

I' m Sorry My Love Novel Chapter 1358–1359

Chapter 1358

Hearing Suzi's questioning, Joan was also stunned: "No... isn't it you? That's my cousin? But I don't think my cousin can do this kind of thing, even if the cousin wants to give Ming For the game with one million dollars, he should also let Christopher send it directly to Mingsai, or give it to me."

Suzi: "....."

She was certain that this million was not made by Arron to Pan Mingsai.

Suzi suddenly remembered that when Pan Haoyang separated from her more than an hour ago, he said that he was going to see his little niece.

At that time, Suzi thought that Pan Haoyang was talking about Lilly.

Suzi now understands.

Pan Haoyang's surname is Pan.

Pan Mingsai is also surnamed Pan.

Pan Mingsai is Pan Haojing's daughter.

Isn't that Pan Haoyang's little niece?

Suzi said to Joan on the phone: "It's not your brother, it's not me, I think...I have already guessed who it is."

At that end, after a long silence, Joan asked, "It's...Pan Haoyang, right?"

Suzi: "....."

“It is rumored that Pan Haoyang has returned to Nancheng, and he has repeatedly threatened my uncle and aunt in Nancheng. Every time he finishes, he tells his uncle and aunt not to hurt you.” Joan said on the other end of the phone.

Suzi: “Mr. Ling, things are not what you think.”

Joan said excitedly: “Suzi! Why Pan Haoyang came to Nancheng? Others don’t know but I know, Pan Haoyang loves you, right?”

Suzi: “It has nothing to do with you!”

“Yes! It has nothing to do with me, but it has something to do with you! Is it because Pan Haoyang has seriously affected your life? If so, tell me! I fucking killed him!”

“Does he Pan Haoyang think he is cruel? Come on! Lao Tzu is more cruel than him. Lao Tzu put the words here! Lao Tzu is a person who has died once, so I am not afraid of death! But whoever dares to destroy your happiness, Lao Tzu will follow him The white knife goes in and the red knife goes out!”

Suzi: “.....”

Unexpectedly, until now, Joan was still so affectionate for her.

She suddenly smiled sadly.

It seems that any kind of emotion and love in this world that cannot be obtained is the best and the most eternal.

At the beginning, if Joan hadn’t abused her in such a nasty taste, but she had tried her best to save his life, would Joan always love herself desperately?

It shouldn’t.

Even if she accepted Joan’s love because she saved Joan at that time, maybe they will be smoothed out in the seven years that they are today.

And Joan is still Nancheng’s son-in-law, but what about her?

This is the unequal feelings between each other.

Because they are rich.

They are all rich people with golden spoons at birth. It is a gift that they can love you.

Therefore, a truly equal relationship should be the relationship between Fu Zhengxiong and Qin Wenyu.

Two people work hard together and face the outside world together, even if they use despicable means to deceive, they are in the same style.

I finally understood why Fu Zhengxiong would live with Qin Wenyu for the rest of his life instead of Shanna's mother.

Thinking of this, Suzi's mood became much calmer.

She faintly said to Joan: "Young Master Ling, if you really treat me as a friend, don't bother about me. You want you to know that what you are doing about me will only be counterproductive. Just like Pan Haoyang nowadays. ."

Joan: "..."

After a long while, he said: "Suzi, I actually don't think too much about you anymore. I just want you to live a good life and don't want others to ruin your life."

"I know, thank you, you are a good man Mr. Ling, I wish you peace and security throughout your life, find a good girl to get married quickly, and remember to be nice to others for the rest of your life." Suzi said.

Chapter 1359

Joan: "You...what's wrong with you?"

"It's okay, I'm hanging up." Suzi said.

Joan: "..."

After closing the line, Joan thought for a long time and couldn't understand what was going on.

I wanted to call Arron, but Joan is really a cousin. Even now, the Fu Group is very supportive of the Joan Group. In terms of business and staffing, the Fu Group takes care of the Joan Group.

Moreover, Arron's attitude towards Joan was much better than before.

However, Joan is still very afraid of Arron, the kind that is in his bones.

Therefore, he dared not call Arron with this call.

Joan figured it out for a while, but he didn't figure it out if he couldn't figure it out. He just drove to the underpass in a downtown area.

Since Pan Haojing's daughter Pan Mingsai came to Nancheng with Arron, Suzi and Joan, Pan Mingsai has applied for a high school resumption shift in Nancheng.

She is seventeen years old, and it is not too late to go to high school and then enter university.

However, Pan Mingsai's foundation is really bad. She used to be a little sister when she was in Gasing Island, and she had never studied at all.

It is very difficult to learn now.

However, fortunately, Pan Mingsai is now as if she has changed her personality.

Not only is she working hard in her studies, the 17-year-old girl is also quite self-sustaining.

The living expenses card that Joan handled for her had been given her standard 10,000 yuan for the past two months, but she didn't seem to have moved a penny.

The seventeen-year-old girl is keen to set up a street stall under the overpass every day.

The things sold are also varied.

Small battery, small electric fan, mobile phone holder, shoe cushion, booster cushion, small watering can.

They are all items needed by migrant workers living at the bottom.

Every day in the evening, Pan Mingsai will take this little Mazha to set up his stall, sit on the little Mazha, and do business while reviewing his homework.

At this moment, in a hidden corner opposite the sky bridge, Pan Haoyang looked at the little girl unblinkingly.

The seventeen-year-old girl was inconspicuous in the crowd.

Even, a bit ugly.

As long as the young girl of this age has the advantages, long legs, small face, white and tender skin, Pan Mingsai does not have it.

She was short, thin and flat, with a face like a pie, flat and wide.

Especially her two big nostrils, which grow up to the sky, add a bit of ugliness to her.

By the way, there are small freckles around her nose and eye circles.

However, even though it was ugly, the little girl didn't feel much inferiority. On the contrary, she was sitting on a pony stud and studying hard, very calm.

Especially when the business came, Pan Haoyang was taken aback by her patience and kindness in bargaining with others.

Pan Haoyang muttered to himself with great relief: "Well, I look like your fourth uncle in business! I knew you were so good, and your fourth uncle taught how to do business since you were young, so you can save you from growing up next to your parents. , I almost gave it to you! It's a pity that the fourth uncle is now..."

Just as Pan Haoyang was looking at Pan Mingsai with a sad look, he saw a man suddenly came next to Pan Mingsai.

The man hugged Pan Mingsai as soon as he came up.

My niece is only seventeen years old!

Pan Haoyang's face immediately burst into anger. Almost immediately, he rushed to Pan Mingsai and the man, knocked the man to the ground with a punch, and then raised his foot on the man's chest. On.

"You are immortal, dare to do something to my niece, I'll cut you out!"
Pan Haoyang glared at Joan viciously.

Pan Mingsai: "Four... Fourth Uncle?"
