

I' m Sorry My Love Novel Chapter 1488 - 1489

Chapter 1488

Dalia raised his eyes and glanced at Kraig with a disgusted expression: "What did you say?"

Kraig forcibly resisted not to hug her, forcibly resisted not to take off his coat and put on her, and then hugged her into the car.

Because he was afraid of irritating her.

He still calmly said: "Ashan, what you said is correct. I have been following you for several days. I am afraid that I will disturb you. I am afraid that you will have an overwhelming reaction so that I did not dare to approach you. I will tell you now. , I am not here to chase you down, I am here to take you home."

Dalia: "..."

She looked at Kraig, smiled, then smiled again, she suddenly dropped the leftovers she was carrying on the ground.

The food immediately flowed out of the vest bag.

Kraig glanced at the food inside subconsciously.

Eat the leftover shrimp skins.

Half of the bones that others have gnawed.

There is even a steamed bun that has been bitten in half.

Kraig's heart is even more like being dug with a knife: "You... are you taking home to eat? Or feeding pigs?"

Dalia did not answer Kraig, she just gritted her teeth and said: "Kraig! Killing but nodding! I'm already standing in front of you! How much hatred can there be between us? Tell me! How much do you hate me?"

Tell me! No matter how great the hatred is, I will use my life to pay it back to you, what do you want!”

“Let me guess?” Dalia’s face shed two lines of clear tears.

“It must be your favorite Elma. She wants you to take me back alive, and then she tortured me well, right?”

“I know!”

“Four months ago, she looked for five or six men and wanted to round me out, but she didn’t succeed, so she couldn’t make such a tone all the time, right?”

“But Kraig! Did I sin against your ex-girlfriend?”

“When I was with you, I didn’t even know her existence!”

“I know you don’t love you! I have never forced you to love me! If you let me go, I will leave immediately!”

“Why is your ex-girlfriend still trying to force me like this?”

“Be sure to watch me, a big belly, lying on the ground, how many people round it? Then you and your ex-girlfriend, your fiancée is sitting on the sofa while tasting red wine while watching this scene?”

“Is that so Kraig?” Dalia was already full of tears when he said this.

She guarded her stomach with defensive hands and looked at Kraig with tears and fear and death.

“Kraig! I won’t go back with you, let you and your fiancée round me out and torture me to death!”

“Kraig, you...I am carrying your child in my belly! You have such a cruel letter, do you bear to watch your child turn into a pool of blood in front of you?”

Kraig: “...”

Never at this moment, he felt helpless.

She was very excited.

He dared not approach her.

He even dared not help her with his hands, for fear that she would hit the car in the next second.

“Ashan, don’t get excited, don’t get excited first, you see you have a baby in your belly, you also know that you have my baby in your belly...”

“Yes! Your child is in my belly!”

It’s been half a month since I came to this small town.

For the past half month, she has been waiting every day.

Waiting for Kraig’s arrival.

She knew that she could never hide.

But she didn’t expect that after she had just come to this small town for half a month, he would have chased him.

It can be seen that he never relaxes chasing her.

Maybe, part of the reason is because of the child in the belly, right?

“Kraig! I wanted to talk to you, but you didn’t refuse it! You don’t use the condom every time! You don’t use it every time! Every time I take measures! All of my measures have been taken, you know! “

“You’ll fall asleep when you’re done!”

Chapter 1489

“Do you know that once I was in the bathroom, I stretched my legs and bounced for two hours?”

“Do you know how many times I wash it?”

“Do you know how many emergency, long-term contraceptives I have taken?”

“My body has already resisted these!”

“But you still don’t take measures!”

“Have you not found out that in the past one or two years, I am easily pregnant?”

“Kraig, I am very much like pregnant with your child, but I have not yet reached the point where you do not want me to secretly pregnant with your child, and then threaten you with the child again!”

“I have been with you for seven or eight years! I know you well!”

“Don’t say it’s the child in the stomach, even if the child is born, I won’t be able to hold you!”

“This is your iron standard for the upper class!”

“There was old man Shu decades ago!”

“Later there was Suzi’s father-in-law Fu Zhengxiong!”

“Now you are the same, the same!”

“I understand Kraig! I never thought of using a child to threaten you! I was pregnant by accident! I went to the hospital for an examination, I want to get rid of it! But...my body can no longer fall It’s a fetus!”

“If my child is aborted, I will never have another baby.”

Speaking of this, Dalia suddenly smiled: “But...it doesn’t matter anymore. Both of us can’t survive anyway, Kraig, I won’t go home with you.”

“You tell me now, do I only have a dead end?” Dalia looked at Kraig, asking every word in despair.

After asking, she looked around subconsciously.

I don’t know, Dalia’s entire face is pale at this sight.

Because she saw cars and people crowding around her from all directions.

These cars have narrowed down a little and surrounded her.

Outside the circle, many people were surrounded.

Among them are the proprietresses and their employees in the restaurant, which will make them come out to watch the excitement.

The proprietress sighed: "I have always felt that this woman is not right. The clothes she wears are very earthy, very earthy, but she herself is not a native."

"I've always wondered if she broke up with her husband and ran out."

"It doesn't seem to be right now."

"She should be a small pet raised by a powerful boss. She wanted to sneak out with the child, and wanted to give birth to the child and go back as a bargaining chip. As a result, she was found by the boss."

"Hey, also a poor woman."

Among the different opinions, Dalia is no longer asking Kraig.

Seeing the people around, Dalia already knew the consequences.

It seems that Kraig wants to catch alive!

He just wanted to satisfy his fiancée who came back from abroad.

A tear of regret slipped from Dalia's eyes, and she smiled sadly: "I regret it, I regret that you shouldn't have saved me in the first place."

"I regret it!"

"Why do I, Dalia, have such a hard life!"

Yubi, she looked fiercely at the front of Kraig, and then slammed into Kraig's front as soon as she bent over.

She used a lot of strength.

She must be hit to death!

If she does not die, she will suffer a lot.

At the moment she was about to hit, a person suddenly rushed into the crowd and hugged Dalia: "Xiaoshan, don't die..."

Dalia looked back, her heart sank suddenly, she looked at Collin desperately: "Brother Collin, you...should not come in! Go!"
