

# I' m Sorry My Love Novel Chapter 1360 - 1361

## Chapter 1360

Pan Haoyang didn't watch Pan Mingsai, he just stepped on Joan and said viciously: "Mingsai, please keep me away! I cut this old immortal thing alive today!"

If you speak, kick your foot.

Pan Haoyang's shots have always been harsh.

He kicked this foot down, and it was estimated that the newly healed wound on Joan's chest would have to be kicked again.

"Four uncle!" Pan Mingsai pounced on Joan.

Pan Haoyang: "..."

His feet stopped in the air.

Pan Mingsai said in surprise: "Uncle Si, some people have always said that Pan Haoyang from Gasing Island has come to Nancheng. I still don't believe it, is it really Uncle Si?"

"Get up and drive! Why are you protecting this old thing that is taking advantage of you!" Pan Hao really wanted to kick Pan Mingsai to death.

"You haven't learned well yet, have you!"

Pan Mingsai cried and shook his head: "No fourth uncle! Mr. Ling is not such a person. I took care of Mr. Ling for half a month. He has never done anything to me. He just asked me if I was cold. In the wind, he was afraid that I would catch a cold. I have been taking care of me by Young Master Ling for the past two months in Nancheng. He pays me 10,000 yuan every month, uncle!"

Pan Haoyang: "..."

He asked the man on the ground: "Is what my niece said is true?"

Joan had already risen from the ground.

He also stared at Pan Haoyang with a cold and stern look: "My surname is Pan! The reason why I hug your niece is to draw you out!"

Pan Mingsai: "..."

Pan Haoyang: "..."

Before Pan Haoyang could react, Joan had already punched Pan Haoyang's face first.

Pan Haoyang sneered, and then easily avoided Joan's fist, then grabbed Joan's arm, and put Pan Haoyang on the ground again in minutes.

"Trash! Fight with me, you are looking for death! Do you think you look stronger than me, you can beat me? If I kill you today, my surname is not Pan!" Pan Haoyang slapped Joan. Joan's mouth was bleeding.

"Fourth uncle! Don't beat his fourth uncle! I beg you, fourth uncle, don't hit him!" Pan Mingsai pulled his fourth uncle's clothes vigorously behind him.

"Mingsai, get out of here!"

Pan Haoyang squeezed Joan's chin bone with one hand, almost crushing it: "Boy! You're looking for death!"

Joan: "Pan Haoyang! There is a kind of you killed me today! If you don't kill me, I will kill you even if I bite me!"

Pan Haoyang was taken aback.

He smiled with interest: "Oh? I want to know, why do you hate me so much? I, Pan Haoyang, dug your ancestral grave?"

Joan smiled contemptuously: "What the hell would you do besides hitting people everywhere? I know! You are in love with Suzi! But if you are a man, you should understand that Suzi does not belong to her. I don't love you even more. She already has children and a

husband. You will only harm her if you hide in Nancheng and pester her!”

Pan Haoyang: “...”

After a pause, he said: “Do you like Suzi too?”

“No!” Joan spit out blood from his mouth: “But I am not like you! I know that Suzi doesn’t love me, knowing that she is married and has children, I will only wish her silently! Protect her It will not affect her happiness!”

“Is that why you want to kill me?” Pan Haoyang asked.

“And my uncle and aunt, what do you always provoke them to do! You are something inferior to a beast, do you have any willfulness!” While Pan Hao was dazed, Joan stood up.

## Chapter 1361

He didn’t ask what kind of play was wrong, just punch Pan Haoyang with a random punch.

Suddenly, Pan Haoyang was a little overwhelmed by Joan.

Pan Mingsai cried and shouted, “Joan, don’t hit my fourth uncle!”

“Sixth Uncle, Fourth Uncle, I beg you to stop beating, Joan is very good to me, he has never done anything wrong with me, Fourth Uncle, stop beating.”

The two men who were fighting together were very cruel to each other.

“D\*mn! I squeezed you to death like an ant. If you don’t let me go, I will kick you to death!”

“Pan Haoyang, you’re a fcuking man, you think you are homeless, you ran to Nancheng to harass Suzi, do you think you love Suzi, do you love her? Do you know how difficult she was? She died for nine years, and she fled for six years before getting back to today’s stable life, but she won’t disturb you anymore!”

“Stir the shit stick, I will kill you!”

“Bang!” Pan Haoyang kicked Joan against the wall under the overpass.

Joan: “Aw...” A mouthful of blood came up.

Pan Mingsai immediately protected Joan: “Uncle Si, you will kill him! I love him, and I love him, Fourth Uncle. He is the first man I love. Although he is half older than me, I love him, my uncle.”

Pan Haoyang: “...”

His feet stretched out on his niece’s face, and he took it back abruptly.

“I saw with my own eyes how Joan rescued Suzi and the only one. I like men who are affectionate and righteous, and I hate the place on Jiaxing Island. I don’t want to live the old days anymore. I want to be like Suzi. , Self-reliant, I want to go to university, I want to study medicine.”

“Second Uncle, Joan helped me find Gao Fu’s class. Although I made a small income by setting up a street stall here, Joan waited for me here every day, and then sent me to the dormitory. I am so ugly. What can he insult me?”

“Although he didn’t offend me, he never dismissed me as ugly. He encouraged me and said that I laughed like an angel.”

“He told me that every girl has her own beautiful side, even the ugly girl has her own beautiful side, just like when I sit here and do business with clients carefully and patiently, they are beautiful.”

“These are what Joan encouraged me, Fourth Uncle! I’ve never met a man who treats me like this when I grew up. Although he is much older than me, I love him. Fourth Uncle, don’t kill me. Is your lover okay, my uncle!”

The words of the niece poked Pan Haoyang’s heart every word.

He finally put his foot down.

Tears also stayed in a moment.

He hugged his niece in his arms and choked with sobs: “The fourth uncle gave you one million cards on the card, which is enough for your seven-year master’s degree in medical university. After graduation, you will rely on yourself. Fourth uncle can’t read it. When you grow up, you will have to weigh everything yourself and respect yourself! You know?”

“Four uncle...”

Pan Mingsai could not cry: “Woo, uncle, what’s wrong with you, uncle, do you not want to live anymore? I think what you said to me is like confessing a last word, uncle, don’t die, Mingsai won’t let it go. You die, Uncle Si, will you go back to Gasing Island? I will graduate from university in the future, and I will support you, okay Uncle Si?”

Pan Haoyang sneered: “Gasing Island? Is there...Is it still my home?”

Pan Mingsai immediately said: “Uncle Si, how did Mr. Fu treat us Jiaying Island? He and Suzi are both very good. Will you go back to Jiaying Island, Sister Uncle?”

Pan Haoyang suddenly let go of Pan Mingsai, and instantly disappeared into the night.

“Four uncle...” Pan Mingsai cried heartbreakingly.

The night is getting thicker.

At half past nine in the evening, Suzi in his mother’s home received a call from Pan Haoyang.

“I heard that you were taking care of her for the month before she was alive. Where is her tomb...?” Pan Haoyang’s voice was like this late autumn night, plain and cool.
