Chapter 1490

Collin hugged Dalia tightly: "Xiaoshan, you are not stupid, Mr. Jun has not sentenced you to death, you are seeking death by yourself, have you ever thought about the child in your stomach?"

Dalia cried and looked at Collin: "Go! Go home! Don't shut me down! You can't control this matter."

Collin: "I'm your brother! When you have a baby, I will marry you! How can I look at you!"

Kraig: "..."

Are these two people thinking that Kraig is dead?

Kraig stepped forward furiously, raised his hand to lift Collin's back collar, and he lifted Collin up.

Don't look at Collin, who is also five big and three thick, but Kraig is even thinner and taller. But Kraig lifted Collin like a little chicken, without any trouble. He severely left Collin aside.

The corners of Collin's lips suddenly bleed.

Collin looked at Kraig in horror.

He only felt that this was a young man from Kyoto, and he only heard Dalia say that he was powerful and powerful, but at this moment, Collin clearly felt the terrible aspect of Kraig's own human resources.

His skill and skill are not comparable to ordinary people.

It is estimated that three or five Collin are not Kraig's opponents.

"Brother Collin..." Dalia cried and rushed forward and hugged Collin: "Brother Collin, are you okay, Brother Collin, you...you bleed, woohoo, Brother Collin..."

While she was crying, she turned around to look at Kraig with an angry face: "Don't... don't kill me Collin brother, I... I'll go with you, I'll go back with you, you I can do whatever I want, I'll go back with you..."

While talking about this, Dalia crawled towards Kraig.

She is crawling, not towards Kraig.

Elden, who had just been surrounded by him, watched this scene and was heartbroken.

He stepped forward and abruptly helped Dalia up: "Madam, you...you have misunderstood the Lord, Lord Lord did not want to kill you at all, he wanted to take you home, you It's ma'am, ma'am!"

Elden helped Dalia and walked towards Kraig.

Du Huanshan was taken aback first.

Then she saw Elden's face clearly.

"It's you, it's you? You...thank you for letting me go and Dashan brother last time, thank you...you...you don't understand at all, I'm not yours Madam, I'm just a domestic helper in Lord Jun's house... Leave me alone..." After speaking, Dalia knelt in front of Kraig again.

"Xiao Shan! Stand up! You stand up for me! You have to be strong! We can die! Xiao Shan!" Collin called Dalia heartbroken.

Dalia turned his head and looked at Collin with tears streaming down his face: "Brother Dashan, you don't know."

"Actually...Actually, I have never been a person with dignity."

"I have so many brothers and sisters, two older brothers and two older sisters on the top, two younger brothers and two younger sisters on the bottom. I am the only one who is not a twin in the family. Because I was born and killed my elder brother, I was born in my family since I was born. , Is the existence without status and dignity."

“Since I was a child, my elder brothers and sisters have their own rooms, their own toys, and their own beds. Only I slept in the aisle of the living room.”

“Eight of them united to beat myself.”

“Sometimes they play pranks and chain me up and play as a dog.”

“I have no dignity, I have never had dignity since I was young.”

“Later, my parents sold me to a fool in our town to be a daughter-in-law in order to collect the tuition fees for my younger siblings. They kept me in prison for a few years. I was in jail. I was in that family’s house, There is no dignity either.”

“Later, I was rescued by the Lord.”

“It’s the Lord that feeds me, wears it, and uses it so that I can live like a human.”

“But these are all at a price.”

“I was originally a person with no dignity. Suddenly I live like a dog. I attend banquets every day and dress like a lady. These are all at a price.”

“His ex-girlfriend is back, and he is going to kill me.”

“I admit it, Brother Dashan, I admit it.”

“I later understood that it was you and my mother who made me live with real dignity.”

“I only knew what my real husband is when I had you. Although we are not together yet, I think you are my husband in my heart.”

“There is also a mother. I used to have a father and a mother, and they have not died until now, they are still alive, but they have never made me feel a little warm, only my mother, help me sew cotton shoes and wear. I sew cotton trousers to wear.”

“Two months ago, I had a fever, and my mother was afraid that I would hurt the fetus. Now that she is so old, she guarded me all night and wiped me personally.”

“Mom is the mother who loves me the most in the world.”

“I finally had you. With my mother, I can have a good life for four months. I think I have been very happy all my life.”

“Brother Dashan, I am very happy and satisfied.”

“You and your mother are not the same people as me. You both have dignity. I don’t have one.”

“I was destined from birth. When I was a child, I was treated as a cat and dog by my family, and then as a slave girl by my in-laws. Later, I was kept as a pet by Mr. Jun. I have never had dignity. Don’t waste it for me. Life.”

“You and your mother live well, work well, save some money for a while to marry a daughter-in-law, or if you are divorced, you are having a baby, and your life can be peaceful and beautiful again.”

“Be obedient, Dashan! Go back! Go back!”

After she said this, she immediately looked back at Kraig.

Kraig was stunned and angry like an ice sculpture.

Dalia had already knelt down and came to his feet, and she hugged his feet: “Mr. Jun, please let me go, Dashan, he has nothing to do with this matter!”

“Four months ago, if he knew that I was the woman your fiancée was going to kill, he would definitely not save me. He didn’t know the situation at the time. I lied to him. I didn’t tell him that I had a relationship with you. “

“Mr. Jun, you weren’t that bad, were you?”

“When you rescued me, you were so kind. You have a good heart, right? You don’t want to kill innocent people, right? You let Dashan

brother, he...he also has an old mother. To feed, you let him go, Brother Dashan, he really has nothing to do with this thing!"

"I beg you, sir, sir!"

"You let him go and let him go! I will go back with you now. I will never think about it anymore. I will let your fiancée dispose of me casually. I agree with me no matter what, you open me, strip me, It's okay to find someone to turn me around! Anything is okay, as long as you release Brother Dashan."

"I kowtow to you, okay..."

With that said, Dalia respectfully kowtows to Kraig.

She really couldn't find a better way to let Kraig release Collin. At this moment, even if she was asked to bark as a dog, she was willing.

As long as Dashan can be released.

"Xiaoshan! Don't! Don't kowtow to him! We can die! Xiaoshan!" Collin cried out with great pain.

Dalia didn't care, she only kowtowed to Kraig with tears in her tears, but at the moment the head knocked down, Dalia's chin was dragged by Kraig.

With his steel hands, he pinched her chin and raised it fiercely.

Tears were all over her face.

Kraig's tone was extremely cold: "Could it be that I am so ugly in your heart?"
