "..."

"Arron, I hung up." The mother-in-law hung up the phone.

Arron then dialed Suzi's cell phone, and that end showed that Suzi was off.
