

I' m Sorry My Love Novel Chapter 1464 - 1465

Chapter 1464

Kraig's ears suddenly stood up, "You...what did you say?"

At the other end, Elden couldn't help but said excitedly: "Master, I saw Madam in a small coastal town, but I should be 1,500 kilometers away from you."

"I'll come right now!" Kraig said.

Elden: "Okay..."

"Wait a minute!" Kraig said again.

"Lord?"

"Don't disturb her!" Kraig said.

"Got it!"

After closing the line, Kraig immediately shouted: "Xiao Song, drive!"

Xiao Song drove the car immediately. The car stopped after several meters. Kraig got out of the car, took out a wad of money and handed it to the startled man: "Be nice to your pregnant wife!"

If you speak, turn around and leave.

Both the man and the man were stunned.

After a long while, the pregnant woman asked: "Husband, I...I'm not dreaming, am I?"

Man: "A total of more than two hundred thousand..."

The two looked up again, and the car in front was nowhere to be seen.

In one day and one night, I drove to the small coastal town closest to Kyoto in the three northeastern provinces.

Coming here, Kraig couldn't help but sigh: "She is so close, she is so close to me?"

This small city in Bohai Bay is called Qianjiang City.

It is only 300 kilometers from Maejiang City to Kyoto, and it is still a detour.

If there is a sea route from the sea to Kyoto, it is estimated that one hundred and fifty kilometers will be almost the same.

Kraig never expected Dalia to be in this small town.

In fact, Dalia, Collin, and Han Shenshan's old mother had just arrived.

After Dalia called Suzi, he already knew what Kraig meant. It is impossible for Kraig to let her go in this life.

After the phone call, Dalia returned to the place where she lived with Collin and her old mother. She said goodbye to the two with tears: "Mom, Brother Dashan, I don't live here. I can't hurt you. In the next life, we will be another family. People, I have to go."

"Daughter, why are you?" The old mother cried again and again.

Dalia smiled bitterly: "Don't hide my mother, I...I didn't learn well before, and the man I was with was not actually my man. He was just playing with me, and I was greedy for wealth, so I was willing to let him play. Later... The man's wife came back, and the man kicked me out."

"Later, his wife found a few people to kill me. It was Dashan who saved me and I didn't die."

"Maybe that man knows that I am not dead, he...has always wanted to kill me. This man is very powerful. If I can't find my body, he... won't let it go. ."

"So Mom, I can't hurt you and Dashan brother."

“Brother Dashan is now looking for a job on a construction site in the town. While working to make money, he can also find an honest woman to live a good life.” Dalia cried when he said this.

She wants to live with Collin.

It’s okay to live like this for a lifetime, she likes it.

She feels at ease.

However, things are always counterproductive.

She has already figured it out clearly. In this life, she has been in the hands of Kraig. She doesn’t want to run for long. She just wants to give birth to the child and give it to a good family who cares for the child and loves the child, and then goes to Junjing. Yu died there.

Therefore, she can’t hurt Collin and her mother.

However, what Dalia didn’t expect was: “Isn’t it just killing one! If that surnamed Jun dares to kill you, I will kill him first with a hoe. We are all impoverished, afraid of what he will do!”

Dalia cried and shook his head: “Brother Dashan, you don’t know, he is very cruel, you don’t need to die with me.”

Collin smiled bitterly: “You are wrong, Xiaoshan, I... Actually, when I experienced the pain of losing a child, I didn’t want to live anymore. I survived because of an old mother. Old mother How long can you live?”

“That’s what I thought of when we originally lived in the mountains of Nancheng. When my old mother died, I would commit suicide by her side. Because I lived alone, eh.”

“Xiaoshan, you are here with a child in your belly. You have made my widow mother and my bereaved middle-aged man look forward to it.”

“If you are leaving, what shall we live for?”

Dalia: “...”

“Anyway, it’s a death anyway, we three sons of human beings are simply together, wherever we go, so we can take care of each other, if one day there is really no way to go, we will die together, and we will arrive at the Yin Cao Netherworld. There is also an anaphora, isn’t it?” Collin said very truthfully.

Dalia plunged his head into Han Zhanshan’s arms.

“Brother Dashan, you are so kind to me, I can’t repay you for the rest of my life.”

Collin smiled: “I don’t want anything to repay, we are all a family, we are all together.”

Du Junshan cried and said: “We will always be together.”

The family can’t cry in a hug.

After crying enough, Dalia said again: “Brother Dashan, we can’t live in this town. I have seen people with Kraig find us. One day they will find us. I want to hide now. In the city, there is a large population and it is hard to find.”

“Moreover, I thought about it. I think the closer I get to Kraig, the harder it is for him to find me, because he didn’t expect me to be so bold.”

Hearing Dalia’s words, Collin agreed.

Just do it. The first-level three packed up their simple luggage on the same day, and Collin drove the agricultural tricycle they just bought and drove all the way to the southwest.

They originally wanted to go to Kyoto.

As a result, I heard that the Kyoto side is very strict and that tricycles are not allowed to enter the city.

They thought, now they live in a small coastal town across the sea in Kyoto. It is densely populated and the city is relatively developed. You might as well work here to earn some money, then sell the tricycle, and it’s not too late to go to Kyoto.

They have just been here for a week.

This small town seems prosperous, but finding a job is not so easy.

One week later, Dalia and Collin did not find a job.

Especially Dalia, a pregnant woman who is four months pregnant, is not so easy to find a job anywhere.

What's more, she used to cook at home, serve Kraig, and attend some banquets with Kraig, but she really has nothing to do with it.

However, the two were not discouraged.

Anyway, as long as they have work, no matter how hard they are, no matter how tired they are, they will do it.

At noon that day, the two went out to find a job in two separate ways. They said yes, if they didn't find a job at noon, they would meet under the overpass in the center of the city, because in a bridge hole under the overpass, they came out in the morning. The food at the time.

It's wrapped in quilt, it's warm, and you don't need to spend money to buy it.

Can save a lot of money.

At noon, Dalia and Collin sat under the overpass to eat on time.

Dalia took a piece of potato with chopsticks and sent it to Collin's mouth: "Brother Dashan, I didn't find a job, but I had to eat it. If I didn't eat a meal, I was so hungry. You take a bite of this mashed potato. This is how mom uses lard in the morning. It's burnt, it smells of meat."

Collin ate the potatoes in one bite, and the two smiled at each other, happy and sweet.

Kraig, who drove all day and night, was stunned: "..."
