

I' m Sorry My Love Novel Chapter 1420 - 1421

Chapter 1420

Elder Shu: “Zhengxiong, you...what did you say? How can you? You...Shanna has been dead for seven years, how can you still insult her reputation?”

Elder Shu was laughed at by Fu Zhengxiong: “Furthermore, Zhengxiong! You have to remember your relationship with Shanna! You did not marry Shanna, she is a single woman, she is not yours, and she has no obligation to protect you. Innocence! On the contrary, it is you! You have a wife and a family, so you go to provoke her!”

Although Elder Shu gave him a lot of criticism, Fu Zhengxiong did not suppress his anger.

He still said on the phone: “I said so! But everyone in Nancheng and even Jiaying Island knows that she Shanna is my woman!”

“You all know that Shanna is the woman who gave birth to a son for me!”

“But now! In front of her grave, why another man ran out? If I guess right, this man should be Shanna’s other son!”

“Son! Uncle Shu!”

“Do you know how old this son is?”

“Do you know who this son is?”

“Pan Haoyang! Pan Haoyang, the son of the Pan family on Gasing Island! Uncle Shu, you tell me truthfully, you have been keeping my secrets from me, don’t you...”

“When I asked here, Fu Zhengxiong could hardly continue to ask.

He felt it was too shameful, too shameful!

If his guess is correct, Pan Haoyang should be the illegitimate son of Shanna and the owner of Gasing Island!

This D*mn woman!

It's been so many decades in front of him!

Do you love him wholeheartedly!

She didn't see Fu Zhengxiong before she died, which made her feel guilty all the time!

But in the end?

She was actually entangled between the two men.

Actually gave birth to two sons!

This thing Shanna is really perfect!

Fu Zhengxiong was furious, and his nostrils flickered.

Over there, Mr. Shu heard a long sigh: "Zhengxiong, you mean, Pan Haoyang went to his mother's cemetery?"

"Sure enough! It really is Shanna's illegitimate child!"

Fu Zhengxiong suddenly picked up the phone, and ordered the bodyguard here: "This D*mn disciple! His dad gave birth to such a wicked woman who hooked up with me on his back! He wants to dig my son's corner now! Bodyguard, Bury this disciple to me alive!"

"I, Fu Zhengxiong, don't show off, you don't even know how good I am!"

"Buried on the spot! Buried alive now!"

Fu Zhengxiong is really mad!

In the rest of his life, Fu Zhengxiong is the only one who is sorry for women, and there is no reason why his woman has betrayed him!

It's better now! Even the son was born and he was so old.

Tell him how to be angry, how to be angry!

Bodyguard: "..."

"Don't do it yet!" Fu Zhengxiong scolded.

"Stop! Stop your hands!" Qin Wenyu suddenly screamed at this moment!

Bodyguard: "Madam..."

"Help Pan Haoyang up, help it!" Qin Wenyu ordered.

The bodyguards straightened Pan Haoyang.

Fu Zhengxiong looked at Qin Wenyu with an expression that he didn't understand: "Wenyu, what is this for?"

Qin Wenyu ignored Fu Zhengxiong, she only went forward, took out the kerchief from her bag, and carefully wiped the rain off Pan Haoyang's face.

"Go!" Pan Haoyang wanted to kick Qin Wenyu, but was stopped by the bodyguard.

Qin Wenyu forcibly wiped the rain off Pan Haoyang's face, then looked back at Fu Zhengxiong: "Zhengxiong, look at him...who is he like?"

Fu Zhengxiong said angrily: "Of course he is like the Pan family!"

Chapter 1421

Qin Wenyu screamed: "The Pan family are all very ugly and long! They are like dwarfs, he is like the Pan family!"

Fu Zhengxiong: "....."

"Look again!"

Fu Zhengxiong was taken aback, and immediately raised his head to look at Pan Haoyang carefully.

Pan Haoyang was still angry.

“Old Miscellaneous! Old thing! I won’t kill you today, I’m not called Pan Haoyang!” He struggled to get rid of the bodyguard’s hand, helpless, he had been lying on this grave for two days, and he hadn’t eaten for two days. Drank it.

He didn’t have the strength to speak, and he was still drunk.

Pan Haoyang hadn’t planned to live, so he wanted to die here. If he died at his own mother’s grave, he would be considered as a companion for his biological mother.

He messed up his hair again while struggling.

There is a chance that the wet hair will be scattered on the forehead.

The jet black hair contrasted sharply with his pale forehead.

And under his forehead are thick sword eyebrows and deep eyes.

Looking down again, Fu Zhengxiong was taken aback when he looked down at the thin but angular cheeks.

Immediately afterwards, he blurted out: “Arron... he is Arron! Wenyu, you are wrong, he is not Pan Haoyang, he is my son Arron!”

Qin Wenyu looked at Fu Zhengxiong calmly: “Zhengxiong! You are anxious, this is not Qin’er, this is Pan Haoyang, he and Qin’er share only two similarities.”

“No, no, he is not Arron, he is like her mother, he is more like Shanna!” Fu Zhengxiong wiped the rain before his eyes and said in time.

Qin Wenyu shook his head again: “Zhengxiong, you are old and I am old too. We have never looked back at how we were when we were young, so forgot. Now I look carefully. When Pan Haoyang and you were young, there were at least five The points are similar.”

Fu Zhengxiong: “You...what did you say?”

Yubi, he stepped back several steps in a row in surprise.

Qin Wenyu said again: “Now I finally understand why the only one, Qin’er, Suzi, and Elder Shu have repeatedly said that Pan Haoyang’s attack on us has nothing to do with Suzi.”

“I finally understand why every time this ba5tard attacked us, he would only hit me and beat me to death, but didn’t hit you anymore.”

“Even the only one who is six years old tells you again and again that this is your problem, Grandpa.”

“Elder Shu even sighed whenever he mentioned this matter.”

“Pan Haoyang, he! Is the secret of Jiaxing Island!”

“Only Elder Shu knows this secret!”

“This secret should have been there when Arron was born...”

Fu Zhengxiong said incredulously: “Could it be... She gave birth to Shu Min...”

“It’s twins.” Qin Wenyu said with great certainty.

“It’s just that Arron was taken back to Nancheng, while Pan Haoyang stayed on Gasing Island, because we didn’t allow Shanna to have children at the time, and later it was Father Shu’s plea.”

“I think, at that time, Shanna was afraid that after coming to Nancheng, her two children would not be brutally attacked by me, so she left one of them on Gasing Island.”

Speaking of this, Qin Wenyu smiled lonely: “Shanna is really a villain! Since I have promised to let their mother and daughter come back to Nancheng, how can I murder them?”

Fu Zhengxiong: “.....”

At this moment, he didn’t even hear what Qin Wenyu said.

Fu Zhengxiong only looked at Pan Haoyang intently.

Now when I look at this young man, he really looks a lot like Arron, although he is not like an egg twin and can’t tell each other.

However, their demeanor, those things in their bones, really want to.

However, Arron's appearance = more masculine.

But Pan Haoyang looked a little more feminine.

His feminine face showed more melancholy.

Fu Zhengxiong's heart was suddenly hurt.

At this moment, his mobile phone rang, and he connected without looking at it: "Hello?"

At the other end, it turned out to be Suzi's voice: "Let me ask you! Is Pan Haoyang in my mother's cemetery?"
