

I' m Sorry My Love Novel Chapter 1378 - 1379

Chapter 1378

Alyce: "You...Gu Jianing! Why are you calling me again! Next time you call me again, I will go to the police station to accuse you of harassment!"

Suzi looked at his mother blankly: "..."

Here, Arron frowned.

However, at the other end, Gu Jianing's tone was not at all angry or excited. Gu Jianing's tone was very leisurely: "Alyce, I guess, your daughter is acting as if nothing has happened in front of you, right? But how painful her heart is for Lilly know?"

"You don't know! If you don't care about your daughter, you don't have to come."

Alyce looked at Suzi immediately.

I didn't look closely just now, but now it seems that my daughter's eyes are indeed swollen.

As if crying for a long time.

Alyce: "If you harass me again, I will call the police immediately!"

If the language was necessary, Alyce hung up the phone.

"Mom?" Suzi looked at his mother angrily: "Gu Jianing came to trouble you?"

Alyce smiled and comforted her daughter: "That person of her relies on the influence of her cousin and her uncle, but how much influence can her cousin and her uncle have? At best, she is not afraid to head-on with Arron. "

“Good girl, don’t worry, Gu Jianing dare not do anything to her mother.”

“Furthermore, even if I step back 10,000 steps, if I and her do it, I can still beat Gu Jianing. Don’t worry about mother, you will spend the weekend in the old house with the only one and Arron today.”

“Good mother, thank you.” Suzi laughed.

She tried her best to create a happy smile in front of her mother.

But Suzi didn’t know that his mother was also trying to create a happy smile in front of her.

After all, the mother has eaten more than 20 years of food than her daughter, and the smile created by the mother is very real.

It was so true that Suzi believed in his mother.

However, after Suzi and Arron took Shen Weiyi to the old house together, Alyce immediately took out his mobile phone and called Gu Jianing.

“Gu Jianing, what do you mean!” Alyce said coldly.

On the other end, Gu Jianing laughed very much, “Alyce, do you know where your daughter is going to dinner today?”

Alyce sneered: “Of course I do!”

“My daughter, her husband and children go back to their old house. Does this matter have anything to do with your Gu Jianing?”

Gu Jianing sneered again: “Haha! Alyce! A woman like you! An illegitimate daughter is an illegitimate daughter! No wonder I dislike you like this, you are really uncivilized and whimsical all day long, right?”

Alyce: “...”

Gu Jianing: “Alyce! My brother Fu Zhengxiong has grabbed so much of your daughter’s handle, and my daughter successfully got together

with Fourth Master Fu. Moreover, today's banquet is not about your daughter, husband and daughter. Have a meal at the old house."

"Today's factory banquet is a family banquet specially set by Fu Zhengxiong for my daughter and me!"

"Not only will I be there today, but my uncle will also be there."

"So Alyce, use your toes to think about it, what is your daughter's situation in today's Fu family home banquet?"

"She will be exposed on the spot by my brother Fu Zhengxiong that she was carrying Fu Siye on his back to find a man outside."

"Moreover,

I still found two, haha! "

"You!" On this side, Alyce immediately trembled in anger: "Gu Jianing, you are too arrogant and presumptuous!"

Gu Jianing smiled coldly: "Alyce, I remind you anyway! As your former little girlfriend, I kindly remind you."

She didn't say anything, and Alyce had already hung up the phone.

No!

Chapter 1379

Her daughter has already suffered a lot, and she can't make her a target of public criticism.

I can't let my daughter be besieged by so many people anymore.

Can't!

Alyce called Darius.

On the other end, Darius was talking on the phone with Galia: "Galia, don't be angry. When this incident is over, I will take you to Hong Kong. You can go shopping unscrupulously, okay?"

Galia coldly snorted: “Do you think I might not be angry? What happened to your grandfather in this life? Don’t want to kill him one by one, try every means to abuse him.”

“The more he is not his own, but in your grandfather’s eyes, it is the best?”

Speaking of later, Galia said sarcastically: “I think your grandfather is really selfless in terms of family affection, and he doesn’t hide any traitors at all, eh! Your grandfather is really an incomparably pure and upright minister.”

Darius said nothing about it.

Galia is indeed talking about this phenomenon.

Grandpa has been confused for the past six or seven years.

Either he confessed to Lanita’s mistake, or he treated outsiders as treasures, and treated his own as rubbish.

“I won’t tell you, I’m hanging up, I’m going shopping with Rayna today.” At the end, Galia added to Darius again: “Remember to pay for us when the time comes, and then bring us back by the way. !”

Galia had said so much before, and Darius almost felt that he was hopeless.

At the end, Galia suddenly changed.

How could this make Darius not excited?

He almost jumped up happily, and then calmed down his heartbeat. Then he said to Galia: “Baby, go buy it. It’s best to move the mall back. You don’t have to worry about the money. There is a husband here for you. .”

“Who’s husband! I’m hanging up!” Galia immediately hung up the phone shyly.

As soon as Galia’s phone was hung up, even within thirty seconds, Darius received a call from his aunt.

“Darius, you...you told your aunt, did your Shu family join the Fu family to set up a feast for Xiangxiang today?” Alyce asked Darius straightforwardly.

Darius: “Aunt, what did you say?”

“You really don’t know?” Alyce asked.

Darius: “...”

He didn’t know, he was driving on the road.

Here, Alyce sighed immediately: “Darius, can you...send my aunt, I don’t know where the Fu’s old house is, I...I’m afraid of Xiangxiang, she don’t My life is in danger, you send me to the Fu’s old house, okay Darius?”

“Aunt, don’t worry, I will come here, wait for me at the door of your house, and I will come to you in half an hour.” Darius felt very sorry for his little aunt.

After closing the line, he drove all the way to Alyce.

Seeing Alyce waiting anxiously at the door, her tears came out.

“What’s the situation?” Darius asked.

Alyce only cried: “You said that Xiangxiang’s life is so bitter, she just told me so nonchalantly that she’s fine, she’s fine, it turns out that Xiangxiang went to Fu’s old house waiting to be criticized?”

“I...whoever wants to criticize my daughter, I will fight hard!”

Darius: “...”

He immediately opened the door to let his aunt get in the car. After the aunt sat down firmly, Darius started the engine and dared to go all the way to the Fu’s old house.

He drove fast on the road and arrived at the door of the Fu’s old house in less than an hour.

Coincidentally, when Alyce and Darius got out of the car, it happened to be when Mr. Shu, Gu Jianing and Gu Xiaoqing got out of the car.

Alyce and Old Man Shu looked at each other, both of them were taken aback.
