Chapter 1512

“What can I say to you, do you have special services here?” the greasy old man continued to ask.

Du Huanshan was stunned for only a second, then suppressed the anger in his heart, his face was calm and not overbearing: “I’m sorry, no. I’m sorry, we are closed today, you come back another day.”

“What is closing? I heard us ask if you have any special services, so I scratched your sore spots!” Another woman in gold and silver sarcastically sarcastically Dalia.

“Do you know what special service we are talking about?”

“All of us are people with literacy and identity. Ask if you have special services. I want to ask if you have songs or pianos to add to the fun. What do you think is a special service?”

“Don’t you think about that?”

“There is no silver three hundred taels here!”

“Being a guilty conscience!”

“I haven’t done anything to you yet, you don’t have to confess to it!”

A group of men and women, you and me, kept attacking Dalia.

Dalia could have seen it. This group of people came to find fault again. She guessed that this group of people who came to find fault should be in the same group as yesterday's Xin Wan?

"It's too late, we are going to close, please come back another day." Collin, who has been detained for a whole day and night, speaks and acts more calmly and cautiously than before.

He came to Dalia, pulled Dalia behind him, and looked at the group very kindly.

However, this group of people had no intention to leave at all.

"We are eating here today! What do you do!" said the greasy old man very tyrannically.

Collin: "....."

He really wants to beat up this gratifying meal!

They are really deceiving people too much!

However, he was held back by Dalia before he even started. She shook her head to Collin: "Brother Collin, don't be impulsive. It's just eating. We open the door for business. We can still make money if we open the door for business. "

Collin: "I'm afraid they will find fault. They obviously are bullying people..."

Dalia said indifferently: "Of course I am big, but Dashan brother, you just came out of the detention center, can't you go in again? We are still alive now, and we will pass the better when the child is born, Brother Dashan."

After a life and death, Dalia became more stable and calm than before.

Half a month ago, I almost died in front of Kraig. At that time, I thought as long as I could live.

Now that they are all alive and have opened restaurants, what can't be tolerated?

Dalia knew that the reason why Collin was so angry was because she was insulted.

It doesn't matter.

She smiled at Collin indifferently.

Collin's anger disappeared immediately.

"Xiaoshan, you are right. We open the door for business."

He let out a long sigh, and said to the group who came: "Okay! What kind of food do you want to order, the private room or the lobby?"

"Of course it's a private room!"

"Come to a big private room, and bring up all the dishes that your restaurant specializes in!" The greasy man in his fifties who spoke to Dalia first took out a wad of money and placed it on the bar.

Dalia immediately said to the chef who had already cleaned up: "Xiao Zhang, please work overtime."

"No problem with the boss."

The chef went to work, and the guests sat in the private room. Dalia and Collin looked at each other and smiled: "Brother Dashan, it's okay, it's just business."

Chapter 1513

The meal was exactly what Dalia said. Although the guests found faults when they first came in, there was nothing wrong with the meal, and it was a pleasure to give money after the meal.

When I was only leaving, someone said to Dalia: "I didn't think about it, the boss, if you and our friend Xin Wan once knew each other?"

Another said: "I heard that you used to be so capable, but a big star who was so popular disappeared, so you dare not show up in the entertainment?"

Dalia did not answer.

After looking for money, as long as they leave, the matter is over.

She still handed the money to the other party with a gentle smile:
“Hello, your change, welcome to come again next time.”

The greasy man borrowed the money, gave Dalia a weird look, then turned and left.

A group of people left the restaurant one after another.

Dalia and Collin breathed a sigh of relief.

After eating more than two thousand meals, they ate all the ingredients in the restaurant, and they also made hundreds of more. The chefs followed happily with what they were.

The young chef didn't know where Dalia and Collin had come from. Only after those people had left, the chef comforted Dalia and Collin and said, “Brother Han, sister-in-law, you don't actually need to panic.”

“You may have come to the Northeast for a short time. This Northeast is not just a big five and three thick, but in fact they do have a strong folk customs. However, most people are also reasonable people. They eat, we cook, and we give it to us. Money, we don't have to sin against them, don't be afraid.”

