## Chapter 1542

Kraig was startled, he asked calmly: “Are you?”

“Master, you...you can't even hear my voice? Mrs. Jun also said that you praise me.” Xin Wanruo's voice was really soft and soft.

Kraig: “Madam?”

Xin Wanruo said at the other end: “Oh, Lord, I didn't expect you to have such a good relationship with your wife. I only learned that you are childhood sweethearts after hearing your wife's words. You... Lord, you are such a sweetheart. Long lover.”

“Even Madam...I've been waiting for her since she was fourteen or five years old.”

“It turns out that you have been waiting for your wife in your heart, and you are dismissive of women outside.”

“Years ago, I really misunderstood you, Lord, I thought at that time how rare you were with that Dalia. It turns out that you are not. Now I finally understand what you want, Lord. Oh, who made that Dalia do it? It's dead.”

Kraig: “...”

At this moment, it is impossible to say that I am not excited.

He almost asked furiously: "Where is Dalia?"

However, Kraig also knows what it means to jump over the wall in a hurry.

Now I don't know if Dalia is alive or dead. If he is still alive and Dalia is in Xin Wanruo's hands, once he exposes his true ideas to Xin Wanruo, Kraig dare not think about what Xin Wanruo would do next.

He dare not think.

He suppressed the anger in his heart, and tried to make his tone as calm as possible: "Miss Xin, where are you... now?"

Xin Wanruo asked in surprise immediately: "Ah? Lord, don't you know where I am? Are you...you kidding me?"

Kraig: "..."

I suddenly realized that when I beat Elma in Nancheng the day before yesterday, why didn't he expect to ask Elma for Xin Wanruo's address?

However, this is also unlikely.

At that time, Kraig didn't know that Xin Wanruo was also involved in this incident.

At this moment, Kraig could only lower his voice and throw out a sentence: "I just want to see you now."

Xin Wanruo: "Master, you...what did you say?"

"You understand." Kraig said coldly.

At that end, Xin Wanruo was stunned.

She suddenly didn't understand what Kraig meant. Why did she suddenly seem to see her?

At first, if Xin Wan didn't dare to think about the evil, she had seen Elma's power.

That's not a loss, Mrs. Jun.

Say the result of a person's life, it really will be the result in minutes.

She tremblingly asked on the other end of the phone, "Master, you...what do you mean, I...I dare not think too much about you, I... . I know your feelings for your wife, not to mention your wife is still pregnant..."

Kraig "What?"

He asked in a very small voice, almost only he could hear it.

He didn't know that Elma was pregnant.

Whose child are you pregnant with?

Kraig doesn't care about this.

He only seized the opportunity: "Well! Don't you women know this? A pregnant woman..."

At that end, Xin Wanruo immediately understood: "Oh! Ooh! I understand the lord, I understand!"

She suddenly understood why Kraig called her at this time.

Xin Wan has been in the entertainment industry for so many years, and he is indeed a wise man.

She ridiculed Elma coldly in her heart, Madam Jun, because they love each other so much. It's nothing more than thinking about it now.

"Master, I am in a very remote county. Where are you? I used to find you, okay? Don't worry, Master, I am sensible now, I am very good, I will never be like before. Pretending to be cold." Xin Wanruo said very flatteringly on the phone.

## **Chapter 1543**

Kraig: "Where are you, I will look for you."

Xin Wanruo: "..."

What is she going to tell Kraig?

She is still the mistress of another sixty-year-old man. What if Kraig comes and is discovered by the immortal thing?

“Why? Can’t you go? Or did you hide other men?” Kraig asked.

Xin Wanruo: “...”

“Don’t say you hide a man there, even if you hide a hundred men, he will dare to deal with the matter of the father, he will also be broken into pieces!”

Xin Wanruo: “No, no, no, no, I will tell you where I am now.”

At this moment, Xin Wanruo’s heart was suddenly overjoyed. She suddenly thought that with Kraig’s power, it would take minutes to kill the old man she was following.

If this time I can completely tie Kraig down, then I’ll be in full swing in the future.

