

# I' m Sorry My Love Novel Chapter 1404 - 1405

## Chapter 1404

Fu Zhengxiong: “.....”

Shu Min has been dead for seven years.

He has indeed never stepped into that piece of purpose.

One is because Arron refused to let him go, and second, if he went to see Shanna on the cemetery, Wenyu would be unhappy.

Only once, when Shanna was buried for 100 days, Fu Zhengxiong also suggested to take a look at Shanna. However, Qin Wenyu cried at that time: “She is dead, and you still think about her, are you really doing a fake show with her, really falling in love with her?”

“Although Shanna is dead, she has beaten me!”

“The rivers and mountains that you and I fought so desperately have been inherited by her son! And what about us? Our sons are all three of them!”

“Up to now, I am a lonely old man. Is it possible that you still want to see a dead person despite the fact that I am alive?”

“Fu Zhengxiong, you know how much I sacrificed for you!”

“I was in Gasing Island to save your life. I asked you to act against Shanna and Shi Meinan! You know how much I endured to save you! Fu Zhengxiong! My heart is on you. Are you bullying me now?”

After a while, Fu Zhengxiong never mentioned Shanna again.

Until now, seven years.

He never visited Shanna once.

Now that Elder Shu mentioned this matter, Fu Zhengxiong's doubts deepened. He stared at Elder Shu in a daze, and when he wanted to ask something, Elder Shu said: "The children are gone, let me go too. ."

"My eyes are dim. Don't say that I am old now. When I was young, I kept doing wrong things. I always thought it was right, but it was actually wrong."

"It's a big mistake not to admit your child."

"It's a big mistake to be kind to one's own life-saving cruelty."

"Thinking of other people's children as treasures, but letting my own children live in poverty. In the end, other people's children ride on my children to poop and pee. Only a foolish person like me can get rid of this."

"Unfortunately, I still think that I'm upright."

"So...in the future, I will no longer ask about juniors. I am a sinner myself..."

The old man went farther and farther.

His steps are getting more and more faltering.

The four bodyguards who used to follow him hurriedly helped him, walked out of the Fu's old house, and got into the car.

After entering the car, the old man burst into tears.

"Master, you..." the bodyguard couldn't help asking him.

Elder Shu asked: "You said, will my little Sheng recognize me in the rest of his life?"

The bodyguards were silent collectively: "..."

Elder Shu sighed himself: "Needless to say, I also know that it is difficult for my Alyce to forgive me, because there is only one time in a person's life. When a person needs his father most in his life, it is childhood."

“And in her childhood, not only was she not loved by her dad, but her dad brought her suppression and shame.”

“What I can do now is to look at her one more time, just look at her one more time, let’s go...”

The bodyguard immediately replied: “Good lord, sit down.”

“By the way, the police...” Elder Shu said again.

The bodyguard replied: “Siye Fu has already issued an order here, I don’t think no one dares...”

Father Shu: “You call again...”

Bodyguard: “Yes!”

A call was made, and Gu Jianing and Gu Xiaoqing’s wife had already been tried on the other end of the call.

Gu Jianing had suffered so much, let alone treated like this. Sitting on a handcuffed chair, she couldn’t move a single movement. The bright light was shining on her. Gu Jianing said in embarrassment: “I...I The niece of the Shu family, my uncle is Elder Shu, my cousin is Shu Qinggong, my nephew is Darius, I...”

## Chapter 1405

“Excuse me, it was the Shu family who sent you here. Just now, the Shu family called and wanted to punish your mother and daughter severely!”

Gu Jianing: “No... Uncle won’t be so cruel to me. Uncle has always loved me. Uncle must be...” Gu Jianing was not just talking to herself.

She also said to the police: “Please call my uncle, okay? My uncle loves me so much. My uncle loves me since I was a child. He won’t look at me...”

The policeman was also dissatisfied by Gu Jianing: “Master Shu loves you so much and treats you as your own daughter since childhood, but you did everything possible to beat her and torture her own daughter?”

“I really haven’t seen a white-eyed wolf like you in the world! You have tortured his daughter like this, it is too late for him to hate you, so he will come to save you?”

“But he has always loved me.”

The policeman smiled again: “I’m hurting you. Have the kind of affection like your own flesh and blood? It’s because you can’t recognize the facts.”

Gu Jianing: “Can you... give my cousin a phone call? I... have nothing else to say, just let my cousin bring me some clothes and change clothes, okay? ?”

Police: “...”

The change of clothes was always delivered, so they called Darius’s father Shu Qinggong.

At this time, only Darius’s father Shu Qinggong was in the Shu family. After receiving the call, Shu Qinggong was shocked and he immediately called his son.

At this moment, his son was in the office of Joan of the Chu Group.

Upon receiving a call from his father, Darius said: “Dad, I know that Aunt Jianing is your cousin. You grew up playing like your own sister, but she is not your own sister after all. Not only that. , She will kill your sister.”

Shu Qinggong: “I know, I know Darius, is there really no chance of saving?”

Darius said: “Dad, I’m outside, let’s talk about it when I come back.”

He didn’t have time to tell his father about Gu Jianing, so he hung up the phone in a hurry.

After closing the line, he looked at Joan: “Joan, it’s really rare to see you like this now. You actually deal with official duties in a decent manner and take it so seriously.”

Joan smiled quietly: "Darius, I'm 30 or 2 this year. If I don't do my job properly, who is it worth?"

After a pause, he sighed: "Thinking about the years before I was twenty-five, I was really wasted! It also harmed many women!"

Darius smiled and said: "Joan, if you know your mistakes, you can improve Mo Dayan, let's go, and I will take you to meet someone today."

Joan asked: "Where?"

"Clubhouse, box." Darius said.

"No, they are all young and tender models, seventeen or eighteen years old, what do we do to harm others?" Joan looked at Darius incredulously.

"I said Lao Shu, you now..."

Darius sneered: "Well, I am the same as you used to be! However, the person who took you to see today is an old friend of yours. Can you see me?"

Joan was startled.

His old friend?

Isn't it, Walton?

If it was Walton, if Walton fell into the clubhouse to do that kind of thing, then he really had to persuade him Joan.

After all, he was once his fiancée.

After Joan cleared up the company's affairs, he followed Darius to the clubhouse.

Before entering the door, I heard the laughter of children in the box.

"Only, there is Suzi? You brought me to see them?" Joan asked.

Darius shrugged: "You go in and have a look."

Words must be, push the door.

Joan then saw the person standing at the door, and he was speechless for a long time: “Ze...Ze Yan?”
