

I' m Sorry My Love Novel Chapter 1428 - 1429

Chapter 1428

“Arron, I am your uncle Jun.” On the other end, the voice of the old man from the Jun family in Kyoto came.

Arron: “...”

Ever since Kraig was promoted frequently and became the head of the capital in Kyoto at a young age, for the past ten years, Mr. Jun has lived a simple life.

There is another reason why the old man stays simple and simple, and that is because the second brother Jun Chengyin.

Jun Chenglin and Jun Chengyin are half-brothers, and their ages differ by a few years.

Jun Chenglin is seventy-five-six years old this year.

Jun Chengyin has just turned sixty.

I think Jun Jingchen, the eldest son of Jun Chenglin, had no intention of taking power. At that time Kraig was still young, so Jun Chenglin wanted to promote his second brother Jun Chengyin in everything.

But never thought that after Jun Chengyin was promoted, he bit Jun Chenglin cruelly.

Said Jun Chenglin was treasonous.

Jun Chenglin was so angry that he was almost killed in Huangquan, but he didn't want to spread the ugliness of his family.

Fortunately, at the time Elma's father was happy with his medical skills. Through Elma's father's careful care, Jun Chenglin recovered.

Then, it was depressed.

So I rarely go out.

However, it didn't take long for such a gloomy day, and his son Kraig made Jun Chengyin happy again.

The youngest son Kraig was really upbeat at the time.

In just a few short years, Kraig actually docile the clean up the border. In those days, the young Kraig was no different in Kyoto.

Kraig didn't disappoint his father either. He really carried all the burdens of the Jun family's Dafang family, and made the Jun family's second room Jun Chengyin no longer dare to be so arrogant.

Until the next few years, Kraig overwhelmed his second uncle in one fell swoop and became the number one chair in Kyoto. Really counted below one person, above ten thousand people.

The son sits firmly on the number one deal, and the father naturally lives in a comfortable life.

The only thing that made the old man's heart was something was the youngest son's marriage.

The Jun family in Kyoto and the Qiu family are family friends, and the son also liked the Qiu family's daughter since childhood, but the Qiu family's daughter was too willful when she grew up and had to travel the world.

This delay delayed Kraig for more than ten years.

Fortunately, the Jun family's daughter is back now, and it should be time for Kraig to take care of her.

Can Kraig?

But he was caught by a domestic helper.

What is this called!

Nowadays, Kraig not only has no relationship with Qiu's girls in private feuds, but Kraig himself is also decadent, drinking and groggy all day long.

How good is this?

The entire Jun family, to put it bluntly, relied on Kraig to support it.

Only when Kraig was there, they had the full glory of their Jun family's big room.

But Kraig now, can't even go back to Kyoto.

He has been staying in Nancheng.

Stay in that mountain villa.

What are you talking about? The housemaid left him in the villa in Nancheng, so he has to wait in Nancheng.

Mr. Jun has been unable to contact Kraig for three days.

Let Lenny that stinky boy call Kraig's door, but Kraig just didn't see Lenny.

Reluctantly, Jun Lao Ye Zi called Arron himself.

"Arron, Uncle Jun, please do me a favor. Uncle Jun knows that you are the most important relationship in Kraig's life. When you were in exile abroad, you saved Kraig's life. He regarded you as his relatives. Brother."

Chapter 1429

Arron asked calmly: "Uncle Jun, what happened to Kraig?"

He is really worried about his life and death brother.

I also blame this weekend, because of Gu Jianing and Gu Xiaoqing's mother and daughter, the family was so upset that Arron had no time to take care of Kraig.

Now that Mr. Jun mentioned it, Arron couldn't help worrying about Kraig.

The old man sighed on the phone and said, "Arron, go to Kraig's leisure villa to have a look. What happened to Kraig? I'm worried about him..."

At the end, the old man's voice trembled.

Arron said immediately: "Okay, good Uncle Jun, I'll go see it now."

After closing the line, he and Suzi glanced at each other.

Suzi knows Arron best. She said: "Your dad and aunt go to Kyoto to see a doctor at best. They are so old and can't do anything extraordinary. Let's go to Kraig's first. "

To be honest, Suzi also worried that Kraig would have nothing more to do.

Arron nodded: "Yeah."

When the couple arrived home, they didn't even eat any food, so they turned around and went to Kraig's again.

Mid-Levels Villa is about forty-five minutes' drive from the Daping floor in Arron's urban area. When the car reached the place, Suzi rang the doorbell. When the domestic helper who came to open the door saw that it was Suzi and Arron, he immediately opened the door.

"Hey, Siye Fu, don't you know that Young Master Jun has been here, and Master Jun was not allowed to open the door to Young Master. We are domestic servants and we dare not take the initiative. After drinking for three days and three nights, I thought he still had a fever..."

Hearing what the domestic helper said, Arron immediately rushed into the room.

Seeing Kraig lying on the bed, the huge bedroom was messed up like a toilet.

The smell of alcohol in a room can kill people.

Arron lifted Kraig directly from the bed, pulled him by the back collar, and abruptly lifted him out of the bedroom.

“Arron, you are here, don’t care about me...”

Arron measured Kraig with a thermometer from the domestic helper, and he had a fever of more than thirty-nine degrees.

The man lifted his slap and slapped Kraig with his bow left and right, and slapped Kraig with two slaps: “You don’t want to tell Lao Tzu, Lao Tzu jumped on you! You are dead, Dalia is here and can’t come back!”

On the contrary, Kraig’s mind after being beaten became clearer.

He sneered: “Even if I’m alive, the chance of her coming back is too slim. I’m going to rummag the entire Northeast!”

“But I just can’t find her!”

You must speak, Kraig wants to vomit again.

The domestic helper brought the trash can and made him vomit for a while.

Seeing that his fever was getting more and more serious, Arron didn’t tell him much, but called Christopher, and the two of them went out with Kraig on one arm and took her directly to the hospital.

After a few checks, Arron said to Arron: “It’s okay, I feel depressed, plus drinking, catching a cold, and observing the infusion for one night. If the fever goes down tomorrow, I will observe for another day, and you can go home if you have nothing to do.”

Observation of infusion overnight, tomorrow and one day, this requires someone to stay here.

“Let Christopher send you back first, you have a good rest, and I will stay here.” The man knew that during these two nights, he did not care about the torture of his own woman attacking the city.

The woman hasn’t rested well in these two days, and she can’t stay up late.

Suzi nodded: “Okay.”

This night, Arron waited for Kraig in the hospital all night.

The next morning was Monday. After Arron hurriedly entered the company for a hurried meeting, he turned back and looked at Kraig.

In that night and day, Fu Zhengxiong and Qin Wenyu came to Kyoto with the sturdy Pan Haoyang, who was tied up after being so drunk, and found Kraig's second uncle, Jun Chengyin.

At this time, in the second room of the Jun family, there was a beautiful woman sitting.

This beauty is not Miss Jun Jia Siu, because at this time Siu is still in Nancheng, and this beauty is Elma.

When Elma saw the people brought by Fu Zhengxiong and Qin Wenyu, Elma was stunned: "Is it...you?"