If Xin Wan didn’t ask herself to be Kraig’s true wife, she would be one of Kraig’s countless lovers secretly.

As long as it’s a lover, it doesn’t matter how big or small it is.

If you want to stand out among Kraig’s many lovers, you still have to see who is the best. If Xin Wan finally understands one truth now, that is, Kraig doesn’t like being cold.

Since you don’t like high-cold ones, are you the ones who like the show?

Humph!

As long as she is given a chance to Xin Wan, she will definitely show her Sao Gong to the fullest in front of Kraig, and she will definitely make him come back and forth.

Xin Wan was full of confidence and said on the phone: “Master, my current place is the most northeastern place, and further north is the national boundary. We are close to the sea, and we call Baihai City.”

White Sea City.

Kraig is familiar with where.

Back then, he personally defended there.

After determining the location, Kraig's heart became even more excited.

But no matter how excited he was, he had to hold back first. In order to suppress the uncertainty in his heart, Kraig lowered his voice, and his voice was even a little hoarse: "That woman..."

He was not sure if Dalia was alive or dead.

If the news he heard was that Dalia was no longer alive, then Kraig would go to the city of Baihai in the next second.

He wanted to catch Xin Wanruo alive, and then cut the blade piece by piece.

He didn't even have the courage to listen to what Xin Wanruo said next, and Kraig subconsciously handed the phone to Elden.

Elden leaned his ears to listen to the phone.

On the other end, Xin Wan said with great excitement: "That woman, what do you mean by Dalia?"

Elden squeezed his throat and said in a very low voice: "Yeah!"

Xin Wan over there is like opening a chatterbox: "That woman is so ignorant. Even if it's your tool for warming the bed, she shouldn't look for a man with you behind her back. She is blatantly bringing you a green hat. It."

"She deserves it!"

"However, she deserves to end up like this. Let me tell you a good news. Lord, that man, the one who died is called a miserable one. In the old forest in the mountains, there is not even a corpse to be collected. I guess his corpse. Now I have to be pulled by the beast."

That man is dead?

Elden was taken aback.

He had a relationship with Collin.

He was a good man, he was honest, but he didn't appear to be honest. In fact, even if Dalia didn't reconcile with his father, it would be nice to follow that man.

He actually died.

Elden's heart was depressed. Before he could ask anything, Xin Wanruo's voice came again: "Master, you give me instructions, do you want to live Dalia or die Dalia?"

Elden immediately covered the receiver of the phone, and he was pleasantly surprised to say to Kraig: "Master, ma'am... still alive."

### **Chapter 1544**

When he heard the words 'Madam is still alive', Kraig felt relieved.

There was a slight smile on his face.

At this moment, Kraig did not even ask, is the child in Dalia's stomach still there? Have you been insulted by other men?

The reason why he didn't ask is because these things are not things that Kraig wants to consider right now.

The only thing he considered was that Dalia was still alive.

As long as Dalia is still alive, he won't ask for anything else.

If Dalia is no longer innocent, Kraig will heal her with his gentleness for the rest of his life.

If Dalia has no baby in her belly and she can no longer have children from then on, then Kraig will tell her: "It's okay. We will treat Arron's child as our child in the future, and Suzi will be pregnant again. All her children are ours."

Even Kraig thought that if Dalia was disabled, he would still support her for the rest of his life and let her sit in a wheelchair and hold a wedding with her.

Anyway, at this moment, his requirements for Kraig are extremely low.

As long as Dalia is alive, it is enough.

Everything else is okay.

Kraig took the call from Elden and tried to suppress his excitement and said to Xin Wanruo: "What I want is of course the living Dalia!"

Xin Wan asked wisely: "Master, I understand what you mean, are you going to torture that woman yourself?"

Kraig: "..."

How does he answer?

It would take one day and one night to drive from the present Bay County to Baihai City.

Even if you take a plane, it is estimated that it will take a day to wait for the plane from entering the airport and exiting the airport. It is not as fast as driving.

Even if he might have seen Dalia one day and night, at this moment, Kraig did not dare to make any rash decisions.

Because Dalia is in the hands of others.