“Besides, wouldn't it be nice to make more money?”

Dalia smiled and said, “Xiao Zhang, you are right.”

The little chef looked at Collin again: “Brother Dashan, we are in business, and in the future, business is more expensive. We don't have to offend people like this for breaking our own business, don't you think?”

The little chef is also a real person.

Collin immediately smiled and said, “Xiao Zhang, what you said is right. Big brother will pay attention to it in the future. You can't be so horizontal.”

The little chef immediately said to Collin mysteriously: “Brother Dashan tells you that, in the Northeast generation, there are also strong dragons, so it’s not easy to mess with, so our small restaurants are small businesses, and they are responsible for doing things. Don’t mess with those people.”

“The wave of people who came today, looking at those wearing gold and silver, I guess there is a backer behind them.”

“I heard that the outdated starlet who found the faulty sister-in-law yesterday, why did she stay in the Northeast? It’s because she has been with a strong dragon of the Northeast generation. This dragon is not easy to provoke. You must pay attention to it in the future. We are in business. , You have to endure everything.”

Collin: “.....”

I have long heard that the Northeast generation is not being treated well.

It was just a hearsay before, but today I heard from the young chef that she vaguely felt that there was no place to stay.

He nodded immediately: “Okay, I know, brother, brother, thank you.”

“I’m off work Dashan brother, sister-in-law.” The little chef said goodbye to the two.

This night is very peaceful.

Collin and Dalia were still counting money after closing the door.

The two looked forward to the future.

This evening, the family of three is very fragrant. Han Zhanshan got up at four o’clock the next morning and went to the vegetable market to buy various things.

He waited until he came back from buying a large tricycle, and he saw that his visitors were surrounded by a lot of people and noisy.

A bad feeling suddenly flooded Collin’s heart.

He stopped the tricycle and rushed to the restaurant.

Sure enough, in the hall, three or four of those who came for dinner yesterday surrounded Dalia.

Dalia is explaining: “We...we have food hygiene licenses!”

“Then why is our friend immediately found to be poisonous after eating your food, and is lying in the hospital now?” The greasy old man asked yesterday with a sneer.

Chapter 1514

Collin at the door was startled.

After all, something happened.

This group of people is really unkind.

He rushed away from the crowd and came to Dalia to protect her, and then asked with a smiling face, “Customers, what happened?”

Seeing Collin, the old greasy man immediately grabbed Collin by the collar: “Your black shop is really harmful! Two or three of my friends developed fever, vomiting, and diarrhea not long after eating with you yesterday. They are all now. Lying in the hospital!”

Collin's mind was dazed.

He tried to calm himself and said: "Let's go to the hospital first. If it is really our responsibility, can we compensate for all the medical expenses and lost work expenses?"

"Pay it!" The old greasy man sneered, "Can you pay it!"

"Do you know what they are worth?"

"Everyone who came here for dinner yesterday was worth tens of millions!"

"What are you paying for? You have lost everything for this small restaurant, and you can't afford it!"

Collin calmly said: "No matter if we can afford to pay, let's go to the hospital to see it first!"

"Okay! Follow me!"

Dalia shouted behind him: "Brother Dashan..."

"Take care of my mother at home and wait for me to come back. The big deal is that our restaurant is all with me. We quit and do odd jobs."

Dalia nodded.

Collin followed the old greasy man to the hospital.

I went and never came back.

Dalia and his mother waited at home all morning without seeing a sign. Call Collin, his cell phone is off.

In the middle of the afternoon, the old lady cried anxiously: "Son, what can happen to this...? My son..."

Seeing her mother crying, Dalia also coaxed the old lady guiltily: "Mom blames me, I caused all these things, sorry mom."

"It's none of your business, boy, blame us for being too bullied." The old lady cried with her arms around Dalia.

Dalia wiped away his tears, and solemnly said to the old lady: “Mom, I’ll go to the hospital to see, I will come back no matter what the situation is. Mom, you must wait for me at home, do you know me if you are obedient?”

