

Chapter 1461: I Missed You

Lu Ning felt very proud. "Second brother, that's because Yin Zhihan has good looks. Unlike you, only know how to use brute force!"

Lu Fan rolled his eyes at Lu Ning. It was true that one could not keep a maiden's heart. The longer she stayed, the more she grieved. Once she had a man, she forgot about her brother.

However, he felt balanced in his heart. Back then, Yin Zhihan had also experienced the same kind of mental journey. Once Yin Linger went to the kindergarten, she no longer gave him any more candies. Instead, she gave them all to Zhou Pingan.

"Ah Ning, don't be so busy protecting him. Let me ask you. There is another mission in the future where he needs to use his charms. When that time comes, he will deal with those butterflies surrounding him again. How would you feel?"

"I..."

"The key is, Ah Ning, Yin Zhihan can not disclose your relationship to the public. In other words, no matter what stage you both are in, you will not have a status. Do you know what status means to a woman?"

Lu Ning was stunned for a moment. She had not thought about these questions before she got together with Yin Zhihan.

However, after her brother mentioned it, there were many practical issues between her and Yin Zhihan. As the saying goes, it was easy to fall in love with each other, but challenging to get along with each other.

"Second brother, previously, Yin Zhihan pursued me, but I rejected him as I always felt insecure. I could not hold a man like him. But now that I know his identity, I did not hesitate to be with him because I found the security I wanted."

"Security is a very mysterious thing. I can only say that I believed in him from the moment I chose to be with him. At the same time, I will support his career. If he has to use the beauty trap in the future, then I am willing to become the woman behind him."

"As for status, this is not a problem for me to consider. Yin Zhihan is a calm and wise man. I believe that he will have an explanation for me."

Lu Fan saw confidence and certainty on his sister's face. It was probably the magic brought about by love.

Lu Fan placed his two strong arms behind his head and looked at the crystal chandelier above his head in boredom. A petit, delicate face appeared in his mind. It was Ou Xuyan

“Got it. You can leave now. Remember, you are the daughter of the Lu family. No one can bully you.”

Lu Ning felt warmth in her heart. Her second brother was telling her that the future was hers and the choice was in her hands. No matter what choice she made, the Lu family was her strong support.

Lu Ning was pleased to have such a brother.

..

At six o'clock in the evening, the door of the villa opened, and Yin Zhihan returned.

Lu Ning heard the sound of the door opening in the kitchen. Her eyes lit up, and she flew out like a happy little bird. “Zhihan, you're back?”

The girl rushed into his arms with a sweet face. Yin Zhihan quickly stretched out his long arms to catch her and hugged her. “Run slower. Why are you in such a hurry?”

Lu Ning hugged his neck with two small hands. “I missed you...”

Yin Zhihan's delicate face filled with tenderness. Previously, Lu Ning was like the Moon in the sky to him. He could only see her but couldn't touch her.

Lu Ning was like a different person now. She was as passionate as fire and would cling to him for a hug. She could also keep up with his rhythm on the bed and take the initiative to go to the top with him.

She was such a free and easy-going girl who dared to love and hate.

“I miss you too, very, very much.” Yin Zhihan turned her petit face and opened his mouth to bite her tiny mouth.

Lu Ning giggled in his kisses. “Oh, no, let's eat first...”

Chapter 1462: Are You Willing to Give up on Me

Even though she had rejected him, but her intention was somewhat welcoming as she pushed him away. Moreover, her soft body was wriggling in his embrace. Yin Zhihan's waist and abdomen were instantly numb.

“We'll eat later. Now I want to eat you.” Yin Zhihan grabbed her tiny waist and dragged her upstairs.

Lu Ning's blushed. She pointed to the room next door and reminded him softly, “My second brother is here. He's sleeping. Don't wake him up.”

“I know. We spoke on the phone.”

“Then why are you...”

“If you don't make any noise, he won't hear you.”

The two of them entered the bedroom together. Yin Zhihan closed the door and lifted Lu Ning by her waist. Finally, he pressed her against the wall and reached his big palm into her shirt.

“You're wearing my shirt?”

“Yes, I don’t have any clothes to change... Oh man, your watch pulled the thread on my shirt...”

Yin Zhihan’s action was too fast, causing the expensive watch on his wrist to get stuck in the corner of Lu Ning’s shirt. Lu Ning grabbed his big palm and asked, “How do I undo this?”

“Take your time...” Yin Zhihan’s voice was hoarse. His left hand reached into her shirt and pushed it up. Then, he lowered his head.

“Ah!” Lu Ning screamed and slid down.

But she quickly bit her lower lip with her teeth, not allowing herself to make any sound. Her second brother was still next door.

“Yin Zhihan, don’t...”

Her voice was so soft that it didn’t sound like her own. It made her blush.

The white shirt slid down and covered the man’s head. Lu Ning raised her swan-like neck and tried to catch her breath. She never dreamed that a man like Yin Zhihan would crawl into her clothes one day. Do such a shameful thing with her.

Suddenly, her mind went blank.

After a few seconds, Yin Zhihan crawled out. He kissed her full and bright red lips and said with a hoarse laugh, “How can it be so fast? I haven’t started yet!”

Lu Ning clenched her petit fist and punched him real hard. Her tiny face was burning hot as it was just too embarrassing.

Yin Zhihan’s body temperature was scorching. He held her soft petit hand and guided her down. “Baby, feel your charm. He’s about to jump out.”

Lu Ning wanted to cover her ears. She dared not listen to his nonsense.

At this moment, there were two knocks on the wall behind them. Then came Lu Fan’s voice. “Although the soundproofing here is excellent, you guys made too much noise and woke me up.”

Lu Ning was speechless.

Yin Zhihan took two deep breaths and suppressed the restlessness in his body. He held her petit hand and licked her red lips repeatedly.

Lu Ning lowered her eyes to look. She felt her mouth dry and quickly swallowed her saliva.

Yin Zhihan pressed against her and asked hoarsely, “What did your brother tell you today?”

This old fox wanted to get her to spill the beans now!

“My second brother doesn’t approve of me to date you...” Lu Ning looked at him with seductive eyes.

“Well, what did you say?” Yin Zhihan’s expression did not change. He only raised his straight eyebrows.

“I won’t tell you...”

“Ha,” Yin Zhihan laughed, then pressed down on her red lips and said, “Are you willing to give up on me? This thing of mine is beyond compare to other men. It can make you scream.”

What was he saying?

Lu Ning subconsciously squeezed her legs. In his voice, electricity coursed through her entire body, and her mind was about to go blank again.

“Ha.” Yin Zhihan laughed.

Lu Ning was so hot that sweat covered her tiny delicate face. It was apparent that his manly appearance tormented her.

Chapter 1463: Second Brother, Xuyan Is Here

She finally knew why ELA and Ann were so infatuated with him that they even threatened to jump off a building. It was all because this man was too seductive.

Who could stand him?

“I didn’t abandon you...” She pouted her red lips and said softly.

Yin Zhihan forced a kiss on her lips as a reward. “My baby is so obedient!”

He didn’t need to guess what Lu Fan had said. As Lu Ning’s second brother, he would not accept his sister’s boyfriend as the new head of the IRS. He did tell her in the beachfront house that he thought he might be alone for the rest of his life on that day.

“Ah Ning, you were the one who told me that I could be more greedy and selfish. So, don’t let go of me. Please don’t abandon me. I want to be with you forever.”

“I know your second brother’s worries. Give me some time. The IRS is restructuring. In the future, it will merge with the United Nations Security Agency. I will withdraw from the frontline and focus on training the new batch of elite talents. I may not be able to announce my relationship with you right now publicly, but my heart for you will go on forever.”

Yin Zhihan pressed her soft little hand on his heart.

Lu Ning humphed. “You only do sweet talks. Without any promises, you treat me like a three-year-old girl?”

“I . . .”

“Shh.” Lu Ning stretched out her slender white index finger to block his thin lips. She looked at him with a bright smile, “But, I like it. I’m willing to be with you. Yin Zhihan, I’m willing to use the best time of my youth to bet with you. Will you let me win?”

Yin Zhihan quickly grabbed her petit hand and kissed it. “With my life, I swear. I’ll make sure you win.”

Lu Ning stretched out two slender arms and hugged him tightly.

Since she was in love, she had no regrets.

Yin Zhihan hugged her back tightly and kissed her hair with infatuation. How thankful is he that he could have her in his life?

When the two of them were amid their passions, the doorbell rang.