If he does not rush to Dalia in a minute, Dalia will be in danger.

He can't let Dalia's life be in danger.

So at this moment, Kraig asked Xin Wanruo in an anti-evil tone: "What do you think!"

Xin Wanruo: "Lord, I... I don't know what you mean?"

Kraig suddenly became angry: "Stupid woman! Don't guess my thoughts over and over again, I hate the women around me the most, especially the women by my bedside guessing my thoughts! You just leave it to me Remember! I must keep that woman alive! Because I have to deal with her personally!"

Xin Wanruo nodded immediately like a chicken pecking rice: "I know, I understand the Lord, the wife told me in half a month that the woman betrayed you... Don't worry, I will definitely give it to you. Lord, you stay alive, don't worry, Lord."

Kraig closed his anger a little: "Wait for me in Baihai."

"I know, Lord. I will definitely wait for you. I will wait for you in a very white and clean wash. I will let you know what a real woman is." Xin Wan said to Kraig, grasping the opportunity tightly. Very angry.

Kraig's heart felt sick when she heard it.

But on the surface, he still said faintly: "Don't affect the schedule of the Lord, it's hanging up!"

Yubi, he hung up the phone without hesitation.

Xin Wan on the other end of the phone still cares.

Holding the mobile phone in her hand, she smiled like a rotten peach blossom, and she kept muttering: "Master, Master is coming, I feel like I will have a bright future in the future."

While talking, Xin Wanruo drove back to the residence of her and her husband.

Said it was her husband, but Xin Wan was just the lover of the old guy.

To be a lover next to someone who was more than enough for her father at an age was something Xin Wan couldn't do.

## **Chapter 1545**

At that time, she was demoted to the northeast by Kraig and had no chance of making her own life.

In the end, she seemed to be a bit purple, so she hooked Rob Zou, the second in command of the dark forces of the White Sea generation.

The old guy is sixty-five years old this year. She has no abilities in that area. She has tortured her. She has long wanted to leave this old immortal thing. She originally planned to give Dalia to the dark forces of Baihai City. How powerful is the top leader.

He Quan's family was very poor in his early years. Because of the many children and men in the family, he became a bachelor.

Later, when he was forty years old, he even made a fortune of tens of millions. This allowed him to marry a daughter-in-law.

Why didn't you have the right not to look at people in their forties and still a virgin.

But his daughter-in-law is gone.

He Quan's wife has a childhood sweetheart boyfriend. After he was admitted to college, he found a girlfriend in a big city and kicked He Quan's wife.

At that time, the wife who had the right to be pregnant was nine months pregnant, and was dragged out by her family to induce labor abruptly.

After the child was introduced, the woman's family had the right to introduce him to him.

The girl was only twenty-four, and she was reluctant when she married He Quan. Later, after a year or two with He Quan, she didn't have a child. He had the right to scold her because she was unable to have a child because of the injury caused by the birth. She often beat and scold the daughter.

Not only that, why have the right to keep looking for women outside after getting richer and richer, but not paying attention to this daughter-in-law at home.

One day, the daughter-in-law ran away.

And I contacted the college student who dumped her back then. The daughter-in-law was willing to be that college student's little lover, and she didn't want to come back to Ho's power again. At that time, the power of Ho's power was already great.

He used the power in his hand to beat that college student into a disability. It was another daughter-in-law who was eight or nine months pregnant and took him back alive.

Since then, the nine-month pregnant wife kneels before He Quan every day.

He tried everything he could to torture his wife.

Until the child in the wife's belly died.

Then his wife went crazy and died.

However, He Quan has left the root cause of the disease. From then on, he began to like pregnant women.

To be precise, he likes to torture pregnant women.

He has the right to be a pregnant woman who has been tortured in the past twenty years from the age of forty-five to now 65, and he can't even remember the right to himself.

Under normal circumstances, they are those who are pregnant with illegitimate children, or are deceived, abandoned by their boyfriends, all kinds of things.

In the past two or three years, as the grades of He Quan have increased, the chances of her finding such pregnant women are getting smaller and smaller. It seems that He Quan has not found such prey for one or two years, right?

