

# I'm Sorry My Love Novel Chapter 1354 - 1355

## Chapter 1354

In the morning at Qingshan International Hotel, Pan Haoyang ran away in a hurry, so Suzi didn't have time to ask many things.

Seeing Pan Haoyang at this time, he felt like a world away.

"You are crying." Pan Haoyang saw Suzi's eyes flushed.

Suzi didn't answer, she only asked with a cold face: "The anonymous man who made trouble in Nancheng these days has always been you?"

Pan Haoyang sneered: "Did you see it in the Qingshan International Hotel this morning? If you hadn't driven me away at that time, I would kill the licking dog who bullied you! I would also kill Gu Jianing and her daughter!"

His tone was stubborn, wronged, sad, and unspeakable.

It's like a love you can't get, so it's like a child who is unscrupulous and shameless.

"Where is Qin Wenyu?"

Suzi asked back: "Are you trying to kill Qin Wenyu too?"

Pan Haoyang said coldly: "Isn't she the most damned person!"

"Then why did you attack them several times, and didn't kill them every time? With your hand out, with your cruelty, if you want to kill Qin Wenyu, one time is enough, right?" Suzi asked again.

Pan Haoyang had a painful expression on his face: "Suzi, don't you think that it's too cheap for Qin Wenyu to die in one go? Isn't it too cheap for her? I just want to torture her to death, tortured her alive! She tasted the shock of the world!"

“Where is Fu Zhengxiong? You tortured him to death too?” Suzi asked coldly again.

Pan Haoyang: “...”

After a pause, he gritted his teeth and said, “Do you know I have pain? Do you know?”

Suzi: “.....”

“I wish I could smash Fu Zhengxiong into eight pieces and divide his body by five horses. Do you know how much I want him to die? You don’t know!”

Suzi suddenly became angry: “I know!”

Pan Haoyang: “...”

“Otherwise, do you think I will let you go this morning!” Suzi asked viciously.

Pan Haoyang: “...”

That’s right!

This morning, if Suzi hadn’t stopped him for him, he would have been arrested.

At this time, Lilly suddenly cried: “Uuuuu...”

Suzi immediately squatted down to coax the only one: “One, what’s wrong with you baby?”

Lilly: “Woo, Uncle Pan, you...Don’t be so fierce, the only one who sees you is scared...”

Pan Haoyang was suddenly sad.

Then he hugged the only one in his arms: “It’s all Uncle Pan’s fault. Uncle Pan shouldn’t be fierce. Uncle Pan scared the only one, right?”

Lilly suddenly smiled.

She looked at Pan Haoyang greedily: “Uncle Pan, you look good like this. Uncle Pan, I know you have been in Nancheng for a while, and you often trouble my grandfather, right?”

The little girl is very smart.

Although she didn't ask anything, she knew many things.

Pan Haoyang looked at Suzi with a decadent smile: “Do you all know?”

Suzi didn't answer Pan Haoyang, she only said to Lilly: “Lilly, sit in the car and wait for your mother. Mom has something to say to Uncle Pan.”

Shen Only: “...”

She looked at Pan Haoyang: “You are my uncle, right? My father's twin brother.”

Suzi: “Shen is the only one!”

Pan Haoyang's nose was sore.

He squatted down again to hug Lilly: “Uncle Pan finally knows why he feels so k!ssed when he sees you. It turns out that Uncle Pan is the only dear uncle. Baby let Uncle k!ss him.”

With words, Pan Haoyang k!ssed the only forehead.

Then he said to her: “The only good one, you must listen to your mother, go to the car and wait for your mother.”

Lilly nodded and got into the car.

The moment the car door closed, Lilly cried suddenly. She cried out of breath: “Uncle Pan, don't be so disobedient, okay? You have to be sensible. The police will arrest you like this, my dad thinks. There is no way to protect you. If you are like this, the only thing is that you won't be able to ride a horse in the future.”

## **Chapter 1355**

Pan Haoyang: "..."

His heart was cut like a knife, and his eyes were reddish.

After a pause for several seconds, he solemnly nodded his head and said to Lilly: "Okay, uncle listens to you, he will be obedient in the future, okay."

Lilly nodded: "Okay."

"Quickly go in and sit down, uncle and mother say a few words." Pan Haoyang said.

Lilly sat in the car obediently.

Outside the car, Suzi looked at Pan Haoyang with a cold face: "When did you come!"

"I've been waiting for you here for an hour, I just saw the only one..."

"I asked when you sneaked into Nancheng!" Suzi asked.

Pan Haoyang smiled.

Then he said: "After I escaped from Gasing Island, I went abroad, where I realized my industries at very low prices, and then I bought what I wanted in the Middle East, and then I came to South City. Up."

"Are you trying to kill me?" Suzi asked.

Pan Haoyang: "..."

"You always warn the Fu family not to bully me! Pan Haoyang, do you know that they think you are my lover raised outside!" Suzi roared angrily.

Pan Haoyang: "..."

After a long while, he said: "I'm sorry..."

Suzi's tone softened: "Forget it."

“You are not happy, you cried, and Arron angered you because of today’s noon?” Pan Haoyang asked a series of questions.

Suzi: “.....”

“He is not treating you badly now? He has another woman, right?” Pan Haoyang’s eyes were burning.

Seeing that She Niang kept not answering, he asked in a questioning tone: “Where is Arron now!”

“He is your brother!” Suzi finally burst into thick.

Pan Haoyang sneered, “My brother? If he can’t give you happiness, if he treats you badly, I will kill him!”

Suzi: “.....”

“Suzi, tell me, are you happy? Are you happy? Why are you crying...”

“Pan Haoyang! Get out of here! I beg you to stop disturbing my life, okay! I know you want revenge, then you can find Fu Zhengxiong to take revenge, but what does it have to do with me?” Suzi hysterically asked Pan Haoyang roared.

She is in a terrible mood today.

There was a great anger in his stomach.

It happened to meet Pan Haoyang at this time.

“Pan Haoyang, even if you don’t get out! You have been exposed now, I tell you, whether it is Arron or Fu Zhengxiong, they will not let you go!”

Seeing Suzi roaring like this, Pan Haoyang was not angry.

He only smiled faintly: “Suzi, actually...in fact, I shouldn’t have been alive, right?”

Suzi: “.....”

“I didn’t mean now, I mean, I shouldn’t have come into this world, right? My dad, he always knew he had one son, and he only knew one when he was in my mother’s stomach, right? So I shouldn’t have been alive?”

Suzi: “Pan...Pan Haoyang, I...I didn’t mean that.”

Pan Haoyang smiled sadly, turned and left.

Suzi reacted after walking a long way out, and she shouted from behind: “You...Where are you going?”

“Look at my little niece.” Pan Haoyang answered Suzi in a bleak tone without turning his head back.

“Isn’t the only one here?” Suzi couldn’t figure it out.

But at this time, her mobile phone rang. She picked it up and took a look. It was Arron who called.

He finally called?

After hesitating for a long time, Suzi connected, her voice seemed to come from a distant sky: “Hey...”