“Who is it?” Lu Ning let go of Yin Zhihan and asked.

Yin Zhihan shrugged. “I don’t know either.”

Lu Ning looked at him unhappily and said, “Who are you kidding? It is your territory. Could it be that your old flame comes looking for you?”

“Which old flame? I only have one.” Yin Zhihan said as he hugged her.

Lu Ning giggled and jumped away. “Stop fooling around. Someone is knocking on the door. I’ll go get the door.”

..

Downstairs, Lu Ning opened the door of the villa. A delicate and spirited figure was standing outside the door.

“Lu Fan, come on out. Please explain clearly today!.Lu Ning...” Ou Xuyan, who was outside the door, blinked her beautiful eyes at Lu Ning.

Lu Ning immediately revealed a joyful smile. “Xuyan, it’s you. I haven’t seen you for quite a while. How are you?”

Ou Xuyan was wearing a cream-colored Korean-style coat. Her long black hair permed into seaweed-like curls. Her skin was translucent, and her delicate facial features were unforgettable.

“Lu Ning, I’m fine. Where’s your brother? I have something to discuss with him.”

“Xuyan, please come in. He is sleeping upstairs. I’ll go get him.”

Ou Xuyan entered the living room, and Lu Ning ran upstairs to wake Lu Fan.

“Knock, Knock.” She knocked on the door twice, and Lu Fan’s deep voice came from inside. “Come in.”

Lu Ning pushed the door open and went in.

Lu fan was already awake, but he didn’t open his eyes. He only asked lazily, “What’s the matter?”

“Second brother, Xuyan is here.”

Chapter 1464: Why? You Took a Fancy on Me?

Lu Ning was a little excited. Her second brother wanted to marry Ou Xuyan when he was young. He joined the army because of Ou Xuyan. Even Daddy Shaoming and Mommy Qingqing could not handle this little devil of the Lu family. However, Ou Xuyan's influence on him was significant.

Now that her second brother's sweetheart was here, Lu Ning was excited. On the one hand, girls always liked to gossip. On the other hand, she hoped that her brother could be blissful.

However, Lu Fan remained expressionless. He raised his eyelids and said, "Let her go. I don't have time to see her."

Lu Ning was shocked. "Second brother, are you awake? Xuyan is here. Xuyan, don't you like..."

"Who likes her?" Lu Fan interrupted Lu Ning impatiently. "Ah Ning, don't meddle in my affairs. Just continue with your love affair."

Lu Ning was speechless.

"Lu Fan, come on out. Why can't you see me? Are you feeling guilty?" At this moment, Ou Xuyan rushed in emotionally.

Lu Fan didn't move. He just turned and glanced at Ou Xuyan by the door and laughed coldly. "You chased after me for the past two years. Now you even chased me from home to Macau. Why? You took a fancy on me?"

Ou Xuyan's petit, delicate face instantly blushed. She said in embarrassment, "Who fancies you? You're such a bastard! You have already destroyed the Green Sect. Why are you still keeping brother Adin captive and not releasing him? I asked my father to get him out. But they said you handled his case. Without your approval, they could not release brother Adin."

"Lu Fan, who would want to chase after you if you let brother Adin go? When can you release him? You are abusing your authority."

Brother Adin?

Lu Ning heard about this person. Lu Fan's heart broke when he was 17 years old. Ou Xuyan had fallen in love with brother Adin, her childhood friend.

Brother Adin was Gong Ling and Ali's son. Previously, Ou Ze framed Ou Luoxi. Gong Ling of the Green Sect saved him. When Ou Luoxi and Xia Xiaofu retired, Gong Ling and Ali took on the Green Sect. Ou Xuyan was a friend of Gong Ling's son, Adin, since childhood. Brother Adin was the son of Gong Ling and Ali. The two of them were very close.

Lu Fan's expression was calm when he heard the name "Brother Adin." However, his stubborn jaw turned stiff. He said, "I'm just abusing my authority. What can you do about it?"

“You! Lu Fan, why are you doing this? What did brother Adin do to You?”

Lu Fan sneered and then spat out a simple sentence, “I don’t like him!”

“Lu Fan!” Ou Xuyan immediately exploded. She waved her petit hand and pulled the whip out around her waist. “Lu Fan, I’ll teach you a lesson today.”

She whipped at Lu Fan.

Lu Ning’s pupils constricted. She was a wealthy young lady and rarely had the chance to see someone like Ou Xuyan, who had unique fighting skills, so she was stunned.

“Brother, be careful.” When she realized that the whip was heading towards Lu Fan, Lu Ning quickly ran over to stop Ou Xuyan.

At this moment, a strong arm reached out and grabbed her petit waist, pulling her back. She landed in a warm embrace. “Lu Ning, are you crazy!”

Lu Ning looked up and saw Yin Zhihan looking at her angrily.

“What if you got whipped? Do you want to be beaten?”

“I, I didn’t think so much.” Lu Ning stuck out her pinkish tongue and stammered.

Yin Zhihan sighed helplessly. Then, he guided her by her waist and retreated to the side. He looked at the two people indifferently. “It’s a competition between experts. You, a mortal, stand here and watch.”

Chapter 1465: Don’t Anyhow Touch

Lu Ning was speechless.

Was she being despised?

Ou Xuyan waved the whip in her hand as she approached Lu Fan, lying on the bed. The whip was about to hit him, but Lu Fan did not move at all.

Ou Xuyan was about to hit him, but at this moment, he suddenly stretched out his large palm and grabbed the whip. Xuyan’s eyes changed, and she wanted to pull back the whip. Lu Fan pulled hard, and his tall figure jumped up like a cheetah. Then, Xuyan flung onto the bed.

Xuyan’s delicate back pressed against the bed, and she immediately wanted to get up. However, Lu Fan’s handsome and unruly face was magnified in her sight. He held her whip with one hand and pressed it against the side of her head. He smiled and said, “Since you’re here, where else can you be?”

The posture of the two was somewhat ambiguous. Lu Fan stood above Xuyan and pressed her under him.

With the thought that Lu Fan was sleeping on this bed earlier, Ou Xuyan’s petit face blushed. She could almost smell the clean, masculine smell of green fruits on the man.

“Bastard, get lost!” She immediately stretched out her right leg and wanted to kick him.

“Wild Kitty!” Lu Fan cursed in a low voice and then pressed one of his legs against her restless leg.

The two of them were in a close-up again. Ou Xuyan was pressed so hard that she could not move. She widened her almond-shaped eyes in anger. "Lu Fan, don't come so close to me. Go away!"

"You took the initiative to climb onto my bed, and now you want me to go away. Which part of your words are true, huh?"

Climb onto his bed?

What was he saying?

Ou Xuyan wanted to whip his handsome face. But she could only admit defeat. She fought with him many times in the past few years, but the man was far superior in speed and strength.

She had practiced martial arts since she was young and had received the entire teachings of her father. However, she did not expect to meet an opponent she could not defeat no matter how hard she tried. She really hated him!

When he was young, he burned her hair. Ever since then, she hated him!

"Get lost!" Ou Xuyan struggled to get up, but she quickly realized that something was wrong.

"What is this? Lu Fan, you are despicable. You hid a weapon!"

Lu Fan held her little hand. "Woman, don't anyhow touch it!"

"Who anyhow touched what? Did you poke me?" Ou Xuyan wanted to use her gaze to poke two bloody holes in his face.

Lu Fan's gaze darkened and seemed dangerous. He lifted his lips into an unruly smile. "Don't tell me you don't know what I used to poke you?"

It can't be. Lu Fan couldn't quite believe it..

This woman had been with that Ding guy for a long time. The whole Green Sect knew that she was the future young Madam. How could she be a virgin?

Ou Xuyan didn't know what he was thinking. She just felt the stick that poked on her lower abdomen make her quite painful.

"I don't know. Lu Fan, let go of me!"

She really didn't know!

Lu Fan stared at her petit face. "Since you don't know, then I have to show you this powerful weapon..."

Lu Fan held her petit hand and guided her down as he spoke.

He then grunted.

Ou Xuyan looked up at him. His eyes were red and his gaze became hot, as if he wanted to devour her. In short, the gaze was quite— dirty.

Chapter 1466: I Will Cripple You

Ou Xuyan's face blushed. She suddenly realized what she was holding. "Lu Fan, go to hell!"

She pushed him away with force and jumped up.

Lu Fan retreated off the bed and looked at her with his hands on his hips. He seemed very arrogant.