Xin Wan thought with joy in her heart, if he sent a woman like Dalia who had been pregnant for more than four months into He Quan's hands, He Quan would be grateful to her Xin Wan Ruo, right?

Originally, Xin Wan wanted to use the power of He to crush his own dead man.

But now, Xin Wan had changed her mind.

Where does she have the right to ask for a sum of money.

Then he was taking advantage of his right to torture Dalia to please Kraig.

Kill two birds with one stone!

Kill two birds with one stone!

Maybe, the Lord is happy, and he can help Xin Wan Ruo get rid of his old man.

In this way, it will kill three birds with one stone.

Ha!

If Xin Wan was happy in her heart, she pushed open the door where Dalia was detained: "Dalia, follow me to meet your big benefactor!"

When the voice fell, Xin Wanruo was stunned.

## Chapter 1546

At this moment, in the hut where Dalia was detained, Rob was confronting Dalia.

The old immortal wore a pair of shorts all over his body. He was holding his chest and looking at Dalia triumphantly: “Little pregnant woman, I will see where you go today. Although you are a pregnant woman, you are very charming.”

“Your skin is white and tender, you can pinch out water, the elegant temperament of a suit, and the beauty of it make me suspect that you are the real movie star.”

“You are so much more beautiful than the sl\*t.”

“Master likes you. You just have to take care of me, I can let you give birth to your child, and I can let you take the place of Xiao Jiu.”

Xiao Jiu in Rob's mouth is Xin Wanruo.

He has many lovers, and Xin seems to be ranked ninth.

Dalia, who was pregnant with a pale face, was kept here for three days and three nights by Xin Wan.

When he first came in, Dalia wanted to die.

However, every time Xin Wanruo came to bring her food, she would show her a newly recorded video: “Your mother is eating. If you don’t eat and don’t obey me, your mother will die immediately.”

“Of course, you can care about your mother’s life or death. Anyway, she is already in her seventies and is not your mother, right?”

When Xin Wan mentioned her mother, Dalia’s face was full of tears.

“I eat, I will eat, please take care of my mother.” Dalia implored Xin Wanruo without dignity.

“As long as you eat, I will take care of your mother.” Xin Wanruo smiled triumphantly.

Dalia took two bites of rice, then raised his head and asked Xin Wanruo: “I... my husband’s corpse, does anyone take it?”

Xin Wanruo was taken aback first: “Your husband?”

Then she smiled and said, “Oh. Are you talking about the drug dealer?”

“He is not a drug dealer!” Dalia cried and became angry.

“It’s you! It’s you who united to kill my husband. From the beginning, you all made up to kill our family, right?”

Xin Wanruo learned Elma’s tone and smiled indifferently: “Oh, you are a big belly, aren’t you stupid?”

Dalia asked desperately: “Is it Kraig?”

Xin Wanruo: “Of course!”

After a pause, she looked at Dalia with a vicious smile: “Du bltch, originally thought you were a high-level bed warmer, but that’s all!”

“What do you think of yourself? Dare to fight against Mrs. Jun!”

“You didn’t expect it, Lord Jun loves his wife very very much. For his wife, Lord Jun will do everything possible to kill you!”

“You can’t use all the killings to talk about your current situation.”

“It’s actually very easy for the Lord to kill you. He wants to torture you alive until his wife is satisfied. Can you understand? Du b!tch?”

Two lines of tears were left on Dalia’s face: “Why! Why didn’t I think about it, why would I believe that Kraig would let our family of three, why?”

After talking to himself, Dalia smiled miserably: “You...how do you guys with the advantage have so many torture tricks? First hold a handful of me, and then drive me to the end of the road. , I’m not allowed to die yet?”

She suddenly looked up to the sky and shouted miserably: “How can you bully people like this!”

Xin Wan squeezed Dalia’s chin: “Bullying you? Dalia, it’s you who think of yourself too much, and you don’t want to think about it. How could you be a woman like you in front of your lord? People!”

“You are just a big open trumpet flower that everyone sees! The Lord asked me to apologize to you back then, and you deserve it too!”