The old lady nodded: “Xiaoshan, you have been pregnant for more than four months, you have to be careful everywhere.”

Dalia nodded, took all the cash in the house, and went straight to the hospital.

It was only when I arrived at the hospital that I found out that the hospital admitted several men and women in jewellery clothes last night. They all had fever, vomiting, diarrhea and other symptoms, but they are all discharged now.

As for why he was discharged from the hospital, Dalia couldn’t find out.

But she searched the hospital for more than two hours, but she didn’t see Collin’s shadow.

Where did Brother Dashan go?

When the matter reached this point, Dalia did not panic. She thought that the more calm she would be at this time, Dalia, with a big belly, returned home from the hospital. The old mother saw her come back alone, and the tears in her eyes immediately fell out: “Xiaoshan, where’s your brother Dashan?”

Dalia bit his lip: “Brother Dashan is not in the hospital.”

The old mother suddenly cried and shouted: “My son...”

Dalia hugged his mother and said: “Mom, it was all caused by me. I will definitely get Dashan back. Mom, after I find Dashan back, you and Dashan will go back to the mountains and live a good life together. I’m together. I’m a nemesis, and it’s unlucky to follow me.”

My mother raised her eyes with tears and looked at Dalia: “Xiaoshan, what are you talking about? Mom doesn’t allow you to say that. Our family of three will die and die together. Mom will go to Dashan with you now. Corpse, we must die together.”

Chapter 1515

Dalia nodded heavily: “Good mother.”

The pregnant woman holding her pregnant belly helped the frail old man to walk out of the restaurant’s door, and a person entered the restaurant.

“Dalia, are you trying to run away?” Xin Wanruo blocked Dalia’s path.

Dalia looked at Xin Wanruo coldly: “The last name is Xin! Isn’t this your series?”

Xin Wanruo shrugged: “What are you talking about, I don’t understand!”

Dalia: “You know that we rented your house, but you waited until we finished decorating and then came to find fault with us. My Dashan brother was still detained in the detention center for one day because of this.

“You didn’t take advantage of that day, so the next day you found so many friends to smash our place.”

“Where did you get my Dashan brother!”

Xin Wanruo sneered: “Dalia! If you have any problems, don’t run away! Although you run a restaurant, I am the landlord!”

“I came to you today because I was afraid that you would run away. Who would pay for the patients in the hospital? Don’t be fooling! Otherwise, even if you are pregnant in your belly, you will still be in jail!”

Dalia gritted his teeth and asked: “Xin Wanruo, I have no grievances with you, why do you want to target me like this?”

Xin Wanruo shrugged and asked, “I have no grievances and no grudges against you. Why do you think I am inexplicable if you ask me this way?”

After a pause, she said innocently: “The food poisoning in your restaurant has caused so many people to be hospitalized! Your

so-called fiancé has gone missing! If you and this old woman run away again, are you going to let me? Does this landlord bear the consequences?”

“What are you going to do?” Dalia asked.

“Of course I lost money!”

“Okay, I lose money! How much do you say!” Dalia asked.

Although this restaurant spent hundreds of thousands of rent and decoration, and the other hundreds of thousands were used as capital. When Collin left, he took away all the remaining money, but Dalia still had a tens of millions of dollars. Bank card.

That was left to the child in Dalia’s stomach when Kraig was leaving.

At this critical juncture, Dalia can only use money to buy peace.

“Ten million!” Xin Wan said strangely.

“Yes!”

“You...you woman, where did you get so much money?”

“You control me!”

“Sell it? Yesterday I said that you are not a female branch! It was revealed today. I think you are not just selling it. You must have done other unsatisfactory things? Otherwise, those people ate your food yesterday. Why did you spit and pull?” Xin Wan asked intentionally.

After a pause, she said without any joking: “Would you like me to call the police now to find out what shameful things you have done? Guess, will you be investigated for beheading? “

The meaning of her words, Dalia, could understand, it meant that if she Xinwan had completely treated me, Dalia would die in prison.