Ou Xuyan felt that her hands were burning. The scorching temperature she just felt was still intact. It even moved in her hand.

"Lu Fan, you're shameless. You tricked me into grabbing that thing of yours. Next time, I'll grab and break it, turning you into a eunuch!"

Lu Fan was wearing a black tank top, camouflage army pants, and a large tent in the middle of the army pants. The outline of the tent was clear.

He raised his sword-like eyebrows, and he didn't feel that he was wrong at all. It was this woman who came to him on her initiative.

"Okay, then I'll wait. Whether you can make me a eunuch or not will depend on your ability!"

After saying that, Lu Fan turned and entered the bathroom.

"Hey, where are you going? Lu Fan, don't go. It's about brother Ding..."

Lu Fan suddenly turned, and Ou Xuyan almost bumped into him. "I'm going in to take a shower. Why? Are you interested in taking a shower together?"

Ou Xuyan was stunned. Then, she looked up and down at his figure. His figure was quite explosive.

He had firm muscles, broad shoulders, a narrow waist, and a perfect mermaid line. The eight-pack abs around his waist were dazzling. He was the best-looking figure she had ever seen.

Ou Xuyan let out an "Ah" and covered her face with her petite hands. She scolded, "Lu Fan, you turtle bastard!"

"Ha." Lu Fan smiled and entered the bathroom.

..

Yin Zhihan had long dragged out Lu Ning. She stood on her tiptoes and looked into the room, complaining, "How is my second brother and Xuyan? Why didn't you let me see? What if they fight? I want to go in and stop the fight."

Yin Zhihan stroked her hair and comforted her, "Don't you know your second brother? He won't fight with Ou Xuyan."

"But..."

"No buts." Yin Zhihan put his arm around her shoulder. "What did you prepare for dinner? I'm hungry."

She was such a silly girl and knew nothing. It was inappropriate to watch Lu Fan and Ou Xuyan fight. Lu Fan, that sly old fox, led Ou Xuyan to the bed. It was inconvenient for others to be around.

Lu Ning raised her head and looked at Yin Zhihan happily as he diverted her attention. She whispered mysteriously, "Pig's kidneys..."

Yin Zhihan's eyebrows lifted. His big palm pinched her slender waist. "Do you know what pig's kidney is for?"

"Yes, I just... want to nourish your kidney." Lu Ning smiled charmingly.

Yin Zhihan rolled his Adam's apple and reached out to pull her into his arms. "Little woman, we've just started, and you want me to nourish my kidney. It looks like I didn't satisfy you last night. Let's go upstairs. I want to prove my strength now."

Lu Ning giggled and avoided him. "Don't pull. I'm joking..."

"You're not joking. You're flirting!"

"Aiya, Zhihan, really don't pull. My second brother and Xuyan will come down in a moment..." Yin Zhihan forced her to a remote corner and bullied her.

Listening to her soft murmur, Yin Zhihan refused to let go.

A melodious ringtone sounded. It was Lu Ning's call.

"Stop, stop, stop, I have a call!" Lu Ning quickly pushed Yin Zhihan away and picked up the phone.

"Hello..."

Yin Zhihan hugged her from behind and buried his head in her neck.

Chapter 1467: The Baby Moved

Lu Ning's beautiful face filled with a sweet smile. Her petite hand pinched his muscular arm, trying to get this clingy guy to stay away.

"Hi, Ah Ning," Yin Ling'er's sweet voice came through. "Hurry up and come home. I'm getting married."

"What?" Lu Ning was shocked.

..

That evening, Yin Zhihan, Lu Ning, Lu Fan, and Ou Xuyan took a plane and flew home.

The wedding banquet venue was in a luxurious manor. Lu Ning pushed open the bridal lounge door and walked in. "Ling'er."

Yin Ling'er sat in front of the dressing table while the makeup artist did her hair. Hearing her voice, she quickly stood up and said excitedly, "Ah Ning, you're back."

Lu Ning ran up and hugged Yin Ling'er. "Ling'er, that's great. You're finally going to marry Pingan. I wish you happiness always."

She and Yin Ling'er had grown up together. It seemed that they were sleeping on the same bed and fighting together. She did not expect Yin Ling'er will be a bride so soon.

Deep in her heart, Ling'er was still a child.

"Ah Ning, I will be happy," Yin Ling'er said with a happy and sweet smile.

Lu Ning let go of her and reached out her petite hand to touch the round belly. Ling'er should be eight months pregnant by now. "Ling'er, does the baby behave well? Are you having a hard time?"

Yin Ling'er was already eight months pregnant, but her slender arms were still slim, and her skin was even better. It was fair and rosy that it looked as if it could ooze out water. One look and one could tell that she had been well cared for and well-nourished. She hugged her round belly and smiled happily, "It was a little tough at the beginning, but being pregnant is a wonderful thing."

As she spoke, Yin Ling'er pressed down on Lu Ning's hand. "Can you feel it? The baby moved?"

Lu Ning felt her palm flutter like a tiny fish swimming happily. It was the first time she had come into contact with a little life up close, and her eyes immediately turned red. "Oh my God, Ling'er, the baby moved. He can move."

"Ah Ning, every woman will get pregnant and become a mommy someday. It is a delightful thing. It's beyond words. When you become a mommy in the future, you will understand."

Will she become a mommy?

Lu Ning quickly imagined the child between her and Yin Zhihan.

His genes were so powerful, and of course, hers were not too bad. Then their offspring should be outstanding.

"Ling'er, that's not what you said when you were pregnant. At that time, you came to my place and complained. Why? Just a few months and your attitude has changed drastically."

"Aiya, Ah Ning, don't laugh at me." Yin Linger's face blushed.

Lu Ning saw that she was a shy and beautiful lady. Pingan must have pampered her during this period. Ling'er had been like this since she was young. As long as Pingan was good to her, she seemed to own the whole world.

Ling'er's life was pure and simple. It was probably what a woman would hope. Prince charming would pamper her in the fairy tale world for the rest of her life.

"Oh right, Ling'er, why did you take so long to hold the wedding? Your belly is already showing?"

Yin Linger covered her mouth and laughed. "Pingan and I already registered our marriage, but we didn't have a wedding banquet."

"What?" Lu Ning was stunned.

"We couldn't hide it anymore. The parents of both families saw that my belly was getting big, so they scolded Pingan and me. Then, they brought us back. and insist that we hold the wedding banquet before the baby was born."

Lu Ning understood. In the eyes of parents, they valued the wedding more.

Chapter 1468: They Had Finally Grown Up

"Ah Ning, honestly speaking, I don't like weddings. They're so exhausting. Ever since I got pregnant, Ping An would take time out every month to bring me on a trip. We just came back from Sanya a few days ago."

Lu Ning was wondering why Ling'er hadn't contacted her during this period. So she had been busy dating Zhou Pingan.

This was great. She felt genuinely happy seeing how blissful Ling'er was.

"Ah Ning, I don't care. You must be my bridesmaid today. I have already prepared the bridesmaid outfit. Hurry up and change."

"Okay."

Ling'er was getting married, so Lu Ning was definitely going to be her bridesmaid.

...

Ten minutes later, Lu Ning came out of the changing room. She was wearing a strapless white dress. The elegant white sheer complemented her pretty face, making her look even more stunning.

"Wow, Ah Ning, you're really beautiful. If I knew this would happen, I should've asked the designer to make the bridesmaid's dress uglier so that you wouldn't steal my limelight," Yin Linger snorted jokingly.

"Ling'er, I'll take that as a compliment. Don't doubt it. Today, you will definitely be the most beautiful bride in the world."

The two sisters, who had played together since they were young, exchanged looks and smiled.

Just then, there was a knock on the door. Yin Shuiling and Jian Han walked in. “Ling’er, drink this bowl of chicken soup before the wedding.”

“Soup again... but I’m not hungry...” Yin Linger blinked her eyes and looked pitifully at the two mothers.

“Ling’er, Ping An personally made this bowl of chicken soup for you. He had wanted to come in and feed you himself, but the groom is not allowed to see the bride before the wedding. We ought to follow the tradition, so Ping An is outside now. Be good, drink it quickly. Otherwise, he will be worried again,” Jian Han coaxed gently.

Yin Linger pursed her lips. Well, for the sake of Zhou Pingan, who had gone through the trouble to make the soup personally, she reluctantly drank the entire bowl of soup.