“Now I will tell you clearly! It was the Lord’s instructing me to let me serve you well here!”

## **Chapter 1547**

Dalia looked up at Xin Wanruo in despair.

Xin Wanruo’s face was full of sinister smiles.

“Let me die! Let my mother and I die together, can you?” Dalia asked.

“No!” Xin Wan simply refused to say: “It is the Lord’s meaning to let you live!”

Dalia sneered miserably: “Okay, I think of a way to die! I don’t eat or drink, I am on a hunger strike, you can’t control me, as long as you

dare to approach me, I will bite my own tongue, and I will even kill me. Rubbing his wrist against the wall, I will also break my blood vessel, I am cutting my wrist and committing suicide! I will never live! You have dreams!”

“Haha!” Xin Wanruo suddenly laughed wildly: “Big belly woman, you forgot again, you still have an old woman.”

“Do you think, what did I do with your seven-year-old 80-year-old mother when I drove in front of you? Do you bring her back to be my old mother’s worship?”

“Of course it was to seduce you!”

“Otherwise, why are you driving behind me all the way?”

“Aren’t you trying to catch up with your old mother, to get back to your old mother?”

Dalia wiped away her tears and asked, “I...Where did you get my mother?”

Xin Wan raised her eyebrows and said condescendingly: “From now on, I will take a video of your mother eating for you every day. If you eat well and live well, your mother will live, otherwise, your mother will die.”

“However, before your mother dies, I will let her enjoy it...”

“No...no, don’t do this to my mother, don’t!” Dalia knelt on the ground, crying and begging Xin Wanruo.

She has been crushed by life.

Completely crossed.

She can kneel down with anyone she meets now.

As long as you can save your mother’s life, let your mother not suffer.

In this world, only mother is her relative.

She should have been beaten to death by Elma three months ago. If Elma had been beaten to death that time, at least Brother Collin and mother would still be alive and secure.

However, Collin and his mother met her and saved her. Then came the scourge of death.

Now only my mother is left. If she kills her mother again, she will not be able to explain to Collin if she goes to hell in the future.

“As long as you save my mother’s life and don’t let my mother suffer, you can let me do anything.” Dalia was completely squeezed by Xin Wanruo.

“Very good!”

For three days, Xin Wanruo detained Dalia in the low house of the small villa where he was.

She was negotiating the price with He Quan. She naturally wanted to talk about Dalia’s price as the highest, and she had to talk to He Quan, and let He Quan to torture Dalia severely.

Moreover, for the past three days, Xin Wanruo has been waiting for Kraig.

Today, I finally waited for the news of Kraig.

Lord! Coming to this city soon, she will definitely let Kraig see her masterpiece, and she will definitely be satisfied with Kraig.

In my heart, I was planning so happily, but Xin Wan didn’t expect it, Dalia, this b!tch! Everyone should be in such a desperate way, they are no longer so dignified, and now they are not as good as a b!tch, but his old man can still see her?

The old man even let this pregnant belly replace her Xinwan’s position?

D\*mn it!

“Du b!tch, how dare you seduce the old lady’s man!” Xin Wanruo rushed forward, slapped her hand up.

## Chapter 1548

Rob saw Xin Wanruo as soon as he turned his head, and he was furious: "Batch! Get out of here! Master is doing a pregnant woman here, do you want you to intervene! Get out of me now!"

Xin Wan suddenly shouted angrily: "Rob!"

"Call Lord!"

As soon as Rob turned around, he jammed Xin Wanruo's neck without hesitation: "It's a watch I keep, you deserve to call my name too?"

"You hid such a stunner in private, you didn't let Lao Tzu enjoy it first?"

After being pinched by Rob, Xin Wan really wanted to hit Rob to death.

However, on Rob's one-third of an acre of land, she did not dare to come head-to-head with Rob.

Fortunately, the Lord will be here tomorrow.

As long as the Lord comes over, Rob will surely be able to get rid of this terrible one!

Xin Wan suffocated and smiled at Rob with a blushing face: “Master, master, you let me down, you first listen to me.”

Rob released Xin Wan just now.

