

I' m Sorry My Love Novel Chapter 1384 - 1385

Chapter 1384

"You're presumptuous! I don't want you as a grandpa! Annoying grandpa!" Hearing that grandpa said about himself, the only one who cried was even fiercer.

Suzi, who had always been extremely calm, couldn't help it anymore when she saw her daughter so sad. She squatted down and hugged the only one in her arms, tears streaming down her body.

"Suzi!" Fu Zhengxiong said again, "At the gate of the Fu family's old house, you have made your daughter Lilly only make such a fuss. In my opinion, you are already a poor man, even the children have used it?"

"You know that I caught your handle today, you can hardly escape, so you use the only one to deal with us?"

Suzi stood up and looked at Fu Zhengxiong, "Fu Zhengxiong! I will do whatever you want with you! But I can't hurt my child. I have come today, and I will definitely follow you in. But I There is a request."

Fu Zhengxiong: "Say!"

"Let my mother take my daughter out of here, and I will follow you in."

"Don't you want to settle the ledger with me? I'm enough alone."

Fu Zhengxiong: "....."

He was about to answer yes.

It's not that he is kind-hearted, but that Fu Zhengxiong is also worried about the only one.

The only thing that looked exactly the same as Arron, he didn't worry about the only child who wasn't Arron. Since it was Arron's child, that

was his grandson of Fu Zhengxiong. Naturally, he didn't want his granddaughter to be so sad.

However, before he could speak, he was stopped by another person.

"No!" At this time, Elder Shu spoke up.

"Grandpa!" Darius suddenly scolded.

Elder Shu looked at Darius: "A Zhen, aren't you free today? Grandpa asked you to accompany your grandpa to the Fu's house as a guest. You can't escape, but are you still here?"

Darius: "Grandpa! I will not accompany you because you are accompanied."

"But my aunt has no one to accompany her!"

Elder Shu glanced at Alyce.

Alyce looked at his biological father with a face of meaninglessness and coldness.

The expression seems to say again, as long as you dare to support your niece, niece and granddaughter today, I will fight you hard today!

The old man's eyes immediately dodged.

He only said to Darius: "A Zhen, since you are here, let's come in and be a guest together. Your parents don't go out often. The big and small things at home are always supported, so you should come."

Darius: "..."

At this time, Elder Shu spoke to Fu Zhengxiong again: "Zhengxiong, since I have come to this door, they are all guests. Today is here to solve the problem, isn't it?"

Fu Zhengxiong said respectfully: "Yes, Uncle Shu."

"So don't leave just one!"

Fu Zhengxiong: "Uncle Shu is right."

Suzi immediately snorted: “You...”

“Xiangxiang.” At this time, Alyce suddenly said: “Mom didn’t plan to leave either.”

Suzi: “Mom!”

She suddenly choked up: “Mom, you are obedient! Go back, don’t watch it here.”

What is she going to tell her mother?

After a while, when the whole Fu family and even Arron are going to attack her Suzi together, she might even kneel down.

It is possible to kneel in front of Arron and be slapped by Gu Xiaoqing.

All kinds of embarrassing scenes, imaginable and unexpected, may appear.

Suzi is not afraid of these scenes.

She has experienced it before.

When I was in prison, it was not that I had not been beaten in the face.

It doesn’t matter.

However, if mother and daughter see her like this, how uncomfortable would it be?

Chapter 1385

However, the mother said: “My dear daughter, mother knows you must be very difficult. Mom just thinks, even if they take your clothes off after a while, mother can still hold you in her arms, so you don’t have to be too embarrassed. Isn’t it a kid?”

Suzi burst into tears: “Mom...”

“Go, mom will go in with you, mom will carry everything with you.”
Alyce looked at Suzi very firmly.

Suzi said nothing.

She paled and looked at Arron, who had never spoken.

Arron said: "I asked you to come here, not for you to come to this gate and turn around and then go back."

Suzi smiled miserably: "Okay, let's go, go in!"

She gave it up today.

Big deal, was stripped of the parade?

That is her life, Suzi is like this!

She must face it.

Anyway, she has only one purpose, that is, whoever dares to hurt her daughter and mother, she will bite and kill that person!

Just like that, Suzi led Lilly, one arm around his mother, and Arron, followed Fu Zhengxiong and Qin Wenyu into the old house.

Because I was talking about this outside the gate, now I look at the time, it's almost eleven o'clock in the morning.

It's time to start.

Said it is a banquet, in fact, it is not even the smallest family banquet.

Because there is also a table of people in total.

Today, Qin Shuang is not here.

Adding Fu Hengsheng's old couple together, there are only eleven or twelve people.

The old lady of the Fu family saw Suzi sitting down peacefully, and the old lady went to pull Suzi's hand: "Tell your grandma, what have you done wrong?"

Suzi: "....."

In the entire Fu's old house, only grandma gave her warmth.

At this moment, when she saw her grandma, she felt very sad:
"Grandma... it's okay."

Grandma laughed suddenly, and she trembled:
"Granddaughter-in-law, the unsatisfactory things in life, nine out of ten things are unsatisfactory, look a little away, child."

Suzi nodded: "I know about grandma."

Grandma also nodded: "Hey, my grandma, grandma is so happy to see you, hahahaha."

Grandma has become an old naughty boy.

She was so indifferent to these things.

Suzi was very grateful.

But Suzi also knows that grandma can't actually change anything.

She patted her grandma with her hand to show her comfort.

Then, Suzi looked up at Fu Zhengxiong.

"Fu Zhengxiong! Your son and I are about to go through the divorce procedures, I know, you and your son's new love, your new love, you united and grabbed my handle, let's talk straight to you. Take out the handles."

Fu Zhengxiong suddenly became angry: "What is my new love, do you still have to spit blood when you die?"

"Zhengxiong! You shut up! If you don't shut up, I will kill you!" The old lady immediately yelled at her son.

Fu Zhengxiong sneered: "Mom! You are old! You can't see the outside world at all! The granddaughter-in-law you want to do is looking for a wild man outside with Arron on your back, and look for two!"

Speaking of this, Fu Zhengxiong became even more angry:
“Furthermore, the two men were jealous to fight for the wind, and they fought in the Qingshan International Hotel!”

With these words, Arron couldn't help but glance at Suzi more.

Looking at Arron's expression on Suzi, Gu Xiaoqing, who was sitting opposite, was extremely excited.

It is a joyful excitement.

“Arron! I've already proved that about the two wild men outside of her. You can handle the rest!” Fu Zhengxiong looked at his son.

Everyone's eyes were focused on Arron.