Only then did the two moms feel at ease. Ling’er was now the beloved treasure of both families. The four elders were watching her belly in anticipation. The eldest grandson of the Zhou and Yin families in there and he was extremely precious.

“Ah Ning, look. Ling’er is already married and pregnant. The both of you are good sisters. You have to work harder, don’t fall behind,” Jian Han said with a smile.

“That’s right, Ah Ning,” Yin Shuiling looked at Lu Ning with satisfaction. “What do you think of my Zhihan?”

Ah, she was getting into the rhythm of promoting her son.

“Auntie, Ling’er, take your time to chat. I’ll go out and help entertain the guests first,” Lu Ning quickly slipped away. She was afraid that if she stayed any longer, she would become the main character of the blind date event.

Time flew by and Yin Shuiling and Jian Han had already entered their 50s. Perhaps the men in the families had spoiled them too much, so these two mothers had also fallen into the cliché of becoming matchmakers. It made people not know whether to laugh or cry.

...

In the corridor.

Lu Ning ran out hurriedly and saw two tall and straight figures in front of her. Yin Zhihan and Zhou Pingan were standing on the steps, under the lamps as they chatted.

Zhou Pingan was wearing a white shirt today. So many years had passed, but he was still modest and gentle, just like how she remembered him to be. Perhaps because it was his wedding day today, his gentle facial features were suffused with a faint softness and warmth, just like Ling’er. He looked blissful.

Yin Zhihan stood next to him. He was wearing a black shirt, and the lamps illuminated his handsome features, making him appear even more charming. He had not changed either. He was still the man in her memories. The one that made her heart beat faster and made her want to run away.

A warm feeling bubbled inside Lu Ning’s heart. They had finally grown up.

Chapter 1469: That Person Wanted to Hit On You

“Ah Ning, you’re back?” Zhou Pingan saw her and greeted her.

“Yes.” Lu Ning nodded. “Ping An, it is your wedding with Ling’er today. I’ll entrust Ling’er to you from now on. You can’t bully her, or I won’t let you off!”

Zhou Pingan shrugged and smiled helplessly. “Ah Ning, Zhihan just told me the same thing. The both of you are becoming more and more in sync.”

What? He had said that?

Lu Ning looked at Yin Zhihan and her eyes met with his deep and gentle ones. He was looking at her.

Lu Ning couldn’t quite tell what kind of gaze he viewing her with. He sized up her figure and looked at her as a man would with a woman and raised his brows with a mix of some admiration and a little bit of... teasing.

Lu Ning’s face immediately turned red. “Ping An, I’m leaving now. You guys have a good chat.”

She turned around and left.

She didn’t even dare to greet Yin Zhihan as she left.

...

On the lawn, Lu Ning took a cup of freshly squeezed orange juice from the waiter and sipped it.

“Hello, Miss Lu.” A handsome young man walked over and greeted her.

Lu Ning did not recognize this person, she smiled politely and responded, “Hello.”

“Miss Lu, today is the wedding between Miss Yin and Young Master Zhou. You should be the happiest one. I remember that back in school, the two of you were inseparable, and even fought together. It’s unbelievable that time would pass so quickly, and Miss Yin is already a wife and a mother.”

This young man was definitely here hit on her. However, he was very skilled in striking up a conversation, and instantly hit Lu Ning’s soft spot. She revealed a bright smile. “That’s right. Back then, we...”

But before she could finish her sentence, a muscular arm wrapped around her soft waist. Yin Zhihan’s deep voice rang out. “What are you guys chatting about?”

Lu Ning looked back at Yin Zhihan. “Nothing...”

“What do you mean by nothing? I saw you guys chatting happily just now.” Yin Zhihan pinched her waist.

It didn't hurt when he pinched her but Lu Ning felt a little ticklish and weak. Her shy and embarrassed look filled her eyes and she called out to him softly, "Zhihan..."

The young man would be a fool if he didn't understand the situation. They were obviously a couple. "Young Master Yin, Miss Lu, you guys have a good chat. I'm leaving first."

The young man left.

"Why are you pinching me?" Lu Ning twisted her waist and shook off Yin Zhihan's big palm.

Yin Zhihan released her. He put one hand in his pocket and raised his eyebrows at her. "I was only gone for a bit, and you already have a suitor?"

"What are you talking about? Where did the suitor come from? I don't even know that person's name. We just talked about some childhood matters..."

"Is that why you're smiling so happily?"

Lu Ning was at a loss for words.

"That person wanted to hit on you. How could you not know?"

Lu Ning was infuriated. She stomped her foot on the spot and said, "Yin Zhihan, don't be unreasonable. I'm ignoring you!"

Then she turned and left.

Yin Zhihan followed behind her. He looked at her graceful back and said casually, "Did you look at me or Zhou Pingan more just now?"

When?

On the steps?

Lu Ning was about to vomit blood. So he had already noticed her back then. And now, he is still staring at her and asking her this question. She had never realized that this genius in terms of IQ and EQ was so... Petty!

"Yin Zhihan, that's enough. You've been jealous of Ping An for so many years. Don't you feel tired?"

Chapter 1470: Do You Dare?

"I don't find it tiring," Yin Zhihan replied arrogantly and simply.

Lu Ning was speechless again.

At this moment, the melodious sound of the piano rang out, and the wedding officially began.

The lawn was covered with a ten-mile red carpet. Yin Linger walked out holding Yin Zhihan's father's arm. Zhou Pingan stood in front and waited. Yin Linger, accompanied by her father and witnessed by everyone, walked step by step towards the man she loved the most, completing the happiest moment of her life.

Zhou Pingan held Yin Linger's hand and the two of them stood in front of the priest.

The priest asked, "Mr. Zhou Pingan, are you willing to take Miss Yin Linger as your wife, for richer, for poorer, in sickness and in health, to love and to cherish, till death do you part?"

Zhou Pingan looked at Yin Linger gently. "Yes, I am."

"Miss Yin Linger, are you willing to take Mr. Zhou Pingan as your husband or richer, for poorer, in sickness and in health, to love and to cherish, till death do you part?"

Yin Linger smiled shyly and sweetly. "I'm willing."

I'm willing...

Yes, I do.

Lu Ning was very touched as she watched from the side. She placed her palms together and prayed silently in her heart, hoping that Ling'er and Ping'an could live a happy life.

"Alright, I now announce that the bride and groom are officially married. The groom can kiss the bride."

Lu Ning looked up and saw Zhou Pingan lifting Yin Linger's veil and holding her face...

She was watching when her slender wrist was suddenly grabbed. Yin Zhihan dragged her away.

"Zhihan, where are you taking me? Ling'er's wedding isn't over yet. I can't leave. Ling'er will look for me later..."

Yin Zhihan pushed aside the crowd and ran out with Lu Ning. He opened the door of the passenger seat and shoved Lu Ning inside. He got into the driver's seat, quickly stepped on the accelerator, and the sports car sped away.

..

In the car.

Lu Ning had never expected that Yin Zhihan would do such a crazy thing. He was Ling'er's biological brother. How could he take her away from Ling'er's wedding?

"Yin Zhihan, what are you doing? Are you crazy?"

"I can be even crazier."

The sports car's hood was opened, and the comfortable autumn wind blew across their faces, ruffling the man's hair. Lu Ning could see his sculpted features, he was so handsome that she blushed at the sight of him.

If it wasn't for his good looks, she would definitely be angry with this man!

Lu Ning blushed and looked away. Soon, the sports car stopped. Lu Ning looked through the car window and saw that it was actually... Her home.

“Get out of the car and go get your things.”

Lu Ning’s heart jumped. She turned her head to look at the man and asked hesitantly, “Get... Get what?”

Yin Zhihan smirked. “ID card, household registration book.”

“You, you, you...” Lu Ning’s eyes widened in shock.

What could ID cards and household registration books be used for, other than to get a marriage certificate from the Civil Affairs Bureau?

“Ah Ning, I’ll ask you only one thing. Do you dare?”

Do you dare to go crazy with me?

Lu Ning looked at his deep and smoldering eyes and felt as if her heart was going to jump out of her throat. Why was he so sudden? She was not mentally prepared at all.

She was a reserved and rational girl. This decision was not in line with her character.

“If you dare, why wouldn’t I?” Lu Ning reached out her hand and opened the door of the passenger seat. “Wait here. I’ll come after I get my things. You’re not allowed to run away!”

Lu Ning’s graceful figure quickly disappeared into the villa. Yin Zhihan’s smiling eyes were tearing up.

