

# I' m Sorry My Love Novel Chapter 1486 - 1487

## Chapter 1486

Arron was taken aback at the other end of the phone, and then asked, "What did you say Kraig?"

On that end, Kraig has hung up the phone.

He never expected that he was talking to Arron, but Dalia came to him.

The window that Dalia knocked on, the window that Xiao Song opened in front.

Without warning, Dalia saw Kraig in the car.

"How many days have you been here?" Seeing Kraig, Dalia was incredibly calm.

But Kraig felt a guilty conscience on her face: "A...Ashan..."

Dalia smiled miserably and asked, "Mr. Jun, can you make my death easier?"

Four months later, when the two met again, he was in a trance, as if in an illusion.

And her tone was strange as if the two had never met before, not at all like they had lived together for seven or eight years, and she had pregnant for him, not to mention that at this moment, she was still pregnant in her belly. His child.

Dalia's tone of speaking with Kraig seemed to be a kind of calm after careful consideration.

This made him unable to see any love and hatred between them.

However, she was talking to him about life and death.

Kraig's heart was filled with uncomfortable feelings.

He stared at Du Huanshan blankly, and suffocated a sentence for a long time: "Ashan, much, you...you're thinner."

Dalia sneered: "Mr. Jun, you haven't changed at all, you are still the smiling tiger, even if you are going to kill me next second, you still smile at me."

Seeing Kraig not speaking, Dalia tilted his head and looked at Kraig with a mischievous smile: "How about Mr. Jun, I have been with you for so many years, do you know you well?"

Kraig: "..."

"Why do you feel that I am here to kill you?" Kraig asked.

Dalia smiled unbelievably: "Mr. Jun, you... it's really meaningless if you ask like this?"

"Your heart to kill me was clear to me on the third day you drove me out, and I almost died on the top of the mountain. Before I died, there were five, six, five, three, and tough-looking men. Almost round me, you tell me now, why do I think you are here to kill me?"

"Kraig, Dalia, I am so stupid in your eyes?"

Kraig suddenly raised Lao Gao: "What did you say, Qiu...Elma did this to you?"

Dalia was all smiled by Kraig.

She looked at Kraig, only shaking her head and laughing, she was speechless for a long time.

After laughing, she let out a long sigh, and suddenly said: "Come on! Kill me!"

Yubi, she closed her eyes and waited calmly for death.

The way she stood in front of the car door made Kraig feel that although the sun was very good today, there was no cloud in the sky, but the sky was cold.

Kraig walked out of the car slowly.

Under the cold wind, the man wore a navy blue windbreaker, his collar stood up, and his feet wore brightly shaved military boots. The man's height was a full 1.8 meters tall, which made him stand in the cold wind, unnatural. There is a kind of unparalleled prestige.

The opposite woman had messy hair and pale face.

The woman's upper body was wearing a cotton-padded jacket that was obsolete many years ago. This cotton-padded jacket was a little fat for her, with a bit wide shoulders, but it couldn't be buttoned up to the belly.

Her slightly convex pregnant belly was exposed.

The next one is still an old cotton trousers that only old ladies wear now.

The shoes on my feet are not the black construction shoes of the previous few days, but an old cotton shoe made by my own work.

However, this costume still failed to conceal Dalia's beauty.

## **Chapter 1487**

It seems that she is more beautiful than ever.

Her beauty is calm, beauty is pregnant, beauty is on the little freckles on her face.

Also, the beauty is there, there is no longer Kraig in Dalia's eyes.

In the past, Dalia looked at Kraig's eyes, except for worship, it was love.

Eyes full of love.

Now Dalia looked at Kraig's eyes, apart from precaution, he regarded death as home.

Although she didn't say aloud, it was as calm as a volcano was about to erupt.

It's scary.

Even Kraig did not dare to rush RaDalia into the car at this moment.

He looked up and down Dalia, his eyes fell on the bag of leftovers that Dalia was carrying.

Dalia immediately said: "You don't need to look at it! I didn't buy this with money. This is the kindness of the proprietress of this restaurant, who brings me the leftovers every day."

It's a coincidence for her today, it's rare to book a room in this restaurant.

The whole afternoon will be the place that the owner of the family has taken care of. The lady boss said, it is estimated that it will be very late in the afternoon if the scene ends, so the lady boss asked her to go home and rest first, come to wash the dishes tomorrow morning, and work tomorrow morning plus an afternoon. , Today is still half a day at work.

Just before going out, the proprietress handed her a bag of leftovers and said to her: "Big belly, don't be too bad, just make do, it's always more nutritious than you are willing to make white steamed buns every day. You just need to heat it thoroughly. , The virus is gone."

Dalia thanked the proprietress and walked out with a bag.

In fact, in the corner, she glanced at the car a few days ago and didn't care.

I don't know why, Dalia is always flustered today, she always feels that something is going to happen.

Just like when she entered the restaurant just now, she always felt that someone was calling her behind her back, but she didn't see anyone when she looked back. After coming out with a bag of leftovers, Dalia looked around.

She saw the black car again.

This car has a local license plate, and it is not a good car.

Maybe it was because I thought that ninety-nine percent of this car wouldn't be sitting in Kraig, Dalia was carrying a bag of leftovers and walking towards the car naturally with a big belly.

She didn't expect that Kraig was actually in the car.

He got it after all.

Still so quietly.

The appearance of the two opposing each other has a sense of lens in a movie.

A man dressed in heroic style, tall and majestic, and a sloppy, almost begging woman with a pregnant belly.

In the cold wind, the sloppy pregnant woman smiled fearlessly: "Kraig! I may explain to you ten thousand times and you won't believe it. I have never embezzled a penny of your property. !"

"Later I thought about it, it must not be a matter of property."

"When your ex-girlfriend Elma took five or six sturdy men, kidnapped me to the top of the mountain and took away my one million bank cards, how could you not know?"

"Just ask, without your approval, who would dare to let five or six brawny men drag me from your house to the top of the mountain and almost beat me to death?"

"Actually, this is all instructed by you, isn't it?"

"It's just that you didn't expect me to be saved, you didn't expect me to run away."

"So, you personally come and kill me!"

After speaking, Dalia closed his eyes again: "Kraig, if you want to do it, hurry up. I've actually waited for this day."

Kraig said Shen Shen, "Ashan, come home with me."
