

## Chapter 1541: Does the Cotton Candy Taste Good

Following that, he had been heartbroken for a year.

He had never thought about whether she had hugged and kissed Ading or even taken it a step further. If he kept thinking about those questions, he would probably have driven himself crazy.

To say the least, even if she had slept with Ading, from the moment he married her, he had already put all of that into the past. He would not take the initiative to mention these matters.

And now, Ou Shiman was telling him that the relationship between Ou Xuyan and Ading was very innocent.

Hmm...

Alright, he really wanted to laugh out of joy. The girl he loved had never been possessed by any man. She had been together with Ading for so long, but she was still a virgin. She was very clean.

As for her and Ading being childhood sweethearts...

Were he and Ou Xuyan not childhood sweethearts as well?

He had known her before Ading, it was just at that time, he did not know how to express his love.

“Brother-in-law, as far as I know, my sister and big brother Ading can’t be considered to be in a romantic relationship at all. The two of them... are very polite to each other, but they don’t give off the feeling that they’re very much in love with each other. So, brother-in-law, you still have a chance. You must pursue sister properly. If one day my sister is moved by you, she will then fall in love with you.”

“Got it, Shiman. Thank you.”

“You’re welcome, brother-in-law. We’re a family. I’ll always be on your side.” Ou Shiman grinned.

At this moment, Ou Xuyan ran over and handed the cotton candy to Ou Shiman. “Shiman, here. You have to study hard in school, got it?”

“Got it, sister. I’m suddenly not in the mood for cotton candy now, you can have it.”

Ou Xuyan was speechless.

“Sis, I’m off. Goodbye, brother-in-law.”

Ou Shiman waved her hand and ran into the campus.

Ou Xuyan looked at the cotton candy in her hand and then looked at Ou Shiman’s back. She really was at a loss for how she should react.

She turned around and walked towards the jeep.

The jeep had only been parked in front of the school for a while, and it had already attracted a lot of attention, especially the attention of the female students. Everyone was excitedly chattering like a flock of sparrows.

“Oh my God, look, it’s a soldier!”

“His facial features are handsome, and his eyebrows are straight. He’s really the standardized version of a soldier. So cool.”

“He’s no ordinary soldier, look at the license plate of the jeep. With one look, you can tell that he’s an officer above the rank of colonel. He’s a high-ranking officer.”

“Wow, I really want to get to know him. I want to be a soldier’s wife!”

Ou Xuyan saw that the female students were almost drooling at Lu Fan, but Lu Fan turned a deaf ear to their voices. He was on the phone, and she wondered what the person on the other side of the phone was saying, but he only grunted a few times before hanging up the phone.

He turned his head and looked at her. “What are you standing there for? Get in the car!”

“Fine.” Ou Xuyan lowered her head and climbed into the passenger seat.

...

The car started. Ou Xuyan looked at the cotton candy in her hand at a loss for what to do. She had never liked sweet food since she was young.

“Do you want it?” She asked the man beside her.

Lu Fan immediately looked at her as if she was an idiot. “What do you think?”

He doesn’t want it?

Ou Xuyan lowered her head and licked the cotton candy with her pink tongue.

Umm, it’s a little too sweet and not that delicious. She wondered why Shiman would like something like this.

Lu Fan turned his head to look at her. The girl was licking the cotton candy. The tip of her pink tongue was doing so tentatively, and she looked very cute. Her long hair fell on her shoulders, and through her black hair, he could see her fair side profile. She was devastatingly beautiful.

She was born pretty and was the prettiest girl he had ever laid eyes on.

“Does it taste good?” He asked in a hoarse voice as he swallowed, his Adam’s apple moving.

Chapter 1542: Rehearsals

Was it good?

“It’s not good. It’s too sweet. Here, you can have it.” Ou Xuyan handed him the cotton candy.

Lu fan glanced at it scornfully. “What the hell is that?”

“It’s cotton candy. Didn’t you just ask me if it was good?”

“But I didn’t say I wanted to eat it.”

“I thought you wanted to.”

“Well, it won’t hurt to try...” Lu Fan reached out his big palm and held the back of her head. Then, he leaned towards her and kissed her red lips.

“Ungh! “Ou Xuyan’s eyes widened from the shock. What was this man doing?

Lu Fan kissed the corner of her lips, then pried open her small mouth and went straight in. There was a sweet smell of cotton candy in her mouth. It was so fragrant that he swallowed hard.

Ou Xuyan pushed Lu Fan away forcefully, and her delicate little face was covered with a layer of red. “Lu Fan, you bastard, do you know what the hell are you doing?”

Lu Fan looked at her bright red lips and raised his eyebrows in an unruly manner. “Of course I do. I’m... Tasting the cotton candy. Didn’t you tell me to eat it?”

Ou Xuyan was at a loss for words.

This man was really shameless!

“Sit tight, we’re going back to the army now!” Lu Fan stepped on the accelerator as if nothing had happened.

...

Back in the army, Lu Fan went to work while Ou Xuyan stayed alone in the room. Every time she recalled that he had kissed her today, she was so angry that she gritted her teeth.

Why didn’t she slap him at that time?

Ou Xuyan was filled with regret.

Soon, it was night time. Lu Fan wasn’t back yet. Ou Xuyan waited for him for quite some time, but his figure still could not be seen. Although she didn’t want to wait for him, there was only one room and one bed, and she had to discuss with him about the sleeping arrangements, or it would be very awkward.

This can’t do, she had to leave as soon as possible.

Ou Xuyan opened the door and walked out. It was late autumn now. The night was cold and it was very chilly.

"Mrs. Lu, why are you out alone? Are you going to look for Senior Officer Lu?" At this moment, Mrs. Hai saw her.

Ou Xuyan nodded and smiled politely. "Yes, I'm looking for Senior Officer Lu. Mrs. Hai, do you know why he hasn't returned even though it's late?"

"There's going to be a celebration in the military region soon. I heard that the female soldiers are going to perform a show with the soldiers. Senior Officer Lu is probably in the rehearsal camp now."

"Rehearsal camp?"

"Yeah, my husband is there as well. Come with me, I'll take you there."

"Okay, thank you, Mrs. Hai."

Ou Xuyan followed after Mrs. Hai for quite some distance before arriving at a spacious room. There was a big mirror in the room, and it was obvious that it was the place for female soldiers to dance and rehearse.

It was very lively inside. The female soldiers were sitting on one side and the male soldiers on the other side. Such a combination of men and women was bound to make the atmosphere lively.

The two of them stood at the back of the room. Mrs. Hai pointed at the man at the front and said to Ou Xuyan, "Mrs. Lu, look, Senior Chief Lu is over there."

Ou Xuyan looked over. Lu Fan was sitting cross-legged on the ground at the front. His facial features were exquisite and strong. His thin lips were slightly pursed and he maintained his usual lazy aura. He was still the most eye-catching presence in the whole scene, and many female soldiers were looking at his straight and handsome back with infatuation.

"I told you, right? These female soldiers all admire Senior Officer Lu. In the past, when Senior Officer Lu wasn't married yet, there were even some bold girls who sent him love letters or the sort. Look at that girl, the one dancing on the stage. Her name is Yi Qiaoqiao, the only daughter of Division Commander Yi.. She really likes Senior Officer Lu."

Chapter 1543: Sister-in-law Is Here to Look for You

Ou Xuyan looked at Yi Qiaoqiao. Yi Qiaoqiao was the most beautiful girl in the female army. Everyone was watching her dance. She had an oval face and was very beautiful. When she danced, her posture was graceful, but her eyes were looking at Lu Fan.

Lu Fan's gaze seemed to be fixed on her, but it was also as if he was not looking at her. He was expressionless.

“Senior Officer Lu.” At this moment, Yi Qiaoqiao stopped. She blushed as she said shyly, “This time, we have to collaborate on a show. How about this? I’m good at dancing, why not Senior Officer Lu and I do a sword dance?”

“Sword dance?” The eyes of the people below lit up and they clapped. “That’s a good idea. The sword dance embodies the feminine charm of a woman and the valiant bearing of a soldier. The performance will definitely be very beautiful.”

“That’s right, Senior Officer Lu, why don’t you rehearse with Yi Qiaoqiao now so we can see whether it’s alright?”

Lu Fan frowned and then stood up. He looked straight at Yi Qiaoqiao and nodded. “Okay.”

The people below cheered.

A female soldier brought a sword. Yi Qiaoqiao took the sword and walked towards Lu Fan. “Senior Officer Lu, I hope we have a happy collaboration.”

Lu Fan didn’t say anything. He grabbed Yi Qiaoqiao’s small hand from behind and started to dance.

The scene was very beautiful. Yi Qiaoqiao was petite and with the intimate posture, it was as if she was in Lu Fan’s arms. His palm on her hand was big and callused, giving off a strong masculine aura.

Yi Qiaoqiao’s entire face flushed red. She was enjoying this moment very much.

