

# I' m Sorry My Love Novel Chapter 1390 - 1391

## Chapter 1390

When Elder Shu said these words, everyone present was shocked.

Especially Suzi and Alyce both stared at Father Shu in a daze.

After a long while, Alyce sneered: "What tricks do you want to play! If you want to kill you, just say it! I will kill you first, and I will give you all the blood that I shed by myself!"

As soon as Alyce's voice fell, Gu Jianing stood up and said, "Alyce, you are presumptuous! How do you talk to my uncle! Anyway, the old man is also your biological father! You are really rebellious to do this!"

From the words of the old man, Gu Jianing had already heard the clue.

What do you mean, old man?

Planning to forgive Alyce?

No!

Her Gu Jianing must at this time intensify the hatred of the father and daughter.

"Uncle, you are kind, but she doesn't accept your love, don't be angry, don't worry, even if your daughters don't want you, don't you still have me? Jianing will continue to support you, uncle. "Gu Jianing's tone was sincere and eager.

After finishing talking, she looked at Elder Shu with eager eyes.

The look in the eyes of Mr. Shu watching Gu Jianing made Gu Jianing feel a kind of disgust and determination.

There is also a sense of disgust.

“Zhengxiong.” Elder Shu called out Fu Zhengxiong.

Fu Zhengxiong immediately replied respectfully: “Uncle Shu, today’s family banquet is about solving many things. If you have anything you want, you can just say anything. Today I will be the master for you.”

Elder Shu nodded: “That’s good.”

After a pause, he solemnly said: “Uncle Shu just wants to take this opportunity to take care of my family affairs, okay?”

Of course Fu Zhengxiong was willing to hear Mr. Shu say this.

This is not exactly the purpose of his inviting Elder Shu to come here today.

“Of course it’s okay! If Uncle Shu has anything to come in, just solve it. Just as everyone is here today, Wen Yu and Jianing, I, and we can all support you.”

Elder Shu nodded slightly, then shouted oldly: “Jianing.”

“Uncle.” Gu Jianing yelled cautiously, a little sudden in her heart.

“How have I treated you since I was a child?” Elder Shu asked.

“Uncle, of course you treat me like your biological father treats me.” Gu Jianing said immediately.

Elder Shu smiled oldly: “So, I am kind to you?”

“Of course, uncle.” Gu Jianing was very well aware of etiquette.

Before Elder Shu said anything, Gu Jianing anxiously expressed his position: “Uncle, you put one hundred and twenty hearts, Jianing will definitely repay you.”

“A large part of the reason why I came back from abroad this time is because I feel that you are old and need someone to take care of, so I must come back to take care of you.”

Elder Shu nodded: “Since I know how to repay me, since I know that you have been so dear to you since childhood, since I know that I am your benefactor, then why do you want to avenge me?”

The smile on Gu Jianing’s face has not disappeared: “Uncle, you...what did you say?”

She thought she had heard it wrong.

Gu Xiaoqing, who was next to her, also thought she had heard it wrong, and she even subconsciously pulled out her ears.

Then, she looked at her aunt and grandpa in astonishment.

But I saw that the smile on my aunt’s face was gone at this time.

The expression on his face was replaced, ashamed! Remorse, pain.

His voice also became older and older: “Jianing! It’s been more than a month, my daughter, my Alyce finally came to the door of our Shu family, just one step away from the door of my Shu family. You scolded her away. You mean to pay me back?”

Gu Jianing: “...”

Darius next to him: “Grandpa...”

Gu Xiaoqing: “.....”

Suzi also looked at each other with his mother.

No one knows this old immortal thing, what are the calculations in their hearts?

Gu Jianing spoke eagerly: “Uncle, what did you just say, you...”

“I said that my Alyce has always been reluctant to recognize me, and has always been reluctant to call my father! More than a month, she finally came to the door of Shu’s house once, and was scolded by you!”

Gu Jianing's heart suddenly seemed to have fallen into an ice hole.

However, she still couldn't believe it.

After all, from childhood to adulthood, for decades, the father has always loved her niece, but he has never seen his biological daughter, but what is the cause of the uncle today?

"Not only did you scold my Alyce from my door, you even went to the place where she was learning to dance to trouble her again? Gu Jianing, are you repaying my Shu family?"

"Aunt...uncle, what...what do you mean?" Gu Jianing asked tremblingly.

"It's not you...you hate Alyce, do you...you coughed and coughed after seeing her? You were so angry that I...I just thought I'll give you a sigh of disgust. I'm not so angry with Alyce, who I went to find. I..." At this moment, Gu Jianing's heart wanted to fall into a deep abyss.

She has a great bad feeling.

As if she was caught in a trap.

As soon as she finished speaking, Darius on the other side sneered and said, "Aunt Jianing! May I ask you, my grandfather once said half a word to you, is he angry with my aunt?"

Gu Jianing: "..."

The old man did not say.

"My grandfather is indeed coughing. His face is red when he coughs, and he can't say what he coughs. When you pushed him in, he didn't see anyone, he didn't eat or drink. He was not angry with my aunt. !"

"He was mad at you!"

Gu Jianing: "Darius...nephew..."

"I'm not your nephew! Even if it is, I am a cousin. In terms of blood relationship, you don't have my aunts and aunts!"

Gu Jianing: "..."

At this moment, her scared face turned pale.

Gu Xiaoqing on the side is even more powerful.

To put it bluntly, the reason why their mother and daughter were able to stir up the situation between the Shu family and the Fu family in Ruoda Nancheng, is to put it bluntly because of the power of the old man.

If Elder Shu refuses to let their mother and daughter fight, if the Shu family refuses to let them continue to live.

Then their mother and daughter are just like the beggars on the street.

Gu Xiaoqing was particularly afraid of Darius opening his mouth to drive them away.

However, what she was afraid of, Darius just mentioned something: "Our Shu family provides you with food and clothing, so that you live in a foreign country like a princess with your wife, and ended up raising two white-eyed wolves?"

"The first thing you did when you returned home was to mutilate my aunt! I mutilated my grandfather's biological daughter!"

"You eat from the Shu's family, drink from the Shu's family, and live in the Shu's family. What you do is to harm our Shu family! Gu Jianing, Gu Xiaoqing! Today, our Shu family will calculate the general ledger for your mother and daughter! It is true that blood debts must be paid in blood! Although you and we have no blood debts, they are grievances of gratitude and revenge!"

Darius had already sickened the mother and daughter.

Seeing Grandpa speak now, he naturally wanted to let out all the anger in his heart.

Gu Jianing cried and looked at Elder Shu: "Uncle, Darius, he misunderstood me, Alyce is indeed..."

Elder Shu suddenly picked up the walking stick to blunt the ground:  
“Although I am old, I am not blind! I am not deaf!”

If you speak, the old man looked at Alyce: “Alyce, today my father will be the master for you once, is it feasible?”

Alyce: “...”
