

I' m Sorry My Love Novel Chapter 1482 - 1483

Chapter 1482

After a long while, Arron asked slowly, "Kraig, what happened to make you make such a decision?"

Kraig's anger on the other end of the phone was about to erupt like a volcano.

Last night, the phone call Suzi called him kept Kraig silent for a long time.

He patronized happy, but forgot a vital thing.

Dalia did not live with that man, but Dalia's heart had already empathized to him.

Her heart is all on that man!

As soon as he woke up, Kraig went to the courtyard again, just in time to ran into Dalia and the man washing their faces and brushing their teeth outside the courtyard.

As soon as the man finished the toothbrush, Dalia quickly put the basin on the faucet in front of the man: "Brother Dashan, wash your face."

"Hey!" Collin looked at Dalia with a smile, his face full of love.

Dalia looked at Collin's eyes, also full of love.

At this moment, Kraig, who was sitting in the car outside the yard, felt a terrible jealousy in his heart.

However, he still had no urge.

He was never an impulsive person.

Now that Dalia was already under his eyelids, and he was also sure that as long as Dalia had no children left, and even if he gave birth to a child, Dalia would not touch Dalia as long as the full moon had not passed.

With this confirmation, Kraig became even more calm, with a ruthless expression in his calm expression!

A man and a woman in the yard, quite a feeling of piano and sound.

The look of a woman carrying wash water for a man reminded Kraig that when Dalia followed him in the past, three hundred and sixty-five days a year, she woke up very early every morning.

Even in those days when she had an abortion, she had never been lazy.

Every morning, when he wakes up, the woman will gently say to him: "Kraig, you are awake, go brush your teeth first, I will squeeze the toothpaste for you."

After brushing her teeth, she will hand her the razor and put warm water in front of him.

After washing, she will serve him the first time after going downstairs, and when he goes out after eating, she will come to the hallway with him, let him sit, and then she will change his shoes with a smile.

She takes care of all his life.

She was so gentle and dedicated to him.

Every time she looked at him, she was full of admiration and love.

Now, her eyes are no longer used on him, but on another man.

This makes Kraig feel so embarrassing.

Why is it so terrible!

Kraig sat in the car silently, watching Dalia and the man and the man's old lady having breakfast together. After the two people said goodbye to the old lady, they went out together.

“Xiaoshan, you don’t have to go to work in the morning, your companion in the afternoon, what are you doing so early, it’s the same if I come back to pick you up at noon.” The man said while helping Dalia to sit in a tricycle.

Du Junshan supported the scattered hair in front of his forehead and said to her: “Brother Dashan, it will take a long time for you to finally come back. What if there is work at that time?”

“Even if you are not alive, you can rest for a while while eating at noon.”

“I’m okay. I’m sitting under the overpass with some cotton in my ears. It’s good for me to sit under the overpass and rest. It’s great if it doesn’t rain under the overpass, and I can avoid the wind.”

The man said honestly: “Xiao Shan, I really made you suffer.”

Dalia smiled gently and said, “I have a mother, Dashan brother, and children in my belly. I am very happy.”

Chapter 1483

The two of them walked past Kraig’s car while talking. No one noticed that the man in the car was watching all this with jealousy.

An hour later, Collin and Dalia came under the overpass where they stayed yesterday. The man helped Dalia down first, then took a mat and a quilt from the tricycle and laid them under the overpass.

He turned his head and looked at Dalia: “Xiaoshan, you sit on it, it’s not cold. Wait for me to come back at noon.”

Dalia nodded: “Yeah. Brother Dashan, don’t be tired.”

Collin is gone.

She sat alone under the overpass, quietly like a little girl who doesn’t know the world.

She sat here all morning, sometimes walking around under the overpass.

When walking around, Dalia would say: “Baby, you have to wish your father together with your mother that you can find odd jobs this morning, so that your father can also earn 200 yuan today, so that we will have a better life in the future.”

“Mom still owes you some money to Aunt Suzi, and we have to pay it back. Baby, you have to be good, and you have to be sensible.” When Dalia said this, his eyes never left his stomach.

Her expression is so docile and contented.

That look made Kraig very intoxicated.

That is his child!

Does Kraig grow well?

At that moment, watching Dalia walking down the overpass alone, talking to the fetus in his stomach, Kraig really couldn't help it!

Can't help it!

However, just as he pulled the door to get out of the car, the man came back.

He appeared in front of Dalia with dirt all over his face.

Dalia was taken aback: “Brother Dashan, what's wrong with you?”

Collin immediately smiled, showing his white teeth: “I encountered another skillful job this morning. On a construction site, there is only one wall left. On the other side of the wall is a public toilet that nobody cleans all year round. No one wants to do it. That job is stinking.”

“But I picked it up, one hundred and five in the morning!” Collin said.

Dalia's eyes widened: “One hundred and five, three hundred in a day, nine thousand a month, and my six hundred, Dashan brother. We are rich!”

Collin nodded: “Wait for more than half a year's money, just when you are going to give birth, we will rent an apartment, with water, electricity

and coal, and the kind of bathroom. I know you are a beauty-loving woman.”

Dalia pushed Collin: “Brother Dashan, you eat first, and you sleep after eating. This kind of work must be tiring.”

With that said, Dalia pushed Collin and sat on the temporary mattress. Dalia personally wiped his hands and face, and then took out food for Collin to eat.

After eating, Collin lay down and said with a happy expression: “It’s really comfortable. Even if I take a half-hour break at noon, I will work hard in the afternoon.”

Dalia looked at Collin distressedly: “Brother Dashan, you must be very tired, right?”

“For the sake of our children, I’m worth the hard work.” As he said, Collin turned and looked at Dalia’s belly sitting aside.

“Do you think the child in our stomach is a boy or a girl?”

“What do you mean?” Dalia asked.

“Girl, I like a girl. Let’s save her money so that she can learn piano, dance, and go to college. When she grows up, she will be as beautiful as her mother.”

Dalia said: “Brother Dashan, the girl is kissing her father, she will definitely love you the most in the future.”

Dalia talked about the father one by one, and the child in his stomach directly recognized that man as his father.

In the car, Kraig’s eyes radiated monstrous anger, and in that moment, she made a decision.

Taking out her mobile phone, she called Arron: “Arron, I want to kill the man next to Dalia!”