“Mrs. Lu, quick, look. Yi Qiaoqiao is so shameless, she’s actually seducing Senior Officer Lu in front of everyone!” Mrs. Hai said agitatedly.

Ou Xuyan subconsciously pursed her red lips. She didn’t know why, but her heart felt strange, as if it was a little sour.

Lu Fan was really a playboy. He had just forcefully kissed her this morning, and now he was hugging Yi Qiaoqiao!

“Sister-in-law!” Just then, Pu Tao noticed Ou Xuyan and stood up to shout.

Ou Xuyan was at a loss for words.

She had wanted her presence to go unnoticed, without attracting any attention. This was just great. With a roar from Pu Tao, all eyes were on her.

On the stage, Lu Fan and Yi Qiaoqiao stopped dancing. Almost instantly, Lu Fan let go of Yi Qiaoqiao and looked at Ou Xuyan who was standing at the back of the room.

“Boss, it’s really sister-in-law. Sister-in-law is here to look for you!” Pu Tao laughed.

Ou Xuyan looked at Lu Fan. He had his hands in his pockets and looked at her with raised eyebrows. His eyes were bright and there was a faint trace of joy in them, as if he was very happy that she had come here to look for him.

“Why are you here?” Lu fan walked over to her with his long legs.

He was too tall and when he stood in front of her, he cast a shadow on her. For some reason, Ou Xuyan felt her heart beat faster. She didn’t know whether it was the pressure he brought or the gazes of the crowd.

“Senior Officer Lu, it’s so late at night and you haven’t returned yet. It must be because Mrs. Lu missed you that she came out looking for you. Mrs. Lu must be concerned about you,” Mrs. Hai said with a smile.

“Boss, you should go back and spend time with sister-in-law. You’re different from us now, you have to give half of your time to your sister-in-law. No matter where you go, someone will be missing you.”

Listening to the teasing words of the soldiers, Ou Xuyan’s face was flushed with shyness. She glanced at Lu Fan, then turned around and left.

“Wait for me!” Lu Fan caught up with her quickly, then reached out his big palm and held her soft little hand.

The soldiers laughed loudly from behind.

On the stage, Yi Qiaoqiao watched as their figures receded into the night.. Her eyes were filled with jealousy and sadness.

Chapter 1544: Ugly Girl, You’re Jealous

With her hand in his palm, Ou Xuyan left the rehearsal hall with Lu Fan. The moment they exited and there was no one around, she quickly withdrew her little hand. “Lu Fan, let go, I’ll walk by myself!”

Her soft hand was pulled away from his grasp. He turned his head to look at her. “Why is your face red?”

“It’s not! You’re seeing things!” Ou Xuyan stalked away without waiting for him.

Lu Fan put his hands in his pockets and followed behind her. “Ugly girl, if you’re blushing, so be it. Why don’t you dare to admit it? Are you blushing because I held your hand?”

“Don’t be so shameless. Why would I be blushing because of you?”

“Then why did you come looking for me so late at night?”

“I’m looking for you to go back and sleep!”

After saying this, Ou Xuyan panicked. Oh my God, what was she saying? What she meant was that the sleeping arrangements could only be settled if he was back.

Lu Fan's eyes lit up when he heard this. He went forward, bent down, and carried Ou Xuyan princess-style.

Her body was soft and she weighed little. It was very easy for him to carry her in his arms.

Ou Xuyan was shocked. She did not expect him to suddenly make a move on her. He had only carried her like this once before, and that was during their wedding.

"Hey, Lu Fan, why are you carrying me? Put me down this instant. I have legs!"

"Weren't you waiting for me to go back and sleep? Come, let's go back and sleep now!"

"That's not what I meant! Who would want to sleep with you? Didn't you have fun dancing with that girl Yi Qiaoqiao just now? Go find her!"

"Ugly girl, you're jealous!"

Ou Xuyan's pupils constricted and she immediately retorted, "I'm not! No matter which woman you're with, I won't be jealous!"

Lu Fan lowered his head to look at her, and his lips curled into a smile, his thoughts apparent — don't try to lie to me, I've already seen through you.

Ou Xuyan was speechless.

She admitted that when she saw him dancing with Yi Qiaoqiao just now, her heart was indeed uncomfortable and sour. She had never felt this way before.

In the Green Sect, there used to be many women around big brother Ading, but she had never felt this way before.

The two of them traveled for some distance in this posture when a few soldiers came from the opposite direction. They immediately saluted, "Good evening, Senior Officer Lu!"

Lu Fan, who was holding Ou Xuyan in his arms, did not show any emotions. "Good evening. Sleep early tonight and get up early tomorrow morning to train."

"Yes, Senior Officer!"

With Ou Xuyan in his arms, Lu Fan left. Ou Xuyan could hear the soldiers behind her gasping.

"Oh my God, is that our Senior Officer Lu? I thought Senior Officer Lu did not like women, but he's actually carrying a woman in his arms! This can't do, I have to spread the news."

"That's our Senior Officer's wife, right? She's so beautiful, and she's such a good match with Senior Officer Lu. Good lord, it's so late at night but I'm so full from their affectionate actions."

Ou Xuyan was speechless. She couldn't win the argument with this man, so she could only allow him to carry her back.

...

When they reached Lu Fan's room, Lu Fan kicked open the door and threw Ou Xuyan onto the bed.

Ou Xuyan quickly jumped up from the bed and looked at him warily. "Lu Fan, I'm warning you, don't touch me. Otherwise, I'm not done with you!"

Lu Fan glanced at her, then turned to enter the bathroom. "Ugly girl, who wants to touch you? You're so ugly, I'm not even interested."

Ou Xuyan said, "Lu Fan, are you blind? I'm not ugly, I'm very beautiful."

The response she got was the sound of the bathroom door closing.

Ou Xuyan was at a loss for words.

He went to take a shower. Ou Xuyan was thinking that she would ask him to sleep on the bed. This was his territory, after all.. Even if he let her sleep on the bed, she wouldn't want to. She didn't want to owe him a favor!

Chapter 1545: Don't Sleep in Separate Rooms at Such a Young Age

Then she will sleep on the floor. Ou Xuyan opened the cabinet and found that there was only a thin blanket in the cabinet.

It was already late autumn, and it was very cold at night, let alone sleeping on the floor. This blanket was definitely not enough to ward off the cold, but after much consideration, Ou Xuyan still decided to sleep on the floor after laying the blanket on the floor.

When Lu Fan came out from the shower, he saw the girl curled up on the ground. She was not covered in a blanket, so she was probably feeling cold as she hugged herself with her slender arms.

Lu Fan immediately frowned. "Ugly girl, what are you doing?"

Ou Xuyan had her eyes closed. "I'm sleeping."

"Sleep on the bed! I already said that I'm not interested in you. Why are you being pretentious?"

"I'm afraid that you'll go berserk in the middle of the night. You can sleep on the bed. I'll sleep on the floor."

Lu Fan snorted coldly. "Then you can sleep on the floor. I'll watch you freeze to death at night!"

The room was quiet. Ou Xuyan really wanted to sleep, but she tossed and turned and couldn't fall asleep because it was really cold.

She was feeling some regret. She shouldn't have decided that she would be the one to sleep on the floor. He was a man, he should have a gentlemanly manner, he should've slept on the floor.

However, it wasn't like she could go wake him up now.

Ou Xuyan closed her eyes in the waves of regret. Suddenly, she felt something soft come down on her. It turned out that the man on the bed had thrown the only blanket to her.

The blanket was still warm with his body temperature. She immediately relaxed her fists comfortably and buried her small face in the blanket.

Was this a dream?

Would Lu Fan be so kind as to give the blanket to her?

This must be a dream!

Ou Xuyan fell asleep soundly.

...

The next morning, Ou Xuyan woke up feeling rested. She had slept well last night and did not even have dreams.

She sat up and realized that she was covered with a blanket. After looking at it for a few seconds, only did she realize that whatever had happened last night was not a dream. Lu Fan had really given the blanket to her!

Ou Xuyan turned her head to look at the bed. The bed was empty and it was clear that Lu Fan had already left.

This man...

Ou Xuyan held the blanket in her hands, and the emotions in her heart rippled. All in all, he was actually quite good to her.

She definitely could not continue sleeping like this tonight. Ou Xuyan got up and went to Mrs. Hai's to borrow a blanket.

Mrs. Hai had been here for a long time, thus she had quite a few blankets. Ou Xuyan took two new blankets and thanked her profusely.

Mrs. Hai blinked her eyes in a suggesting manner. "Mrs. Lu, why do you need so many blankets? I see that Senior Officer Lu has a strong physique. If you're cold at night, just let him hug you to sleep. He'll definitely be warmer than the blankets."

What?

Hug her to sleep?

Ou Xuyan's eyes immediately shifted. She stuttered as she searched for an excuse. "My sleeping habits are poor and I usually kick the blanket off, so... we sleep under separate blankets."

