

I' m Sorry My Love Novel Chapter 1402 - 1403

Chapter 1402

When seeing people coming from outside, the one who reacted most quickly was Shen Sole.

The little girl suddenly ran out from her mother, and she cried as she ran: "Uncle, uncle...uncle, uncle, oooooo..."

She threw herself into Sanford's arms and raised her eyes with tears: "Uncle, I want to kill you, uncle, why did you go? You haven't seen you for many years."

Actually it has only been a year.

But children feel that the time is very long.

Sanford knelt down and looked at the only one gently: "Look, what has happened to uncle?"

Only then did Shen Only remember: "Uncle, where's your wheelchair?"

"Uncle doesn't need a wheelchair now." Sanford smiled.

Only then did Lilly only realize that his uncle's legs could stand up.

She jumped up happily and turned her head to look at Suzi: "Look, mom, my uncle can stand up! Mom, my uncle has grown taller, mom, look at how handsome my uncle is."

Suzi had already burst into tears: "Brother..."

"Suzi, I haven't seen you for a year, tell my brother, how are you doing?" Sanford asked with red eyes.

Suzi nodded desperately, tears like broken beads: "Brother, I'm fine, very fine."

Looking back, she glanced at Arron: “Arron... is very good to me.”

Suzi lowered his eyes and pouted his mouth, and said to Arron in a low voice: “Arron, I’m right...I’m sorry.”

She looked at the contents of the briefcase.

That is a stack of documents.

The documents are all about the Xu Group.

For seven years, Xu Zetong is controlling the Xu Group, and the pile of documents in the briefcase just now is the equity transfer contract.

Now, the control of the Xu Group has returned to Sanford’s hands.

Those contracts were all stamped with red seals and Sanford’s autographs.

Suzi understood at a glance. Yesterday Arron and Gu Xiaoqing ate together and signed a contract. This is what they signed?

It turns out that his own man came back for Sanford, can he give Sanford a generous gift?

She blamed her man by mistake.

Gu Xiaoqing next to her also saw everything in her eyes.

She looked at Arron incredulously: “Fu...you...you yesterday...it turns out that your real purpose is not to sign a contract with me, you are...
“

Christopher’s mocking tone sneered: “Otherwise, what do you think? The huge Fu Group, if you want to cooperate with the Xu family, do you need a woman to make the line?”

“You woman, too stupid!”

“You don’t even think about it. You have exposed your groovies in broad daylight. It’s ugly and smelly. Isn’t it possible that our president can’t find a woman, so I have to ask you?”

Gu Xiaoqing: “.....”

She looked at Arron dumbly.

Arron’s expression was cold and flat.

His tone is not half-hearted: “After you find someone to frame my wife, you can still come to my house to be a guest. You are the first person.”

Gu Xiaoqing: “.....”

“Drop it down and send it to the police station.” Arron said calmly.

Christopher: “Yes! Fourth Master!”

“Tell the interrogators that their mother and daughter came back from abroad and also abducted a child! Let them be put on trial!”

“Yes! Fourth Master.” Christopher replied.

Mother and daughter: “...”

At this moment, they actually realized what it meant to dig a hole and bury themselves.

The mother and daughter have always thought that they are superb and that they are doing everything seamlessly.

Chapter 1403

Not only did he conceal Mr. Shu, he hooked Fu Zhengxiong, and most importantly, he hooked Arron.

However, at this moment they knew that they had long become the clowns that Old Man Shu held in his palms, and they had become the pawns of General Arron’s plan.

But I don’t know it yet.

The moment the mother and daughter were pulled out twice, Gu Jianing desperately shouted: “Brother Zhengxiong, save me, save me...”

She didn't want to shout, but Fu Zhengxiong immediately rushed over and slapped Gu Jianing with two slaps: "You scheming and vicious old woman! You almost hurt me! Get out of me!"

"Strict and lenient! Let the examiners take a good trial, even if they are tortured to extract a confession!" Fu Zhengxiong ordered strict lenient.

Christopher: "..."

After a few seconds, he replied: "Yes! Father!"

Gu Jianing and Gu Xiaoqing's mother and daughter were dragged out like dead dogs.

Inside the restaurant, there was a short period of silence.

The first to break the silence was the old lady. She looked at her grandson-in-law with a smile: "Xiangxiang, do you have an older brother?"

Fu Hengsheng next to him raised his old eyelids: "Why do I look at the guy from the Xu family who often plays with Ling'er?"

Sanford looked at Fu Hengsheng with a smile: "Grandpa, it's me... Seven years ago, I had a good relationship with Mr. Ling. I've been to Fu's house."

"Is it really you?" Fu Hengsheng asked.

Sanford nodded: "Yes, Grandpa."

Fu Hengsheng smiled and said, "The kid is dark and strong."

"Grandpa, I'm over thirty." Sanford smiled.

Alyce also asked, "You...you are my daughter's...brother?"

Sanford also looked at Alyce: "Uncle...auntie, I..."

"Mom."

Suzi looked at his mother: "When I was in the most difficult time, my brother and I depended on each other. During the years in Quxian, we

have been living together. He is my brother, and he is also the only uncle, my uncle.”

Alyce immediately burst into tears: “Thank you for taking care of my daughter.”

“It’s okay, auntie, Suzi and I are the only relatives.”

“Ze Yan.” At this time, Darius shouted behind him.

Sanford turned his head and saw Darius with a look of emotion. He stepped forward and hugged Darius: “Brother Darius, thank you for the ten million you gave me back then.”

Darius shook his head: “It should be me thank you for taking care of my cousin all the time. Taking care of her so well, thank you, brother Ze Yan.”

After speaking, Darius turned his head and looked at Arron: “Four brother, since Sanford’s return is a big joy, shall we go and pick him up?”

Mainly here is too smoky.

Darius didn’t want to stay here either.

Hearing Darius’s suggestion, the little one, Lilly, immediately raised his hands in agreement: “Okay! Let’s celebrate my uncle’s return now.”

The little girl didn’t want to stay here long ago.

She just wants to be with her uncle now.

Arron also nodded.

He turned around and greeted his grandparents, father, Qin Wenyu, and Elder Shu in a hurry: “It’s okay for you old people to relive the past here. Let’s go ahead.”

Arron’s family of three, as well as Alyce, Darius, and Sanford left, the huge restaurant immediately looked extremely depressed.

The old lady picked up the walking stick and pointed at her son Fu Zhengxiong: "It's all you! For a good meal, you have to drive my grandson-in-law away! My granddaughter-in-law has offended you in any way, you want to be like this Kill her completely!"

Fu Zhengxiong tried to explain to his mother: "But how does the man in black who beat Wenyu several times in a row explain?"

After a pause, Fu Zhengxiong looked at Elder Shu again: "Uncle Shu, what secrets are you keeping from me?"

"Eh..." Elder Shu let out a long sigh.

Then, he said earnestly and earnestly: "Zhengxiong, anyhow Shanna is also the woman who gave birth to a son for you. Have you ever visited her cemetery and took a look?"
