

I' m Sorry My Love Novel Chapter 1510 - 1511

Chapter 1510

Xin Wanruo suddenly covered her face in pain, and she looked at Collin incredulously: "You...you hit me, how dare you hit me in broad daylight? Do you know who I am!"

"A dead actress, you deserve to insult Xiaoshan!!" Collin didn't even look at Xin Wanruo.

He only looked back at Dalia with tears in his eyes, and comforted her: "Xiaoshan, you are not what she said, you are a pregnant woman now, you can't get angry, okay?"

Due to Kraig's incident half a month ago, Dalia almost lost her fetal gas.

Going to the hospital, it is better to prescribe the fetal medicine.

And now, after only half a month, another woman came to the door to find faults. This woman was really deceiving people so much that she opened her mouth and closed her mouth and called Xiao Shan a 'female branch'.

"No matter how angry I am, I am also an actress who was once popular! Do you dare to beat me, don't you think I feel like no one in or outside the circle!"

"I'm overwhelmed. I haven't been a celebrity for several years, but my family background, my properties all over the country can still crush you! You savage man, you dare to beat me, what do you rely on?!"

Thinking of this, Xin Wanruo suddenly laughed: "Haha! You are funny enough! Do you think you can rely on your fiancée's ex-man to support you, so even I dare to fight?"

"Don't ask, what was your fiancée in front of her ex-man!"

Hearing Xin Wan insulting himself like this, Dalia yelled angrily:
“Please get out of here! Get out of our restaurant!”

Xin Wan smiled calmly for a while: “Don’t forget, I am the landlord!”

Dalia: “...”

Seeing Dalia being restrained by herself, Xin Wanruo immediately covered her face and said to Collin: “This woman is not Kraig’s lover, not a lover! Not a fiancée! Not even a wife!”

“Say a nice shop, she is the bed warmer for the Lord!”

“It’s ugly, but it’s not just a ‘female branch’!”

“I’ll say it again, female branch!”

“You are not a female branch!” Collin sneered and intercepted Xin Wanruo’s words.

“You are not a female branch, why are you deliberately stepping on Mr. Jun’s feet with your feet? You are not a female branch. How could you be blocked by Mr. Jun? You want to be a female branch in front of Mr. Jun! But you are even a female branch. No qualifications!” Collin, who has always been honest and kind, suddenly became poisoned.

It really is that he feels that life is not easy.

What’s more, Xiaoshan had signs of threatened abortion before.

One more thing, Dalia was like Kraig gave him.

Before he left, Kraig said a word to her very sternly and asked him to take good care of Dalia.

Because of this, Collin also respected Kraig in his heart.

Since Dalia chose to live with him for the rest of his life, he naturally wanted to protect Dalia.

Therefore, Collin, a big man, also became poisonous.

“You...you man, you want to eat prison food! You slap me, and you still have to scold me like this!” Yubi, Xin Wanruo immediately took out the phone to call the police.

The police came quickly.

After asking about the situation, Collin was detained.

“Brother Collin.” Dalia cried and sobbed: “I’m sorry, I am the one who caused you.”

Collin smiled and said: “The police said that the woman named Xin was also at fault. She provoked first. I made a mistake in beating. I kept it for 24 hours and released it. This is nothing. You take care of your mother at home. , Did you hear?”

Dalia cried and nodded: “Don’t worry, Brother Dashan, I will take care of my mother.”

This night, Dalia and Collin’s mother spent the night cuddling with each other. An old and a young, two women who were struggling to live were waiting for a man.

“Xiaoshan, you are so kind. It is the happiness of my mother’s life to have your daughter-in-law,” the old lady said with tears.

Dalia kept his belly straight, and insisted on pressing his mother’s legs.

She put the old lady’s leg on her leg and said: “Mom, I felt very happy when Dashan was protecting me today. I finally have someone to protect me. I have never felt safe after I lived so much. , But now I feel safe.”

“Mom, will you blame me, because I let your precious son go to the detention center for one day?”

The old mother stroked Dalia’s head: “Silly boy, he is a man. He is afraid of suffering all day, but you, with a big belly, can’t bear any bitterness. Go to bed, mother is watching here. You.”

Chapter 1511

“Well, good mother.”

Two people who are not mother and daughter, but better than mother and daughter, can sleep well while cuddling each other on this night without Collin.

However, in a building opposite their residence,

Elma was looking at everything in the picture, listening to the conversation between the two, her jealousy became more and more angry.

“This D*mn woman is so traumatized that her children will never fall!”

“She is always Kraig’s child in her belly!”

“She doesn’t love Kraig anymore! But Kraig loves her more than Kraig’s life!”

“And that Collin, D*mn it, is willing to go to jail for a female branch!”

“Collin, if my Elma doesn’t kill you, I can’t do Qiu!”

In the cold winter night, Elma stayed up all night.

She was thinking about how the extremely insidious strategy could make Collin die.

Next day

In the morning, Dalia helped his old mother to wait for Collin outside the detention center.

Collin was arrested at 10 o’clock yesterday morning, and should be released after 10 o’clock today.

The mothers waited for three hours. At ten o’clock, Collin was released on time.

A family of three happily holding their heads and crying outside the detention center.

“Business well, don’t cause trouble again! Those who do business are making money with harmony, you are better!” The police did not forget to remind Collin a few words.

“Thank you, thank you!” Collin thanked the police.

The family of three returned to the restaurant they had just prepared.

Even if Xin Wan’s business was messed up yesterday, he still has to open business today.

Because in the future all their hopes will be in this restaurant, and for the rest of their lives, their family will also live in this small city.

Dalia and Collin regained their mood and opened the business.

After a whole day, business is pretty good.

The main reason is that their prices are fair, and Collin personally buys everything, not to mention the kindness of the chef, and the cooking skills are also good.

While the old lady was washing the dishes in the back, Dalia acted as a waiter.

The whole family made a concerted effort and made a total of more than one thousand.

Earn more than a thousand in a day!

A joyful mood filled the faces of the two people. They planned to close the door early and then make something delicious to reward themselves.

Just as the visit was about to close, a few more people came outside the store.

Dalia and Collin looked over at the same time. There were about a dozen people in this group.

If you make a table, you have to sit at almost two tables.

Among these people, there are men and women, some in their 30s and 40s, and some are young.

They are all luxurious and bright.

And these people weren't in a hurry to ask for food as soon as they walked in, they all looked at Dalia in unison.

Dalia shook his heart.

But she remained calm, then bit her lower lip and asked, "How many of you? Would you like a private room? What kind of dishes would you like to eat?"

One of them, about fifty years old, smiled maliciously and asked Dalia: "Excuse me, do you have special services?"

Dalia: "..."