“Huh?” Mrs. Hai was shocked. “Mrs. Lu, how can you not share the same blanket with your husband at such a young age? It’s not good.”

“What’s not good about it? We all sleep well.”

“Mrs. Lu,” Mrs. Hai pulled on Ou Xuyan’s arm and whispered, “It’s best to develop a healthy sexual relationship between husband and wife. Let him touch you, and you touch him as well. Have fun and be happy.”

Ou Xuyan finally understood what Mrs. Hai meant. Even though they were pretending to be a loving couple, she was still a virgin with no experience in those matters at all. Her face immediately turned red. “Mrs. Hai, what are you talking about?”

Mrs. Hai immediately became suspicious. She stared at Ou Xuyan’s face, “Oh my, Mrs. Lu, don’t tell me that you and Senior Officer Lu still haven’t... consummated? That’s not possible. You two have been married for quite some time, and you both live in the same room.”

The secret was out, and Ou Xuyan’s first reaction was to escape. “Mrs. Hai, don’t think too much about it. We are very loving.. Alright, I got to go, I’ll talk to you some other time, bye.”

Ou Xuyan left.

Mrs. Hai looked at Ou Xuyan’s retreating figure and grew more and more suspicious.

At this time Old Hai came into the house, “Honey, why are you staring at Mrs. Lu? No matter how beautiful Mrs. Lu is, she is still a woman.”

“What nonsense are you talking about?” Mrs. Hai blushed, and then she whispered, “Honey, let me tell you something.”

“What is it?”

“Come here, I’ll tell you in a low voice.”

Old Hai walked over and whispered, “Just tell me what it is. Why are you being so mysterious?”

“Honey, I think I found out a secret. Senior Officer Lu and Mrs. Lu haven’t consummated yet.”

“What are you talking about?” Old Hai reprimanded his wife immediately, “Senior Officer Lu and Mrs. Lu have been married for two months. How could they not have consummated yet? They’re young and they sleep in the same room at night. What’s stopping them from consummating? Don’t talk nonsense. You shouldn’t say these things in the army.”

"I'm just saying. Alright, I won't talk about it anymore." Mrs. Hai shut up obediently.

The couple didn't know that their conversation had been overheard by one person. That person was... Yi Qiaoqiao.

It just so happened that Yi Qiaoqiao was passing by. She saw Lu Fan's house and wanted to get closer to it, wanting to feel his aura. However, she didn't expect to hear such a big secret when she had just reached the front of Old Hai's house.

Lu Fan and Ou Xuyan hadn't consummated!

...

Ou Xuyan was alone at home when she heard a knock on the door.

"Who is it?" Ou Xuyan walked over to open the door.

Outside the door was Yi Qiaoqiao. She was holding a vegetable basket in her hand. "Hello, Mrs. Lu. My name is Yi Qiaoqiao. I'm an art soldier. I'm here to see you."

Yi Qiaoqiao was full of smiles and her attitude was also very good, so it wouldn't look good if Ou Xuyan were to chase her away. "Oh, come in then."

"Mrs. Lu, these are some vegetables that we planted ourselves. I picked some for you." Yi Qiaoqiao handed the vegetable basket to Ou Xuyan.

Ou Xuyan took the vegetable basket and put it in the kitchen. "Thank you."

Yi Qiaoqiao stared at Ou Xuyan's back. Her biological aunt was a military doctor. In the past, her aunt had told her that unmarried women were different from married women, one could tell from the shape of their legs.

Ou Xuyan's legs were slender and long. The key was that they were tightly pressed against each other. It was obvious that she was a virgin.

"Miss Yi, have some tea." At this moment, Ou Xuyan returned.

Yi Qiaoqiao then turned her gaze to Ou Xuyan's brows. They were very neat and not messy at all. This time, she was even more certain that Ou Xuyan was still a virgin.

"Mrs. Lu, it's fine. I'm only here to pay a short visit this time, I'll be taking my leave."

With that, Yi Qiaoqiao left.

...

Within a day, the whole army was in an uproar. No one knew where the news originated, but they had all learned that Lu Fan and Ou Xuyan had not consummated.

Pu Tao had taken a basin to the sink, wanting to wash his face. At that moment, he heard a few soldiers whispering in the toilet.

"Hey, did you hear? Senior Officer Lu and his wife have not consummated. Mrs. Lu is still a virgin."

“Oh my God, it can’t be. Why haven’t they done so?”

“Have you guys heard of a term called ‘marriage of convenience’?”

“Marriage of convenience?”

“Yeah, the simplest example for a marriage of convenience is a family formed by homosexuals. The marriage is just a cover and they have no feelings towards each other. Plus, it’s only natural that men who like men can’t consummate with a woman.”

“Are you saying that Senior Officer Lu is... gay?”

“That’s what everyone is saying. Otherwise, why wouldn’t they have consummated? Mrs. Lu is so beautiful, and they live in the same room.. There’s no reason for them to not touch each other.”

Chapter 1547: You Have Three Days

Pu Tao flew into a rage when he heard this. Lu Fan was a god of war in his heart. How could he allow the god of war to be slandered to be gay by others?

He immediately threw the basin down and rushed into the toilet. “Hey, what are you guys talking about here? Don’t you dare slander Senior Officer Lu!”

“We’re not slandering him, everyone is spreading the news as such!”

“Damn it, I’m going to kick your asses right now.”

An hour later, Pu Tao and the few soldiers who fought were standing in the office. Lu Fan, Zhou Sileng, and Division Commander Yi were all present. They asked with a black face, “Tell me, why were the lot of you fighting?”

The few soldiers stuttered and didn’t dare to say anything while looking at Lu Fan.

Lu Fan pursed his thin lips and looked at Pu Tao. “Pu Tao, you tell me!”

Pu Tao stood with his hands behind his back. His face was covered with some cuts and sweat, and he spoke loudly, “Sure, I’ll say it! Reporting to the Senior Officer, when I went to wash my face today, I heard them say that you are gay and that you and Madam are only in a marriage of convenience!”

“Pfft...” Zhou Sileng snorted.

Lu Fan frowned and gave Zhou Sileng a look.

Zhou Sileng waved his hand to indicate he was sorry.

Lu Fan's sharp gaze swept across the few soldiers who were involved in the fight. "Do you still know discipline? How can you gossip and defame the private lives of officers behind their backs!"

"Reporting to the Senior Officer, the rumours are widespread within the base, we got the information from others as well."

The rumours have spread?

Lu Fan's handsome brows furrowed and his forehead creased with deep frowning lines.

"That's enough," At this moment, Division Commander Yi stood up. "It's not right to fight. Now, all of you, detention for a week and write a 2000-word essay of repentance."

"Yes." Pu Tao and the others walked out.

Division Commander Yi turned to look at Lu Fan and asked seriously, "Senior Officer Lu, what exactly is going on? Everyone is talking about it. Rumours are fiercer than tigers. If this continues, the serious atmosphere in the army will be destroyed."

Lu Fan said expressionlessly, "It's my fault."

"And the matters between you and your wife?"

Lu fan immediately looked at Division Commander Yi with imminent displeasure. It was clear he did not like others to probe into his private affairs.

Division Commander Yi sighed, "Alright, I can not ask about your private affairs, but if this matter spreads out, everyone will look at you with derision in the future. You're a military officer. You have to set an example first. Military marriage is not child's play. I'll give you three days to settle this matter!"

Division Commander Yi left.

...

After the Division Commander left, only the two of them were left in the office. Zhou Sileng had grown up together with Lu Fan. The two of them talked about everything and were like brothers.

Zhou Sileng gave Lu Fan a nudge. "What's going on between you and Ou Xuyan? Did you really not make a move on her?"

"Yes." Lu Fan nodded.

"Are you crazy? Others may not know you well, but I do. You've liked ou Xuyan since you were young and wanted to marry her. That year, when you had some time off, you went looking for Ou Xuyan in the Green Sect, but when you came back, you stayed heartbroken for a year. I still remember that look of despair you had. Later on, when the higher-ups gave the order to clean up the gangs, it was as if life was blown into you. The first sect you took down was the Green Sect, and you stirred up so much trouble for them. Don't tell me that all those weren't for Ou Xuyan."

Lu Fan was reminded of the painful past. He thought that he had put these experiences behind me, but his heart was still aching now.

No one knew that Lu Fan, who was now the god of war of the military region, had once been broken-hearted for a girl.. He smoked, drank, fought, and did all kinds of bad things.

Chapter 1548: One Day, She Will Leave You

“You even kept Ading locked up for so long. Weren’t you just trying to get Ou Xuyan? Now that the both of you are married, why aren’t you making a move on her? Are you some saint now?”

F\*ck being a saint!

Lu Fan looked at Zhou Sileng. “She won’t let me touch her. I don’t want to force her.”

“Lu Fan, sex is an obligation between a married couple! If you leave her be, she will leave you one day. Moreover, women tend to fall in love with the first man who takes their virginity. You should be her first man.”

