

I' m Sorry My Love Novel Chapter 1440 - 1441

Chapter 1440

Hearing Suzi's words like this, Kraig immediately sat up from the bed.

He excitedly asked, "Suzi, do you know where Xiaoshan is, right?"

Suzi: "....."

Kraig looked at Suzi expectantly: "Suzi, tell me where Xiaoshan is, tell me?"

Suzi said apologetically: "I'm sorry, Mr. Jun, I really don't know where she is. She called me last time. I didn't want to tell you, but I told you later and you went to find it. The whole mountain is a graveyard."

After a pause, Suzi also sighed: "I know you want to find Sister Shan, and I want to find too."

"Because I was pregnant, I knew that while fleeing and giving birth to a child would be a life of nine deaths! So, I want to find Sister Shan more than you."

After speaking, Suzi took the bunch of flowers from Kraig and carefully inserted them into the vase.

Kraig sat down on the bed decadently.

"It seems that Xiaoshan doesn't plan to let me see her again in this life. She... hates me so?"

Suzi calmly persuaded Kraig: "Mr. Jun, to be honest, I didn't hear how much she hated you when Sister Shan talked to me last time. Instead, she is grateful to you for taking care of her for so many years."

"It's just that she wants to know where she has offended you. Are you going to hunt her down like this?"

Kraig laughed at herself: "Is my search for her a kind of chase for her?"

Suzi's tone was sad: "Of course!"

Kraig: "..."

"Mr. Jun, have you ever thought about it. When you drove Sister Shan out of the house, she was beaten by Elma. I heard from her that Sister Shan came back again, but she was beaten again by Elma. , She was almost killed."

"I almost got rounded."

"You want this to happen. In these situations, Sister Shan must think you did it."

"She is afraid that you are going to die. She can't figure it out. Elma has robbed her of only more than one million yuan. Why don't you let her go?"

Kraig yelled, "You, how did you tell her?"

Suzi sighed again: "What can you say, Mr. Jun? She is really threatened from you. What will others say will be useful to her? It will only be a kind of pressure."

"She personally felt the threat of death, personally felt the kind of waiting for you for a few years, and then you let her cleanse out of the house, and count her only money as her salary this year and take it away from her. ."

"In fact, Mr. Jun, you brought sister Shan to all kinds of banquets and showed her to your face. If you change someone else, you find a big star, you can't give people a few million people a year?"

"What's more, will the big stars go home to cook for you, wash your hair, and pinch your feet?"

Kraig "..."

He has no place to show himself when Suzi said.

“So Mr. Jun, in fact, no matter what I say, Sister Shan will not believe me. She will only think that I and Arron are in the same group. We lied to her together. I might have said too much last time. She hasn’t called me recently.”

Thinking of this, Suzi felt sad.

Her tone darkened: “I don’t know if I can see Sister Shan in this life.”

Suzi doesn’t have many friends.

Lara miscellaneous calculations, only three or four.

She cherishes any friend very much.

Especially, when she first met Dalia, at that time Suzi felt that she might die, might be ruined by others, might be various, in that case, everyone suppressed her.

But Dalia alone took a bottle of water and handed it to her.

A bottle of water is worthless.

But that friendship, that equality, let Suzi remember for a lifetime.

Suzi was silent, and Kraig was even more silent.

Chapter 1441

Even Lilly snuggled in his father’s arms and did not speak.

Fortunately, at this time someone came in again to break the silence.

“Second uncle, you...what’s the matter with you? I went to the leisure villa and the domestic helper blocked me from letting me in. I was so anxious!” Lenny was the first one to come in.

He came after work in the company.

Immediately afterwards, Darius also came in.

His expression is not as anxious as Lenny, after all, Darius and Kraig are not so familiar.

Darius put down the flower basket he brought to Kraig, and looked at Suzi eagerly: “Xiangxiang, I have a meeting in the company today, and I didn’t care if the one who asked you was please, how are you now?”

“Sanford has completed the handover over there, right?”

Suzi nodded: “Well, my brother officially took office as the president of Xu Group yesterday. Yesterday was the weekend, and there was no one in the company. The executives were called in to explain to each other, and the handover went smoothly.”

“That’s good.” Darius was relieved.

After a pause, he asked again: “Then, Uncle Fu and Auntie, as well as Grandpa and Grandma Fu, are we all right after we left the old house of the Fu family the day before yesterday?”

When asked about this, Suzi glanced at Arron subconsciously.

Arron said immediately: “They are all right.”

Darius: “Oh, that’s good.”

He looked at Suzi again: “Xiangxiang, I know that this Sunday is a day of great joy and great sadness for you, but fortunately, the mother and daughter of Gu Jianing were also sent to prison, and the little girl I also set about sending abroad. It’s okay, I will get better later.”

Suzi nodded calmly: “I know my cousin, all the unsatisfactory things in life, this is nothing, I will adjust myself.”

After a pause, he asked Darius: “Cousin, what happened this weekend, you...didn’t you tell Galia and Rayna?”

Darius shook his head: “I have had a meeting today, and I haven’t had time to tell them.”

Suzi shook his head: “Don’t tell them, lest they worry about me.”

Actually, there is another reason why Suzi didn’t want Darius to tell Galia and Rayna.

She was really afraid that two of her best friends would laugh at her. On the big weekend, she actually had trouble with her man to the point of getting divorced.

Now think about it, how ridiculous.

“Don’t worry Xiangxiang, I won’t tell them.” Darius promised.

“Thank you.”

After seeing Kraig in the ward, the group returned one after another. Only Arron and Suzi’s family remained in the ward.

“Thank you.” Kraig said.

“Uncle Jun, you don’t want to thank us, just if... one day when Aunt Shanshan comes back, you must treat Aunt Shanshan well, do you remember Uncle Jun?” Lilly was very serious. Looking at Kraig.

Kraig also nodded very seriously: “Uncle Jun must have listened to the only words of Shen. When I get your Aunt Shanshan back, I will also learn from your father to be a slave to his wife, okay?”

Lilly nodded: “Okay.”

“What is Fennei’s wife slave?” Lilly asked, tilting his head.

Several people were all amused.

Suzi’s mobile phone rang out in laughter. Suzi took out the mobile phone while laughing, and she did not look at the ID.

She thought it was either Galia or Rayna.

I have been busy today, and the busy ones didn’t even say hello to Rayna.

Ninety-five percent is from Rayna.

Suzi pressed the answer button and said: “Rayna! I have no time to read the two artwork you gave me, I...”

“Suzi, it’s me.” Dalia’s voice was heard clearly on the other end.