“Say!”

“Without giving a reason today, I will give you to my clients and let them take you to death!”

Xin Wan smiled embarrassingly immediately.

But incomparable hatred in my heart!

Rob didn’t do it once or twice before giving her to his clients!

I wanted to leave this old immortal thing a long time ago, but she hasn’t saved enough money. Recently, the old immortal thing has become more and more stingy, and this year only gave her 500,000 yuan.

Five hundred thousand a year, what is enough?

She doesn’t even cost enough for beauty!

Even if you give 500,000, you still have to accompany the customers of the old stuff from time to time.

She really feels like a chicken.

Must kill this old immortal thing!

Those who kill the old and undead have to rely on Kraig’s power.

If you want to take advantage of Kraig’s power, you must please Kraig.

The best way to please Kraig is to torture Dalia until Kraig is satisfied.

Besides, torturing Dalia was originally what she was happy to do!

If Xin Wan was choked by Rob and coughed a few times, she calmed down for a long time before she said: “Rob, my lord, let’s say yes, why have the right to lack pregnant women? We give this stubborn woman to Ho. Right, how right will not only give us a sum of money, he will also do a lot of business for you.”

“Furthermore, we can’t fight for any right. We have told him that there is a pregnant woman to give to him. How do you have the right to deal with this pregnant woman? How do we have the right to confess?”

She said very softly.

I hate to die in my heart.

In fact, it’s nothing for Rob to be a woman!

But, it just can’t be Dalia!

Not only that, what else did Rob say? Let Dalia, a pregnant woman, take her place?

D\*mn it!

She is a movie star, a woman who has never given birth to a child, is she not as good as a pregnant woman!

Even at this point, Xin Wan couldn’t let Rob contaminate Dalia!

She is jealous!

However, if Xin Wan didn’t expect it, Rob came and said contemptuously: “You sorrowful girl! When will the master tell you, why is the master afraid of the right?”

“Don’t tell me, why do you have the right to take this pregnant woman to please? Your real purpose is to leave me, why do you have the right to follow that?”

“Why do you think the Lord is afraid of the right?”

“Do you think that at the border, on the boundary of Baihai City, what right do you really have to be the boss, and I can only be ranked second?”

## Chapter 1549

“Rough girls!”

“You look at your man that way?”

Xin Wanruo: “Master, what are you talking about, I’m doing this for your good. Master...”

“Die! If you don’t die, I will kill you!” Rob decided to Dalia today.

He kicked Xin seemingly far away.

At this moment, Xin Wanruo was also anxious!

I was jealous that Dalia was once able to get Kraig’s love, but I thought that Dalia was pinched in the palm of his hand, and she could still trade her for his future.

But at this moment, this D\*mn big belly woman even snatched her current man.

He has a big belly and can seduce people so much!

If Xin Wan’s brain was hot, he would forget her and Kraig’s promise.

“Biaozi, see if I won’t kill you...” Xin Wanruo pounced at Dalia.

But it was stopped by Rob.

Don’t even think that Rob is almost 60 years old, but when he was a young man, he was also a practicer. He played Xin like a play, and he kicked Xin far away.

Immediately afterwards, Rob finished washing Ruoti and kept it, while walking outside, cursing.

“You D\*mn watch!”

“Don’t think I don’t know why you followed me!”

“What a shit star you are! It’s nothing more than being banned and having nowhere to go, so you came to this barren land and followed me! How many men you followed before me, you don’t tell me, I know! Lao Tzu It’s not that you have never used a woman! Just your size, just how loose you are! Lao Tzu only treats you as a torn sack!”

Xin Wanruo: “You...”

“Get out! I won’t want you today. From now on, your position and your villa will be given to the little pregnant woman!”

“You unfamiliar white-eyed wolf, with such a good product hidden in your hand, you don’t want to give it to your man, but you want to give it to the ba5tard who has the right!”

“Do you think Lao Tzu is afraid of any right?”

“Pull the calf!”

“Get out of here!”

My hometown talks about turning around and turning around.

In fact, he sees you too, Xin Wan is a b!tch like this.