First man.

These two words were very attractive. Lu Fan’s heart itched when he heard them. It was not that he did not want to touch her, but he had always wanted her to be willing. They were already wedded, anyway, it would be fine for him to take it slow.

There was a saying, ‘love grows over time’.

“Lu Fan, consider it. Division Commander Yi gave you three days. In these three days, you have to consummate with Ou Xuyan or just divorce. You can’t hide this matter, you’re in a military marriage!” Zhou Sileng left.

...

Lu Fan put his hands in his pockets as he walked on the small path. He met many soldiers, all of whom saluted him respectfully. “Hello, Senior Officer!”

These soldiers did not dare to look him in the eye. When he went off on his way, they would whisper and gossip sneakily behind him.

He knew what they were talking about. After all, he was a Senior Officer, and it was a given that everyone would want to gossip about him, Senior Officer Lu.

He did not care much about all this. He, Lu Fan, was born to not care much about other people’s gazes. He didn’t have the heart to make a move on Ou Xuyan, especially when she was unwilling.

At this moment, Yi Qiaoqiao walked over. “Senior Officer Lu, you’re alone?”

Lu Fan glanced at Yi Qiaoqiao and said indifferently, “How many people do I need?”

“Senior Officer Lu, that’s not what I meant. I heard a lot of bad rumors about you today. I was afraid that you were in a bad mood, so I wanted to comfort you.”

Looking at Yi Qiaoqiao’s eyes, Lu Fan knew that she liked him. However, apart from Ou Xuyan, he didn’t like anyone else.

“I like to be alone when I’m in a bad mood.”

He had already made it so obvious that he wanted her to leave, to the point that it was embarrassing for Yi Qiaoqiao to continue playing dumb, “Senior Officer Lu, I heard that you haven’t consummated with your wife yet. If a woman doesn’t want to sleep with a man, it means that she doesn’t love the man. She will leave you one day.”

Lu Fan snorted and walked away.

He would be a fool if he believed her instigations with ulterior motives. Ou Xuyan was his wife. Without his permission, where could she go?

...

Lu Fan pushed open the door to the house and walked in. Ou Xuyan was nowhere to be seen.

She’s in the bedroom?

Lu fan kicked open the bedroom door, but there was no one either. His sharp narrow eyes looked around as he shouted impatiently, “Ugly girl, where are you?”

He was responded with silence.

Lu Fan walked over and opened the bathroom door. It was empty. It was clear Ou Xuyan was not at home.

His heart sank, and the words of Zhou Sileng and Yi Qiaoqiao suddenly echoed in his ears. One day, she would leave him.

He immediately took out his phone and dialed her number.

The ringtone on the other end rang twice before she picked up, “Hello? Lu Fan.”

“Hey, ugly girl, where are you now? It’s so late, who said you can go out?”

Ou Xuyan was sitting in a coffee shop. Opposite her was Ading. She was holding the phone to her ear with one hand. Listening to Lu Fan’s furious voice, she shrank her shoulders, and made an “Shh” gesture at Ading, wanting him to keep quiet.

“Lu Fan, why are you so fierce? I came out to buy some things, but I couldn’t get a taxi, which is why I’m not back yet.”

## **Chapter 1549: I’ll Pick You Up**

**Translator:** Nyoibo Studio **Editor:** Nyoibo Studio

“Buy something? What did you buy? If you want to buy something, you can tell me. I’ll send someone to buy it for you,” Lu Fan said impatiently.

“I... I want to eat stir-fried chestnuts, but I’ve been to many places and still haven’t been able to buy anything...” Ou Xuyan lied.

“Okay, where are you now? I’ll go pick you up.”

“Pick me up?”

“Didn’t you say you couldn’t get a taxi?”

“But, it seems to be raining outside...”

“Ugly girl, my patience is limited. Are you going to wear out my patience?”

With no other choice, Ou Xuyan had to tell him the address. Of course, she didn’t dare to tell him the name of the cafe. Instead, she told him the name of a supermarket on the opposite side of the street.

A ring tone sounded from the other end, Lu Fan had directly hung up the phone.

Ou Xuyan, “...”

...

In the cafe.

Ou Xuyan put down the mobile phone, and looked at Ading, who was opposite her, then asked with concern, “Ading, have you been well?”

Ading nodded. “Not bad. I’ve called back the people who were chased out of the Green Sect. We’ve changed our line of work and started a dock company. We’re a respectable business.”

“That’s good, Ading. This was also your wish, wasn’t it? Although you went through some twists and turns along the way, you’ve achieved it in the end.”

“En, Xuyan, how have you been? Has Lu Fan been treating you well?”

“Yes.”

Ading smiled and took a sip of coffee, but his face revealed a hint of loneliness, “I shouldn’t have asked. When you picked up the phone just now, you told me not to make a sound. Are you afraid that Lu Fan will hear my voice and misunderstand? You care about him so much, so your relationship must be very good.”

Ou Xuyan paused for a moment and thought, “Was that so?”

Ading had called her today and asked her to meet him. She thought for a moment. Although she was already married, the two of them could not be lovers but were still friends. The feelings of childhood sweethearts were not so easily broken. The Green Sect was also her home. She wanted to know the current situation of Ading and the Green Sect, so she agreed to keep the appointment.

However, just when they met, Lu Fan called.

This man was a special forces soldier. When she picked up the phone, she subconsciously asked Ading not to make a sound. His insight was too sharp, and she was afraid that he would know that she was meeting Ading.

Although she had a clear conscience and was not involved romantically with Ading, subconsciously, she did not want him to know.

Did she like Lu Fan?

Ou Xuyan quickly denied it in her heart. She did not.

“Xuyan, even though we are not fated to be together, I am relieved to see that you and Lu Fan can be so happy after your marriage. You must be happy.”

“Thank you Ading.”

...

At that moment, Lu Fan drove a military green jeep to pick up Ou Xuyan. The rain outside was getting heavier and heavier. This stupid woman, why did she choose to come out in this weather?

At this moment, Lu Fan suddenly saw a vendor frying chestnuts by the roadside. He immediately stopped the car.

Opening the driver’s door, he rushed out of the car and ran to the front of the vendor. “Boss, give me two catty of chestnuts.”

“Aiya, young man, the rain is so heavy outside. Your clothes are all wet. Hurry up and come in to hide from the rain,” the vendor said enthusiastically.

The vendor’s area was not big. It was only a cart, and its roof was very low. It was not suitable for a tall man like him to go in. Lu Fan declined politely, “Boss, I’m fine.. Just weigh it for me quickly.”

Chapter 1550: You’re a Liar

“Okay.” The vendor took out a bag. “Young man, everyone has rushed home in such heavy rain. You’re the only one out here buying chestnuts. Are you buying them for your girlfriend?”

Lu Fan replied, “My wife.”

“Young man, your wife is so lucky. You’re so good to her.”

Lu Fan took out a hundred dollar note from his wallet and handed it to the peddler. Then, he took the chestnut. “Boss, you can keep the change.”

He got in the car and continued to drive.

He parked the car in front of the supermarket according to the address. However, there was no one in front of the door that he was looking for.

Where did this ugly girl go?

Lu Fan looked around and then wanted to open the car door and get out.

But at this time, he saw two familiar figures across the street. Ou Xuyan and Ading came out of the coffee shop. Since it was raining outside, Ading took off his coat to shield Xuyan from the rain. The two of them were running in the rain. It could be seen that Ou Xuyan had a faint smile on her face.

Lu Fan froze. Raindrops fell from the sky and hit his car's glass windows. Just like his mood, his heart was heavy.

Ou Xuyan and Ading stood by the roadside and said goodbye. Ading got into a luxury car. Ou Xuyan waved her small hands until the luxury car disappeared from her sight. Then, she crossed the road.

Ou Xuyan saw Lu Fan's car immediately.

She was shocked. Why was Lu Fan here so soon? Did he see her with Ading?

Thinking about it, Ou Xuyan felt ridiculous. Since when did she care so much about Lu Fan's opinion? She and Ading were innocent. So what if he saw them?

"Lu Fan, you're here?" She opened the door of the passenger seat and got into the car.

Lu Fan's handsome features were as sharp as knives. He looked sideways at the girl and asked directly, "Who were you with just now?"

"No one, I came out to buy something."

"Ha," Lu Fan sneered, "Did you go to a coffee shop to buy something? Ou Xuyan, this is the first time I realised that you're a liar."

"Hey, why are you so mean, Lu Fan? Yes, I just had a cup of coffee with Ading. Since you have seen it, why are you asking me this?"

"Ou Xuyan, let me ask you, if I didn't come to pick you up, would you have left with Ading?"

"Lu Fan, what nonsense are you talking about? I and Ading are innocent. Although I am married to you, the relationship between me and Ading is not going to disappear just like that. The Green Sect has many ties to me. Besides, even if I leave with brother Adin, it will have to wait until I divorce you."

Divorce?

