

I' m Sorry My Love Novel Chapter 1416 - 1417

Chapter 1416

Sanford: "The Jun family in Kyoto and the Qiu family have met for generations. Kraig was about to get married with the Qiu family's daughter, but was upset by a friend of Suzi's."

"What are you talking about? That friend of Suzi is a junior."

"Say they are all the same thing."

I was in a nursing home and couldn't find any important news. Now I think about it, my sister-in-law is not the family of the King of Kyoto, and that Siu! Just a mad dog..."

Speaking of this, Suzi suddenly sneered: "They are really putting the cart before the horse. How wronged is Sister Shan to be described as such by them?"

Sanford: "Sister Shan?"

Suzi: "Yes, now the whereabouts of Sister Shan is unknown..."

When talking about this, Arron's cell phone rang suddenly.

He took out his cell phone and glanced at it, and it turned out that it was his father who called.

Arron immediately pressed the answer button: "What's the matter!"

At the other end, my father's voice seemed very tired: "Arron, you..."

He hesitated for a while.

"If you have anything, please tell me directly! Did you see which man Suzi was with again?" Arron's tone was extremely cold.

Fu Zhengxiong: "....."

After a pause, he said again: “Qin’er, you...your mother’s cemetery, specifically...where is it located?”

Arron: “...”

My father has been there.

However, he has only been there once in six or seven years.

And Christopher drove his father there.

He might not even remember the name of the cemetery.

How is it possible to remember the location.

“She doesn’t need you to worship!” Arron said.

Fu Zhengxiong: “Arron, Dad knows you would say that. For so many years, the reason why I didn’t go to your mother’s grave was not only because of your aunt? It was also because of you. I didn’t know if you would let me. Where to go?”

“Please give Dad a chance and let me worship your mother, okay?”

“No!” Arron said.

Fu Zhengxiong: “Arron, there is a saying that father must tell you, at least, your mother loves me, doesn’t it?”

“Maybe, your mother wants to see me?”

Arron: “...”

No one knows better than Arron that his mother still has a wish before she dies.

That is, I hope to see my actual husband at a glance.

Even if she had never received a marriage certificate with Fu Zhengxiong.

Even though, she has always held the title of junior.

However, Fu Zhengxiong was the only man Shanna had ever loved in this life.

Shanna graduated from university and experienced the pain of family destruction before starting to look for a job. At that time, Fu Zhengxiong appeared in Shanna's life. He was seven or eight years older than Shanna. Respectful and domineering.

Most importantly, he gave Shanna's meticulous care.

How could Shanna, who had just graduated from university, resisted such a fall of love?

Shanna could not extricate herself from love.

Even if he knew that Fu Zhengxiong was lying to her.

But the love she gave can never be taken back.

Moreover, during the decades of serving, Shanna never fell in love with another man again.

Until she was dying, she longed to see Fu Zhengxiong.

Or perhaps, as long as Shanna could see Fu Zhengxiong at that time, she might bury her a lifetime secret and tell her only man.

However, Fu Zhengxiong was in a foreign country with his wife, who was overwhelmingly sad.

Until Shanna's death, he could not come back to take a look at the woman who had been deceived by him and gave him two children.

This is the cruelty of men!

At this point, the mother had been dead for seven years!

Fu Zhengxiong is going to visit his mother again?

Chapter 1417

Arron wanted to slap Fu Zhengxiong in the face.

But Fu Zhengxiong's words are right.

My mother wanted to see Fu Zhengxiong for the last time.

Speaking of her mother, Arron couldn't help but feel soft.

In his low, cold voice, he told his father and the specific address of his mother's cemetery on the phone.

At that end, Fu Zhengxiong breathed out in his heart.

To take a look at Shanna's cemetery, he and Qin Wenyu discussed the decision for a day.

Too much has happened in a while.

Fu Zhengxiong always felt that there were some things he didn't know.

For example, Mr. Shu and Arron seem to have concealed some things from him.

And this matter should be related to Gasing Island.

However, no matter how Fu Zhengxiong asked Mr. Shu, Mr. Shu didn't say anything, but Mr. Shu said one thing and asked him to take a look at Shanna's purpose.

What does Elder Shu mean?

Fu Zhengxiong didn't know.

Just now, he bit the bullet and called Old Man Shu.

At the other end, Old Man Shu's voice was extremely vicissitudes and powerless, but his words were clear: "Zhengxiong! You and I are both guilty men, do you know?"

Fu Zhengxiong: "....."

"In my entire life, I always feel that the most innocent wife is my original wife. Only by doing this can I be a real good man. But

Zhengxiong, have you ever thought about it? How innocent are those women who have been hurt by us?”

“Whether it is my Zhou Qin or your Shanna, what did they do wrong?”

Fu Zhengxiong: “.....”

“Shanna didn’t provoke you, but you ruined her life. Not only that, you also let her flesh and blood...” Elder Shu said halfway, and suddenly paused.

After coughing for a long time, he said, “In short, the most sorry person in your life is Shu Min.”

If you speak, Mr. Shu hung up the phone.

But Fu Zhengxiong’s heart became more and more murmured.

What did the old man’s last sentence mean?

He can’t take it off anymore, he must go to Shanna’s cemetery to take a look.

In fact, in the depths of Fu Zhengxiong’s heart, he has Shanna’s place.

Fu Zhengxiong was more fraternal when he was young, and when he saw the delicate little flowers, he had a love for him.

He couldn’t even count the girls left on the bed by him.

Back then, Shanna left him the deepest impression.

Especially when Shanna burst into tears and called him helplessly: “Husband...”, it could almost turn his heart into a cry.

Helplessly, Fu Zhengxiong married a great wife.

This wife not only gave birth to several sons for him, but also helped him in his career.

Therefore, although Fu Zhengxiong loved playing with women all his life, he was most afraid of his wife Qin Wenyu.

Especially when several sons died tragically, and Fu Zhengxiong was old again, he felt even more valuable about the old wife.

There is a saying that the colorful flags outside are fluttering, and the flags at home are not falling down.

Talking about men like him.

What's more, what about a dead woman like Shanna.

As a result, after so many years, he had just visited Shanna's cemetery once when he had just returned from abroad, and he still didn't know how to take the route.

At this time, after asking about Arron's route, Fu Zhengxiong and Qin Wenyu, with complex moods, drove to Shanna's cemetery by the driver.

When entering the cemetery, dense drizzle was floating in the sky.

The moment they saw Shanna's tombstone, Fu Zhengxiong and Qin Wenyu both saw a man in black lying in front of Shanna's tombstone.

To be precise, it was a man in black asleep.

Who is it?

The bodyguard stepped forward to check, and then turned around and said to Fu Zhengxiong: "Old President, this man is drunk."

If the words were necessary, the bodyguard turned the man upside down to face Fu Zhengxiong.

Fu Zhengxiong and Qin Wenyu their colleagues were startled: "It turned out to be him!"