Dalia: “...”

What a vicious woman!

The two had only met at the same banquet a few years ago.

And because Xin Wanruo failed to seduce Kraig, she has always held a grudge against her Dalia!

Thinking about this, Dalia couldn't take care of that much anymore. She coldly had a showdown with Xin Wanruo: Xin Wanruo, if you are willing to let me go now, nothing happened to me. If you kill me again, I I will call Kraig! “

Xin Wanruo raised her eyebrows and sneered, “Oh, it's Kraig, who is yours?”

Dalia said coldly: “My ex-husband!”

“Really? Kraig is your ex-husband?” A very vicious voice suddenly heard outside the door.

Chapter 1516

Dalia looked back and saw the person coming, and he was startled: “It's you? Qiu! Inch! Heart!”

It turned out to be her!

Seeing Elma, Dalia's eyes were filled with hatred.

It was this woman who almost miscarried her beating, took all the only one million she had from her, and found five or six men who almost took her Dalia round.

Not seen for three months, this woman actually appeared here!

“You are not dead!” Dalia asked Elma viciously.

Dalia and Xin Wanruo really have no grudges, so no matter what Xin Wan says, Dalia can ignore him.

However, the child in front of him, the woman named Elma, is different.

This is Elma’s biggest enemy!

Originally Kraig left, Dalia still thought that Elma would not be very much in the future. The reason why Elma was so vicious at the beginning was because Elma loved Kraig.

But never thought that Elma would come here.

Elma looked at Dalia with a smile on his face: “The surname is Du! You see what you said, I live well, I live a princess-like life in Kyoto, how could I die?”

“I live at Jun’s house every day. Uncle Jun loves me very much. Kraig loves me as always. How could I die?”

“Are you seeing me not dead, do you want to curse me to die?”

Dalia: “...”

There was something indescribable in her heart at this moment, cold and dare.

She suddenly felt a desperate feeling.

She looked at Elma with a smug and ferocious look in despair, and asked word by word: “All of this is a complete set of yours?”

Elma smiled wickedly, very arrogantly: “Oh, people say that women with big belly are stupid after three years of pregnancy, but you are

not completely stupid? Smart woman, guess now, I play with you like this, Jing Does Yu know?”

Du Huanshan’s heart felt like being dug with a knife. She staggered back several steps, her lips trembled: “Is it Kraig?”

“What do you mean! You are so smart, can’t you think of it?” Elma asked rhetorically.

Yubi, she pulled her lips and looked at Dalia’s pale and bloodless face with a vicious smile.

At this moment, Elma’s letter was extremely happy!

Very fast!

Elma spent half a month thinking about this game for Dalia.

She first asked people to find out whose hands some dark forces on the northeast boundary were in control, and only after inquiring did she know that the dark forces hadn’t become a big climate.

The slightly more powerful one is now fifty years old.

There is a very favored mistress around this person who was once a small famous entertainment star, this star is called Xin Wanruo.

Xin Wanruo?

Why is Elma so familiar with this name?

She suddenly remembered that many years ago when she was still abroad, she ran out of money, and she urgently needed money to squander it abroad, so she took the initiative to call Kraig to ask for money.

Kraig could say on the other end of the phone: “Xinxin, you should come back after floating outside for so long.”

Elma asked jokingly: “Why? Don’t you want to wait for me? Don’t fall in love with empathy?”

Kraig sneered: "How could it be possible! Today there is a small famous female star who wants to get my attention, I just blocked her!"

"Haha!" Elma seemed to hear a big joke at the time, smiling from ear to ear.

After smiling, she asked Kraig, "Quickly tell me, what's the name of that hapless guy?"

"Xin Wanruo."

Chapter 1517

"Xin Wanruo, this name is just a sellable name, so send her away and save her from your sorrow. Let's see how I go back to clean her!"

At that time, Elma was very proud.

I also thought about returning home one day, and tidying up this woman surnamed Xin.

Thinking that he is a small famous star, he wants to seduce Kraig, which is really looking for death!

