

I' m Sorry My Love Novel Chapter 1450 - 1451

Chapter 1450

Elma in the living room smiled nonchalantly: "Are you surprised?"

Suzi did not give in: "Of course! This is my house! My house does not welcome you! Get out of here!"

Suzi's anger was high.

She loves her man more, so she chooses to tolerate the relatives of the man. Originally, Arron didn't plan to come to the old house today.

It was she who persuaded the man: "After all, he is your father. The entire Fu family you own now is the result of the Fu family's lifetime efforts. In the face of your biological father, you can only tolerate, and nothing else. Law."

Only when he comforts her husband is he willing to come.

I thought it was here for dinner.

By the way, what the hell did their old couple do in Kyoto, but when they came here they discovered that Elma was here.

It was this woman who forced Sister Shan away.

It was this woman who almost killed Sister Shan.

This is the enemy!

"Who brought you to my house?" Suzi asked, seeing Elma's heart still.

"It's me." Fu Zhengxiong said behind him.

Suzi turned his head and saw Fu Zhengxiong with a calm face: "Dad? Do you know who she is? Do you know her? Why do you take all of them home?"

Fu Zhengxiong still said in a calm tone: “Xiangxiang, Dad apologizes to you for what happened a few days ago.”

Suzi: “.....”

It is really rare for Fu Zhengxiong to apologize to her.

She was flattered.

“Dad, you...” Suzi didn’t know what to say.

“For what happened a few days ago, Dad blamed you. Through this incident, Dad already knew your secrets on Gasing Island. Dad did not expect that Dadfa made such a terrible mistake more than 30 years ago. “Fu Zhengxiong said.

Suzi: “.....”

Even Arron looked at his father dumbfounded.

Fu Zhengxiong suddenly realized that he might talk too much.

After all, Elma’s mental arithmetic is an outsider.

He immediately changed the subject and pointed to Elma and said to Suzi and Arron: “Dad had a migraine headache the day before yesterday, and the headache was severe. To put it bluntly, my father was angry that day. Although my father now knows that he is responsible for it, he was in pain at the time. It’s amazing. I only heard that the old man from the Qiu family in the capital is good at getting the needles. Dad and your aunt went to Kyoto together.”

“This is Elder Qiu’s daughter.”

Suzi: “.....”

“Dad heard about Elma and Kraig. Dad and Aunt no longer talk about your young people. Elma and your aunt are very close to you. Your aunt recognized her as a goddaughter. She came to Nancheng this time. Specially follow up my migraine problem.”

Elma smiled and looked at Suzi and Arron: “Four Brother Fu, sister-in-law.”

Suzi: “.....”

“Elma, you are a guest, and you have just arrived again, and you are struggling all the way. Let’s go back and rest first.” Fu Zhengxiong was considered to support Elma.

Elma is also very knowledgeable about current affairs, and she immediately said: “Okay Uncle Fu, then Brother Fu, sister-in-law, I’ll go one step ahead.”

If the words were necessary, Elma left obediently.

In the huge living room, only the three of Fu Zhengxiong and Arron were left.

“Dad knows it all.” Fu Zhengxiong said straightforwardly.

Chapter 1451

Arron: “What do you know?”

“The fourth son of the Pan family, Haoyang, he is the biological child of your mother and me, and your twin brother. We did see Pan Haoyang when we went to your mother’s grave on Sunday afternoon.”

Arron: “What about others!”

Fu Zhengxiong glanced at his son, his tone was a little flattering: “Arron, he...was drunk at your mother’s grave that day. If it weren’t for me and your aunt to save him, she You will die if you die, do you know?”

Arron: “He is my own brother! I know it naturally!”

“In my life, except for the only one who is my relative, I have been looking for him, but his rampage is obviously a desperate way of playing, so I have never dared to approach him since he was drunk. Before my mother’s grave, you saw him why didn’t you give him to me!”

Fu Zhengxiong: “You... what did you say Arron?”

“That’s my brother! The brother of a compatriot!”

Fu Zhengxiong: “.....”

Arron said coldly to his father: “Although the Fu Group is a country from your ancestors, it’s true, but in my generation, only me and Pan Haoyang are the only ones who are your biological son. Shouldn’t it be yours? Half of the family property!”

“Where did you get him!”

Fu Zhengxiong suddenly cried: “My son, I...if I knew you were thinking like this, I...I would not send your brother out.”

Having said that, the old man suddenly cried very pitifully.

“You... the three older brothers above you, and your cousins, you don’t even keep alive, you do things harshly and harshly. Dad has seen it with his own eyes, and now there are still others left. He’s one, dad is afraid...”

Fu Zhengxiong didn’t finish speaking, but Arron understood.

He sneered: “Do you think I’m still alive?”

Fu Zhengxiong did not answer flowers.

“Dad!” Arron rarely yelled Fu Zhengxiong’s “Dad”. Now in a rage, he called out.

“Dad, you just think that I don’t even have a life for my own brothers. You know, when those sons united to put me to death, they locked me in the dark and old villa. Why don’t you think they are vicious when they have left me with a breath of poison?”

“If it weren’t for Suzi! I would have died seven years ago!”

“Before they didn’t harm me, I didn’t even want to return home, how could I think of killing them!”

“But, where’s my mother?”

“How innocent my mother is!”

“He was killed by you and Qin Wenyu’s sons and spent more than ten years in jail!”

“Now you are saying that I’m cruel to my brothers, Dad! No matter how cruel I am, I haven’t taken the initiative to kill anyone, I just followed my own principles!”

“My principle is that I am not annoying if people do not commit crimes against me, and if people commit crimes, I will undoubtedly die!”

Fu Zhengxiong: “.....”

Having said this, Arron sighed and laughed: “Things are over, and what are they doing? Where is he now?”

Fu Zhengxiong wiped out old tears: “Dad, I’m afraid that you won’t save his life, so...take him from Kyoto to the northwest of the avenue, and then go to the northwest border to go abroad, just before leaving. At that time, my father gave him several hundred million in the coffin of me and your aunt. Arron, you don’t have to worry about his life abroad. A few hundred million is enough for him to live.”

Arron: “...”

After a pause, he said, “That’s all we can do right now. After he settles abroad, you tell him that if the foreign country can’t let him come back, Nancheng will always have half of his family business.”

“Even if he doesn’t recognize his parents, but my brother, I never apologize to him, right?”

Fu Zhengxiong nodded: “My son is right. I don’t worry about him when he is abroad. His temperament is different from you. He...like a spoiled child, I don’t worry. I...I will inform him now and let him return home immediately. We...the three of us, father and son, will be reunited.”

After speaking, Fu Zhengxiong immediately called Pan Haoyang.

However, a cold voice came from the other end: “The number you dialed does not exist.”
