

# I' m Sorry My Love Novel Chapter 1478 - 1479

## Chapter 1478

Kraig couldn't stop smiling: "No, no old man, I...I'm just happy, you know?"

Arron held back his anger: "Dalia is willing to come back with you?"

"That's not it."

"Then what are you howling with me in the middle of the night!"

"Because she hasn't become someone else's daughter-in-law." Kraig said in a childlike tone.

Arron asked angrily: "Because of this, you are so stunned, Kraig! I doubt you are Kraig!"

"Yes, why not! I'm my buddy Kraig."

Arron: "..."

The woman in her arm was awakened after all.

Suzi raised his sleepy eyes and asked Arron: "Arron, who are you calling at this late hour? Are you talking to a woman?"

Arron gave the woman a glance.

Her emotions have not been too stable recently, so he said in a soft voice: "No, yes..."

Kraig's clear voice came from the other end immediately: "What woman! Suzi, it's me! It's me! I...I found your sister Shan, you should be able to see it soon. Your sister Shan!"

Kraig at the other end couldn't see Suzi's expression.

But here, Arron saw Suzi's expression very clearly.

After Suzi heard Kraig finished speaking on the phone, she was stunned, and then cried.

She cried and snatched the phone from Arron's hand, and cried into the receiver and asked, "Kraig, what did you say? You...did you find my sister Shan?"

Kraig was startled: "Suzi, what's the matter with you? Why are you crying?"

Suzi's voice was extremely sad: "What are you going to do? Bring Sister Shan back?"

Kraig: "Of course!"

Suzi suddenly cried: "Kraig! Can you be reasonable! Sister Shan is a person! She is not an object! Not your pet, she is a human! She has her own feelings!"

"She never betrayed you!"

"It's you! You are you, do you understand! It was you who drove her away ruthlessly, and your ex-girlfriend almost beat her to death. She was desperate! It's hard to meet someone you like, but also like Her man, why are you bothering her!"

"Why!"

"Kraig, I ask you why you are! Sister Shan is not your private property!"

"You are a pig or a donkey! Can't you understand human words!"

"Kraig, you are God! If you want to chase people away, you will chase them away. If you get them back now, you will get them back! Are you the emperor, why are you! What right do you have! "

Kraig: "..."

He was bombarded by Suzi, and he couldn't react for a long time.

After a while, he stammered and asked: "Shen...Suzi, you...what's wrong with you?"

Suzi finished venting, and the whole person got better: “I’m sorry, I...I have been in a bad mood these past few days, and I can’t control myself.”

“I’m dead!”

If the words were necessary, Suzi hung up the phone.

Putting the phone on the bedside table and looking up at his man, Suzi wanted to cry again.

She is not actually a crying woman.

I rarely act like a baby in my life.

I don’t know why, but there were so many tears in the past two days.

In fact, during the day today, Suzi received a call from Dalia.

## **Chapter 1479**

It was half past two o’clock in the afternoon. When he received Dalia’s call, Suzi couldn’t help being surprised: “Sister Shan, you talked to me very often this time.”

On that end, Dalia smiled naturally: “Suzi, I will not hide anything from you in the future, and I am not hiding from Kraig anymore.”

Suzi: “.....”

Dalia smiled again: “Is there something to solve? There is nothing in this world that can’t be solved.”

When he said this, Dalia’s tone was very bleak, giving Suzi a feeling as if Dalia was saying goodbye to her.

Suzi immediately asked: “Sister Shan, what do you have...”

“No, I want to tell you some good news. I told you that I got a job and washed the dishes in a restaurant. No, I can just sit here and rest for a while. .”

“I also tell you a happy thing.”

Suzi was very curious and asked: "What's the matter with sister Shan?"

Dalia said: "At noon, I saw many unfinished meals on the dining tables in the restaurant. Before I could speak, the lady boss told me that when the waiter packed the plates, they would pour them out for me."

"I can take it home to eat at night."

"It's all big fish, big meat, and shrimp..."

Suzi's eyes flushed suddenly: "Sister Shan...you...you actually live such a life?"

Dalia smiled indifferently: "Suzi, don't feel sorry for me. Tell me when you were in Quxian, were you more sad than I am now?"

Suzi nodded and confessed: "I was sadder than you. At that time, I just gave birth to my child. I wanted to earn milk powder for my child and feed my brother who is a disabled person. I will give my brother medicine every month. I can't find a good job again, just like a man on the construction site as a mason. It's about two thousand yuan a month."

Dalia smiled and said, "So, I am happier than you."

"I don't need to be a mason now. I work half a day every day. The lady boss is still willing to pack leftovers for me. The most important thing is that I have found a man who loves me. I think I am very happy."

Suzi sincerely asked: "Sister Shan, I wish you happiness."

After a short conversation, Suzi could feel that Dalia was really happy and fulfilled, but there was another kind of despair in it.

This makes Suzi's mood also inexplicably sad.

So that the mood was low throughout the afternoon.

I can't eat when I get home.

Finally, I stayed warm with my husband. I felt much better and could fall asleep. As a result, I received another call from Kraig.

Suzi raised his tearful eyes to look at her husband: “You said, why are your men so disgusting? People don’t want to be with you anymore, so why bother to disturb other people’s lives?”

Arron put his wife in his arms: “Go to sleep, tomorrow I will scold Kraig!”

“Well, you remember to scold him!” Yubi, Suzi fell asleep again.

This night, the aura of sleeping in Arron’s arms is still very sweet.

She dreamed of Dalia again in her dream.

Dalia was holding her pregnant belly for several months, with a middle-aged man in her arms, she looked at Suzi with a happy smile: “Suzi, you see that I will have a baby soon, and you should hurry up. Tire.”

Suzi looked at Dalia’s appearance and said with great satisfaction: “Sister Shan, I am relieved to see you like this. Actually...for women, prosperity and wealth are really not the most important, the most important thing. Yes, there can be a man who loves himself, congratulations, you found it.”

However, this is another dream.

When Suzi woke up from this beautiful dream, it was already bright.

It was Arron who woke her up: “Get up and take you to the hospital today.”

Suzi puzzled: “Why go to the hospital?”

Arron raised his hand and squeezed Suzi’s nose: “You have not been in the right mood lately, you are easy to be sad, and you like to cry. Have you noticed that, in fact, your period is also.....”

Before Arron finished speaking, Suzi opened the bedside table and took something to the bathroom.

In five minutes, Arron heard a scream in the bathroom: “Husband, !! Pregnant! Pregnant! La!”