However, after waiting for a few years, Elma had enough wandering outside, and when he heard Siu say that the person Kraig cares about most is Dalia, the domestic helper next to him, Elma throws the woman surnamed Xin away. Behind the head.

The woman she wants to deal with can naturally threaten the woman in Elma's heart.

As for the woman named Xin Wanruo, she might have died in a broken kiln long ago.

But sometimes the woman behind her firecrackers might help her again.

When Elma heard about Xin Wanruo's name again half a month ago, she asked the person who sold him the news: "Is this mistress next to the big brother Xin Wanruo, is she a famous star in Kyoto? ?"

The person who sold the news to Elma said: “It was the woman who seemed to have heard that she was a big hit in Kyoto at the time. She seemed to be a big person, so she was blocked. Now she can’t be active in the entertainment industry. Women, you can’t make money in the entertainment industry, just curl up in this northeast corner and be a kid.”

Elma suddenly raised her eyebrows and sneered: “It’s really easy to come by.”

After she gave the money to sell her news, she directly found Xin Wanruo.

“I am Kraig’s fiancée.” Elma said straightforwardly.

Naturally, Xin Wan’s legs were weakened by fright. She stammered and said to Elma: “Jun...Mrs.Jun, I...I have been banned by Mr.Jun for several years. , I never... hit Mr. Jun’s attention.”

Elma lifted Xin Wanruo’s chin: “Don’t be afraid, I’m here to help you.”

Xin Wanruo: “...”

“Remember Dalia?” Elma asked.

Speaking of Dalia, Xin Wanruo felt hatred in her heart.

Back then, she really wanted to seduce Kraig. In order to seduce Kraig, she refused to take on many roles, and she didn’t hesitate to seduce Kraig, but she still failed to attract Kraig’s attention.

Later, she had no choice but to take the risk and deliberately guessed Kraig’s feet.

As a result, the woman Dalia showed her ugliness!

That D*mn woman, good b!tch for her good!

Bah!

In the end, if Xin Wan was still under Kraig’s suppression, she had to apologize to Dalia, not to mention how humiliating it was at that moment.

At any rate, she is a small and famous fame. She is usually known for her innocence. As a result, she has to apologize like a bed warmer.

What proud of!

What is it?

Originally, if Xin Wan wanted to wait for the opportunity, she must win a round in front of Dalia, but when she didn't expect it, she was banned from illness by Kraig and relegated to the bitter cold land of Northeast China before she realized it.

Since then, Xin Wan can no longer mix in the entertainment industry.

Xin Wan is only twenty-eight years old this year, but she can only commit herself to an old man who is three years older than her and become the old man's mistress.

The matter of revenge is nowhere in sight.

However, that bit of hatred has been simmering in Xin Wanruo's heart.

I originally thought that this hatred might not be repaid in this life, but I didn't expect to know that half a month ago, she was found by Kraig's real wife.

Elma wants to unite with her and play Dalia to death.

Xin Wanruo's eyes lit up suddenly, and she couldn't wait to assure Elma: "Mrs. Jun, don't worry, I will do whatever you say. Together, we will definitely play Dalia's bitch. Of!"

Elma raised his eyebrows: "Okay, Dalia belongs to you, and Collin belongs to me."

Chapter 1518

Xin Wanruo was a little puzzled at the time: “Why Mrs. Jun treats Collin...”

Elma immediately scolded Xin Wanruo: “Of course I am not interested in such a rough man! But I want to make Dalia suffer, and make her live in pain! Xin Wan, if you remember it to me, you can only torture Dalia, but you can't let him die. Now, and Collin...”

Speaking of Collin, Xiu Elma's face showed a ferocious sneer.

She didn't tell Xin Wanruo what she would do to Collin, but even Xin Wanruo couldn't help shuddering when she saw Elma's expression.

She respectfully said to Elma: “Mrs. Jun, don't worry, I will definitely do what you say.”

“The more miserable the better, don't let Dalia die!” Elma said.

“Yes, ma'am!” Xin Wan was like a pug.