This word was like a needle stabbing into Lu Fan's brain.

He did not say anything but stepped on the accelerator and went straight back to the army.

...

Lu Fan drove very fast along the way. Ou Xuyan was on tenterhooks. She saw that the man's entire face was dark, and his silence was as scary as a devil.

He was driving so fast on a rainy day. It was said that soldiers had well self-control and were very calm. Why was he an exception?

He was too crazy.

The car stopped in the army, and Lu Fan got out. He went around the car's body and opened the door of the passenger seat. Then, he carried Ou Xuyan on his shoulder.

Ou Xuyan was shocked when her body suddenly flew into the air. She immediately clenched her tiny pink fist and punched his strong shoulders, "Hey, Lu Fan, what do you want? Put me down quickly! If you don't put me down, I won't be polite to you!"

Lu Fan kicked open the door of the room and threw Ou Xuyan onto the bed.

Chapter 1551: Ou Xuyan Packed Her Bags and Left

The man beside the bed did not say anything.

Ou Xuyan felt strange. She raised her small head to look at the man, only to see the man staring at her with bloodshot eyes. Then, he moved to untie his belt.

"Lu Fan, what... what are you doing?" Ou Xuyan quickly sensed the danger. She stepped back cautiously and retreated into the corner.

Lu Fan's tall figure pressed down directly. At this moment, a bolt of lightning struck outside the window, illuminating the man's cold and hard face.

"Lu Fan!" Ou Xuyan wanted to whip out the leather belt on her waist.

However, it was useless. The man took the first step to restrain her hand. Her pupils constricted, and she raised her leg to kick him down, but the man quickly pressed down on her knee and twisted it, directly pressing her down on the bed.

His action was straightforward and neat. When he was serious, she was somewhat unable to resist him.

"Lu Fan, I'm warning you not to touch me. If you touch me, I'll cripple you... ah!"

...

In the middle of the night.

The lights were not switched on in the room. Under the bed laid a man's shirt and the woman's torn clothes. Lu Fan sat on the side of the bed with his upper body bare and smoked.

His back and arms were covered with bloody marks from the woman's scratches. The metal belt on his waist bound his narrow and muscular waist. His military trousers were already wrinkled beyond recognition; however, they complemented his super-long legs and gave him an unruly and wild look.

He held a cigarette between his fingers, and from time to time, he would put it under his thin and cold lips and take a puff. Then, he would puff out a circle of smoke. The atmosphere in the room became depressing under the smoke.

Ou Xuyan was covered with a blanket. She curled up on her side, her delicate little face red and white.

Lu Fan put out the cigarette butt under his feet. Then, he got up and went out.

Ou Xuyan didn't say anything. She gently closed her long eyelashes, and hot tears quietly rolled down.

...

The next morning.

Ou Xuyan didn't see Lu Fan when she got up. He had already gone out last night or early in the morning.

She didn't care about this. She packed up her clothes, folded them, and put them into a bag. She didn't have many things; after all, she was only meant to stay here temporarily.

At this time, there was a knock on the door. Mrs. Hai pushed the door open and entered. "Mrs. Lu, are you up yet? I've picked some fresh wild vegetables for you to stir-fry today. Oh, Mrs. Lu, why are you packing? Are you... leaving?"

Ou Xuyan didn't say anything. She took the paper bag and went out.

Mrs. Hai felt that something was wrong. She followed behind Ou Xuyan. "Mrs. Lu, what's wrong? Please speak to me, I'm panicking. Does Chief Lu know that you are leaving? Did the two of you... fight?"

Ou Xuyan was still unwilling to speak. She quickened her pace.

Mrs. Hai looked at her seriously. Ou Xuyan was still as beautiful as a fairy, but she was a little different today.

How was she different?

There was a cut on the corner of her mouth. It was obvious that someone had bitten her. Mrs. Hai also noticed that there were some hickeys on her neck, which was covered by her collar. It was indescribably charming.

Mrs. Hai had a flash of inspiration. She understood. Wasn't this what a girl looked like when she turned into a woman?

Could it be... Chief Lu and Mrs. Lu had settled things last night?

“Mrs. Lu, what’s the big deal? Tell me about it. Young couples may fight sometimes, but they can’t be cold and violent. If you left without saying a word, Chief Lu would be so anxious.”

Ou Xuyan was silent.

Mrs. Hai was really anxious.. If they kept walking like this, Ou Xuyan would really leave.

Chapter 1552: You Are My Woman

At this moment, the loud and clear shouts of “one, two, three, four” rang in her ears. Mrs. Hai turned her head and saw a large group of people running over from behind. Wasn’t the instructor next to them Lu Fan?

Mrs. Hai’s eyes lit up, and she immediately waved her hand. “Chief Lu, over here!”

Lu Fan’s eyes were sharp. He immediately saw Mrs. Hai and... Ou Xuyan. Ou Xuyan was carrying a bag in her hand and looked like she was leaving.

Lu Fan’s handsome eyebrows immediately pressed down, and he asked the group to stop here. He ran forward.

“Chief Lu, look. Mrs. Lu seems to be leaving this place. No matter what I say, she won’t say a word.”

“Ou Xuyan, stop!” Lu Fan reached out and grabbed ou Xuyan’s slender arm.

Ou Xuyan immediately shook off Lu Fan’s hand and didn’t want him to touch her.

She stared coldly at the man in front of her and spat out one word, “Get lost!”

Lu Fan’s eyes revealed a trace of panic and pain, but he reprimanded this woman with a dark face, “Ou Xuyan, what are you doing? Go back!”

“I don’t want to see you again, you beast!”

Looking at the torn skin on the corner of her mouth, Lu Fan subconsciously straightened his back. His voice was a little hoarse, but it was also wild and unruly, “You are my woman, if I don’t treat you like a beast, who will I treat like a beast!”

Mrs. Hai covered her mouth with her hand. Oh my, bless my girly heart. Chief Lu is too... manly.

“Hmph,” Ou Xuyan snorted coldly. “I married you to save Ading. I don’t like you at all. You know this better than anyone. I’m not your woman. What right do you have to treat me like that?”

“F\*ck off!” Lu Fan put his hands on his waist and looked at her from the corner of his eyes. “I have a marriage certificate. This is a military marriage. I didn’t marry to look at you. If I wanted to sleep with you, then I’d do it!”

Ou Xuyan felt that this man couldn't communicate with her, so she lifted her leg and left.

At this moment, Lu Fan stretched out his long leg and kicked the paper bag in her hand away. "Where are you going? Ugly girl, go back!"

"Ah!" Ou Xuyan broke down. She stretched out her hand and slapped Lu Fan.

Slap!

The crisp sound of the slap reached the large platoon not far away, and the soldiers went silent.

What was going on? Chief Lu had actually been slapped?

Everyone's eyeballs were about to fall to the ground.

"Lu Fan, I should have given this slap to you last night!"

Lu Fan raised his sword-like eyebrows. There was not much anger on his handsome and tough face. He looked at the woman and said, "Are you done? Have you calmed down? Then go back!"

"I don't want to go back... ah!"

Lu Fan hoisted her onto his shoulder again.

Ou Xuyan, "..."

Mrs. Hai and all the soldiers, "Oh my god, so Chief Lu is the possessive and dominating type.

...

In the room.

Lu Fan threw her into the bed. "Ugly girl, be good. If you continue to make a scene, I won't have the patience to coax you!"

"Lu Fan, you bastard!" Ou Xuyan reached out and grabbed a blanket, then threw it forcefully on his face.

The pale yellow blanket fell from the man's face onto the ground, and the atmosphere stopped because there was a plum blossom print on the blanket and some private things that should not be seen.

These were all the evidence from last night.

Last night, they had experienced an intense battle in bed. They were everywhere and did not have any restrictions. This morning, there was no one to clean up the bed, so it was naturally messy.

Lu Fan looked at the blanket at his feet, then looked up at Ou Xuyan and cleared his throat.

Ou Xuyan's small face was red and white.. There was anger, sadness, and a little shyness. "Get lost, Lu Fan! I don't want to see you again!"

Chapter 1553: Chief Lu Has a Fever

"Then don't leave."

Ou Xuyan snorted.

Lu Fan turned around and left.

He didn't leave. Instead, he stayed outside. This woman ran away just like that. He had to watch her.

...

Soon, the news of Chief Lu asking for a leave of absence spread throughout the entire army. Yi Qiaoqiao also received the gossip first-hand —

“Did you guys hear, this morning, when Mrs. Lu was about to leave with her bag, Chief Lu kicked her bag over and carried her back into the house?”

“Not only that, Chief Lu even asked for a leave of absence. He stayed in the house to watch over Mrs. Lu, afraid that his wife would run away.”

“Do you know why Mrs. Lu wanted to make a scene with Chief Lu? That's because last night, Chief Lu didn't say a word and pounced on Mrs. Lu!”

“Oh my god, Chief Lu is so manly. I really don't understand why Mrs. Lu is still angry. If it were any other woman, she would be so happy that she would fly to the sky.”

