## Chapter 1468

Dalia twisted his hands together and asked shyly: "Old... madam, I... I want to find a job with you..."

Boss: "..."

After a pause, she glanced at Dalia disgustingly: "You, which mountain peak came out of you, are you literate?"

Dalia smiled: "Boss, look at what you said, I...I am not very old in my grade, how can I...not literate?"

The lady boss went up and down again Dalia: "What will you do?"

"I...I can dare to do any job. It's okay to be a little bit tired," Dajuan said eagerly.

"Waitress work, you definitely can't do it, just wear yours. It's ugly."

Dalia smiled again. She felt that she must have eyebrows, so she smiled happily and relaxedly: "I never thought that I could be a waiter, ah boss, I just thought, you can let us wash a plate and a bowl. Just take out the rubbish or something."

Wash the dishes and bowls.

Take out the trash?

Kraig was stunned.

Xiao Song, the driver next to him, looked cold.

The lady boss asked again: "Then tell me, how much money do you want?"

Dalia: "You...how much can you give me?"

“We let the dishwashing worker, 800 per month. But...” The woman took a closer look at Dalia.

She asked strangely: “You... are you pregnant?”

Dalia originally wanted to cover her belly and conceal it, but now when she heard the woman asked, she smiled awkwardly: “Yes...yes, I’m pregnant, so I need to work more, or the child I was born, I...can’t support me. I beg the boss’s wife to do well and give me a job.”

“I...don’t think I’m pregnant, but I can really eat all the hardships. I’m better than a non-pregnant woman. If you don’t believe me, you can try me, try me, no... .... No money.” Dalia was afraid that people would not want her.

She has been looking for a job in this city for a week.

People don’t want her even if she is cleaning the toilet.

She can’t eat for nothing.

Collin works alone and wants to feed his old mother, feed her, and feed her children in the future. How can this be possible?

She can’t bear it.

After all, when she returned home, Collin and her mother didn’t let her do anything. They were already very loving and loving, and she couldn’t be so unconscionable.

Dalia looked at the proprietress eagerly.

The proprietress turned her head and greeted her inside: “Sanzier, take out the swill and let her pour it out. I want to try it out, we don’t want to be squeamish!”

As soon as Dalia heard the eyebrows, he said happily: “You can try, if you fail, I don’t need the money.”

As soon as she finished speaking, there was a seventeen or eighteen-year-old boy inside, babbling and carrying a swill out of it.

Dalia’s eyes widened.

A bucket is more than 30 catties.

However, she gritted her teeth and warned herself that she must lift it up and throw it away, and she must lift it up.

She sank, then used her arms hard, picking up a stream of swill with both hands.

Boss lady + plus little boy: "..."

Kraig and Xiao Song in the car: "..."

Kraig couldn't help it anymore, he hurriedly opened the door and was about to get out of the car, but he heard the boss's wife yelling: "Big belly, stop!"

## Chapter 1469

Dalia didn't let go of the pass, but pleaded: "Boss, you see that I can move, so you can give me a chance, I need money, 800 yuan a month is very important to me."

Kraig: "..."

He wanted to be blocked by a blunt object, and he felt uncomfortable.

The throat was also choked by something.

The lady boss said: "Let it go, I just take you in, you let it go first."

Dalia then put down the swill.

She looked at the boss lady with joy.

The proprietress said: "It's really not easy to see you. We didn't want pregnant women in our restaurant. After all, we were injured. The wife will clean the dishes for us. The salary is a little higher, and we can't ask you."

Dalia: "Boss, I will take care of myself. I... Even if something happens, I... I won't look for you. Believe me, I'm so old. For children who are easy to conceive, I will definitely take good care of my children."

The lady boss interrupted Dalia's words: "I want you! But considering that you are a pregnant woman, I can't let you work for so long every day. Do it."

"Six hundred yuan?" Dalia swallowed his throat.

One hundred and eight yuan is already very small.

But now the lady boss is only willing to give 600 yuan.

"Can you..." She still wants to fight for eight hundred yuan.

The proprietress said, "Forget it, recruit you as a pregnant woman. I was too troubled. What I said was to let you do it for a long time, six hundred yuan. I really feel sorry for you. After all, they are all women. I really can't want you."

"I do! I do, and I will do it for 600 yuan. The boss, I will let you see my benefits, and I will do it well, only 600 yuan!" Dalia said eagerly.

Boss: "..."

After a pause, she said, "Well, come with me, and your salary will be calculated from today. I will pay you by the end of the month."

"Well, yes, thank you, thank you." Dalia was happy with something.

Behind him, Kraig's heart seemed to be digged by a knife.

"Master, do you want to take the madam here?" Xiao Song asked.

Kraig said, "You go in and act as a guest, order the most expensive dish on the table, and then check it out and look at her..."

"I understand, Lord!" Xiao Song was also winking.

He immediately got off the car and went to the restaurant.

Kraig spent seconds in the car again.

He was very surprised why he missed Dalia so much, but at this moment, he was not in a hurry to embrace her.

What kind of idea is this?

Two hours later, Xiao Song came out of the hotel.

“How about? Xiao Song?” Kraig asked impatiently.

Xiao Song sighed, then took out the phone and showed it to Kraig.

Xiao Song’s mobile phone came to take a dozen photos and short videos of Dalia squatting and washing the dishes.

She has been for some months, even if it’s not obvious, it’s very hard to squat down. She just squatted and played with her hips. Every once in a while, she could see her standing up and leaning on the wall to beat her waist. Look like.

Every once in a while, the boss’s wife will come over and ask: “Big belly, can you do it? If it doesn’t work, I will settle your account today. If you leave, you will not suffer for a few days. I always look at you like this. It’s too hard.”

“It’s okay, okay boss! You don’t need to check out the bill. You give me today’s money and I don’t need it. Today you treat me as a probationary period. I don’t need money for the probationary period. Don’t worry, I’ll be fine. I Will protect my own child, this is my first child, I cherish it.” Dalia smiled and promised the boss.

Seeing this scene, Kraig couldn’t help it anymore. He hulled the car door and walked towards the hotel. As he walked, he said: “Xiao Song, call someone to come over, first seal the hotel!”