“Also, well done, maybe I will blow a pillow breeze in front of Kraig, and I can also get you back to Kyoto or Nancheng to be a big star.” Elma frivolously looked at Xin Wanruo with contempt.

“Really...”

Really, Jun...Mrs. Jun? “

“Why? Don't believe my ability?” Elma asked rhetorically.

After a pause, she said ostentatiously: “Let's not say that I am Kraig's wife. It is my Qiu family, which is also one of the best Chinese

medicine families in Kyoto. My husband's family is also the Jun family. I stomped my feet in Kyoto. Do you understand that it's all about earthquakes?"

"Secondly, my husband is also able to speak in Nancheng, and Arron, the king of Nancheng, is my husband's life and death brother."

"The mixed entertainment industry is naturally located in Nancheng, the most economically developed city. In the future, it is not impossible for you to develop in Nancheng and make you a top star in the world!"

Elma's arrogance and dry cloud really shocked Xin Wan.

Nancheng, the world's top star?

What is that concept.

That means that she no longer has to nest in this bitterly cold northeast, and be a mistress to a fifty-eight-year-old old man. Every day, she is pinched by the old man in blue and purple, but she can't do anything. .

She was dying of thirst.

"When you arrive in Nancheng, let you accompany the man, will you accompany it?" Elma asked humorously.

If Xin Wan no longer had the cold and high-mindedness that she had pretended to be, she immediately changed her tone of voice and said to Elma: "I'm with you, Mrs. Jun."

"Not only do I accompany me, I can also do all kinds of tricks. I have so many tricks. I promise you that all the men you let me accompany will die comfortably."

With that said, Xin Wanruo approached Elma again and whispered to her: "Mrs. Jun, if you need it, I can give you many gestures and promise you..."

What she said made Elma incredibly emotional.

To put it bluntly, she claimed to be Kraig's wife in front of Xin Wanruo, but now she and Kraig are still in force.

Although the methods Xin Wanruo told her were incredibly cheap, she thought it worked.

Her tone changed a lot immediately: "Don't worry, with your Sao Gong and my influence in Kyoto and Nancheng, there is nothing that our sisters can't do. If you say that your Sao Gong hasn't been done earlier, you don't have to do anything. That kind of high-cold personality, boring!"

Xin Wanruo nodded and bowed immediately: "Hehehe, I won't be anymore."

Elma's heart became white and Xin Wanwan glanced: "That's it! Dalia is yours, Collin is mine!"

"Yes!" From that moment on, Xin Wanruo could only look forward to Qiu's heart.

Like Elma, she followed Dalia secretly. After Dalia and Collin rented the house here, Elma once again held up the picture of Kraig and forced Xin Wanruo to buy the house here.

The purpose is to prevent Collin and Dalia from working here.

This is the first step.

Next, it will be more fun.

Elma said to Dalia with a smug and vicious smile: "How about Du b!tch, you have escaped, and still haven't escaped my palm, right?"

Dalia: "You are a devil!"

Chapter 1519

Elma: "Then who asked you to provoke my man?"

Dalia: "But when I was with Kraig, you already broke up!"

“It’s also my man after we broke up! He can’t be contaminated by any woman after we break up! Especially your lowly sl*ts!” At this moment, Elma’s possessiveness was exposed.

She looked at Dalia fiercely: “You woman, you are more than my husband’s bed warmer, more than a b!tch next to Kraig? You are simply a stupid b!tch!”

“You don’t even think about it. He broke up with me, but he has to wait for me for ten years?”

“I just came back one day, he drove you away!”

“Shoot away!”

“You shameless thing! A woman who was driven out of the house by my husband, you are still imagining that my husband can come to rescue you?”

“Give it back to your ex-husband?”

“When did Kraig marry you?”

“When was the wedding with you?”

“When did the Jun family admit that you are the Jun family’s wife? You are using my husband’s name here to suppress others?”

Elma pressed Dalia step by step.

Dalia stepped back: “...”

She really couldn’t answer.