Yi Qiaoqiao clenched her hands that were hanging by her side into fists. She wished she could pinch her nails into her palms. Why did things turn out like this?

She was the one who spread the rumor yesterday. When she heard the news from Mrs. Hai's window, she couldn't wait to spread it. But her goal was to get Lu Fan and Ou Xuyan to divorce. Why did it backfire?

Yi Qiaoqiao was so angry that she felt uncomfortable.

...

Ou Xuyan had been staying in the room. She really wanted to go out, but Lu Fan had locked the door, and he was still guarding outside. She couldn't go out at all.

At noon, there was a knock on the door. Then, the man's stiff voice came, “Ugly girl, it's time to eat!”

“No!”

The breathing outside was heavy. The man said fiercely, “If you don't want to eat, then don't eat. I'll see how long you can last.”

Even if she starved to death, she wouldn't eat his food. He could rest assured.

Soon, it was evening. At this time, Ou Xuyan heard Mrs. Hai's voice from outside, "Chief Lu, I'm here to see if you and Mrs. Lu have reconciled. I just happened to make some meat patties. I'll give you some. Oh my, what happened to you, Chief Lu? Why are you so red?"

"Mrs. Lu," Mrs. Hai came to knock on the door, "Mrs. Lu, come out and take a look. Chief Lu seems to have a high fever."

He has a fever?

Ou Xuyan didn't believe it. Even with his strong body, he could get sick. And last night, he was so fierce. He didn't look like a patient at all?

Even if he had a fever, he deserved it. This was called retribution.

Ou Xuyan ignored her and went back to sleep.

"Mrs. Lu, I'm not joking. Chief Lu's forehead is very hot and his face is red. He really has a fever," Mrs. Hai said as she unlocked the door and pushed the door open.

"Mrs. Lu, please wake up. Hurry and take a look!" Mrs. Hai pulled Ou Xuyan up from the bed and pushed her out.

Ou Xuyan was forced to go outside. Lu Fan was lying on the sofa with his eyes closed. His face was indeed red, completely different from his usual wild and unruly appearance.

Ou Xuyan's heart skipped a beat. Then she bent down and touched his forehead. It was really hot.

He really had a fever!

"Mrs. Lu, what are you still standing there for? Hurry, I'll help you bring Chief Lu to the bed. Use a cold towel to wipe his body. I have some fever medicine at home. I'll go get it for Chief Lu to eat."

Ou Xuyan came back to her senses. "Oh, okay." She nodded her head foolishly, then laboriously put Lu Fan's heavy body on the bed with Mrs. Hai. Mrs. Hai went back to get the fever medicine.

Chapter 1554: A Man Will Not Be Swayed By Force

Ou Xuyan was the only one left in the room.

Ou Xuyan was a little confused. She looked at Lu Fan, who was still in bed with a high fever and could not believe it. How could such a lively, wild and unruly man get sick?

She had no experience in taking care of people. What should she do now?

Just now, Mrs. Hai seemed to have said that she would use cold water to wipe his body to cool his body down?

Ou Xuyan quickly ran into the bathroom and brought out a basin of cold water. Then, she dipped the towel into the cold water and started to untie Lu Fan's shirt.

His skin was a healthy tanned color, and the continuous undulating muscles on it emitted a honey-colored luster. He had six-pack abs, a perfect mermaid line, and a standard body with a golden ratio.

There were still many scratches on his body now. They were all from last night. Thinking of last night, she wished she could throw the towel in her hand onto his face and let him fend for himself.

However, looking at his sickly appearance, she still couldn't bear it. She gritted her teeth at him, but she had no choice but to use the towel to help him wipe his body.

After wiping, she put the cold towel on his forehead to reduce the temperature.

At this time, Mrs. Hai came back. "Mrs. Lu, this is the cold medicine. Hurry and feed it to Chief Lu. Chief Lu has a good constitution. If the temperature drops and he rests for another night, he should be fine."

"Oh, okay."

Ou Xuyan took out two of the medicine and poured a glass of water. She helped Lu Fan up. His head was resting on her shoulder. She handed the medicine to his mouth and said fiercely, "Hey, Lu Fan, open your mouth!"

Lu Fan was in a daze from the fever. There was a bitter feeling on his lips. He turned his head away and refused to take the medicine.

Sigh, this person!

"Lu Fan, I'll pry open your mouth and stuff the pills in!" Ou Xuyan threatened in a low voice.

"Haha," Mrs. Hai laughed. "Mrs. Lu, you shouldn't be so fierce with Chief Lu. Chief Lu is sick now. You have to be gentle and speak to him softly."

Gentle?

Ou Xuyan really wanted to get up and stop serving this young master.

But after thinking for a while, she decided to be patient and said softly, "Lu Fan, take the medicine quickly. Take the medicine and your body will be better."

Her soft voice made Lu Fan listen to her. He opened his mouth, and she threw the medicine pill into his mouth. He swallowed it without using water.

"Hey, don't you want some water?"

Lu Fan seemed to be asleep.

Ou Xuyan put down the glass of water.

“Mrs. Lu, that’s right. Men like being treated gently, especially soldiers. They hope that a wife will be waiting for them when they return home from working hard. I think Chief Lu is a soft-hearted person. If you beg him a little and try to act cute, he will listen to you.”

Ou Xuyan furrowed her honey brows. “Mrs. Hai, how did he get sick?”

“I’m not sure either. He’s your hubby. But didn’t he pick you up last night? It was raining so heavily outside. He must have been caught in the rain.”

Ou Xuyan recalled that he was really caught in the rain last night. His clothes were wet and he had gone out of his room in the middle of the night. It was so cold at night and he didn’t have a blanket.

The night before last, he gave the quilt to her. He probably caught a cold at that time.

Ou Xuyan didn’t sympathize with him at all. He deserved it. He was like a crazy person last night.

“Mrs. Lu, there’s something I want to tell you,” Mrs. Hai said with a rare serious face.

“Mrs.. Hai, if you have something to say, just say it.”

Chapter 1555: Making a Meal For Her Personally

Mrs. Hai pulled Ou Xuyan aside and apologized in a low voice, “Mrs. Lu, first of all, I have to apologize to you. Yesterday, I found out that you haven’t slept with Chief Lu yet, so I told Old Hai about this matter. Who knew that the moment I finished speaking, the whole army went crazy.”

“Everyone is saying that Chief Lu is in a marriage of convenience with you, and that Chief Lu’s orientation in that area is not good. Division Commander Yi has already said that Chief Lu would be given three days to settle his personal affairs, so as not to affect the atmosphere in the team.”

There was such a thing?

Ou Xuyan had just heard about it. So many things had happened during her absence.

“Mrs. Lu, Old Hai and I are puzzled. We clearly said it in private, but why did the army go crazy? Do you think someone listened to us? Who is this person? They’re too wicked.”

“It’s Yi Qiaoqiao,” Ou Xuyan said with certainty.

“How do you know, Mrs. Lu?”

“Yi Qiaoqiao came to my room yesterday and looked at me a few times.”

Mrs. Hai slapped her thigh, “That’s right. Yi Qiaoqiao has always liked Chief Lu. She must have wanted to use these rumors to force Chief Lu to divorce you. Who knew that Chief Lu was so fierce last night that he threw you down...”

Ou Xuyan's little face turned red, and she turned to leave.

"Hey, Mrs. Lu!" Mrs. Hai pulled Ou Xuyan back. "Mrs. Lu, we're both women. What are your true thoughts? You're already married to Chief Lu. I heard you say that you don't like Chief Lu and that you married to save a man. But marriage is not a child's play for a woman. I see that Chief Lu likes you and is serious about living with you. Do you want to divorce Chief Lu and then go find that man?"

"If you don't want to look for him, then you should have a good life with Chief Lu. Chief Lu loves you, and both of you have already consummated. You can be 'Mrs. Lu' in peace."

Ou Xuyan's mind was in a mess. She hadn't thought about these problems yet.

She only knew that it was impossible for her and Ading. She had gone to the coffee shop purely to understand the situation between Ading and the Green Sect. As for her and Lu Fan, she hadn't thought about it yet.

Last night, she... was already his woman.

Even if she killed him now, it would not change the fact.

"I understand, Mrs. Hai. Thank you."

"No need to thank me. Just have a good life with Chief Lu. I'll take my leave first." Mrs. Hai left.

...

Lu Fan's temperature dropped, and Ou Xuyan's heart was at ease. At this time, she felt hungry, so she went out to get some food.

She had not eaten the rice and water today because she was angry with him.

When she entered the kitchen, Ou Xuyan saw two plates on the counter. They contained white rice and was covered with pork chops, green vegetables and bean sprouts. This was... the lunch that he had prepared for her in the afternoon?

Could it be that he had made this himself?

Ou Xuyan picked up the chopsticks and tasted the vegetables. They were not delicious, tasteless, and looked like they had been scooped up from boiling water.