Chapter 1471: Becoming His Wife

Soon, Lu Ning came out with her ID card and household register. She got into the car.

“Yin Zhihan, have you really thought it through? I’m telling you that I have many shortcomings. If you marry me, you will be responsible for my whole life. I will not give you the chance to go back on your words!” Lu Ning said with conviction.

“As long as you don’t regret it,” Yin Zhihan replied. Then, he turned around and put the thing in his hand into her hair behind her ear.

What was that?

Lu Ning looked up at the rearview mirror. She was wearing a delicate and beautiful rose behind her ear.

The red petals contrasted with her beautiful little face, making her look stunning.

“Where did you get the flower?” Lu Ning turned her head to look at him.

“I picked them off Ling’er’s wedding car just now,” he answered truthfully.

Lu Ning didn’t know what to say anymore.

If Ling’er knew about this, she would definitely cry.

Yin Zhihan held her little face in his big palms. Closing his handsome eyes, he caressed her delicate lips affectionately as he said, "Ah Ning, I fell in love with you the first time I saw you, and now I'm marrying you. This is the most wonderful thing I've ever done in my life."

Lu Ning felt her entire body go weak as his words of love completely subdued her.

...

An hour later.

Lu Ning returned to the car once again. There were two red books in her hands. She had really married Yin Zhihan. She had become his Mrs. Yin.

She turned her head to look at the man beside her. He smiled at her tenderly as he held her left hand with his right hand and interlocked his fingers with hers.

The two of them did not speak, but they were overwhelmed by a sweet feeling.

Just then, a melodious ringtone sounded. It was coming from Lu Ning's phone.

She looked down and saw that it was Yin Linger calling.

Lu Ning made a "Shush" gesture to Yin Zhihan and then picked up the call. "Hello, Ling'er..."

"Hello, Ah Ning, where have you been? Why can't I find you? And my brother too. Someone said that the both of you had left together. You guys are really too much. My wedding hasn't ended yet and you guys have already disappeared. I won't play with you guys anymore!" Yin Linger's anxious sobs came through the phone.

"Ling'er, I'm sorry, I..."

"Ah Ning, I'll give you another chance. Come back with my brother quickly. I've already smelled something unusual. If you guys are honest with me, I'll still forgive you..."

Before Yin Linger could finish her sentence, the phone was hung up.

The phone in Lu Ning's hand had already been snatched away by Yin Zhihan. Yin Zhihan hung up the phone with one hand and threw it into the backseat with great ease.

Lu Ning was dumbfounded. "Zhihan, what are you doing? Ling'er is angry. No, I have to rush back and explain to her. Hurry up and send me back."

Yin Zhihan raised his eyebrows. "Let her be angry for a while. Ping An will coax her."

Lu Ning: ...

Was he even Ling'er's biological brother?

Yin Zhihan held her soft hand and kissed it. "Tonight is our wedding night. No one can be a stumbling block to our consummation."

Wedding night?

Lu Ning's face burned up.

...

The sports car came to a stop. Lu Ning looked at the apartment in front of her. She vaguely recalled that this was Yin Zhihan's apartment. She had been here once when she was seventeen. She was drunk and drugged. Then, he brought her back and the next day, she woke up on his big bed. He was no longer there. She was so scared that she ran away.

"Do you still remember this place?" Yin Zhihan held her hand and walked into the apartment.

Lu Ning looked at the place and nodded. "Yes, I remember... Hey, Yin Zhihan!"

Chapter 1472: My Dear Husband

Lu Ning looked at the place and nodded. "Yes, I remember... Hey, Yin Zhihan!"

Yin Zhihan had already carried her in his arms.

Her soft body landed in his strong arms and he carried her upstairs effortlessly. "That night, seven years ago, I had carried you upstairs in the same way."

Lu Ning punched him with her small fists. "You still have the nerve to say that? You took advantage of me!"

Yin Zhihan did not refute her. At that time, he did take advantage of her. Other than not going all the way, he took every other advantage he could of her.

Pushing the door open, Lu Ning was placed on the soft bed. Yin Zhihan stood above her and slowly unbuttoned his shirt, "You don't know how beautiful you were at that time. You kept twisting your body on my body. You even got so anxious when I ignored you that you bit me. To be honest, you were probably not conscious at that time. But when you clung to my body, you had called my name repeatedly."

Lu Ning felt an electric current coursing through her body. She raised her body, and she quickly unbuttoned his shirt. "I like you. When I saw you coming out of the shower when we were very young, I could never forget..."

"Little pervert." Yin Zhihan pressed her down and lifted up her skirt.

He kissed her passionately, and Lu Ning's small hands lingered on his muscular waist. This man kissed her all over, but he didn't give it to her.

"Yin Zhihan..."

“What’s wrong?”

Lu Ning spread her slender legs and hooked them around his waist. Her two small hands hugged his neck. “Why... are you so slow...”

“Ha.” Yin Zhihan smirked.

Lu Ning was embarrassed. Was she taking too much initiative?

However, there was no need for her to be pretentious. When facing such a man, she really wanted to be a woman who could have sex with him.

“What are you laughing at? I’m going to punish you!” Lu Ning turned over and pushed him down. Then, she sat down on it...

It hurt so much. Lu Ning’s eyes were instantly covered with a layer of tears.

Yin Zhihan’s Adam’s apple bobbed and his eyes reddened. He adjusted his position and leaned against the headboard. Then, he held her slim waist and said, “So urgent, huh? Next time, remember to eat big things like this slowly.”

Lu Ning gradually got used to his size and hugged his neck, unwilling to let go.

Yin Zhihan enjoyed her tantalizing body and kissed her earlobe gently. He whispered, “Say something.”

“What is it?” Lu Ning moaned as she leaned on his shoulder.

“Say... hubby.”

Hubby...

Lu Ning’s cheeks were red and her eyes were glazed. She recalled the scene many years ago when she saw him and hid because she was afraid. At that time, she never thought that he would become her husband.

Lu Ning’s mind went blank, and suddenly...

Yin Zhihan was almost dragged away by her. He closed his eyes to suppress the numbing pleasure. He fondled with her supple skin and didn’t forget to laugh at her. “So fast?”

Lu Ning’s small face was covered in sweat. She laid weakly on the man’s body, her entire body trembling from the overwhelming pleasure.

“Hubby...” she called him sweetly. Then she bit on his soft lips and said, “Hubby, Hubby, my dear, good hubby.”

Yin Zhihan grabbed onto her slender waist, unable to hold it in.

When he rode out the orgasm, Lu Ning blinked her beautiful eyes and looked at him provocatively. “For someone who said I was fast just now, you’re not slow either.”

“You little thing!” Yin Zhihan gave her little butt a slap.

Chapter 1473: Falling in Love

This was definitely the fastest he had ever finished in his life. She had done it on purpose, calling him coquettishly and teasing his body. How could he stand her seduction? He succumbed and gave it to her, every last bit of it.

“Don’t hit me. If you hit me again, I’ll sue you for domestic violence,” Lu Ning giggled and then climbed down from his body.

“Where are you going?” Yin Zhihan hugged her from behind.

Lu Ning felt weak all over and collapsed into his arms. “Um, I want to take a shower...”

“We’ll take a shower together later.” Yin Zhihan held her slim waist and let her grab onto the headboard.

What about him?

He had just finished.

Lu Ning obediently supported herself on the headboard with her two small hands. Things were over too quickly just now, so the both of them wanted to do it again even though the two of them didn’t voice it out.

“Aiya, hubby, be gentle...”

“Soon, you’ll be begging me to be rougher.”

..

The next morning.

Lu Ning slowly opened her eyes. She felt as if her entire body was falling apart. Even now, she felt exhausted. She stretched out her hands to feel around the bed, but there was no one beside her.

Yin Zhihan had already gotten up.

“Hubby...” she called out softly as she lazily sprawled on the headboard of the bed.

“I’m here.” Yin Zhihan pushed open the door and walked in. He sat by the bed and stroked Lu Ning’s silky hair. “You’re awake?” he said dotingly.

“Yeah, why didn’t you sleep a little longer?”

Yin Zhihan wore a white shirt and was looking refreshed. He laid Lu Ning’s head on his sturdy thighs and said, “I just went to take care of work. Ah Ning, I need to go back to Hong Kong.”

Lu Ning blinked at him. “Must you go back to work now?”