When she couldn’t answer, Xin Wanruo on the left forced her to come up too. She sneered at Dalia: “Du b!tch! At first I thought you were Mr. Jun’s, but today I heard Mrs. Jun’s words. Are you really a real b!tch?”

“Since you are a b!tch, why did you say that there is no special service when those friends of mine asked you yesterday?”

“Who are you deceiving?”

“You such a dirty wh0re opens a restaurant here! How many diseases do you have, how many people you have infected, you are too vicious! Those people who have been miserable by you, will you pay for you?”

Dalia: “...”

She stepped back step by step, already pushing her to the old mother’s side.

The old mother hugged her.

At this moment, the old mother stopped crying. She whispered to Dalia, “Don’t be afraid, Xiaoshan, the more you have troubles, the less you can be afraid. If there are things, we will solve them and take your time.”

With her mother’s encouragement, Dalia immediately woke up.

She immediately looked at Xin Wanruo calmly: “It doesn’t matter what I am! I drove a restaurant to get a health certificate. Now the first thing I want to talk about is the patients. You can lose money. I pay for the medical expenses. But for those patients. Where is it now?”

“It’s getting worse, so I was transferred!” Xin Wanruo said.

“Okay! I’ll take the money now and go to the hospital with you! Until they are cured, I won’t fall back on the compensation money!” Dalia will immediately go upstairs to get Kraig to give it to you. Her ten million card.

“Go and get the money my husband left you with your ex-husband?” Elma asked suddenly.

Dalia whispered: “This has nothing to do with you!”

Elma sneered: “Well, you are right.”

As necessary, she raised her eyebrows at Dalia.

Dalia didn’t move Elma. She just turned around and ran upstairs, went to her bedroom, opened the dressing table, and then took out a sealed box.

The moment he opened the box, Dalia was stunned.

The card Kraig gave her was gone.

“Stuck here...” Elma said like a devil behind him.

Chapter 1520

Dalia turned around and saw Elma holding the ten million deposit card dangling in front of Dalia: “I told you, my husband is playing tricks on you, why don’t you believe it?”

Dalia’s face was pale.

Elma smiled very proudly: “You didn’t think it was enough to be tricked by me once, and you want to be tricked by me a second time? Are you letting me call you stupid or criticizing you?”

When I followed this sentence, Elma took the bank card and turned around and left.

“No...”

Dalia cried out desperately behind him: “That card is the support for my child. Give me the money and give me the support for my child...”

There are rich people in there. Dalia and Collin have already gone to the bank for verification. The password is also her Dalia's birthday.

After checking the money at that time, Dalia was extremely grateful to Kraig. After all, Kraig was not so unrelenting to her.

In her heart, she silently blessed Kraig and Elma to reconcile.

In this way, each other can have a good result.

However, Dalia never expected that it turned out to be like this?

Ten million, so easily taken away by Elma?

What she originally thought, she was originally grateful, she felt that the warmth that exists in this world is actually a high-level trick to trick people?

She Dalia, after all, is it a tool for being played with?

She cried miserably: "Give me the support of my child, that is what my child deserves..."

Elma didn't even turn his head back.

It is said that a pregnant woman is stupid!

It's really silly bubbling, haha!

She found this bank card casually and easily got it from Dalia's room.

However, it was useless if she got it, she didn't know the password.

Kraig is so kind to this D*mn Dalia!

With a shake of his hand, Dalia gave 10 million.

Ten million!

The password is no longer what Elma knew, and Elma couldn't get the money in the card.

But she didn't expect that she just dangled the card in front of the woman with a big belly, and the woman believed it.

Ha!

It's so fun.

Elma walked downstairs with grace.

Dalia followed after him.

Her expression was so pitiful that Elma's face was filled with a joyful smile.

Dalia's question was even more stupid and pitiful: "If you take my money away, I won't have money to compensate others, and I don't have money to support my children..."

Well, it smells like crazy.

Elma explained with patience: "Woman, I'm explaining it to you carefully. My husband wants to make me happy, so I'm playing with you. He can give you 10 million and naturally let me take you. Take it back."

