

# I' m Sorry My Love Novel Chapter 1472 - 1473

## Chapter 1472

On the other end of the phone, Kraig asked quietly: "Old Fu, you...when you were looking for Suzi back then, would you not approach her easily?"

Arron asked immediately: "Did you find Dalia?"

Kraig shook his head: "Just now your most precious woman, Suzi, called me. She warned me that if you find Ah Shan, don't push Ah Shan in a hurry, otherwise Ah Shan will miss her. "

Arron sighed: "If according to Suzi's temperament, if you approach her without restraint, then she must be a corpse sunk in front of you."

"Back then, I knew that Suzi went immediately in Quxian. However, after I arrived in Quxian, I didn't meet with Suzi right away, but..."

"But what?" Kraig was desperately anxious.

Arron smiled embarrassedly: "Lao Jun, you are planning to let my leader hack me to death!"

"Say it!"

"Suzi, who I planned to get closer to!" Arron blurted out.

Kraig: "..."

"A woman who is so stubborn, if I catch her back directly, she will beg to die, how can I make her beg to die?" Arron's tone was filled with infinite compassion.

Kraig said on the phone, "I see, Suzi is right."

"What did Suzi tell you?" Arron asked.

Kraig said angrily: "Threaten me!"

Arron smiled suddenly: "Deserve it!"

"If Suzi calls you and you help me say something nice, your wife has a big opinion of me, thinking how polite I was to her back then, why is she treating me like this now? Help me persuade."

"Yeah." Arron replied.

"I'm dead, old man."

"Did Dalia found it?" Arron asked again.

"No!" Kraig lied without hesitation.

After closing the thread, Kraig saw the subordinates pouring in from all directions.

"Tell them all to retreat! Retreat!" Kraig eagerly ordered.

Xiao Song: "Master..."

"Get out immediately!"

Xiao Song immediately picked up the phone to execute the order.

After the execution, he looked at Kraig incredulously.

Lord, what's wrong?

When I watched him handle official duties in Kyoto, I didn't see him so flustered or hesitant?

Why is he afraid of wolves and tigers for a woman?

"What are you looking at me for?" Kraig looked at Xiao Song in confusion.

Xiao Song had never followed Kraig before, and he didn't know much about Kraig's temper. Xiao Song was a handsome young guy, so he asked bluntly: "Master, how do I think of you... ."

"What's wrong with me!"

“I’m sorry, I slapped my mouth.”

“Say!”

“I...I dare not say.”

“I let you say you just say it!”

“Master, you... are you a little scared?”

Kraig: “...”

After a while, he looked up and beat: “I will kill you! Go! Let these people retreat silently! Otherwise, you will die!”

“Yes, yes, yes...” Xiao Song escaped too.

## Chapter 1473

At the door of the hotel, only Kraig was left sitting in the car. He looked at the hotel without blinking, and time passed by.

Not far away, in a hotel around the corner, Elma was sitting in front of the window, watching everything from the tight curtains.

Elma’s heart was stabbed with ten thousand steel needles.

The fingernails she hated have been pinched into the flesh, her eyes burst into flames, her lips involuntarily gritted her teeth: “D\*mn Dalia! What is it good for you, what is it good for you! A maid! Just a tool to accompany you to sleep.” My fiancé cares so much about you! He cares about you so much!”

“D\*mn! Dalia, I curse you to die!”

“No! I must not let you be happy! You are not worthy!”

No one knows when Elma lurked in the hotel room opposite, and Kraig didn’t know.

Because his heart is all tied to Dalia.

This afternoon, Kraig suffered extremely.

He was afraid that Dalia would be tired from squatting in a small restaurant to wash the dishes, and he was also afraid that Dalia would find him. As Suzi said, if Dalia suddenly found out, he would suddenly die by himself.

Doesn't Kraig mean that he will say goodbye to his wife as soon as he sees his wife?

No!

Kraig don't want this ending.

I don't know when, in Kraig's heart, he has already identified Dalia as his wife.

Such an idea has never existed in the years Dalia followed him.

People are really strange things.

How can we only know how to cherish it after we have lost it?

Fortunately, he has found her again now.

The only thing missing is how to find a point where you can meet her so as not to frighten her?

This afternoon, Kraig looked at the small restaurant intently while thinking about how to find a suitable point.

It wasn't until it was dark, and it was almost eight o'clock in the night, that he saw Dalia holding on to his waist and dragging his stomach out of the small restaurant tiredly.

The proprietress even poured her a horse of sack of vegetables: "The big belly woman, although it is leftovers, but you go home and heat it in the pot, hot head, hot boil, boil one more time, and it will kill the virus. This way you and your man can also save money on food."

Dalia carried the food and nodded constantly: "Uh, uh, I know, thank you, the boss, you are so kind to me."

The proprietress sighed: "Eh... life is bitter, look at your delicate skin and tender flesh, your hands are not for rough work at all, you with white skin are not like ordinary people. , Even if you don't tell me, I also know that you probably used to mess with the rich boss, but now they don't want you?"

"Doesn't you think you are too old?"

"Eh, you said you...I knew so why at the beginning, women, shouldn't be greedy for temporary enjoyment, look now, they are dressed like a beggar, with a big belly... .Hey! Coming tomorrow afternoon, you can sleep well in the morning."

The proprietress looks like a knife-mouthed tofu heart.

While she disliked Dalia, she also knew she cared about Dalia.

Dalia was very pleased: "Well, I know the boss, thank you, I will definitely work hard."

After speaking, she carried a vest bag of leftovers and dragged her tired body down the overpass.

At this time, under the overpass, Collin was already waiting there. He was also lucky this afternoon and carried big items for a family of people who moved in the city. Refrigerator, wardrobe. Something like that. Going back and forth more than a dozen times, earning more than two hundred.

But he was almost paralyzed when he was also tired.

He sat under this overpass and waited for Dalia for almost an hour.

Seeing Dalia staggering, the man greeted her excitedly and touched her face: "You...what are you doing! I'm so worried about you! You can't come out with me tomorrow, I Tell you that I made more than 200 today, enough for us to spend three a week!"

"You will stay at home tomorrow, I will hire this way every day to make a lot of money, and the time is short."

Dalia lifted up his clothes to wipe Collin's sweat: "I have also found a job, half-day work, 600 yuan a month, don't try so hard."

After wiping the sweat, she showed the convenience bag to Collin again, her tone was extremely excited: “The dishes that the lady boss gave me, several shrimps, and a half elbow, chicken nuggets, all!”

Collin rubbed his hands happily: “Go, let’s go home and have a big meal!”

Kraig not far away: “...”
