

# I' m Sorry My Love Novel Chapter 1412 - 1413

## Chapter 1412

Suzi was shocked and almost fell off the executive chair.

After waking up Xingshen, she was stunned.

This is the Xu Group, Sanford's office, and Sanford owns this office for only one day.

Who is it that yells her name Suzi here?

What a hell!

At this time, Suzi heard another female voice saying: "Mrs. Xu, please don't embarrass us. We, you just work part-time. This place has changed hands. Please go out immediately, or I will call the police."

"Ha! Call the police! Report! I'm not afraid of death anymore, I'm almost homeless, what am I afraid of! You report! I just let Suzi come out now! I just want to see how she is disturbed It's a storm!" The female voice was still extremely sharp.

"I know Suzi is inside! Let her come out!" It was another female voice.

This voice was familiar to Suzi.

After carefully distinguishing it, Suzi immediately remembered that this was the voice of Siu who had not shown up for a long time.

"Miss, don't go in! You have to go one step further, my name is Anbao!"

"Call! I see how you call security, I know every security here, this company is mine, I see how you call it!" This was an extremely excited male voice.

Suzi, who hadn't walked out of Sanford's office, could hear that it was three people who came to find the fault.

Moreover, she was guessing who these three people were.

If she guessed correctly, these three should be Xu Zetong, his wife Jun Liuye, and Jun Liuye's sister Siu.

Suzi walked out of the office slowly, and he saw three people with teeth and claws outside the office.

Two women and one man.

"Suzi! You really are here!" Xu Zetong's wife Jun Liuye spoke first.

This woman!

Half a year ago, at the Hongmen banquet that Siu arrogantly prepared for Suzi, Jun Liuye was not so mad, but this time, Jun Liuye was completely like a shrew, regardless.

"Suzi! If it weren't for you, our Xu family group wouldn't fall apart in one day! You D\*mn woman! You and Xu Ze were unclear, and you were bullied to our Xu family! Suzi, look at me today! Don't take your skin off!" Jun Liuye said, he was about to come up to fight Suzi.

Her hand was caught from behind.

"Ze Yan!" At this time, Xu Zetong shouted: "She is your sister-in-law!"

Sanford grasped Jun Liuye's wrist in one hand, but looked at Xu Zetong with sharp eyes: "Oh! Cousin, you are here too!"

"Let go of your sister-in-law!" Xu Zetong ordered.

"Sanford, you unlearned prostitute! You let me go! You colluded with outsiders and annexed our Xu group. Don't say, you have to beat your sister-in-law in public!" Jun Liuye scolded Sanford. .

The strength in Sanford's hand has increased a bit.

The painful Jun Liuye howled.

Sanford sneered and said, "Jun Liuye, you'd better be honest with me. Sanford has been paralyzed for six years. Do you know how I came here in the past six years?"

“We live in Quxian County very hard. We have to go out to do things every day to get enough food. Suzi works on the construction site alone and has to feed a child. I also carry odd jobs every day, and I have no strength in my legs. , I carry it all with my hands and shoulders.”

“So for so many years, the strength of my hand can crush a brick!”

“Jun Liuye, if you have such a foul language on your mouth, I will crush your wrist!”

Jun Liuye: “...”

She dared not speak out immediately.

## Chapter 1413

Sanford then let go of Jun Liuye.

Jun Liuye immediately ran to Xu Zetong. At this time, Siu was also supporting her own sister, and the three of them stared at Sanford and Suzi.

“You two are quite courageous, so you dare to have a private meeting in the Xu group?” Siu sneered.

Suzi looked at Siu coldly: “Now this is my brother’s site, are you here to make trouble?”

Siu sneered: “Ha! Suzi! You can’t drive people to the extreme road. You are now forced to make my sister and my brother-in-law homeless! Are we still running into trouble?”

Suzi: “What is homelessness?”

“Did I copy your house?”

“Or did I annex your private property?”

Siu: “...”

At this time, Xu Ze sternly said: "You didn't annex our private property, but you stole my Xu Group! My Xu Group changed hands overnight and became your old lover!"

"Xu Zetong, put your mouth clean!" Sanford scolded.

"Sanford, then you quietly keep your virtue! A woman's little white face straightened up, it doesn't matter if you and Suzi are unclear, you actually hit your cousin and mine on the head! You actually stole yourself! Home stuff! Do you still have any promises!"

"He didn't steal the Xu Group, it was me who stole." A voice came from behind.

Xu Zetong suddenly turned around after hearing the sound.

What I saw was Arron with a calm face holding a little girl in his hand.

Xu Zetong: "Fu... President, Fourth Master Fu, you... are you there?"

When Xu Zetong, his wife Jun Liuye and his sister Siu were strolling around the company, they saw Suzi entering the Xu family group.

At that time, Xu Zetong furiously cursed: "This Suzi, she dared to blatantly hold a private meeting with Sanford in the Xu Group! See if I won't arrest him today!"

This can also let out a sigh of foulness!

Maybe if you get to Arron, you can get the Xu Group back.

Xu Ze thought with one heart, Arron never expected that he had just helped Sanford to take the Xu Group back. Suzi would have a private meeting with Sanford, right?

If you know it, you won't have to chop Suzi and Sanford into dumpling stuffing.

However, what Xu Zetong didn't expect was that Arron was there.

"Xu Zetong, I have to explain two things to you," Arron said coldly.

"Fu...Said Fu Siye."

“First of all, your Xu Group originally belonged to Sanford seven years ago. The Xu Group has nothing to do with your Xu Zetong. You have returned from abroad and annexed the entire group company. How is this different from stealing? This is nothing more than returning things to their original owners.”

Xu Zetong: “...”

Arron continued: “Secondly, it was not Sanford, nor my wife, who changed your company overnight, but me.”

“It was me, Arron, who used Gu Xiaoqing to get your official seal, your signature, and your fingerprint, and did all this. Do you know why this happened?”

Xu Zetong: “...”

He raised his eyes and looked at Arron tremblingly. He seemed to have guessed something, but he didn't dare to say it.

At this moment, his wife Jun Liuye, who was leaning on Xu Zetong's side, could feel that her husband was already shaking all over.

She also looked at Arron tremblingly.

Arron sneered: “I didn't go looking for you, you actually came to die by yourself.”
