

I' m Sorry My Love Novel Chapter 1430 - 1431

Chapter 1430

Elma lives in Jun's house.

In the past few days, she and her parents have had a lot of trouble, and she must marry Kraig.

His parents also persuaded Elma, and later Elma broke up with his parents and moved to Jun's house.

The Qiu family and the Jun family have known each other for generations.

Originally, the Qiu family and Jun Chenglin walked closer, and they barely interacted with Jun Chengyin.

It was because of Kraig's dumping of Elma that there was a lot of rumors throughout Kyoto. Many people from the upper class are struggling with Elma.

Among them, Siu is the most unbalanced.

As a result, Siu and Elma care about the most iron now, and they are the closest.

The two sisters want to say.

Therefore, even though Siu accompanied her sister and brother-in-law in Nancheng to deal with the Xu group incident, Elma still lived in Jun's house.

She was already in the Jun family, but she didn't even want to fight, she could still meet an enemy.

At this time, after a day and a night, Pan Haoyang's wine was already awake.

However, his hands were tied up by Fu Zhengxiong, so it was basically impossible for him to run or hit someone.

When he saw Elma, Pan Haoyang sneered, "Do you know Lao Tzu?"

Elma: "..."

"Could it be that you are also looking for Lao Tzu to seek revenge? That's fine! Lao Tzu has already reached this point anyway, there are not many who seek revenge with you, come on!" At this moment, Pan Haoyang thought he was going to die.

He didn't even know,

On this night when he was drunk and drowsy, Fu Zhengxiong and Qin Wenyu had actually brought him to Kyoto, thousands of miles away.

He only felt that the last moment his consciousness stayed was beside the tombstone of the Virgin.

He was very sad, drank a lot of alcohol, and dreamed a lot of dreams.

In the end, I didn't know how I got to this strange place, saw a strange woman, and knew him.

Pan Haoyang only felt that since he was caught by Fu Zhengxiong, Fu Zhengxiong would definitely kill him.

Kill it, kill it, anyway, he has enough.

Therefore, Pan Haoyang doesn't care whether the woman in front of him is a man or a woman. As long as he looks unpleasant, he will hit if he can't go up. Now he can't hit someone.

He just pretended to be dead and said to Elma: "If you want to beat me, come hurry up! But you have to think about it first, when you are close to Lao Tzu, will Lao Tzu's leg break your ribs with one kick?"

Elma: "You...you really don't recognize me?"

Pan Haoyang: "Why do I want to know you! You have three heads and six arms, and you are still a fcuking man."

Become a woman now, make Lao Tzu curious about you? “

Elma: “ ...”

I don't know what it's like.

That night!

The night between her and the man in front of her, she originally took the initiative, and she hated it because she was angry with Kraig. That night she drank too much, so she found a man out of anger and fooled around all night.

But Elma didn't expect that the man she was looking for at any time in the bar did not obey her at all. He didn't obey her at all. After having a relationship with her and sober, the first thing this man did was Hit her.

Beat her Elma!

It was ten years when Elma was traveling abroad, what kind of man I have never seen before!

Almost all kinds of men were scared by her Elma!

In the end, it was better to return to China, but was dumped by Kraig first!

Looking for a man in a bar to spend the night, he was beaten by this man!

The man beat her and disappeared that day. Elma had been pestering Kraig all the time, so he later left the man behind.

Chapter 1431

As a result, here today, at Jun's house, she unexpectedly ran into it again.

Now that she met, Elma must repay the grievance and humiliation she suffered that day!

She must make this man kneel and kowtow to her, and after kowtow to soften his head, kill him!

The man definitely couldn't live.

Otherwise, she would have no hope of marrying Kraig.

“Look at you like this, with your hands tied, you D*mn dead man, you were offended to sleep in Nancheng, and you were tied to Kyoto!” Elma asked happily.

Pan Haoyang's face suddenly dimmed: “Get out!”

Elma: “Heh! Death is coming, you can still be so horrible! A man like you is really interesting! Auntie, if I were still wandering abroad, I would definitely be interested in you! But now, since you If you were tied up and sent to Kyoto and sent to Jun's house, you will die!”

Pan Haoyang: “I have to die, I know, do you use it?”

Elma: “You...”

“Go!”

Elma: “...”

She ran out immediately.

She is going to ask Uncle Jun Chengyin to borrow a gun.

She was going to kill this D*mn thing herself!

At this moment, in Jun Chengyin's study, Jun Chengyin, Fu Zhengxiong and Qin Wenyu are talking secretly.

“Chengyin, we are old friends too. You have to help if you are busy. The reason why I turned to Kyoto from Nancheng and came to see you was to avoid Arron's eyes. After this happened, I will give you a hundred million!”

Jun Chengyin: “You...Fu Group has been held by Arron, do you still have money?”

At this time, Qin Wenyu smiled: “Brother Chengyin, you underestimate our youngest couple. Although we don’t have much cash in hand, the total amount of real estate across the country must be at least 500 million.”

“Not only real estate, but also gold and silver jewelry.”

“Also, your brother and we both saved some gold bars, which were originally intended to be our coffin capital. Now give you half of those gold bars, which are real money.”

Jun Chengyin: “...”

To be honest, his eyes shined green.

One hundred million.

Looking at the whole country, how many people can put out 100 million, just let her Jun Chengyin help?

Except for the Fu family. There is really no one.

However, Jun Chengyin still has to behave.

“Brother, how can I have such friendship between the Jun family and the Fu family...”

“I know, you did a lot of folds wherever I am. You got your advanced weapons on Gasing Island, but they were all swallowed by my children, so they are in the dark, these... .. can be regarded as some apologies for you.”

“So Chengyin is in prison, don’t be polite. You have to be polite to me like this. I only take it that you are not willing to do me this favor. Otherwise, once Arron chased him, the consequences would be disastrous.”

Jun Chengyin nodded immediately: “Okay, looking at Brother Fu’s painstaking flight, I have to help this, but as you know, I was recently pitted by Arron, and it has shrunk by more than half. I also need to take care of everything.”

Fu Zhengxiong is a sensible person. He immediately said: "One hundred million, I have brought it."

"Okay! That's it!" Jun Chengyin said simply.

As soon as her voice fell, there was a knock on the door outside, and Jun Chengyin just went out. After pulling them away, it was Elma. He immediately asked, "My niece, what's the matter?"

Elma immediately said: "Uncle Qiu, you give me a gun, and I will kill the prisoner myself! He offended me verbally!"

Jun Chengyin was puzzled: "The prisoner?"

"It's the man in black who is drunk, the one with his hands tied! I'm about to blow his head right now..."

"Dare you!" Qin Wenyu interrupted Elma before she finished her words.

Qin Wenyu raised his hand and slapped Elma's face: "If you dare to touch a finger of my son, I will strip you!"