"As for your child? There are many ways you want to raise a child. For example, if you go naked tonight and go to sleep on the street, the price is clearly marked at five yuan a time, maybe a few hundred yuan a night!"

"Also, how do you compensate the restaurant? Since you have done something blatant, you must bear the corresponding responsibility. The restaurant's affairs have nothing to do with me. I will just take away my husband's ten million."

Yubi, Elma shrugged and looked at Xin Wanruo who nodded and bowed next to him: "You will take care of the matter here. I'm leaving, bye!"

She is going to deal with Collin.

However, as soon as Elma turned around, he saw a man with bloody hands running in.

The man came straight to Dalia, shouting loudly: “Xiaoshan, you and your mother are okay, run away, leave me alone, we are calculated by others.”

Dalia: “...”

She stared at the blood flowing from Collin’s hands and neck.

Chapter 1521

His hands and neck were rotten everywhere.

“Brother Dashan, you...what’s wrong with you?” Dalia cried and asked, holding Collin’s arms in both hands.

Collin’s mother also saw that her son was injured, and she cried and rushed forward: “My son, what’s wrong with you, who hit you?”

Collin smiled and said, “Mom! We are being calculated, you and Xiaoshan, you two, run as far as you can go.”

“No...”

Dalia cried and asked, “Who beat you so hard?”

Collin shook his head: “We can’t beat their Xiao Shan, brother is fine, you take your mother away and fly high, never have any dealings with Kraig in the future, don’t trust Kraig anymore, you are obedient and run with your mother. You can run as far as you can.”

“No...” Dalia shouted hoarsely.

At this time, some people came in from outside, and they were ruining the hotel indiscriminately.

Finally, I don’t know where to turn out a bag of things.

It’s very white and powdery.

It was the old greasy man who came to Collin yesterday again: “The surname Han, you really are not honest! With this evidence, see how you deny it! Go, send you to the police station now!”

Collinha struggled hard: "I will go to the police station by myself!"

"I can't help but you!" The old greasy year snorted coldly.

If necessary, a few people dragged Collin out to load the truck.

"Brother Dashan..." Dalia roared behind him.

She helped her old mother to follow to the door of the store.

Outside the store, there is not even a person watching the excitement.

Standing at the door of his car, Elma sneered at Dalia, who was about to get into the car: "Du b!tch! Do you know where my husband Kraig's rights can be managed? Nancheng Kraig can't reach it, but in the whole north, there is no him. Out of control!"

"You want to fight against Elma in this place, do you think you have hope?" Elma said clearly.

Today, here, her Elma is the Tu Emperor.

Dalia gave Elma a desperate look. She couldn't care what Elma said about her, let alone the ten million that Elma asked for her.

All her energy is now on Collin.

She just wants to save the man she loves most.

For some reason, Dalia has a very bad feeling. She feels that Dashan brothers are very bad and bad today.

Suddenly, Dalia pushed Elma abruptly, and then slammed Elma with his head, and Elma immediately fell.

The place where she fell was on the concrete floor, but it was painful now.

Elma immediately wailed: "Wow..."

A group of subordinates who followed her to flatter her immediately surrounded her, and even Xin Wanruo gathered around and flattered: "Mrs. Jun, are you okay?"

Here, Dalia immediately helped the old mother into Elma's car with the door open.

Before she could even close the door, she started the engine and drove away.

"My car...you D*mn woman! You are so tired of life! My car..." Elma shouted from behind.

Yubi, she ordered her subordinates: "Chasing!"

Three cars, one chasing the other.

Elma was biting Dalia's car, and Dalia was biting the car that was holding Collin in front.

I saw that the car gradually moved towards the remote mountainous area, and it drove for more than two hours. When it was getting dark, the car stopped.

Collin was dragged off the car.

Dalia also helped her old mother stumbled and followed.

When he was about to get closer to Collin, he saw that one of them had a handful of black hole guys, which had already been aimed at Collin's temple.

"No..." Dalia cried in despair.
