

I' m Sorry My Love Novel Chapter 1484 - 1485

Chapter 1484

Arron could hear Kraig's jealousy and jealousy.

"Kraig, this is not your style, you have always been peaceful." After a few minutes, Arron said lightly.

If this matter were replaced by Arron, he might have done the man without mercy.

However, Kraig...

"That's my child! Is it possible to call that man's father in the future?" Kraig asked hysterically.

Arron still looked at Kraig calmly: "Then you bring Dalia back!"

Kraig: "..."

"What's the matter with Kraig? The day before yesterday I did not agree with you to bring Dalia back, because I was afraid that she would find her short-sightedness, but now your situation is more serious, so I just bring Dalia back. Then I will persuade her together with Suzi and try to persuade her. She and you are getting together again."

Kraig clutched his head painfully: "Arron, it's late."

Arron: "You said last night that they didn't live together?"

"But Dalia's heart is all on that man..." Kraig couldn't continue.

Arron: "..."

He understood Kraig's mood very well.

When he searched for Suzi, he always went out of his way.

Later, when Suzi was found in Quxian County, Arron originally planned to smash all Sanford's bones and throw them into the sewer.

However, he also secretly observed Suzi for a long, long time.

He found that Suzi did not love Sanford.

They lived together for six years, but they were siblings, and they never slept in the same room.

Then one night, Arron lurked outside Suzi's house, and Arron under the window heard Suzi dreaming.

In the dream, Suzi kept shouting: "Arron, don't leave me, don't leave me, Arron, marry me, okay, I love you."

So when Arron brought Suzi back, he knew Suzi's true thoughts.

However, Kraig is different.

Dalia's heart is no longer on Kraig.

"Do you love her?" Arron asked Kraig.

"Nonsense!"

After a pause, Kraig asked Arron: "You...what do you mean?"

Arron said in a painful tone: "Kraig, there are so many good women in the world. As long as you want to, the women in Kyoto who want to marry you can hand in hand to spare Kyoto a whole circle..."

"Bullshit!"

"Kraig, you drove her away!"

"I just want to get her back to me, what do you want with the surname Fu!" Kraig and the brothers wanted to turn their faces.

Arron sighed, "Kraig, as Suzi said, Dalia is a human being. When you drove her away, you didn't leave her a way out. She was pregnant with a child in her belly after nine deaths and was saved by the man

now. She will naturally. Fall in love with this man, if you love her, why not put yourself in her mind?"

"You forcibly separated her from that man,

You will kill her! "

"Kraig, anyhow Dalia is a woman who has been with you for seven or eight years! She used to be so good to you!"

Kraig's tone was decadent and dim: "Arron, you have changed, you have become soft-hearted. You weren't like this before."

Arron said with emotion: "Kraig, I am already the father of three children. Suzi is pregnant again, and she is still twins."

"But my child! My child will never be called my father, Arron!" Kraig's tone was extremely bleak.

"I can't let my child call someone else father!"

Arron sighed and said, "Okay, I will arrange this."

"Thanks brother!!"

Arron smiled: "We are life and death brothers, no need to say thanks between you and me!"

"I'm hanging up." Kraig said.

"Good."

After closing the line, Arron called Christopher: "Christopher, you must be extremely confidential, save the man first, don't let Kraig know, and then prepare enough money to send the man abroad. ."

Christopher responded: "Four Lord, it's really difficult for you. It is rumored that you are killing people, but who knows that you are saving people. It is the love enemy of your best brother, Lord..."

Arron also smiled bitterly: "What did he do wrong, why should we kill him? Do as I said, so that he will never see Dalia again in this life."

"Yes, Fourth Master!"

After closing the thread, Arron said in his heart: "Kraig, I hope you can be happy."

When Kraig on the other end of the phone looked up under the overpass, the man was helping Dalia on the tricycle.

The man is going to work, and Dalia is going to the small restaurant to wash the dishes.

Kraig followed Dalia all the way to the small restaurant, watching Dalia help his stomach into the small restaurant, Kraig said to himself: "Ashan, in a few days, you won't have to wash the dishes here. "

"Come home with me, and the domestic helper will do whatever you want."

"Even if you want to eat the dragon meat from the sky, I will get it back for you."

"From now on, I will wash your feet, squeeze your toothpaste, and call you to get up every day and make you breakfast."

When he said these words, it seemed that Dalia had heard it. She was almost walking in, she turned her head suddenly, and for a second, Dalia's eyes even matched Kraig's.

It's just that Kraig was sitting in the car with black glass, and Dalia couldn't see him.

He calmly told the driver Xiao Song: "Drive."

Xiao Song asked Kraig in surprise, "Master, don't... stop watching?"

Kraig said angrily: "Drive to a hidden place."

"Yes, Lord!" Xiao Song moved the car to a hidden place again.

For three or four days, Kraig followed the courtyard under the flyover every day. Under the flyover he watched Dalia all morning, and then parked in the shelter of the small restaurant in the afternoon, and then continued to follow Collin and Dalia back to the courtyard.

This tracking is boring.

Xiao Song dared not speak anymore.

But Kraig is still attentive.

The only relief to Kraig is that Dalia and Collin have not lived together. Although Dalia often invites Collin, Collin always abides by the rules.

Kraig admired in his heart and thought that he was also a man of great concentration and great strength.

Sometimes, he would think decadently, no wonder Dalia likes that man, he is truly extraordinary.

But, the more so, the more Kraig burned in vinegar.

In four days, Kraig received a call from Arron. On the other end, Arron calmly said: "Kraig, everything is ready. That man will be recruited to a construction site, and then an accident will happen on the construction site."

Kraig: "Old Fu, how can I thank you?"

Arron: "That man has an old mother, and both the man and Dalia love the old mother very much."

Kraig said: "I will treat the goddess as a mother and guide her through her life."

Arron: "Okay."

Immediately afterwards, Arron explained the process to Kraig in detail, and asked Kraig to comfort Dalia for the first time.

Arron said that Kraig listened attentively, and from time to time he praised Arron: "Old Fu, you deserve to have a wife. Why do you have so many ghosts?"

He was talking with gusto when a person suddenly stood in front of the car.

Kraig suddenly became an ice sculpture: "...Shan...Ashan!"