“Yes.” Yin Zhihan nodded. “Sorry, I can’t take you on a honeymoon trip, I’ll be busy for this period, but it’ll be fine after I am finished with work. I’ll have a lot of time to accompany you then. I’ll make it up to you properly.”

“Oh.” Lu Ning coiled her slender fingers on the tie around his neck. “Then you have to come back quickly. I’ll wait for your compensation.”

“Okay.”

“Hubby, I’ll miss you.”

Yin Zhihan bent down and kissed her forehead. “Mrs. Yin, me too.”

...

In the shopping mall.

Lu Ning and Yin Linger were shopping together. “Ah Ning, hurry up and tell me. Are you and my brother hiding something from me? You guys are really too much. During my wedding toast, the bridesmaid and my baby’s biological uncle were gone. Everyone is laughing at me.”

“Ling’er, it’s fine as long as Ping An was still there.”

“Ah Ning, don’t change the topic. Hurry up and tell me, are you... in a relationship with my brother?” Yin Linger asked curiously.

Lu Ning nodded. “Yes.”

“Really?” Yin Linger happily held onto Lu Ning’s arm, “Not bad huh, Ah Ning. In the past, when I set you up with my brother, you were so unwilling. Now that I’m pregnant and don’t have time to care about you, you’re actually in a relationship with my brother. How is it? How does it feel to be in a relationship with my brother?”

“What do you mean, how does it feel?”

“Ah Ning, you know the answer.”

Lu Ning’s face was a little red. “It’s just... The feeling of my heart racing all the time...”

Yin Zhihan was a very charming man. He knew romance and flirting, and he was a gentleman to the very core. He would always take care of her feelings. When she was with him, she always felt pampered and doted on. Her eyes would always follow him, and then her face would turn red and her heart would beat faster.

“Aiyo,” Yin Linger covered her mouth and sniggered. “Ah Ning, I thought you and I were different people, but you are no different from me when you fall in love.”

“Aren’t all women the same when they fall in love?” Lu Ning replied.

Chapter 1474: Kidnapping

Yin Linger nodded. “Indeed, it’s the same.”

Then, Yin Linger asked softly, "Ah Ning, have you slept with my brother?"

Lu Ning was stunned for a moment before exclaiming, "Ling'er, what nonsense are you asking?"

"Ah Ning, you're such a bad friend. You knew when I slept with Ping An, but you won't tell me about you and my brother."

This...

Lu Ning really had no way to refute. She admitted, "Yes."

"Oh my god, you really slept with my brother!"

"Shh!" Lu Ning quickly covered Yin Linger's little mouth. "Ling'er, lower your voice. Everyone heard you."

"Ah Ning, hurry, tell me! How is my brother's ability in bed? Ah Ning, you don't know this, but I've always thought that my brother wasn't human, but a god. He was really too cocky when he was young. He despised me and my mom. But turns out, he's just like a normal person, he will also want to have sex."

Lu Ning really wanted to crack Yin Linger's little head and see what she was thinking. Which man didn't... Have sex? However, Yin Zhihan had always been cool since he was young, the kind that made people fear him.

Her body tingled all over at the thought of the previous day.

"Your brother is off the charts," Lu Ning replied.

In this matter, no matter what, she had to protect her husband's dignity. Moreover, his skills were indeed off the charts.

Yin Linger covered her mouth. Her brother's godly image was once again established. Her brother was really extraordinary.

"Ah Ning, then you guys..."

"Alright, Alright. Ling'er, didn't you want to try on some clothes? Let's quickly go into the shop to take a look. Ping An told us not to shop so much when he dropped us off. You're already eight months pregnant."

Lu Ning was afraid that Yin Linger would ask something that would make her embarrassed, so she quickly dragged Yin Linger into a shop.

She didn't tell anyone that she and Yin Zhihan had already registered their marriage. His identity was special. Although he didn't say that their marriage had to be kept a secret, she didn't want to bring him any trouble.

...

In the shop.

The enthusiastic shop assistant took out a red dress and handed it to Yin Linger. "Miss Yin, this dress has a tassel design and is soft to the touch. It's very suitable for a beautiful mother-to-be like you. You can go in and try it on."

"Ah Ning, does it look good?"

Lu Ning took a look and nodded. "It looks pretty good. Ling'er, put it on and I'll take a look."

"Okay." Yin Linger took the dress and went into the fitting room.

Lu Ning waited outside for some time, but Yin Linger didn't come out.

"Ling'er, what are you doing inside? If I didn't know better, I'd have thought that you were trying on ten dresses."

There was no sound in the changing room.

Lu Ning felt odd. What was going on? Why didn't Ling'er say anything? Was she teasing her again?

Lu Ning pushed the fitting room open. "Ling'er, are you there?"

The fitting room was empty. There was no sign of Yin Linger. The red dress was on the floor.

Lu Ning's heart skipped a beat. She had a bad feeling. She turned around to leave, but she inhaled an odd scent. She closed her eyes and fainted.

...

Lu Ning slowly opened her eyes. She looked around. It was a shabby warehouse. Where was this?

Lu Ning tried to move, but she was tied to a stool. She turned around and saw that Yin Linger was tied up next to her as well.

"Ling'er, Ling'er, wake up!" Lu Ning quickly said.

Yin Linger's lashes fluttered and she opened her eyes. She was dazed for a moment before she quickly realized that she had been kidnapped. "Ah Ning, what's going on? Ouch..."

Chapter 1475: Never See The Sun Tomorrow

"Ling'er, what's wrong? Is your stomach hurting?"

Yin Linger was already eight months pregnant. Being kidnapped like this was very dangerous. Lu Ning was afraid that something would happen to her stomach. If that happened, both mother and son would be in danger.

"I'm fine. It's just that the baby kicked me inside." Yin Linger comforted Lu Ning with a smile.

"Ling'er, don't be afraid. We'll be fine."

"Ah Ning, were we kidnapped? Who kidnapped us? What do they want?"

“No matter what their goal is, Ling’er, you have to believe that we’ll be saved soon. Ping An will be the first to notice that we’re missing. He’s careful and calm and will definitely find a way to find us. My second brother hasn’t left yet. Our parents will come to save us too.”

Yin Linger’s nervous mood slowly calmed down. She looked at Lu Ning’s bright and calm almond-shaped eyes and nodded. “Okay.”

At this moment, the warehouse door opened and someone walked in.

Lu Ning looked at the woman at the front and her pupils constricted. “Ela?”

Ela was here. Behind her was a group of mercenaries with guns. These people were not ordinary ruffians, they were foreign ex-soldiers who fought bravely and risked their lives for money.

Ela stopped in front of Lu Ning and looked at her with jealousy and hatred. “She looks just like this. Yin Zhihan’s taste is just so-so.”

Lu Ning understood. Ela was coming for Yin Zhihan.

Speaking of which, this woman was really crazy about Yin Zhihan. In the past, she jumped off a building for Yin Zhihan, and now she kidnapped Yin Zhihan’s beloved for his sake.

It was really scary for a woman to be so infatuated.

“Ela, what do you want to do? Let me tell you, this is the mainland, not your territory. You’re kidnapping now and it is against the law.”

“Against the law?” Ela squatted down and pinched Lu Ning’s face. “So what if it’s against the law? Yin Zhihan has caused me so much misery. How can I let him have it easy?”

“Yin Zhihan is the new head of the IRS. Ha, this legendary big shot who made all the organizations tremble in fear had been hiding by my side. He used me as a stepping stone to successfully hook up with Ann and destroyed the Drug Cartel in one fell swoop. It shocked the world. Not only was I deceived by him, but I was also arrested. If I didn’t accept the pursuit of a big shot and let him bail me out, I probably wouldn’t have seen the sun today.”

“Ela, then congratulations. You saw the sun today, but you definitely won’t see the Sun tomorrow,” Lu Ning said firmly.

“Hmph,” Ela snorted, “Even if I can’t see the sun tomorrow, I’ll drag you all down with me!”

As she said this, Ela stood up and said to the mercenaries behind her, “Brothers, you’ve worked hard. These two women beauties are all yours now.”

The mercenaries’ eyes lit up and they whistled. They walked forward and said, “These two women are really beautiful and tender, but... why is there a pregnant woman?”

“Pregnant woman is good. We haven’t had the taste of pregnant women. I’ll go first!”

A mercenary went forward and went straight to Yin Linger’s side.

“Ah!” Yin Linger was so scared that her face turned pale and she cried out in fear.