The women who followed him thought of his money without discomfort, and all of them were in vain.

But today, this little pregnant woman has an unspeakable taste, not to mention. At first glance, they are different from his women, at first glance they are good women.

Her application was shy and timid, yet unyielding, with tears on her face, desolate, pathetic, and beautiful.

Especially the slightly raised pregnant belly, there is an unspeakable charm.

After so many years, it is really difficult for Rob to meet a lovely woman. Today, for some reason, he fell in love with this pregnant woman.

Since someone replaces Xiao Jiu, what is he doing with a tattered one!

Can't you spend more money?

Rob took Xin Wanruo out of the gate in a hurry, and threw her out like a dead dog: "Get away from me! My customers are sick when they see you!"

Yubi turned around and closed the door.

If Xin Wan, who was driven out, didn't blame herself for following the wrong man, she just cursed Dalia aloud: "Dalia, you b!tch! You vixen, you seduce a man to reach my Xin Wanruo's head, you can't die! "

"I curse you to be tortured to death by that old immortal Rob tonight..."

Her yelling and cursing did not turn around Rob's head. Rob only walked toward the hut with a single mind. Tonight, he could try something new.

He rubbed his hands and walked into the hut. When he saw that the room was empty, Rob was stunned.

He said to himself incredibly: "Where can a pregnant woman go?"

And at this moment, outside the gate, Xin Wanruo was still yelling, "Dalia, you damned b!tch, you see how I can clean up your mother! I will cut your mother a thousand times and never let her die. So happy!"

"No...don't...don't hurt my mother." Behind Xin Wanruo, Dalia's voice suddenly came.

## Chapter 1550

Xin Wanruo was simply incredible.

This woman ran out by herself?

But it was, and it was not surprising that she ran out without handcuffs and handcuffs.

Xin Wanruo smiled bitterly: “Big belly woman, you are really acquainted! Since you have run out, just follow me!”

“Where is my mother?” The reason Dalia ran out while the two were fighting was to ask where his mother was.

“Of course it is in the hotel!”

“Don’t worry, I will never do anything to your mother, because I want to use your mother as a bargaining chip to threaten you. If you didn’t have your mother, you might have died long ago. How could you still accept it in front of me?” Xin Speaking as if bluntly.

“Okay! I’ll go with you.” Dalia’s tone had a dull numbness.

It was as if she was a walking dead.

She dumbly said to Xin Wanruo: “I will do whatever you ask me to do. My only requirement is that my mother is alive.”

“Relax! Follow me in the car!” Xin Wanruo ordered Dalia.

Fortunately, she didn’t drive into the yard today, or she wouldn’t even be able to drive now.

Dalia got into Xin Wanruo’s car mechanically.

When Xin Wanruo was about to drive away, Rob chased out from the villa: “Stop! b!tch, stop me! Where’s that big belly! Where did you get your big belly?”

“Xiao Jiu, you b!tch! Are you taking your big belly right now to where to please, where to please?”

“Women, listen to me! I’m not afraid of any right! If you have the right to rob me of a woman, you see how I can deal with him! And you, don’t let me catch you, just let me catch you, I You can’t survive and die!”

How could Xin Wanruo, who was already in the car, listen to Rob?

She drove out madly, rushing all the way to where she has the right to live.

Don’t look at Rob’s swearing, he is not afraid of what powers or what, but in the generation of Baihai City, the scope of the dark power of what powers really exceeds Rob by a lot.

For whatever reason, this house is more luxurious than Rob’s small villa.

When he arrived outside He Quan’s villa, Xin Wan Ruo took out his mobile phone and called He Quan.

On that end, why has the right to pick it up quickly: “Little Beauty...”

After Xin Wan heard this, she felt happy, and she smiled frivolously: “Boss He, goods, I brought you here.”

“So fast!” He Quan immediately sat up.

Xin Wanruo immediately pleased and asked: “Boss He, do you open the door to inspect the goods yourself, or should I send it to you? Anyway, I can do it anyway. It’s just the price...”

