

# I' m Sorry My Love Novel Chapter 1454 - 1455

## Chapter 1454

Alyce said calmly: "Okay. It's okay to not me."

Yubi, she put down the fan in her hand and left her belly.

The leading aunt: "..."

What did she say?

She just felt that the ninety-year-old man in a wheelchair was rather pitiful.

A father can ask for peace like this, but how can a daughter be so cruel?

No wonder!

A while ago, the daughter named Gu came to find fault, no loss!

The aunt muttered straight behind her.

"Don't persuade others to be kind to others without experiencing her people's suffering." A faint voice came from behind.

The aunt looked back, and immediately asked puzzledly: "Master Shu, your daughter has never accepted you. I look at you every day and look at your daughter from a distance. I can't say a word to her. I think you are really the two of you. I'm speaking for you, so why are you still screaming?"

Elder Shu sighed faintly: "Eh, I said damsel, have you lived with your parents since childhood?"

The aunt nodded: "Yes, old man, whose children didn't have children when they were young, ah?"

Hearing what the aunt said, Mr. Shu said with a shameful expression: "If you are born, your father will not recognize you."

"Not only does it deny you, but when I see you when I am hungry, I add bad words to you."

Aunt: "Huh? There is such a father in the world?"

"Not only did you add bad words to you, your father also held other people's little girls and treated her like a princess. Everything that was delicious and delicious was given to other people's little girls, causing other people's little girls. Dare to bully his biological daughter blatantly."

"He even instigated the domestic helper and kicked the biological little girl out of the gate."

"If it were you, what would you do?"

"Animals! Animals are inferior! There is such a father in this world?"  
The aunt's face flushed with anger.

"If my father is such a person, I won't recognize him for the rest of my life! No! I just cut him off! This kind of father is not worthy of being a man, this kind of father is inferior to a pig and a dog, this kind of father just died!"

"No, sir, you..."

"I am the father, and Alyce is my child, but I have never fulfilled my father's responsibility for her for a day." Elder Shu said sadly.

"I didn't realize the importance of my biological daughter until I was old."

"But Alyce was called an illegitimate child because she had no protection from her father since she was a child, and she has been bullied since she was a child, so she didn't forgive me for a reason."

Aunt in her fifties: "..."

After a pause, the aunt said in tears: "I really didn't think about it, there is a father who has become too much like you in this world. I don't feel

sorry for my daughter, but let other people's children bully their own children."

"You said that the noble and princess-like child of other people's family is Gu Jianing, right?"

"That's really domineering! I came to the dance company half a month ago and pointed at Alyce."

Elder Shu: "It's my fault..."

"It's indeed your fault!" the aunt scolded angrily.

"Don't blame my daughter, okay, don't drive her to leave the dance company, she has been displaced all her life, and finally reached this grade, she has a little hobby, and can play with the fire. I hope she can be happy. ."

The aunt said: "That's natural! I don't need you to explain that I have to go and invite her to make amends for her!"

The aunt did what she said. Early the next morning, the aunt came to Alyce's residence and sincerely apologized to Alyce: "Old Shu, I'm really damned. I only see the side of things, and I don't know that you have suffered a lot since childhood. So many grievances."

"I was wrong yesterday, would you forgive me, Lao Shu?"

## **Chapter 1455**

Alyce was never an unreasonable person. She smiled and said, "Come and invite me to go back to dance?"

The aunt also laughed and said, "That's all secondary. The most important thing is to apologize. If I did something wrong, I must apologize. Of course, I must invite you back to the dance troupe. Although you started late, you dance. Decent, you are the soul of our dance company."

Alyce: "Where, where."

The two young middle-aged men laughed immediately.

After laughing, Alyce couldn't help asking: "Why do you remember to apologize to me again? Who told you about my family affairs?"

Speaking of this, the aunt could not help sighing: "Old Shu, although your experience is so terrible, I also think your father is too unhuman, but these words were originally told to me by your father. ."

"He also told me that without suffering from others, don't persuade others to be kind."

"He said that he was sorry for you, so you are right to ignore him for the rest of your life."

"Originally, you didn't ask me, and I didn't want to tell you these things. The old man didn't let me tell you. But if you asked me, I just said something. I think that old man is ninety years old, let him live. How long can you live?"

Alyce: "..."

On this day, Alyce did everything absent-mindedly.

I was thinking about the words the aunt said to her: "How long can he live?"

Sometimes, when she was dancing, the gray-haired old man was sitting in a wheelchair and watching secretly.

There are mixed flavors in Alyce's heart.

The next day, when she went to the dance troupe again, she never saw Elder Shu again.

I don't know why, there is so little emptiness in my heart, and there is also absent-mindedness in dancing.

When returning home from the dance troupe, as soon as he passed the fork in the road, Alyce saw the figure with a wheelchair.

She hurried to the wheelchair.

Elder Shu was caught upright. He raised his head and looked at Alyce with great shame: "Alyce, I...I don't go to see you where you practiced,

and I am not here anymore. Staying at your door, I...I just passed by today.”

“Passing by?” Alyce sneered.

Elder Shu said: “There is a decoration team near your house. They decorate both indoors and outdoors. They also repair the old house by the way. When I was outside your door a few days ago, I saw that the corner of your house sank a little. “

“If one corner of the wall sinks, the rest of the walls will become unexplainable. I’m here today to tell the decoration team that they will come and repair the house for you.”

Alyce: “...”

“Alyce, I...I won’t appear in your sight anymore. I’m leaving, you pay attention to your house.”

Alyce: “...”

Looking at the old man Shu walking away, Alyce called Suzi: “Xiangxiang, you told your mother that your mother wants to forgive him...?”

Suzi was taken aback for a moment, and then asked: “You mean, Mr. Shu?”

Alyce: “Yeah.”

Suzi’s tone was very gentle: “Mom, in fact, many things have passed. We can’t remember many hatreds for a lifetime, otherwise it will be our own pain. If he treats you...look at yourself, you want to forgive him, You can forgive, if you are still due to it, don’t force yourself.”

“Anyway, you have to be happy.”

Alyce had a sudden open feeling: “Mom knows.”

Suzi also smiled and said: “In short, life will get better, and we will all become happier mothers.”

Suzi was right. The days will go on, and it will gradually get better.

In a blink of an eye, more than half a month passed.

This morning, when Suzi was about to go out for work, her mobile phone rang, she picked it up and looked at it, and she was pleasantly connected: "Sister Shan..."