“Stop!” Lu Ning shouted. Her eyes met the mercenary’s turbid and fierce eyes as she said word by word, “I know that you are hired by Ela and the commission must be very high, but if you dare to touch any of us, I guarantee that you will definitely not have the life to spend this money!”

Chapter 1476: Ah Ning, I Love You

“You may not be familiar with how things work in the mainland, but I might as well tell you who you have kidnapped. My second brother is the Head of Special Forces, Lu Fan. Her eldest brother is the new head of the IRS, Yin Zhihan. I am the eldest daughter of the Lu family. She is the pearl of the Yin family, the young madam of the pharmaceutical tycoon, the Zhou family. Our status is incomparably noble. If you dare to touch even a strand of hair on our head, you will all die without a burial place!”

Although these mercenaries were not familiar with the situation in the mainland, they understood what Lu Ning said. The circle was only so big. They would have wasted their time if they did not even know about the people living at the top of the pyramid.

“Ela, you did not tell us this when you hired us. Their background is too influential. This business is extremely risky!”

“Yes, the new head of the IRS and the Head of Special Forces are both ruthless characters. Do you know how much damage they can do when they join forces?”

Facing the doubts of the mercenaries, Ela’s eyes flashed. Then she said fiercely, “Enough! We are already in the same boat now. Do you want to capsize the boat?”

“We...” the mercenary took a step back.

Ela glared at Lu Ning. This woman was able to turn the tables in such a dangerous situation with just a few words. She was really not simple!

Ela did not want to cause any more trouble, so she said, “Lu Ning, I will let you off for now. I will call Yin Zhihan now. When Yin Zhihan comes, it will be very interesting.”

Ela took out her phone and dialed Yin Zhihan’s number.

The melodious ringtone rang once, and then the phone was picked up. Yin Zhihan’s low and mellow voice came over. “Hello.”

“Hello, Han, it’s me.”

Even now, Lu Ning still felt very awkward when she heard the word “Han.”

“Ela?”

“Haha, Han, it’s me. I heard that you have a new lover, so I specially came to see who your new lover is. But honestly, she’s just average.”

“Ela, have you thought about the consequences?” Yin Zhihan’s voice turned cold.

“Of course I have. Not only did I capture your new lover, but I also captured your biological sister.” Ela laughed impudently.

Yin Zhihan’s breathing became heavy. “Tell me, what do you want to do?”

“It’s very simple. Come and see me. Alone. Don’t play any tricks, because it’s very dangerous. I had brought a lot of people.”

“Okay, but if you dare to touch a hair on Lu Ning and Ling’er’s heads, I guarantee you’ll regret it!”

Ela raised her eyebrows and sneered.

“I want to talk to Lu Ning.”

Ela handed the phone to Lu Ning’s mouth. “Speak.”

“Zhi Han,” Lu Ning quickly said.

“Hey, Ah Ning, don’t be afraid. I’ll be there soon.”

Hearing his calm and gentle voice, Lu Ning’s clenched fists slowly loosened. Actually, when someone wanted to touch Yin Linger, she was really scared. She was afraid that she wouldn’t be able to stop him.

However, she had never been afraid.

“Zhihan, I’m not afraid. From the moment I decided to be with you, I thought that this day would come. I can enjoy my life with you, or I can share your hardships. Don’t worry. Ling’er will be fine here. She’s strong,” Lu Ning said clearly.

Yin Zhihan paused for two seconds, and his voice became softer. “Ah Ning, I love you.”

The corners of Lu Ning’s lips curled up into a bright smile. She did not expect that his first “I love you” would be said under such circumstances.

Her eyes were filled with tears. “This is not romantic at all, idiot. But, I love you too.”

Chapter 1477: Sister-In-Law

Confessing to each other in this dilapidated warehouse was not romantic at all, but Lu Ning was still moved to tears.

“Enough!” Ela snatched the phone angrily and hung up the phone. She did not ask Lu Ning to answer the phone to listen to their confession!

“You guys stay put!” Ela led the mercenaries and swaggered out.

...

As soon as they left, Lu Ning immediately asked Yin Linger nervously, “Ling’er, are you okay? Do you feel uncomfortable anywhere?”

Yin Linger’s face was a little pale. “I’m fine, Ah Ning. It’s just that the baby moved a little too much. He probably felt Mommy’s nervousness...”

“Ling’er, I’m sorry. I’m the one who dragged you down.”

“Ah Ning, why do you say that? Yin Zhihan is my brother...”

“But I’m Yin Zhihan’s wife...”

“What?” Yin Linger widened her watery eyes. “Ah Ning, you and my brother... got married?”

Lu Ning nodded. “Yes.”

“Oh my God, Ah Ning, you guys are crazy. Getting married is a lifetime event, but you guys didn’t even inform anyone, even the parents are unaware!”

Lu Ning curled her lips and smiled sweetly and blissfully, “At your wedding, your brother suddenly dragged me away. He brought me home to get my household register. At that time, I didn’t think too much about it. I was thinking that yes, it was this man. He was worthy of my lifelong commitment, so I got married to your brother.”

Yin Linger was very touched. Her best friend was married to her brother. “Ah Ning, should I call you... Sister-in-law Now?”

“Of course!”

“Sister-in-law, I wish you and my brother a long life and blessed with many children!”

“Thank you.”

“But Ah Ning, what did they say about my brother? What new sect master? This sounds cool, but it’s also dangerous...” Yin Linger was still used to calling him ‘Ah Ning’. They had been good friends for more than twenty years, even if Lu Ning became her sister-in-law, their friendship would not change.

“Ling’er, that’s right. Your brother is that superhero.”

“What? I don’t want my brother to be a superhero. I only hope that my brother can live peacefully with you and be happy. However, my brother has never been an ordinary person since he was young. He entered an aristocratic private school at a very young age. Sometimes, he only comes back once a year. I remember that when my brother was 17, he went to England. I secretly saw my mommy crying in her room. My Daddy hugged my mommy and coaxed her for a long time, but she still cried non-stop. My Daddy said that they must understand and support the child, for they have their own goals to attain.”

Lu Ning thought for a moment. The Yin couple probably knew about Yin Zhihan's current identity. Yin Shuiling was probably the same as Yin Ling'er, worried for Yin Zhihan. Yin Muchen was an open-minded and good father. Without such a father... there wouldn't be the current Yin Zhihan.

This was the influence of parents on their children.

"Ling'er, your daddy is right. You have to support your brother too."

"But, Ah Ning, aren't you worried? Both of you are married..."

"I'm worried. But, I have confidence in your brother. A man has a man's mission and responsibilities. I don't want to hold him back. I want to stand shoulder to shoulder with him."

When Lu Ning said this, her eyes were very bright, just like the stars hanging in the sky. Yin Linger thought of how she managed to calmly unconvinced those mercenaries from making their move. Yin Linger was a little envious, "Ah Ning, you know, sometimes I envy you. I'm not as independent as you..."

Chapter 1478: The Arrival Of Yin Zhihan

"Linger, everyone's lifestyle is different. Like you and Pingan, Pingan is responsible for earning money to support your family, and you are responsible for being as beautiful as a flower. Linger, you are living the dream of all women."

"But Ah Ning, you and my brother are living the ideal life. Both of you are equally matched, he is well off, and you are not bad either. You are both brave in your pursuit for love."

Lu Ning nodded. "That's why we are both happy. Being happy is enough."

"You're right." Yin Linger smiled. "Ah Ning, don't worry about me. The baby in my stomach, and I will be very brave. I will not embarrass you."

"I believe you, Linger."

Although she said that, Lu Ning was still very worried. She was worried that Yin Linger would bump into something, and she was concerned about Yin Zhihan.

Ela was already at her wit's end, and her mind was in a mess. When Yin Zhihan arrives later, she might do something crazy.

How would Yin Zhihan respond?

...

In the afternoon.

The warehouse door was opened once again, and the mercenaries stood in a row. Ela sat on a chair while they lined up in a formation and waited for the person outside to enter.

Soon, Yin Zhihan walked in.

“We need to perform a body search first.” At this moment, a mercenary walked forward to search Yin Zhihan’s body.

Yin Zhihan raised his hands. His cold eyes glanced at Ela. “Don’t worry. I didn’t bring anything. I came alone.”

After saying that, his gaze fell on Lu Ning and Yin Linger.

“Zhihan!”

“Brother!”

Lu Ning and Yin Linger looked at him with concern and nervousness.

“Linger, are you okay?”

“I’m fine. Don’t worry, Brother.”

