

Catch Me If You Love Me

Chapter 15

“Anna?”

Liam Lu frowned, and then he remembered Anna Yun coming. He raised his head and glanced at the time, then threw the information in his hand into the trash can, picked up his jacket and stood up.

As soon as I walked to the door, the phone in my pocket rang timely.

Seeing the call, Liam Lu’s expression softened silently, and he answered the phone as he walked out.

“Hello? Liam, are you still busy at this late hour? Cough! Cough...”

“Not busy, I will come to see you right now. Has the doctor been here?”

“It’s okay, the doctor visited me once at noon, but somehow I got a high fever again. If you still have something, don’t bother to come and see me again.”

“No trouble, you are the most important.”

“Well, I’ll wait for you.”

Anna Yun hung up Liam Lu’s phone, the remaining arc of the corner of his mouth slowly faded, and the hand holding the phone couldn’t help tightening.

She looked at her men before her.

“The woman who was left in the room by Liam in the afternoon as an antidote, has you found out the origin?”

“I found it out. It is Zoey Gu, the eldest lady from the Gu family in the south of Berven City. She left Berven City with someone five years ago, and only recently came back. The reason why she met with Liam was because she almost rescued it downstairs. Miss Alina Yin who was abducted by traffickers.”

Hearing this, Anna Yun squinted his eyes.

Under the light, that overly beautiful face slowly dyed a layer of cold, and there was a fatal chill in his voice.

“Continue to check to see if she is Liam’s old acquaintance, or is she the woman who gave up Liam five years ago? I want to know the news as soon as possible.”

Even if he was drugged, Liam Lu was never a chaos.

If it’s an accident, just forget it.

If it weren’t... she would never tolerate anyone, and set foot between her and Liam Lu at this time.

After Anna Yun finished speaking, he glanced at the time, then looked up at the white coat sitting not far away, curled his lips and said.

“Let’s start. Liam will be here soon. If you don’t have to do anything to make me sick and have a fever and cough, how can I explain to him and make him feel sorry for me?”

When Liam Lu arrived, Anna Yun was lying on the big bed in the suite and coughing constantly, and his mouth kept making uncomfortable moans.

She seemed to be crying, her messy hair was on her face, and she looked very pitiful and uncomfortable.

Liam Lu threw his coat casually, took possession of it, and touched it, then immediately raised his brows.

“The fever is so severe, why not go to the hospital?!”

Seeing that he was about to call, the white coat hurriedly explained.

“Liam, don’t worry, Miss Yun just has a common fever and cold, but she gets up a little more anxiously due to irritation. After taking the medicine and getting the injection, she will take a rest and rest.

Liam Lu twisted his eyebrows, “Excited?”

“That is, Miss Yun, she knows that Liam, you were given medicine in the afternoon. After leaving a girl in the room, she kept crying, and she was so anxious that her condition repeated...”

“Who talks so much?!”

Seeing that Liam Lu’s face was about to be in trouble, Anna Yun suddenly struggled to sit up from the quilt, and grabbed Liam Lu’s hand.

“Liam, don’t blame them.”

“Some things are not something you can control. Since it happened, I also choose to respect you. If you are responsible for that girl, I can withdraw to fulfill you. Our marriage, I will tell the old lady, we broke up peacefully...”

The grasping movement was so great that she slipped down her wide-mouth pajamas, revealing her arm full of needles.

These seem to be all the company and sacrifice Anna Yun has made to Liam Lu over the years.

When Liam Lu saw it, his face became darker.

He remembered the scene of Zoey Gu kneeling in the heavy rain and constantly confessing his crimes, and his gaze fell silently on Anna Yun’s face.

After a long while, he curled his lips coldly.

“Responsible? How does she deserve it?”

He never explained anything to Anna Yun, but he tightened her hand and gave a serious promise.

“In Mrs. Lu’s position, I only promised you. I have let Shiyue get ready to prepare, Liam Lu, we are engaged.”
