

I' m Sorry My Love Novel Chapter 1356 - 1357

Chapter 1356

At that end, Arron's voice was extremely calm, as if he was sitting in the office this afternoon: "Suzi, where are you?"

Suzi replied mechanically: "Pick the only one."

"I may be back later today. You take the only one and go home first, so you don't have to wait for me to eat." Arron said again.

"Okay." Suzi tried hard to control his choking, so that his voice sounded calm.

However, Arron at the other end could clearly hear her, her voice was extremely distant.

It's like a trace of air that drifts far away.

Arron: "..."

After a pause, he still asked: "You...is there something wrong?"

Suzi didn't hide it either, she said, "Yeah!"

Then she said: "Let's talk about it when I come back tonight. I'll hang up if I'm fine. You know my driving skills are not very good, so I'll hang up."

As long as the words were necessary, Suzi hung up the phone without hesitation.

She didn't rush to drive away after hanging up the phone.

She sat in the car in a daze.

Lilly, who was sitting on the child, also knew that there seemed to be something wrong with her mother today. The sensible little girl didn't say a word, but watched her mother in a daze in the driver's seat.

There are so many things that have happened today, so many that make Suzi have a headache.

Even if Suzi has always been calm-headed, she can't pretend so many things in one day.

I lie on the steering wheel and want to sort out my thoughts.

In the middle of the morning, she received a call from Gu Xiaoqing. Gu Xiaoqing designed a trick for her Suzi to make a noise, and successfully tricked her into the Qingshan International Hotel.

Suzi had to admire that Gu Xiaoqing's skill was really clever!

In the hotel, Gu Jianing, Gu Xiaoqing's mother and daughter, and Fu Zhengxiong were waiting for Weng Zhong to catch the turtle in the hotel.

And she, Suzi, is the turtle in the eyes of Gu Jianing and Gu Xiaoqing's mother and daughter.

And the greasy man who accosted her and framed her.

Even without Pan Haoyang's disclosure, Suzi knew that the man must be the accomplice that Gu Xiaoqing had found.

Siu also used this trick before.

It's just that Siu used too much force at that time.

And now Gu Xiaoqing is obviously many times higher than Siu's rank at the time.

Gu Xiaoqing didn't rush or slow down, taking it step by step, and even Fu Zhengxiong had deceived it.

Not only that, Gu Xiaoqing also successfully caught up with Arron.

In fact, Suzi knew very well in his heart that all conspiracies, all tricks, without Arron's approval behind Gu Xiaoqing would definitely not be able to succeed.

Arron!

The marriage of Suzi and Arron is only one year, only one year!

This shelf life is really short.

Suzi fought Walton and Siu, and even fought Lanita to the prison guarded hospital.

But it can't prevent a highly educated turtle.

Lying on the steering wheel, Suzi's tears fell like a broken string.

She dared not cry.

She was afraid of scaring Shen only.

"Mom..." At this time, Shen was the only Nuonuo shouted behind him.

The little girl's voice was very helpless, at a loss, and the fear made Suzi's heart-wrenching listening.

She immediately sat up, sucked in her tears, and then replaced it with a hearty smile: "The only one, today grandma gave you your favorite pickled cabbage dumplings. Dad has something to do with the company today. We came back late. Let's go to grandma's house and eat dumplings, okay?"

Upon hearing that he went to grandma's house, Lilly immediately became happy: "Okay!"

Only then did Suzi drove to his mother's house.

She thought, first trick the only one to her mother.

Play with the only one at night, and play with the only one until the only one is tired and fall asleep, and then let the mother put her arms around the one to sleep for the first night.

Chapter 1357

This evening, she will solve everything.

Can't drag.

There is a saying that long-term pain is worse than short-term pain.

Even if it hurts again, it must be resolved as quickly as possible.

Suzi's dignity can't tolerate her to drag on, and she can't drag on for a day.

Thinking of dignity, Suzi thought of Pan Haoyang again.

At this time, Pan Haoyang often disturbed Fu Zhengxiong and his wife. In fact, Suzi and Arron had guessed it a long time ago.

However, I never saw it with my own eyes.

But today Suzi saw Pan Haoyang with his own eyes, and there was an unspeakable sorrow in his heart.

Of course, Pan Haoyang's face had an unparalleled hostility.

But more is sadness.

A kind of anger to the extreme.

Today, if it weren't for Pan Haoyang's arrival in such a timely manner and directly beat the person who struck her up to death, Suzi wouldn't know that it was Gu Xiaoqing who licked the dog.

Otherwise, in the situation like today's noon, Suzi would have already been ruined.

Where does the dignity come from?

Thanks to Pan Haoyang for this.

I wonder where Pan Haoyang went again?

When he said goodbye, he said such sad words, he...will commit suicide?

Suzi didn't know.

At this time, she was worried about a lot of things, and she couldn't think of so much.

The car drove steadily and slowly in the direction of the mother's house.

With Suzi's personality, the more things she has, the more calm she must be. Especially when driving, she must not be impetuous and steady.

After all, the child is still sitting on the back.

As a result, she was stuck for an hour on the way from kindergarten to home.

When he was approaching his mother's house, Suzi's cell phone rang again.

She thought it would be Arron, and didn't want to pick it up, but Suzi couldn't help it.

She cursed herself in her heart, but she still loves him!

Suzi, you love him so much!

Involuntarily, his hand took out the phone and took a look, but his heart was suddenly lost.

Because the mobile phone caller ID was from Joan, who hadn't been in contact for a while.

Suzi's heart suddenly laughed at himself.

Today he is really busy.

Joan's call was attributable to his father, Fu Zhengxiong, who didn't see it. If Fu Zhengxiong saw her, would Fu Zhengxiong say that she has a third friend?

However, it doesn't matter anymore.

After tonight, nothing matters anymore.

Suzi pressed Bluetooth to answer: "Hey, Mr. Ling, are you...Is your health better?"

Joan smiled on the other end of the phone: “Suzi, when has this happened? It’s been a month since I was discharged from the hospital. I am now in great health, and I eat well.”

From the phone, Suzi could hear that Joan was quite happy, and listened heartily.

Suzi also laughed: “I’m sorry, Mr. Ling, I...something happened on my side a while ago, that is, Lanita, she always wanted my kidneys, and it was a lot of trouble in those few days. It’s pretty awesome. It’s also the queen of your hospitalization, so just...”

“Suzi, you don’t need to explain to me, you haven’t seen me yet, I don’t know you yet? You have always been very empathetic to friends, I know.” Joan said.

Suzi: “Thank you Joan, I still remember me well.”

Joan smiled again: “I’ve been so busy these days, I don’t even remember you, this is not today...Suzi, I want to ask you, is it because you made money in Mingsai’s account? One million yuan?”

Suzi was stunned: “Mr. Ling, you...what are you talking about?”
