

I' m Sorry My Love Novel Chapter 1456 - 1457

Chapter 1456

At that end, Dalia's tone was a little apologetic: "Suzi, are you okay now?"

Suzi was very happy: "Sister Shan, I'm fine, where are you good? Sister Shan, I'm really happy whenever you take the initiative to call me, Sister Shan, you know, I don't have many friends. Yes, I especially hope to see you again in this life. I still have some savings."

"I'm telling you that all of my savings are from my work this year."

"It's not for being a wealthy wife."

"You know that my monthly basic salary is more than 10,000 yuan. I have taken a lot of projects in a year. I took a little bit. My expenses are not very large. I saved it after a year of miscellaneous work."

More than 200,000 yuan, or you can give me an account and I will call you. When you have a baby and become rich, you will pay me back slowly. "

Hearing Suzi's repeated voices, Dalia was very moved.

"Suzi, you are so kind to me, but it doesn't matter, I'm pretty good now, I can work by myself, I am..."

Dalia was half talking, and she hesitated.

Suzi asked, "Sister Shan, what's the matter?"

Dalia said: "Suzi, when I went out to look for work, I saw one or two strangers who were looking for them in the town. Fortunately, I was wearing an old cotton jacket with my mother on top of my head. So they didn't see me clearly, I...If Mr. Jun's people keep looking for me, I can't go out and find a job."

Suzi: "....."

How would she tell Dalia?

Kraig was unwilling to abandon her to death.

But sister Shan's heart does not belong to Kraig.

"Sister Shan..." Suzi hesitated.

Dalia's voice dimmed: "Mr. Jun disagrees, he... still wants to chase me, right?"

Suzi immediately explained: "Sister Shan, I want... I want to tell you, Mr. Jun, he... he loves you, do you believe it?"

"Of course I don't believe it!" Dalia said immediately.

Suzi smiled bitterly: "But sister Shan, Arron and I have both persuaded Mr. Jun. He really wants to find you, but he is not chasing you because you owe him something to say, he is because of love. You, he wants to find you."

Dalia: "..."

There was no sound at the end of the phone for a long time.

Suzi shouted: "Sister Shan, Sister Shan..."

Dalia smiled miserably: "I know Suzi. I understand. I know Kraig a little bit better than you. It's okay. Suzi, don't interfere in this matter. I'm afraid. Affect you."

"It's okay Sister Shan, as long as you need me, tell me. I will do my best to help you." Suzi's tone was very sentimental.

But Dalia comforted Suzi in turn: "Sister is a few years older than you, and she has a more thorough understanding of human relationships than you. Kraig's influence is too great. He looks easy-going and easy-going, but in fact, he is also very good at getting along with him. Cruel, you should stop interfering in this matter in the future. I don't want you to offend her. After all, you have children to raise."

Suzi: "....."

For some reason, she wanted to cry at this moment.

Sister Shan has already reached this point, and she is still thinking about her.

“Sister Shan...”

“Suzi, you have to take care of yourself and take care of your only one. If we are destined in the future, maybe we can see each other again. By then, it will be great for my child and your child to play together. “

“Yeah, it’s necessary, Sister Shan!”

“I’m hanging up, Suzi.”

“Sister Shan...”

On that end, Dalia had already hung up the phone.

Chapter 1457

Suzi’s tears fell suddenly.

For more than a month, she hasn’t contacted Kraig much, and it is true that she has a lot of work on her own.

At this moment, after Dalia hung up the phone, Suzi immediately dialed Kraig’s cell phone.

At the other end, Kraig answered quickly: “Suzi, Ashan called you, didn’t he?”

Suzi’s tone was very aggressive, very aggressive: “Kraig! I was wrong when I urged you to find Sister Shan! I really shouldn’t have forced you to find her. Actually, Sister Shan... “

“Sister Shan really doesn’t love you anymore!”

“Besides, it was you who chased her away at that time. This is absolutely true. You can’t chase her away if you want to chase her away. If you want her to come back, you have to let her come back. Sister Shan is a human. !”

“She doesn’t owe you, let alone your merchandise!”

“Kraig! Don’t go to Sister Shan anymore, let her be free, okay!”

At that end, Kraig quietly listened to Suzi’s words, and then said coldly: “Suzi! All the women in this world, only you dare to speak to me in this tone!”

“I just talked to you like this, what are you doing! You killed me!” Suzi was really angry.

Kraig’s laughter turned out to be a bit sad: “Suzi, the first time I saw you, I knew that you are different from others. You have integrity and cruelty. You would rather die than be inflamed, you know. Do men like this characteristic of you more?”

“I, Kraig, have not respected many women in my life, you can count as one.”

“So how could I kill you? What’s more, you are Arron’s wife?”

“If I kill you, do you know what Arron will do to me? It’s not just as simple as killing me, he will cut me off.”

Suzi smiled contemptuously: “In that case, Kraig! Then please stop harassing my sister Shan! First of all, you drove her out! Since you have driven people out, don’t you stop eating the grass, right? “

“Secondly. Sister Shan doesn’t love you anymore! If she doesn’t love you, do you understand?”

Kraig’s tone was very flat: “I didn’t understand!”

Suzi: “You...”

Just about to swear, Kraig’s tone over there said in a very dim and sad voice: “Suzi, can’t I be wrong? Your man Arron can spend six years to get you this priceless treasure back, I Why can’t it?”

“Do you know how difficult it is for a man to meet a woman who pleases his life?”

“I just want to see her, I want to ask her in person if she wants to come back with me, am I too much?”

Speaking of later, Kraig’s tone even became extremely humble.

To be humble, just like Dalia’s tone.

Suzi: “.....”

At this moment, she really didn’t know what to say.

Behind her, at some point, Arron walked over, and he lightly embraced Suzi’s shoulders: “We outsiders cannot intervene in the grievances between them. It is a blessing or a curse, and we can only look at their good fortune. Up.”

Suzi nodded helplessly.

She said into the receiver: “Mr. Jun, I know I can’t control any of you, but I beg...When you look for Sister Shan, you must use the gentlest means, okay?”

Kraig said at that end: “I assure you! I am looking for her, I am not hurting him.”

“Okay. Thank you.” Suzi said weakly.

If the language was necessary, she hung up the phone.

At that end, Kraig said to the earpiece to herself: “Ashan, you say that you live in the simplest form every day, but you have made a good friend like Suzi, let alone you, if I dare not tell you half of it. Okay, even Suzi can kill me, Ashan, do you know that you have a backer?”

“Your Ah Shan, how is it better than me!” a voice suddenly roared behind him.
