

# I' m Sorry My Love Novel Chapter 1380 - 1381

## Chapter 1380

It has been almost ten days since my daughter ran to the door of Shu's house and was scolded by Gu Jianing. Elder Shu hasn't seen his biological daughter.

Goodbye now, it seems like a world away.

Alyce's eyes couldn't tell whether it was hatred or something.

The look in Old Man Shu's eyes was as calm as he didn't know Alyce.

It was so calm that Darius was angry: "Grandpa! How can you join Suzi's criticism meeting with Aunt Jianing and Xiaoqing!"

Elder Shu was startled for a moment.

Then he asked slowly: "Who? Who criticized the meeting?"

Darius didn't answer the old man's question again.

He just took a breath.

Then looked at Gu Jianing and Gu Xiaoqing mother and daughter.

"Aunt Jianing, if you live in our house, you will stay in our house well. No one will drive you away. My parents, and my grandfather will treat you as family members. But Aunt Jianing, the more so, is it? Shouldn't you persuade my grandfather? My aunt is a real aunt!" Darius looked at Gu Jianing very angrily.

This Aunt Jianing!

It's really hateful!

Gu Jianing looked at Darius with a smile: "Darius, you really blamed Auntie. Auntie is just a guest today? Besides, the person your Uncle Fu invited was your grandfather, and Aunt Jianing was just

accompanying him. As for what will happen to the Fu family, my aunt doesn't know?"

Darius: "..."

Gu Jianing continued: "Darius, my aunt knows that my aunt lives in Shu's house only as a guest, so my aunt always bothers you, doesn't it?"

"For example, today, my aunt wanted Darius to send us a ride, but when Aunt Jianing thought that your construction company was relatively busy recently, the reason for being busy was that some people were always asking for leave. So my aunt loved you very much. ."

"Originally I wanted you to send us to Fu's house, because my aunt knew that you worked hard, so we asked the bodyguard to send us here."

After some words, Darius shocked and had nothing to say.

He can only look at Old Man Shu: "Grandpa!"

Elder Shu didn't raise his eyes to look at his grandson.

He only said in an old-fashioned tone: "Grandpa is old. Grandpa's eyes are a bit dizzy, and his ears are a bit deaf. Grandpa doesn't really understand what you usually say."

"But, grandpa did come to attend the Fu family banquet today, what's the matter, A Zhen, are you trying to stop grandpa?"

Darius: "..."

"Go in." Elder Shu said: "We are guests. Several guests stand at the door of someone's house and talk. If they don't go in, how can the host entertain us?"

When things have reached this point, Darius can only help Alyce and said, "Auntie, let me help you in. Don't worry, I am here. I won't let this house.

Anyone bullied my cousin Suzi. "

“Even if I sacrifice my life, I have to protect my sister Suzi.”

As soon as Darius finished speaking, another car stopped behind him.

Darius and Alyce turned their heads at the same time and saw that Christopher was the first to come down.

“Assistant Yan, are you just here?” Darius looked at Christopher curiously.

Obviously his aunt asked him to chase Suzi and Arron. Darius thought that Suzi, Arron and Shen’s only family of three had entered the house.

As a result, he was still behind them?

Strictly and politely Chao Darius replied: “We bought some daily necessities and some food from the Carrefour supermarket at the foot of the mountain. This is not the case. Master and his wife are the real hosts here. The host entertains guests. Always be considerate!”

The colleague Christopher spoke, he was already standing at the back door and opened them.

Three of Arron and Suzi came out of the car.

“Grandma!” The only kid Shen only slept with grandma for the first time last night.

She found that the story told by grandma was much better than the story told by mom and dad.

Lilly did not know when he fell asleep.

## Chapter 1381

At night, she did not have nightmares because of the birth.

When she got up in the morning, Lilly opened his eyes and saw that his grandmother was by her side.

Lilly asked grandma: “Grandma, are you always sleeping next to me like this?”

Grandma gently shook her head: “No, grandma wakes up in the morning, afraid that the only one is afraid, so I wait here for the only one to wake up. Only, what gift do you think grandma prepares for you?”

“Flowers, flowers!” Lilly smiled suddenly.

Grandma made a small wreath for the only one early in the morning.

The little girl suddenly missed her mother and father.

She knew that grandma was changing her way of loving the only one, even more loving the one than her parents.

Therefore, the only heart couldn't help but go a step further with grandma.

Before mom and dad came to pick up the one, the only thing they told grandma was that they would live with grandma every week from now on, stay with and be company with grandma.

The relationship between her and grandma grew by leaps and bounds.

On the way to the old house with mom and dad, Lilly kept asking mom and dad: “Why can't grandma not come to grandparents' house as a guest?”

“Doesn't my grandpa know my grandma?”

“Aren't you... all our relatives?”

When I asked a few words, my parents didn't even answer.

Lilly's heart was even more questionable.

Fortunately, as soon as I got out of the car at this time, the only thing I saw my grandma.

She flew and rushed to grandma's side: “Grandma...hee hee, grandma, are you here to give me a surprise?”

“Grandma, why didn’t you tell me just now, you are too bad, grandma, you gave me such a big surprise. I won’t come to accompany you next time, hehehei.” The only thing I think is that if I can get my grandma to the old house to give it to me. Grandma introduced it here, which is really good.

At this moment, Alyce also hugged Shen Shen Zhongzheng in his arms: “One and only, grandma really wants to give you a surprise.”

At this time, Suzi and Arron also came to Alyce.

Suzi’s eyes were still puffy, and when Alyce looked at Suzi again, Alyce suddenly wanted to cry.

The daughter didn’t tell her anything.

The daughter didn’t make up with Arron?

She followed Arron today and came to die in person?

What Fu Zhengxiong would do to Suzi, Alyce saw with his own eyes yesterday.

Today, there are more people.

Not only Fu Zhengxiong, Gu Jianing, and Gu Xiaoqing, but also Mr. Shu.

Huh!

Su Qinsheng suddenly felt sad.

She looked at her daughter: “Xiangxiang, mom is here today to face you with you. Mom listens to you and learns the only thing. Mom can not be an elegant person, and mom can be a shrew!”

Suzi suddenly wanted to cry.

But, she resisted, she only said to her mother faintly: “Mom, the only one is still young, you have to learn to dance. We all have to live, live well.”

Suzi’s words were heard by Gu Xiaoqing next to him.

She could hear from Suzi's words that Suzi and Arron must be making a lot of trouble.

Maybe Arron had a showdown with Suzi when he got home, right? Let Suzi get out?

Aha!

Gu Xiaoqing said to Arron with a smile on her face: "Four Lord, I was very happy to have dinner with you yesterday."