Hearing Xin Wanruo bargaining with another man as goods, Dalia, who was sitting in the back seat of Xin Wanruo’s car, seemed like he hadn’t heard it.

She was sluggish all over.

She is really a cargo now.

Goods that can be sold by people.

Sad?

Nothing.

Dalia didn't feel it at all.

Today, she is numb and can no longer be numb.

The only person in this world who cares about her is her mother.

If it wasn't her mother who was still alive, she would have died.

She should have died!

As her biological parents said, she shouldn't have come into this world.

The least and least should be to fall in love with Kraig.

Although Kraig was the best to her during her miserable life, Kraig never beat her, never imprisoned her, and always gave her freedom.

And let her live a very bright and beautiful life for seven years.

However, Kraig was also the man who hurt Dalia the most.

After all, it is the son of Kyoto, who is playing tricks like this.

It turned out that in everything, he gave her money, said that he had let her go, and said that he let her live with her true love, it was all fancy playing with her.

Is this more exciting?

## **Chapter 1551**

I can't squeeze the tears out of my eyes, and my eyes hurt when I cry again.

Dalia, why are you so sad?

Is it because of the child?

She didn't want to let the child stay in her belly anymore.

In the past three days, she flicked and beaten her stomach, with the purpose of trying to get rid of the child in her stomach, but it seemed that the child's vitality was very strong.

No matter how she tossed, the child is still there.

Moreover, she could feel the sensation of the little fetus jumping in the center of the abdomen: "Puff, puff, puff."

Why does God want to tease her like this?

Once she wanted children very much, but none of them could keep it.

Now, she doesn't want it anymore, but the child's belly grows very stable.

She suddenly laughed again.

Maybe this is God's will.

God's will doomed her, Dalia, deserved to be tortured alive with a pregnant belly.

It doesn't matter anymore.

As long as her mother can live, she will be tortured by others.

Dalia followed Xin Wanruo to get out of the car, and Yu Xin Wanruo took it into the villa.

The villa is brightly lit.

They heard Yingying Galia's laughter before entering the door, and an old voice was mixed in it.

After entering, the scene inside was extremely lively.

In the huge living room, a plump pig, with a big belly like an old man who is nine months pregnant, sits in the middle of the sofa.

The old man smiled horribly, surrounded by four or five women.

The old guy looked at this, looked at that, and then smiled good-tempered at these beauties: "My prey is here."

Four or five women all looked at the door excitedly.

These women are usually spoiled by old men like princesses. They have always heard that old men like to abuse pregnant women, but they have never seen them in the past two or three years.

They didn't dare to get pregnant because they were afraid that they would be abused to death by things that would never die.

The curiosity and jealousy of women make them want to see. How unlucky is the pregnant woman who just arrived?

Anyway, it's not that I have suffered bad things.

No one is too big to eat melons for nothing.

Four or five women were extremely excited.

When looking at this woman with a pregnant belly, pale and sluggish face, four or five women all showed contemptuous eyes.

Especially Dalia's dirty clothes were scared, and his slightly bulging belly made Dalia even more ugly for several flowery beauties.

"I heard that you used to be the bed warmer of Lord Kyoto?" One of the women raised her foot and kicked Dalia, and asked with gaze.

Another woman immediately snorted sharply: "Ha! I guess I don't even count bed warming tools, right? She warms the bed like this? At best, it's just venting.

For tools, you should have never touched the king's bed, right? "

"Tsk tusk tusk, is a woman like you still wanting to be pregnant with Lord Jun's child?"

“Ha, I want to be able to rely on the child to take the upper hand with the Lord?”

“Unexpectedly, not only did the Lord not let you be in power, but he also sent you to our Lord He to let you taste what is called purgatory on earth!”

“Bah! Deserve it!”

A group of women, although they did not know Dalia, at this moment, they were at the same level as their enemies, and they wished that Dalia would be hacked to death.

Who made Dalia once the woman of the prince of Kyoto?

D\*mn it!

Facing a group of women ridiculing her, Dalia turned a deaf ear, she only looked at the old fat pig sitting on the sofa dumbly.

“Come here and kneel in front of me.” The old man started and ordered Dalia.