Yin Zhihan looked at Lu Ning again. His narrow eyes were filled with tenderness that could melt.

Lu Ning looked at him with bright eyes and nodded, which meant — I’m fine, don’t worry.

Ela couldn’t stand seeing these two people flirting with each other. She suddenly stood up and walked to Lu Ning’s side, “Han, as expected of your new lover. Ever since you entered, your eyes have been fixed on this woman. Tell me, if I cut up her pretty little face a few times, would you still like her?”

As she spoke, Ela took out a sharp knife and used the tip of the blade to slowly stroke Lu Ning’s face.

“Ela, I thought that since we had some interaction before, you wouldn’t be so stupid. I, Yin Zhihan, am not a person who only cares about looks. Even if you cut her, she is still the most beautiful in my heart. In the future, I will cherish and love her even more!” Yin Zhihan said.

Ela’s eyes twisted, “Haha, that’s right. I really forgot. Of course, Han is not a person who only cares about looks. Me, Ann, which one of us isn’t an unrivalled beauty? But you walked between us and did not touch anyone. I was stupid. I thought that we had slept together, but it turned out that this was all an illusion created by drugs. Han, you are really unmanly. A woman delivers herself to your door, but you didn’t even sleep with her. What a waste!”

Yin Zhihan’s expression was calm. He raised his eyebrows and looked at Ela from head to toe. “So? You seem to be upset that I didn’t sleep with you?”

Ela was immediately felt teased by his gaze. She looked at his tall and sturdy body. If she were to be pressed down by him, she would be in ecstasy.

Although this man did not sleep with her, he was good and flirting and left no grounds uncovered. He was indeed a veteran at flirting.

She was now with a big shot who was in his sixties who was old enough to be her grandfather. Whenever he looks at her young and plump body, his would be filled with strong desire. However, he

was too old and did not have the stamina, so he took drugs. Every time she was slept with by this big shot, she wanted to throw up.

Chapter 1479: He Didn't Even React

How could she have been with this big shot if it wasn't to get out of prison?

It was all Yin Zhihan's fault!

Ela looked at Yin Zhihan, "Han, when we were dating, I was sincere. I couldn't wait to give my heart to you. Although you used me and betrayed me, I'm still willing to give you a chance. How about this, if you want to save Lu Ning, you have to sleep with me first."

"No!" Lu Ning quickly refused, "Zhihan, don't listen to her. If you touch her, I won't want you anymore!"

"Shut up! Men, shut this woman's mouth!" Ela ordered.

"Yes." A mercenary shut Lu Ning's mouth.

"Wu...wu!" Lu Ning shook her head at Yin Zhihan.

Yin Zhihan looked at Lu Ning gently, which meant — Don't worry. Then, he said to Ela, "I agree to your request."

He casually moved the stool over and sat on it. "Come."

Ela looked at Yin Zhihan. He was wearing a white shirt and black pants. He had rushed over in a hurry, and his body was a bit travel-worn. His sitting posture was lazy and casual. His long legs stretched forward, and his crotch was straight, the wrinkles on the pants showed the charm of a man.

White was an unsuitable colour for this kind of evil man to wear. However, when he wore it, people could not take their eyes off him. They really wanted to lay his clothes on the ground and let him reveal his true nature as a sven scum.

Ela's entire body went numb. Lu Ning, who was beside her, was still whimpering non-stop. She felt very happy. If she could have a one-night stand with Yin Zhihan, she could satisfy herself and also take revenge on Lu Ning.

That pot-bellied boss really made her nauseous. A man like Yin Zhihan was what she wanted.

"Han, you want to do it here?"

"Why not? Do you want to go to the hotel with me?" Yin Zhihan smiled.

Of course, she couldn't go to the hotel. This man was very dangerous. Although she had been charmed by his manliness, she was not so dizzy.

“Alright then.” Ela spread her legs and walked towards Yin Zhihan. “Han, then we can only do it live here. Aiya, your new lover is here. Do you think she will remember this moment and have psychological trauma in the future?”

Ela spread her legs and sat on Yin Zhihan’s firm thigh.

Yin Zhihan did not touch her. He smiled indifferently. “As long as you don’t have psychological trauma.”

Smelling his healthy, manly scent, Ela reached out her index finger and grabbed the tie around his neck. Then, she twisted her tiny waist like a water snake. “Han, if I can do it with you, why would I have any psychological trauma?”

As she spoke, Ela reached her hand towards Yin Zhihan’s crotch...

Lu Ning’s pupils contracted. “Oh!”

Yin Linger’s expression also changed drastically. She said, “Brother!”

Ela noticed the soft feeling in her hand. She was shocked and looked at Yin Zhihan. “You...”

He didn’t even react.

“I did agree to your request, but I can’t get hard for you.” Yin Zhihan shrugged apologetically. Then, he turned Ela around like lightning and successfully restrained her.

A long needle with a cold light appeared in his right hand. He pressed the needle against Ela’s neck and said to the group of mercenaries, “Throw the gun away!”

The mercenaries did not expect this sudden change. They looked at each other. Their wealthy employer had been kidnapped, which meant that the commission was gone. What should they do?

Chapter 1480: Don’t Leave Me Alone

“Tell them to throw their guns away. I’ll count to three. After three, Don’t blame me for being merciless!” Yin Zhihan threatened Ela.

Ela knew that she had fallen into Yin Zhihan’s trap. She really hated this man, “Don’t listen to him. Don’t care about me. Shoot and kill the three of them now. As long as you complete the mission, even if I die, someone will transfer the commission to your account.”

Yin Zhihan’s gaze sank completely. Ela didn’t want to live anymore.

“Hmph, you have to think carefully about what Ela said. If she dies, can you really get the money? Our status is special. Even if you kill us, there will be people who will avenge us. You have the life to take the money but not the life to spend it. How about this? Let us go. I will pay you triple the commission that Ela promised, and I will also guarantee your safety!” Yin Zhihan said loudly.

“This...” the mercenaries looked at each other and hesitated.

They were very afraid of Yin Zhihan's background. Ela was too stupid. With just a few words, she had been bewitched by Yin Zhihan. She was simply a pig-like teammate. Following her would not have a good ending.

Actually, following anyone was not working out as long as they had money and life.

Ela knew that these mercenaries were wavering, so she quickly spoke, "Don't be deceived by Yin Zhihan. He is a two-faced man who will seek revenge for the smallest grievance. You kidnapped the woman he loves and even kidnapped his pregnant sister. Do you think he will let you off? Do you think that the Lu, Yin, and Zhou families will let you off in the future? Their reinforcements might already be on the way!"

The mercenaries seemed to have been woken up by a bucket of cold water. "Right, we are in a very dangerous situation now. Don't believe any of their words. We will kill them all now and then quickly retreat!"

"Yes, this is the safest way. Do it!"

A mercenary quickly picked up his gun.

A cold light flashed in Yin Zhihan's eyes, and then he quickly attacked. The long needle in his hand directly stabbed the mercenary's head.

The mercenary fell to the ground and died.

The other mercenaries saw that the situation was not right and quickly fired at Yin Zhihan. Yin Zhihan blocked Ela in front of him, and Ela was quickly shot twice.

Yin Zhihan left Ela behind and quickly rushed forward. He restrained one of the mercenaries and grabbed the gun in his hand. With a few bangs, the bullets immediately penetrated the hearts of several mercenaries.

The mercenaries did not expect Yin Zhihan's marksmanship to be so superb. "Quick, quickly kill those two women!"

They shouted, and then someone raised the gun and aimed it at Lu Ning.

Lu Ning's heart had already stopped beating. From the moment Yin Zhihan made his move, her eyes were fixed on him, afraid that he would be in danger.

So when the black barrel aimed at her, she was stunned. Then a tall and handsome figure pounced on her.

She was pushed to the ground, and then there was a gunshot.

The rope in Lu Ning's hand had already loosened. She widened her almond-shaped eyes and quickly tore the cloth from her mouth. She hugged Yin Zhihan who was on her body and said nervously, "Hubby, are you... shot?"

There was a gunshot just now, and Yin Zhihan pounced on her.

Yin Zhihan didn't make a sound.

It was as if Lu Ning couldn't breathe. Her whole body trembled as she touched Yin Zhihan's handsome face. "Hubby, are you okay? Say something. Please don't scare me. Don't leave me alone. How can I live without you?"

At this moment, a deep voice sounded. "Yin Zhihan, that's enough.. Look at how much you scared my sister."
