

# I' m Sorry My Love Novel Chapter 1368 - 1369

## Chapter 1368

Suzi raised his hand and beat the man fiercely: "What are you doing! Arron, let me down! We will divorce tomorrow! From tomorrow on, you will not be a husband and wife, let me down! Let me down!"

"Arron! Please don't trample on my dignity! You let me die! If you let me go, I will die!"

"Arron! Go to Gu Xiaoqing! Go to your new lover! Your love! She is younger than me and more beautiful than me! Higher education than me! A turtle than me! What am I, a female prisoner!"

"D\*mn stinky man!"

"Dead man!"

"You put me down! I think you are dirty!"

"I dislike you!"

"You put me down!"

"Look for your new appointment!"

"I'm a fcuking prisoner! I'm a prisoner, what are you doing with me!"

"Get out of here!"

Suzi's crying tears splashed all over, her saliva and stars bounced on Arron's face, and her sharp nails caught Arron's chest with blood stains.

This is still separated from the shirt.

If it weren't across the shirt, wouldn't this woman have to scratch out all his internal organs!

This woman!

What a good hand to beat my husband!

However, no matter how much she scratched and noisy, she still couldn't escape his palm.

The man hugged her tighter.

He kicked the bedroom door open and threw her on the bed.

Before he pounced on him, he had already kicked him.

“Arron! You D\*mn man! If you dare to touch me today, I'll be hit to death! You ba5tard! Go and die!”

“Get out of here!”

“I, Suzi, don't want to see you all my life!”

“You go to die!”

She screamed crazy, crying and roaring

Her hand never stopped, wherever she caught it.

The pair of slender and sharp claws that Arron scratched was sharper than the wild cat in the mountains.

However, even though Suzi exerted all her strength, she was still not Arron's opponent.

Within a minute, she was pressed by Arron's arms and legs.

“Woman!” the man said coldly: “Listen to me!”

“You are my Arron who came back after a long journey! You live by my Arron and die by my ghost! The female prisoner I captured has no right to anyone!”

Suzi: “.....”

She cried harder: “Arron! You are so cruel!”

The man sneered: “Huh! I’m cruel, did you know the first day?”

“You have seen with your own eyes how I put to death those stumbling blocks that prevented me from moving forward!”

“You don’t know, I didn’t even do my own half-brothers without hesitation. Do you still use my cruel heart?”

“Since you know I’m cruel! Do you want to fight me?”

“Also fight for your daughter’s rights!”

“Don’t forget! You are mine! The daughter you gave birth to is also mine, my dearest relative!”

“My only daughter, Arron, how could I let her follow you?”

“Woman! I say it again, it’s not just the only thing you can’t take away! You can only be mine, you are my person if you are born, and death is my ghost!”

Suzi: “.....”

While he was talking, he had already uncovered her clothes.

He can lift her two arms above her head with one hand, and then firmly control her.

With the other arm, she uncovered her clothes directly and without hindrance.

Layer by layer, from the inside to the outside.

In three or two minutes, all her clothes had been peeled off.

In fact, what they are familiar with can no longer be familiar.

Several times a week.

But now, when he appeared in front of him like this, Suzi only felt it was a kind of humiliation.

She hates that she has little strength!

Hate that I couldn't kill him.

What is even more hate is why she still loves him.

Yes.

## Chapter 1369

She loves him!

She kept cursing, kicking and scratching him, telling herself over and over again not to fall.

Don't fall!

Suzi, you have nothing left. You have seen Arron's new love with your own eyes. Don't fall for it!

She warned herself over and over again.

Until, she fell completely.

The woman's tears wet the pillow towel.

In the end, Suzi hated himself.

She used all her strength, she was exhausted.

When she was awake, she found her arms wrapped around his neck.

And he?

With a triumphant sneer on his face: "Woman! So you are lying?"

Suzi's whole person crying was hoarse: "Arron, I don't want anything, and I don't want the child, you kill me!"

Arron: "..."

Her tone was colder and extremely calm.

Being calm is like telling a sad story that belongs to someone else.

“Arron, I...I’m cheap! I have no face to live in this world, kill me, Lilly, I don’t want her, she belongs to you, I don’t want to live anymore, if you don’t kill If you lose me, I will find a chance to kill me.”

“Because I think I am so cheap and dirty.”

“I’m so cheap...”

“I’m so dirty...”

“I don’t want to live...”

What she said was so lonely.

Two hours ago, this time between the two, she thought she was cheap.

If she resisted from start to finish, she might feel better in her heart.

At least that’s just being strengthened.

However, the essence of the matter has changed.

She is not being strong.

She took the initiative.

She collapsed.

She really doesn’t want to live anymore.

With his back to Arron, Suzi curled up into a small lump.

Her mouth was always whispering: “I’m so cheap...you kill me.”

Arron, who was next to her, felt very distressed when she saw her like this.

“Suzi, you have enough trouble, can you sleep?” The man raised his hand and wiped her, trying to cover her with a quilt.

However, as soon as her hand touched her, she shuddered.

Then, she looked at him blankly.

She smiled sadly: "You...really let me get out of bed, did you? I forgot that I am a female prisoner not worthy of sleeping in your bed?"

As long as she speaks, she rolls to the ground.

"Normal..." Suzi fell.

"Suzi!" The man shouted distressedly.

Then he jumped out of the bed and hugged her in his arms.

He murmured: "Don't make trouble, can you sleep well? Stop making trouble?"

The woman's tears flowed again: "Arron, can you let me die decently because of the fact that I gave birth to a child for you?"

"No!" The man made a harsh voice.

He picked up the woman and put it on the bed and covered her with a quilt. Then he said to her viciously, "Suzi, listen! If you dare to die, don't worry about what I do to the only one! And your mother!"

Suzi sat up suddenly and looked at Arron in horror: "You...what will you do to the only one and my mother?"

The man said with great interest: "You are dead, why are you asking this?"

Suzi: "....."

"Please!" the man said.

Suzi: "....."

"Don't forget, you are the woman I got back! You can't die without my approval! You can only stay by my side." The man raised his hand and stroked her cheek.

Suzi: "You...what you said is true? You really treat my daughter and my mother..."

“Of course! I did what I said.” The man said calmly.
