

I' m Sorry My Love Novel Chapter 1424 - 1425

Chapter 1424

Suzi: "Dad, I'll ask you again, is Pan Haoyang in my mother's cemetery!"

Fu Zhengxiong: "Huh! Suzi, how do you talk to me! Yes! I misunderstood you! But I'm still your father!"

Suzi: "Dad..."

Fu Zhengxiong interrupted Suzi, "Tell me a reason. Tell me, Pan Haoyang, how could he come to your mother's grave! Why did he come to your mother's grave!"

"What secrets are you hiding from me!"

Suzi: "....."

The more Fu Zhengxiong spoke in this way, the more Suzi felt that Fu Zhengxiong wanted to cover it up.

However, she quietly said on the other end of the phone: "I know Dad! Don't stay in front of my mother's grave for too long. The drizzle in late autumn makes it easy to catch cold."

Fu Zhengxiong: "Hang up!"

After closing the thread, he looked at Qin Wenyu: "Why don't you let me talk to Suzi?"

Qin Wenyu looked at Pan Haoyang: "Look at him, do you understand what he said?"

"He said he was homeless."

"He said the world is big, but he doesn't have a place to live!"

“He said, Gasing Island belongs to the Pan family, and Nancheng? It belongs to his twin brother, but what about him? What does he have?”

“All he has is shame.”

Hearing Qin Wenyu learning all the drunken words that Pan Haoyang said, Fu Zhengxiong looked at Qin Wenyu angrily: “You have learned his words over and over again. This is indeed his current situation, maybe this is his. Fate!”

“Why is his life?!”

“Pan Haoyang should be the fifth young master of the Fu family!” Qin Wenyu said.

Fu Zhengxiong: “You... Wenyu! Are you afraid that the world will not be chaotic! Do you think this is possible? I suddenly understood why Elder Shu kept keeping us from telling this secret. If it were you, what would you say?”

“Now Nancheng belongs to Arron, and suddenly a Pan Haoyang pops up. What can I do?”

Fu Zhengxiong’s eyes dimmed with sorrow.

I didn’t know that Pan Haoyang was his own son.

Until this moment, he didn’t know that he actually had a son.

The joy in the heart is self-evident.

But what about after joy?

My son came back in his thirties. Where do you want to put him?

Is it possible that, as seven years ago, the brothers turned against each other and became enemies, death to death, death to death? Then only Arron is left?

Fu Zhengxiong didn’t want to see them fratricidally.

But what about Qin Wenyu?

After all, neither of them is Qin Wenyu's son.

Both are the sons of Shanna.

However, Fu Zhengxiong did not expect that, Qin Wenyu said next: "Let Haoyang be my son, Zhengxiong."

Fu Zhengxiong was incredibly surprised: "You, what are you talking about! This kid beats you to death again and again, and you still regard him as your son?"

Qin Wenyu: "But I need someone to rely on. I am old, who do I rely on? Do you rely on Arron? Arron won't hit me like this kid, but when did he give me a good face?"

"Your parents have your son to guard against old age. As we go on, they also have Arron and the only one."

"But what about me?"

"Zhengxiong, you didn't realize that in this old house, especially when Arron and Suzi were the only ones back, I was the master mistress. Is it no different from outsiders?"

Fu Zhengxiong: "....."

Qin Wenyu was right.

Chapter 1425

This is indeed the case.

"So Zhengxiong, give me Pan Haoyang as my son."

"I know he beat me, he hates me! It was caused by his homelessness, and he is also your son. We keep all of our old couple's possessions, the possessions that have been privately kept for so many years, and we are out of town. All of the properties in the country have been sold, and what do you think of Hao Yang's start-ups abroad?"

Qin Wenyu looked at her husband eagerly.

Fu Zhengxiong did not expect Qin Wenyu to be so grand.

Qin Wenyu's self-deprecating trail: "I'm all for myself. My sons are gone. I don't want to be kicked out of the house by Arron when I am 80 years old. What will I do then? "

Speaking of this, Qin Wenyu was already in tears.

"Let's straighten this little son, at least, you can do it without letting the two brothers kill each other, can't you?"

Fu Zhengxiong: "You are right... This method can indeed prevent their twin brothers from killing each other."

After a pause, Fu Zhengxiong said again: "But, we don't have many coffins, Arron gives us every month, it is enough for us to eat, drink and spend, but after all, it is not enough for us to make a comeback."

"You don't, I have." Qin Wenyu said.

Fu Zhengxiong: "You... the assets from your place?"

Qin Wenyu: "Built it for my natal family in the early years. Later, my natal family was gone. Now there is only one niece, Qin Shuang, who is far away from her natal family. She is more than successful. Now it is better to give it to Hao Yang."

Fu Zhengxiong immediately gratefully said: "Wen Yu..."

Qin Wenyu gave Fu Zhengxiong a glance: "It's not about taking Haoyang away at other times. I guess Suzi and Arron don't believe you, so let's avoid it first."

Fu Zhengxiong: "Good!"

After the old couple negotiated, they got the drunk Pan Haoyang into the car and drove away all the way.

After they walked here for half an hour, Suzi and Arron came to the cemetery on the other side.

And here, there is nothing else but a bunch of cold-toned flowers lying alone.

The bleak rain scared, only Shanna's smiling face was on the tombstone.

Although the two did not see Fu Zhengxiong or Pan Haoyang, since they are here, both Suzi and Arron want to accompany their mother.

Especially Arron.

He is a reticent person, and he always speaks a lot of things.

Little said.

Before his mother's tombstone, he said without hesitation: "Mom! You have to kill me so badly that you didn't tell me until you passed away. I still have a younger brother."

"If I knew it, if I knew it as early as six years ago, I would definitely take Hao Yang over. The entire Fu Group has half of him."

"But now, he is running rampant in Nancheng! It's almost arousing public outrage from Nancheng people, what do you want me to do, mom?"

"Mom! If you want to have spirit in the sky, let me find him as soon as possible!"

"Let me subdue him, then send him abroad, and then buy a good property for him, I can only do that."

"But don't worry, mom, I will have half of the profits generated by the Fu Group in the future, and I will not treat him badly."

"But Mom, if you know Quaxia, you have to find a way to dream of him, so that he doesn't keep talking about Suzi and Suzi, that's his sister-in-law!"

Suzi behind him: "..."

She didn't know what to say, she just gently patted Arron on the shoulder and said, "Arron, what we have to do now is to find Pan Haoyang first so that he can be sent abroad at the fastest speed."

Arron nodded: "Go to Fu's house! Fu's house is the place where he haunts the most. Didn't he also say it himself? He wants to torture them slowly!"

"Good." Suzi said.

Christopher drove, and the two sat in the car and drove all the way to Fu's house.

At the door of the house, the housekeeper told Suzi and Christopher: "Back to the fourth young master and wife, the old president and wife are not at home, they are away..."

Suzi immediately asked eagerly: "Where did they go?"