He did not cook much, so his cooking skills were definitely not good.

But today, he had cooked for her.

Ou Xuyan felt a warmth in her heart. There were two meals here. She did not eat them, and he did not eat them either.

She thought about it again. Was this his trick to get her to sympathize?

Last night, he had taken such a big advantage, so he wanted to get her forgiveness today. In fact, it did not matter whether she forgave him or not. He just wanted to have.... an heir!

Chapter 1556: If I Don't Kiss You, Who Will I Kiss?

Although Ou Xuyan was still angry at Lu Fan, they still needed to eat, so she took out the rice cooker and cooked some millet congee. It just so happened that the wild vegetables that Mrs. Hai had sent this morning were still there, Ou Xuyan chopped the wild vegetables and put them into the congee to cook together.

After she was done with these, she returned to her room.

Lu Fan's high temperature had subsided, but his whole body was cold. His lips had turned purple from the cold, and he looked very uneasy when he was sleeping.

Ou Xuyan touched his hand. It was so cold.

What should she do?

Ou Xuyan took out the new quilt that she borrowed from Mrs. Hai and covered him with it. After a while, his body temperature still did not rise.

There was only one way now.

Ou Xuyan got on the bed, lifted the quilt, and hid under the quilt.

The man next to her felt the warmth. He quickly turned to the side and hugged her tightly.

It was so cold that Ou Xuyan shivered. Subconsciously, she also crawled into his arms. His chin was pressed against her forehead. His stubble made her itch, and she wished she could kick him away.

This man did something wrong but didn't get punished. He even hugged her to sleep. This was too easy for him!

...

Lu Fan slowly opened his eyes. He glanced at the ceiling. He was now in his room.

He seemed to have a high fever. Last night, he got caught in the rain and came back to give her a hard time. He had sat on the sofa and smoked the entire night. The next morning, he felt uncomfortable.

His immune system was, in fact, pretty good, but it was probably affected by his depressed mood.

How did he enter the room?

Where was that ugly girl?

He remembered that she was still angry and wanted to leave him!

Lu Fan moved and wanted to sit up, but when he moved, he realized that something was wrong. A fragrant and soft body was in his arms.

He turned his head and saw Ou Xuyan sleeping peacefully in his arms. The two rows of long eyelashes quietly drooped down, making her look especially obedient. It seemed like she was going to melt his heart.

Why was she... In his arms?

Lu Fan's arms were already stiff. He moved slightly, afraid that he would wake her up. When he held her soft waist, he hugged her tightly in his arms.

Lowering his eyes, he planted a deep kiss on her forehead.

With this kiss, Ou Xuyan woke up and opened her eyes.

"What are you doing?" She blinked her sleepy eyes and looked at him with confusion and anger.

Lu Fan's handsome face was a little unnatural. He coughed twice and said in an awkward voice, "I'm kissing you. What's wrong?"

"You bully!" Ou Xuyan raised her knee and was about to attack his weak spot.

However, Lu Fan reached out his large palm and grabbed her slender thigh in time to stop her from kicking him. "Ugly girl, you're allowed to throw yourself into my arms, but I'm not allowed to kiss you. What's the meaning of this?"

"I'm not throwing myself into your arms. It's your fever. The high temperature has subsided and your body has become cold. That's why I was sleeping with you," Ou Xuyan explained.

"What's the difference? You threw yourself into my arms!"

"Lu Fan, you!" Ou Xuyan clenched her fists and hammered his shoulders twice.

Lu Fan flipped over and pressed her down. He held her hands above his head, then bent down and kissed her red lips.

"Oh!" Ou Xuyan's eyes widened and she struggled quickly. "Lu Fan, let go. Don't... kiss me!"

"You're my wife. If I don't kiss you, who will I kiss?"

Lu Fan pressed down on her and kissed her deeply. Ou Xuyan continued to resist. Neither of them was surprised.. When their teeth met, Lu Fan frowned and let go of her with a "hiss."

Chapter 1557: If Apologies Worked

The corner of Ou Xuyan's mouth was broken again. She was so angry that she couldn't take it anymore. "Lu Fan, how can you be so lame? What kind of ability is it to force yourself upon a woman? You don't even know how to kiss properly. I despise you!"

Lu Fan's face turned black. After all, a man would lose face if he was despised by the woman he loved. It hurt his self-esteem. He gritted his teeth and tried to suppress it. "I'll try again."

Try again? What the hell?

Ou Xuyan kicked him with her slender leg. Lu Fan quickly took a few steps back. He looked at the woman. She had already gotten off the bed and snorted coldly before leaving the room.

Lu Fan, "..."

He fell back onto the bed in frustration. Damn it. Although he did not have the same talent in business as his older brother, he had been gifted and intelligent since he was young. However, he seemed to be lacking in kissing.

He must be lacking in experience. He just needed more practice!

At this moment, a woman's voice came from outside, "Hey, are you hungry? If you're hungry, come out for dinner!"

Lu Fan walked out.

...

The two of them sat at the dining table and ate dinner. Lu Fan took a sip of the porridge. The porridge was thick, and the savory taste of the wild vegetables was really delicious.

"Did you make this?" He asked.

"Who else? Is there anyone else besides me at home?"

Lu Fan looked at her up and down with disdain. "The Sun has risen from the West today. You can also make porridge."

Ou Xuyan immediately blew up, "What do you mean by that? Haven't you eaten my egg fried rice before? You clearly ate it very well, yet you still dare to insult me? Hmph, I don't have any other advantages except that I'm a little smarter. What's the matter? Did I get in your way?"

Lu fan, "..."

This topic ended on bad terms. The two of them quietly finished their dinner.

Ou Xuyan went to wash the dishes while Lu Fan went into the bathroom to take a shower. He felt that he had recovered and was full of energy.

Just after taking a shower, Ou Xuyan came in. The two of them looked at each other and then looked away simultaneously. With a snort, Ou Xuyan went into the bathroom to take a shower while Lu Fan lay on the bed.

Ten minutes later, Ou Xuyan also came out. She glanced at the man on the bed. He was reading a book in his hands.

He knows how to read too?

He's just a martial artist who only knows how to pretend to be cultured!

Ou Xuyan carried the other quilt down and prepared to make a bed on the floor.

"Hey, ugly girl, what are you doing?"

"Don't you have eyes to see? You sleep on the bed, and I sleep on the floor. You're totally benefitting here!"

"No! The weather is so cold now, you'll definitely catch a cold if you sleep on the floor. I'm very busy, but I don't have time to take care of you!"

"Who asked you to take care... Ah!" Ou Xuyan was pinned to the bed by a muscular arm.

She wanted to struggle, but Lu Fan held her down tightly. He looked at her delicate little face and said, "I won't touch you. Sleep with ease."

At the mention of this topic, Ou Xuyan quickly pushed him away and turned her back to him to sleep. The atmosphere in the room soon fell silent.

Lu Fan put his arms behind his head and said, "I'm sorry about last night. I was a little impulsive."

"What's the use of being sorry? If apologies worked, why would I need a special forces soldier like you? You would have lost your job long ago!"

"Ugly girl, we're already married. Sooner or later, you'll be mine. I'm just executing my rights. Don't tell me you're still thinking about Ading? You'd better give up on this idea. As long as I'm still alive, I won't let you cheat on me."

What cheating? Why did this person's words sound so unpleasant?

Chapter 1558: You're the One Fooling Around Outside

"What right do you have to criticize me, Lu Fan? You're married, and you're still fooling around outside. That's even more unforgivable," Ou Xuyan retorted.

Fooling around?

Upon hearing this word, Lu fan immediately frowned. He felt that he had no relation to this word. Why would she suddenly criticize him like this?

“Ugly girl, you better make it clear. Who was I fooling around with anyways?”

“Lu Fan, do you really want me to make it clear? What’s up with that Yi Qiaoqiao?”

Yi Qiaoqiao?

Lu Fan thought about this person. “What do you mean by what’s up? She’s Division Commander Yi’s daughter, a female soldier.”

“What else?”

“Nothing else.”

“You’re lying. She still likes you!”

“What does that have to do with me? Your Hubby is such a tall, rich, and handsome soldier. Which girl wouldn’t like him? Do I need to know everyone who loves me?”

Ou Xuyan almost laughed. Wasn’t this man’s ego too large?

“She’s Division Commander Yi’s daughter, and Division Commander Yi likes you very much. He wants to take you in as his son-in-law. Haven’t you ever been tempted, Lu Fan? Becoming Division Commander Yi’s son-in-law will allow you to progress your career.”

Lu Fan’s face darkened as soon as he said this. “Ugly girl, what do you mean? Do you doubt that I didn’t rely on my own abilities to get this far?”

“I...”

“Or do you think that the Lu family’s name is not as useful as Yi Shizhang?”

