

I' m Sorry My Love Novel Chapter 1506 - 1507

Chapter 1506

Dalia: "..."

After saying this, Kraig sighed again: "It's getting late, you can rest, I won't bother you."

Yubi, he ordered his subordinates to withdraw as soon as he raised his hand.

All the subordinates who followed Kraig were completely gone.

There are also a few people sent by Arron who are not under the command of Kraig.

During Kraig's retreat, Collin saw that the few people guarding his mother had not retreated, he grabbed one person and asked, "This...what's going on?"

The man looked at Collin and said, "Your life is really big."

Collin asked puzzledly: "What is going on?"

"The Lord asked our father to do you and bring Miss Du back to Kyoto. Our father thought you were a duty person. He planned to send you and your mother abroad from this sea area. As a result, he just picked up your mother. Coming over, our father received a call from the Lord."

The man sighed: "Master Jun said, he is not chasing Miss Du, he wants to complete your marriage with Miss Du. That's why Master Jun brought you here."

Hearing the man saying this, Dalia asked immediately: "Your father is..."

"Your good friend's husband, Fourth Master Fu," the man said.

Dalia: "..."

The man said again: "Ms. Du, my wife has always been worried about missing you. In fact, you never have to worry about what your lord will do to you. If your lord dares to touch your hair, our wife will definitely be with you. Lord desperately."

Dalia: "..."

The man said again: "Furthermore, Miss Du. The Lord Jun said you are vicious, but it is not completely unreasonable. You have been with Lord Jun for so many years. Don't you know that Lord Jun is the best tempered among his brothers of the opposite s3x? One, he never kills innocent people indiscriminately, never kills. How can she kill a woman who has been with him for seven years?"

At this point, Dalia was puzzled. She asked, "Then why is she chasing me?"

"He..." The man sighed and smiled.

After a pause, he said unhappily: "Since Miss Du left, the Lord has driven Miss Qiu away. Since then, he has broken up with Miss Qiu. Otherwise, Miss Qiu will not go. Beat you to death."

"Miss Qiu hit you because she was jealous."

"Furthermore, Master Qiu never knew about Miss Qiu's beating you. Later, my wife knew about it and had a special quarrel with Master Lord, and Master Master only knew about it."

Dalia: "..."

She was stunned by the moment.

In fact, Suzi had told her about these things, but every time she was chased by Kraig's people, she had no time to breathe at all, so Dalia thought that Kraig lied to Suzi.

So I never believed it.

At this time, I heard this little janitor saying. After seeing Kraig sending them here, he left, and thinking of Suzi's various cares for her, Dalia knew that these were all true.

She moaned her lips and stood there for a long, long time.

Until the guards left by Arron also received a call and left, Dalia gradually recovered.

She was full of tears.

Heart, I don't know what it's like.

It was not a feeling for Collin to watch all this behind him.

He came to Dalia gently: "Xiaoshan, you...you still love him, right?"

This is the first time he and Dalia have faced this problem directly.

Collin could see that Kraig was definitely not annoying. He was able to deal with such things calmly, which fully demonstrated Kraig's calmness and tolerance.

Xiao Shan is with such a man, there is no reason not to love him.

When Dalia looked back at Collin, her face was already full of tears: "Brother Dashan..."

Is she hesitating?

Chapter 1507

Collin's heart was suddenly sad.

Behind him, the old lady came over.

The old lady has always been a reasonable person. She looked at Dalia who was in tears: "Girl, don't be embarrassed. Mom loves you, and Dashan loves you. Your happiness is the most important thing. ."

Collin also nodded.

Dalia shook his head very firmly: “No mother, no! What I love is Brother Dashan, it is really Brother Dashan.”

Yubi, she looked at Collin: “Brother Dashan, I know Kraig may not be that bad, but I know him better than you. The woman he was waiting for was actually Elma. He sometimes shouted in his dreams. Elma’s name.”

“He doesn’t love me.”

“I used to love him, very much.”

“But now I understand one thing, we and him are not from the same world, do you understand?”

“The Jun’s house in Kyoto is not accessible to a woman like me. I am in my 30s. I know what kind of life I need.”

“My youth is gone.”

“I want to live a good life now. I live with my mother and Dashan brother. Okay?”

As he said, Dalia cried: “Mom, Brother Dashan, don’t you want me?”

She said so sincerely.

A stone fell in Collin’s heart. He smiled and said: “As long as you don’t leave me, neither my mother and I will leave you behind. We are a family, a family forever.”

“Well, tomorrow we will spend 1 million to do some business in Wanhai County. Brother Dashan, you used to manage the company, you know. You will leave the money to you and you will do it. I plan to keep the 10 million for my children. “Dalia has already begun to plan his future life.

“Good.” Collin nodded.

“Let’s go, let’s go in and rest.”

Throughout the day, the family of three was tired even at this point in time.

The three people entered the villa and fell asleep quickly.

From a distance, after all the lights she was looking at were off, Xiao Song in the car asked, "Master, we too..."

Kraig's low and desolate voice asked Xiao Song: "Xiao Song, you say...Can I still hear my son call me Dad in my life?"

Xiao Song: "....."

He didn't know how to answer his father.

Kraig didn't wait for Xiao Song's answer. He only said something that shocked Xiao Song: "From then on, most of my center of gravity will be in this small city. Shineng always stays far away, takes a look at my son, and leaves a sum of money for my son to be content."

Xiao Song: "....."

After a long while, Xiao Song said sadly: "Master, let's go back and rest first."

"Good." Kraig answered tiredly.

The car was drowned in the night.

The night was very quiet, and the feud between Kraig and Dalia also returned to calm.

The next day, the weather was clear and cold.

Although they experienced such life and death yesterday, Dalia and Collin were meaninglessly lazy. When they got up early in the morning, they first bought a tricycle, and then drove the tricycle to find them in the small county.

After searching for half a month, they finally found the best place to open private kitchens.

It took almost half of one million, Dalia and Collin opened a good private kitchen.

On the first day of the restaurant's opening, guests came.

As soon as the guest entered the door, he walked to Dalia, who was pregnant, "I didn't expect that you were here?"
