

Catch Me If You Love Me

Chapter 14

Zoey Gu stared at Lydia Lin with red eyes, wishing to bite her neck and let her splash a hundred steps on the spot.

But she can't.

Lydia Lin held her seven inches, no matter how many times she experienced such a scene, she could only compromise!

“Sorry Aunt Lin, everything is my fault.”

As soon as Zoey Gu spoke, he pleaded guilty.

“It was I who gave up loving my man and fu*king with people. It's my mad father. In the past five years, after being toyed with and abandoned by men, I only know how good you are. I really regret it!”

Shaking her body, she knelt down with a “plop” in the direction of Gu's old house.

“It was my blindness and the wrong wolves as my relatives. It was my incompetence that caused my father and younger brother to suffer and made Gu's family to where they are today. It's all my fault, I damn it!”

Those words may not be understood by others, but Lydia Lin clearly understands them.

She felt Zoey Gu was crazy.

“Zoey Gu, enough!”

Fearing that she would say something irritating, Lydia Lin hurriedly stepped out from under the umbrella, grabbed Zoey Gu and pulled her up, and pushed her hard to the people around her.

“Your father said before he went abroad that he would cut off his father-daughter relationship with you. You are not in the Gu family, you are not welcome here!”

When the voice fell, the two stood with Zoey Gu on the left and the other, dragging her away from the crowd very rudely.

A long distance away, her desperate voice still came over clearly.

“Dad, I’m sorry, it’s my fault, it’s all my fault. Dad...”

It smashed into everyone’s heart, but it clearly smelled of despair and pain, and it made people feel congested.

Snapped.

Liam Lu patted the computer hard, picked up the ashtray beside him, and slammed it towards the door panel not far away.

Fragments all over the floor in an instant.

Liam Lu’s face was frosty, and there was an unrelievable hostility flowing between his brows.

Before returning to Berven City, he even tried to give her a chance, perhaps because there was something else in the past. But now, she admitted it herself.

Water-nature-yang-flower, really is her nature!

There was a sound of footsteps in the corridor, and Shiyue opened the door and walked in.

“Liam Lu , Miss Gu’s blood test report has come out. The result is the same as we thought, she does have the ability to repair your face. It’s just...”

Shiyue paused, and hesitantly put the report in front of Liam Lu.

“As for the reason why Miss Gu is obviously not a virgin body, but still can restore your face to normal. Our human ability is limited, and the only Dr. Dean who can answer is traveling, I am afraid...”

Liam Lu stared at the document before him with a deep expression, frowning, not knowing what he was thinking.

“Liam?”

Shiyue looked at Liam Lu, tentatively speaking.

“Do you want me to check this Miss Gu in private? After all, she and the girl who gave you blood back then and Miss Yun are the few people who can help you.”

Upon hearing the sound, Liam Lu sneered.

“Check? It’s not necessary.” In the live video just now, she had already personally said the five years he wanted to know about her.

Shiyue nodded, thinking of something and then raised his head to look at Liam Lu.

“Also, the old lady called today. She hopes that you and Miss Yun can finalize your marriage as soon as possible.”