Ou Xuyan was speechless. Look at how stupid she was. She had forgotten that the man in front of her was not only a soldier but also the son of the Lu family. The Lu family was an overwhelming business empire under the leadership of Lu Jinwen, and he was even more brilliant and unceasing. Naturally, a division commander like Yi Shizhang could not compare him.

All these years, he had entered the army and relied on his outstanding battle achievements to get to where he was today. No one could doubt his ability.

“Even if that’s the case, this incident was caused by Yi Qiaoqiao. She was the one who spread the rumor that there was... no romance between the two of us.”

So it was her.

Lu Fan lay on the bed, his two strong arms resting on the back of his head. He slowly closed his eyes without any expression.

Ou Xuyan immediately sat up. She stretched out her pale little foot and kicked him. "Hey, Lu Fan, what do you trying to do? She harmed us. Why aren't you saying anything?"

"What do you mean?" Lu Fan lifted his eyelids and looked at her casually. The girl's delicate little face was puffed up, and her eyes were shining brightly, like fresh and tender fruits that made people want to take a bite.

"She has caused us so much misery. You should go and teach her a lesson!"

She had caused so much misery...

Lu Fan raised his sword-like eyebrows. Why didn't he feel this way? On the contrary, he had to thank Yi Qiaoqiao. If it weren't for Yi Qiaoqiao, he wouldn't have been able to sleep with her.

Lu Fan's gaze swept across Ou Xuyan. Although they didn't have a good time that night, it was still a pleasant experience. She had become his woman, the real Mrs. Lu.

In the future, she could never leave him again!

"Lu Fan, are you mute? Wow, and you still say that you didn't have an affair with Yi Qiaoqiao. You're clearly protecting her now. Hurry up and explain to me... ah."

Lu Fan reached out his large palm and grabbed her slender wrist. Then he pulled hard, and she fell into the man's arms.

Her head hit the man's front ribs, and she was in so much pain that she was about to cry.. "Lu Fan, what are you doing? It hurts so much. Are you made of iron? So hard"

Chapter 1559: Why Blame Me For Being Lazy

She wanted to reach out her small hand to rub her small head.

But at this time, a large palm wrapped around her small head and gently rubbed it twice. The man's low and mellow voice sounded faintly, "You only know now that I'm that hard?"

Ou Xuyan immediately realized the hidden meaning in his words. Her small face flushed red, and she struggled to get up. "Lu Fan, you hooligan, what are you talking about?"

Lu Fan pulled her into his arms. "What are you thinking about? What was I talking about?"

"You!"

"Alright, stop fooling around. I still have to get up early tomorrow. Let's go to bed early."

Ou Xuyan reluctantly twisted her body. "Then let go of me!"

He had already said that he was going to sleep, but why was he still hugging her?

"How about we do it like this?"

"But I don't feel well. Why are you still hugging me? I want to sleep alone."

Lu Fan turned his body sideways and pressed his long arms and legs against her soft and fragrant body. "This bed is too hard. I can use you as a cushion."

Using her as a cushion?

"Lu Fan!"

Lu Fan's long eyelashes had already closed. He was asleep.

Ou Xuyan, '...'

The only thing she could do was close her eyes.

...

The next morning.

Ou Xuyan slowly opened her eyes. She found that she had slept very well last night and did not have any dreams.

She had thought that she would not be able to sleep well or she would not be able to sleep because Lu Fan had hugged her too tightly. She had not been hugged to sleep like this by a man before and was not used to it. However, unexpectedly, the man's embrace was wide and warm. It was quite comfortable, and she had actually slept very well.

She moved and wanted to get up, but she realized that she was still in the man's embrace. Lu Fan had not gotten up at all.

The sun was shining brightly outside the window. It was at least seven or eight o'clock. Why was he still not up?

Did he doze off?

Usually, he would get up at five or six o'clock and go to the army.

Ou Xuyan looked at his face. His facial features were very handsome and had the look of sonorous justice like some soldiers after being in the army for many years. His eyebrows were straight, and his thin lips were sexy. In whose, he was a handsome guy.

The two of them were in a romantic position now. They were sleeping face to face. His tall body was hugging her delicate body tightly. She could even feel his heartbeat through the thin fabric of his clothes. Ou Xuyan's small face was uncomfortably red.

She moved her hands and feet slightly. She wanted to withdraw from his embrace, but when she moved, Lu Fan woke up.

He slowly opened his eyes, his eyes a little tired. Looking at the woman in his arms, he asked lazily, "What time is it?"

"I think... it's past seven o'clock..."

Lu Fan froze, and the sleepiness in his eyes disappeared. "What time did you say?"

"It's past seven o'clock..."

Lu Fan immediately swore, then quickly let go of her and jumped off the bed. He put on the camouflage uniform and said, "They say that women are troublesome. If it wasn't for you, would I have gotten up so late?"

Was he blaming her?

Ou Xuyan was not convinced. She glared at him. "You're the one who slept in the bed, and you blame me? Did I ask you to hug me last night? Hey, Lu Fan, is it because it's too comfortable to hug me that you slept so late?"

Lu Fan stopped fastening his belt and turned his head to look at her.

When the girl woke up, she looked like a rose blooming in the morning. There was a hint of dew in her delicate features. She even looked at him provocatively when she said these words. She was unusually bright, and he felt his abdomen stiffen.

He had never slept in during his years in the army. When he was young, he had been a mischievous monkey and did not like to sleep in.. Today was really the first time for him.

Chapter 1560: Lets Have a Baby Early

It was all because of this woman. It was too comfortable to sleep with her in his arms. Everyone said that a strong man is devoted to a warm home, and he was no exception.

"Alright, stop nagging," Lu Fan said impatiently, then walked into the bathroom to wash up.

Who was the one nagging?

Ou Xuyan was extremely angry, but she could not get mad. She could only get up and open the door of the house.

The sun was shining brightly outside, especially when the weather was clear after the rain. It was filled with the smell of fresh flowers and plants. She stretched her body in satisfaction and walked out.

"Mrs. Lu, you're up?" At this time, the neighbor, Mrs. Hai, walked over.

“Yes, good morning Mrs. Hai.” Ou Xuyan greeted her.

Mrs. Hai walked over with a smile on her face. She sneaked a glance into the house and then said to Ou Xuyan ambiguously, “What’s the matter? Has Chief Lu not woken up yet?”

“Oh... he just woke up. He’s washing up.” Ou Xuyan smiled awkwardly.

“It’s understandable. Oversleeping is inevitable for newlyweds.”

Ou Xuyan was shocked and immediately explained, “No, it’s because he has a fever...”

Before she could finish, Pu Tao walked over with a basket in his hand. “Sister-in-law, I’m here to deliver some dishes to you. The chef is out shopping today, so we asked him to buy something for boss.”

“What is it?” Ou Xuyan looked at it curiously.

“This is the bulls p\*nis.” Pu Tao took out a bunch of bloody things from her basket.

Ou Xuyan was so scared that she took a few steps back. “Put it back quickly. Put the basket in the kitchen. When I’m free... I’ll cook it.”

Actually, she didn’t know how to cook. She only knew how to cook egg fried rice.

“Okay.” Pu Tao brought the basket in.

“Why does he like to eat... bulls p\*nis? It looks so disgusting,” Ou Xuyan muttered to herself.

Mrs. Hai quickly went forward and whispered with a smile, “Mrs. Lu, do you know what bulls p\*nis is?”

“I don’t know. Is it... a kind of meat?” Ou Xuyan looked at Mrs. Hai innocently.

“Ha,” Mrs. Hai covered her mouth and laughed, “Mrs. Lu, you are really too naive. How come you don’t know what bulls p\*nis is? Let me tell you; it is a kind of bull...”

Mrs. Hai whispered into Ou Xuyan’s ear.

Ou Xuyan’s delicate little face instantly turned red. She looked at Mrs. Hai in shock and panic. Her gaze was — what are you talking about.

Mrs. Hai found her cuter and cuter. “Mrs. Lu, do you know what a bull’s penis is for?”

Ou Xuyan shook her head.

“It’s to strengthen a man’s body.”

Ou Xuyan, “...”

“Mrs. Lu, Chief Lu woke up so late today. This must-have spread throughout the army. Before Chief Lu married you, you should know that he was practically a model worker. He never slept in a day, no

matter what happened. But ever since he had you, Chief Lu has made an exception. His subordinates have noticed this. Everyone has already bought some bulls p\*nis for Chief Lu to nourish his body.”

Ou Xuyan, “...”

“Mrs. Lu, let me tell you. Since you and Chief Lu are newlyweds, why don’t you make use of the honeymoon period and have a child now? Nowadays, young people are playful. They want to have a child after spending a few years together. But by that time, the woman will be 30 years old. She will be old. Why don’t you have a child now? If you have a child now, you can recover and have time for enjoyment in the future.” Mrs. Hai began to nag.

Ou Xuyan could not walk away even if she wanted to. Her little face was getting redder, but she could not bring herself to run away and hide. She had not given much thought about the things Mrs. Hai was talking about.
